MacRaes to America!!

The family history and descendants of Robert Martin, Sr. (1750-1822) of Rockingham County, North Carolina and his brother Samuel Martin, Esq. (1748-1790) of Mecklenburg County, North Carolina, and the allied families of Settle, Douglas, Broach, Napier, Jarratt, Lawson and Scales.

By: Carolyn White Williams Pub. 1957, Reprint 2020, 1128 pages, Index, Hard Cover, 0-89308-872-2. Jones County was created in 1807 from Baldwin County. It is located in the center of the state. Originally known for its farm lands before the Civil War, it suffered destruction during the Civil War as Sherman's march to the sea passing through the county due to its cotton gin factor being retrofitted to produce pistols for the Confederate Army. This book is similar to other history books of the era with such topics being discussed: preformation of the county, formation of the county, Indians, early settlers, involvement in the War of 1812, education, religion/churches, towns, roads/trails, and considerable amount of discussion of its involvement in the Civil War. The author has included inscriptions from 40 cemeteries from around the county. She has also included the history of 22 ante-bellum homes located in Jones County and often times giving a biographical sketch of its owner: Clinton, Gordon-Bowen-Blount, Comer, Small, Newton, Peyton, Pitts, Cabaniss, Day-Barron, Barron, Glawson, Lancaster, Greene, White, Roberts, Moughon, Tomotavia, Johnson, and Lowther. But more importantly are the 80 plus genealogies of persons from the county. The reader will also discover an appendix filled with genealogical data: 1811 Tax Digest, 1820 Census, 1826 Land Lottery Draws, Marriage Bonds 1811-1890, Slave Deed Records 1791-1865, Index of Wills 1808-1890, Abstracts of Wills 1808-1810, List of Revolutionary Soldiers and Widows of Soldiers, Roster of Confederate Soldiers, WWI and WWII, Index to 1850 Census, and List of Grand Jurors 1808-1810.

The Brightwell Family of Alabama

Red Book

This is the Second Book of a Two Book Paperback set that documents twelve generations of our Buckner Family. Several of them immigrated to America landing in Virginia in the mid 1600s, and we trace our Buckner heritage in England and America. We start with the birth of our Progenitor in 1436 following descendants in several nations side by side. We could not publish our research in a single book, the historical record as is requires 1304 pages. Book I documents the First Eleven Generations, it ends with page 628; Book II begins on page 629, and pertains to Generation Twelve. The page number system is Contiguous. The Second Book includes a Full Name Index that validates given and surname with appropriate page number in the correct book.

Across a century, Victoria Bynum reinterprets the cultural, social, and political meaning of Mississippi's longest civil war, waged in the Free State of Jones, the southeastern Mississippi county that was home to a Unionist stronghold during the Civil War and home to a large and complex mixed-race community in the late nineteenth and twentieth centuries.

The Final Irony

Few places in the United States feel the impact of courthouse disasters like the state of Georgia. Over its history, 75 of the state's counties have suffered 109 events resulting in the loss or severe damage of their courthouse or court offices. This book documents those destructive events, including the date, time, circumstance, and impact on records. Each county narrative is supported by historical accounts from witnesses, newspapers, and legal documents. Maps show the geographic extent of major courthouse fires. Record losses are described in general terms, helping researchers understand which events are most likely to affect their work.

" ... provides updated county and town listings within the same overall state-by-state organization ... information on records and holdings for every county in the United States, as well as excellent maps from renowned mapmaker William Dollarhide ... The availability of census records such as federal, state, and territorial census reports is covered in detail ... Vital records are also discussed, including when and where they were kept and how"--Publisher description.

The American Census Handbook

"This is a collection of 283 genealogies which I have compiled over a period of twenty years as a professional genealogist. ... While I have dealt with some of Oglethorpe's settlers, the vast majority of the genealogies included in this collection deal with Georgians who descend from settlers from other states."--Note to the Reader.

John Marsh Sr. (d.1803/1804) married Ann Tavner (Taverner) and moved from Virginia or North Carolina to Craven and Kershaw Counties in South Carolina. Descendants and relatives lived in South Carolina, Georgia, Florida, Alabama, Mississippi and elsewhere. The research notes on Marsh also list individuals and families in Virginia, North Carolina, Pennsylvania and elsewhere.

Our Family's Book of Books

Between late 1863 and mid-1864, an armed band of Confederate deserters battled Confederate cavalry in the Piney Woods region of Jones County, Mississippi. Calling their company after their captain, Newton Knight, they set up headquarters in the swamps of the Leaf River, where they declared their loyalty to the U.S. government. The Jones County rebellion is well known among Mississippians, and debate over whether the county actually seceded from the state during the war has smoldered for more than a century. Further controversy to the legend is the story of Newt Knight's interracial romance with his wartime accomplice, Rachel, a slave. From their relationship there developed a community that endured long after the Civil War had ended, and the ambiguous racial identity of their descendants confounded the rules of segregated Mississippi well into the 20th century. Victoria Bynum traces the origins and legacy of the Jones County uprising from the American Revolution to the modern civil rights movement. In bridging the legendary and the real Free State of Jones, she shows how the legend--what was told, what was embellished, and what was left out--reveals a great deal about the South's journey from slavery to segregation; the racial, gender, and class politics of the period; and the contingent nature of history and memory. In a new afterword, Bynum updates readers on recent scholarship, current issues of race and Southern heritage, and the coming movie that make this Civil War story essential reading. The Free State of Jones film, starring Matt McConaughey, Gugu Mbatha-Raw, and Keri Russell, will be released in May 2016.

Reidy has produced one of the most thoughtful treatments to date of a critical moment in southern history, placing the social transformation of the South in the context of the Atlantic world and the changes in the markets, ideologies, etc. of the Atlantic world system. Better than anyone perhaps, Reidy has elaborated both the large and small narratives of

connecting global forces with the initiatives and reactions of ordinary southerners, black and white.--Thomas C. Holt, University of Chicago "Joseph Reidy's detailed and economic developments in central Georgia during and after slavery will take its place among the standard works on these subjects. Its discussions of the expansion of of the changes after emancipation make it necessary reading for all concerned with southern and African-American history.--Stanley Engerman, University of Rochester the experience of one region's people into the larger theoretical context of world capitalist development and in the process challenges other scholars to do the same.

Cathey Family: With 32 Immigrant Allied and Collateral Families

Early Federal Census, Habersham County, 1820-1830-1840

Browne/Brown Family History

1830-1840

This is a new approach for us to publish the genealogical history of a particular family in that, we opted to include key Allied and Collateral families along with the primary family immigrants.

We define Allied families as being of a different surname that directly married a member of the primary family. We define Collateral families as being of a surname of persons that directly married into an Allied family. Immigrant surnames included in this book: Cathey, Buckner, Tidwell, Villard (Willard), Kimball (Kimbell), Simms, Stubbs, Lynch (Linch), Stanley, Lumkin, Mercer, Harvey #1, Davis, Hawkins, Rentz, Harvey #2, Holloway, Bullock & Henley, Griffin, Webb, Sterling, Clements, Dalbye, Avery, Tillman, Barradall, Carpenter, Williams, Darnall, Jordan, Degraffenried, Smith
