Jesus has never been more popular. Some love him, applauding him as a good teacher, a political revolutionary, or a prophetic voice speaking out against the rich and powerful. Others find him bigoted, old-fashioned, and narrow minded, even as they are forced to admit that his words and teachings are utterly unique. His presence infuses our political discussions and our dinner table debates, making him impossible to ignore. Yet sadly, in many churches today, the Jesus we meet is nothing more than a kindly man with children on his lap and a smile on his face. He is presented as a good person, a positive influence--a mixture of Mr. Rogers and Tony Robbins. The Jesus of American Christianity is meek, gentle, safe, and fun, always ready to be your best friend. When we dig more deeply into the Bible, we discover a very different picture. Wherever Jesus went in his life, from the day he was born until the day he died, scandal and controversy followed him. Be warned. If you investigate Jesus beyond the superficial glance most give him today you will be challenged and confronted. Jesus creates in each person who encounters him a crisis of faith, forcing us to a point of decision. When used together with The Problem of Jesus, A Video Study, this study guide helps you look beyond the superficial understandings of Jesus to examine his hard-hitting claims and teachings, including: The reliable evidence that Jesus was a real, historical figure The oft-unexamined cost of following Jesus His claim to be God, the Creator of all, worthy of worship His teachings and stories, which have always offended religious people His miracles and actions, what they meant in the ancient world--and today The claims of Jesus to be the only, exclusive path to God The Problem of Jesus Study Guide confronts you with the real Jesus of history, asking you to wrestle with the teachings, claims, and actions of the man who has forever altered the course of human history. Every person must make their own decision about Jesus, choosing how they will live in light of the answers they discover about this amazing man.

This STUDY GUIDE is a companion resource to Wayne Grudem's Christian Beliefs, revised edition. This STUDY GUIDE will help you think through important topics like: The Bible and its authority for our lives The characteristics of God The importance of prayer Angels and the reality of spiritual warfare What it means that we are created in the image of God What God has done for us in Christ The purpose of the church What happens when Christ returns The biblical understanding of heaven And much more Chapter by chapter, this STUDY GUIDE will lead you to examine and reflect on Christian Beliefs, revised edition (sold separately), by providing: Summary: A short summary of the chapter to help remind readers what they read. Key terms: Definitions of important terminology introduced in the chapter. Key quotes: Selection of one or two key quotes from the chapter. Central Scripture Passage: An important biblical passage related to the chapter for reflection or memorization. Content Questions: Questions that reflect on the theological content of the chapter. Practical Application Questions: Questions that help tie the theological content of the chapter to real-life situations. How do we live faithfully in a country becoming more and more hostile to our faith in Christ? Like the Israelites in Babylon, we must find a way to maintain our faith in the midst of a pagan culture. But that requires we answer two crucial questions: How did we get here? How do we prepare for the dark and difficult days ahead? In The Church in Babylon Study Guide, Dr. Lutzer answers both of these questions. He will walk you through the many parallels between the church in America and God's people in Babylon, and embolden you to be a gospel witness. As you work through the book, you'll be encouraged not to compromise your faith even when under constant pressure from all corners of society. And more than all this you will have a fresh encounter with Jesus Christ, as you delve into the biblical role of those in exile. This study guide will help you to engage the material via study questions, discussion points, and personal reflection. The

**Demystifying Miracles** What if you could experience something miraculous every day? Many Christians think of miracles as rare events for a select and fortunate few. But miracles don't have to be something mysterious and out of reach. They don't have to be the exception. Just as they were common in the early church, they can become common for you. School of the Miraculous Study Guide, based on Dr. Kynan Bridges' School of the Miraculous, can help every believer develop a miracle mind-set, operate in miracles, and establish a lifestyle in which miraculous events occur. Dr. Kynan has encountered many believers who are frustrated because they are not seeing evidence of God's power in their circumstances. They have a growing desperation for more of His intervention in their lives. This book was designed to answer that cry for more. The Holy Spirit is the Miracle Worker—but most miracles involve human participation in some way. Dr. Kynan reveals that our growing intimacy with God's Spirit will lead us to see and participate in His miracles—living in His power and setting our expectations increasingly higher for His miraculous works in our lives. This practical study guide, suitable for individual or group study, is filled with ideas for personal application and spiritual activation prayers for tapping into the miraculous.
