In the novels of R. K. Narayan (1906-2001), the forefather of modern Indian fiction, human-scale hopes and epiphanies express the promise of a nation as it awakens to its place in the world. In The Financial Expert, a man of many hopes but few resources spends his time under a banyan tree dispensing financial advice to those willing to pay for his knowledge. As charming as it is compassionate, this novel provides an indelible portrait of India in the twentieth century.

This booklet is prepared to enable the intelligent students to secure more marks and average students to get through the examination. I presume that this booklet helps the average pupils as spoon feeding.

When life deals you an unkind cut, how you respond to it offers a window to the character you possess. Blindness at birth can be particularly debilitating because you are deprived of self-dependency. However, if you learn to not just take the disability in your stride but also use it as a motivation to scale the ladder of life, then sky is the limit. As GK Mahantesh has amply illustrated. Presented with the easier option of falling back on family support and coasting through life, Mahantesh opted for the more arduous path of making a name for himself and offering inspiration as well as financial independence to thousands of others. Fusing his love for cricket with an innate desire to look beyond himself, he has carved a niche both through his illustrious association with blind cricket and the Samarthanam Trust. Eye Opener charts Mahantesh's fascinating, undulating journey from the outpost of Belagavi to the bustle and bustle of constant international travel, reiterating that blindness, or any disability, is no deterrent if you have will, passion, enterprise and industry.

Through this book, I humbly make an attempt to bring to the notice of Indians and the educational fraternity in the world at large, as to the difficulties faced by children who study in the regional language medium up to the tenth standard and then are made to study in the English medium from college. I was born in a village named Kangrali B.K., in Belgaum district, Karnataka. I did my schooling in the regional language education system up to the tenth standard. On attending college, I found that all the subjects were in English. This was very much new to me. During my school days I was never exposed to spoken or written English properly. I had only a basic knowledge of English. With the result, at college, I was unable to understand what the lecturers were teaching in English. My mind was unable to relate properly with the English study books. Due to this drawback I was unable to score more than the minimum number of marks required for passing the examination; though my academic record in school where I studied in the regional language was excellent. In spite of facing great hardships, I was able to secure a degree in Mechanical Engineering with Maths and Physics. To this day, I am very much depressed for not being able to effectively communicate in English. This set me thinking that a universal English Education system should be brought into place throughout India and the manner in which we should go about it. Hence this book

The making of a writer Ruskin Bond's first full-fledged autobiographical book covers his -formative years,' till the age of twenty-one. The world of Anglo-India, with all its conflicting pulls, comes alive as he tells his story. His earliest memoirs are bitter-sweet, and relate to Jamnager where he lives till he is six. The happy hours spent in exploring the Ram Vilas Palace grounds and playing with his younger sister Ellen and the palace children are overshadowed by the acrimonious relation between his parents. Their estrangement while he is still a child leaves him with a life-long sense of insecurity. His unhappiness is exacerbated by the untimely death of his father " his emotional anchor when the author is just ten. Forced to stay with his mother and his stepfather, both of whom are absorbed in their own worlds, he tries to fend off his loneliness through books and the company of a few friends. Left for the most part to himself, the gentle dreamer realizes very early as -a pimply adolescent' his calling as a writer. His first book, The Room on the Roof, materializes in England, the land of his forefathers, where he is sent to make a career for himself. Despite the unexpected success of his novel, which wins a major British literary prize, the author's yearning for India is too powerful to let him remain abroad for long. He returns and begins a writing career which has spanned four decades, and earned him a place in the pantheon of great Indian writers.

THE DEFINITIVE EDITION • Discovered in the attic in which she spent the last years of her life, Anne Frank ' s remarkable diary has since become a world classic—a powerful reminder of the horrors of war and an eloquent testament to the human spirit. Updated for the 75th Anniversary of the Diary ' s first publication with a new introduction by Nobel Prize–winner Nadia Murad " The single most compelling personal account of the Holocaust ... remains astonishing and excruciating. " —The New York Times Book Review In 1942, with Nazis occupying Holland, a thirteen-year-old Jewish girl and her family fled their home in Amsterdam and went into hiding. For the next two years, until their whereabouts were betrayed to the Gestapo, they and another family lived cloistered in the " Secret Annex " of an old office building. Cut off from the outside world, they faced hunger, boredom, the constant cruelties of living in confined quarters, and the ever-present threat of discovery and death. In her diary Anne Frank recorded vivid impressions of her experiences during this period. By turns thoughtful, moving, and amusing, her account offers a fascinating commentary on human courage and frailty and a compelling self-portrait of a sensitive and spirited young woman whose promise was tragically cut short.
