On April 10, 1970, Hill 927 was occupied by troopers of the Screaming Eagles of the 101st Airborne Division. By July, the

Acces PDF 13th Valley All Files

activities of the artillery and infantry of Ripcord had caught the attention of the NVA (North Vietnamese Army) and a long and deadly siege ensued. Ripcord was the Screaming Eagles' last

significant damage
to the NVA in the
A Shau Valley
before the division
was withdrawn
from Vietnam and
returned to the
United States. At
Ripcord, the
enemy
counterattacked

with ferocity, using mortar and antiaircraft fire to inflict heavy casualties on the units operating there. The battle lasted four and a half months and exemplified the ultimate frustration of the Vietnam

Acces PDF 13th Valley All Files

War: the inability of the American military to bring to bear its enormous resources to win on the battlefield. In the end, the 101st evacuated Ripcord, leaving the NVA in control of the battlefield. Contrary to the

Acces PDF 13th Valley All Files

mantra “We won every battle but lost the war,” the United States was defeated at Ripcord. Now, at last, the full story of this terrible battle can be told. For more than twenty years, Maria Paula Acuña

Acces PDF 13th Valley All Files

has claimed to see the Virgin Mary, once a month, at a place called Our Lady of the Rock in the Mojave Desert of California.

Hundreds of men, women, and children follow her into the desert to

Acces PDF 13th Valley All Files

watch her see
what they cannot.
While she sees
and speaks with
the Virgin,
onlookers search
the skies for signs
from heaven,
snapping
photographs of the
sun and sky. Not
all of them are

Acces PDF 13th Valley All Files

convinced that Maria Paula can see the Virgin, yet at each vision event they watch for subtle clues to Mary's presence, such as the unexpected scent of roses or a cloud in the shape of an angel. The

Acces PDF 13th Valley All Files

visionary depends on her audience to witness and authenticate her visions, while observers rely on Maria Paula and the Virgin to create a sacred space and moment where they, too, can experience

the oldest and
most fundamental
promises of
Christianity: direct
contact with the
divine. Together,
visionary and
witnesses
negotiate and

revelations. Our Lady of the Rock, which features text by Lisa M. Bitel and more than sixty photographs by Matt Gainer, shows readers what happens in the Mojave Desert each month and tells us how two

Paula and her
followers to meet
in the desert.

Based on six years
of observation and
interviews,
chapters analyze

Our Lady of the

pilgrims as they

relics and proofs of
visions where, out

personal tragedy and bureaucratic deception, they create an even deeper allegiance—one of the spirit and of the land. Occurring alongside the Women's Rights, Gay Rights, Civil Rights, and other identity movements of the 1960s, the Vietnam War was part of an era that rescripted gender and other social identity roles for many, if not most, Americans. This book examines the ways in which the war and its accompanying

Acces PDF 13th Valley All Files

movements greatly altered traditional American conceptions of masculinity, as reflected in discourses ranging from fictional narratives to memoirs, films, and military recruiting advertisements. Analysis of two canonical fiction texts—John Del Vecchio's *The 13th Valley* and Bobbie Ann

Acces PDF 13th Valley All Files

Mason's In Country—illustrates the interrelatedness of race, sexuality, disability and masculinity, an approach appearing in no other book-length study. The text illustrates how, decades later, the masculine anxieties of the Vietnam era persist.
