20 Easy Fingerstyle Studies for Ukulele is a collection of pieces and exercises for fingerstyle ukulele, aimed at those who have

chords on the ukulele and wish to learn fingerstyle technique. Author Rob MacKillop introduces techniques for the left and right hand and explanations for each piece that help you along the way. The accompanying CD contains both slow and up tempo versions of the tune in the book.

Classical and Contemporary Studies for Bass Guitar combines essential studies from 19th-century composer Giovanni Bottesini's "Paganini of bass", with contemporary studies by Gilbert Isbin; one of the leading European composers for guitar, lute and bass. 33 studies will help build not just your technique, but reading abilities and overall musicianship. The material is intended for serious bass students and can be played on a fretted or fretless bass. While Bottesini's works lie firmly in the classical genre, Isbin's bring in elements of classical, jazz and world music. All the studies are written in standard bass clef notation as well as tablature. Includes access to online audio recorded by Rob MacKillop for each study.

This book and accompanying audio offer a unique look into playing the music of Bach on the ukulele. Included are twenty duets for two ukuleles or ukulele and guitar. The first part in the duet can be played on either soprano, concert or tenor ukulele, and the second part on either baritone ukulele or guitar. This collection contains beautiful arrangements of many of Bach's most popular pieces. Some of the arrangements are simple, some complex, but most are of intermediate difficulty. The accompanying online audio contains breathtakingly beautiful performances by ukulele maestro, Rob MacKillop, and historical guitar specialist, Gordon Ferries, making it wonderful in its own right. Included are pieces such as Sheep May Safely Graze, Minuet in G, Sleepers Awake, Jesu, Joy of Man's Desiring, and many other classic tunes

*This book is intended for ukulele players who had some experience with their instruments, but would like to increase their musical ability, as well as for guitarists who like to improve their accompaniment skills on the treble strings of the guitar. There exist many excellent introductory ukulele methods, as well as extensive chord dictionaries. Instead, this book is intended for those players who wish to be able to sight read from a fake book, figure out the chords to a song without a chart, create accompaniments to their own songs, create chord solos, extend their chord vocabulary, or further their understanding of harmony.*

*20 favorite Scottish and Irish tunes, brilliantly arranged for fingerstyle ukulele by Rob MacKillop. Titles include such well-known session tunes as Drowsy Maggie, the Kesh Jig, the Connaught Man's Rambles and the Wind That Shakes the Barley. Rob is a master of the campanella style of ukulele fingering, which exploits the unique tuning of the ukulele, and which helps these airs, jigs and reels flow across the fingerboard effortlessly, at times sounding like a small Celtic harp. The CD recording contains all 20 pieces performed by Rob MacKillop, hailed in Celtic World as 'One of Scotland's finest musicians'.*

*(Fretted). Shamrocks, shillelaghs and shenanigans ... they are all here in this collection of 55 fabulous Irish favorites!*

*Each song is specifically arranged for the ukulele, with the melody in both standard notation and easy-to-read tab.*

*Includes: An Irish Lullaby \* The Band Played On \* Cockles and Mussels \* Danny Boy \* The Irish Rover \* McNamara's Band \* Peg O' My Heart \* The Rose of Tralee \* and dozens more.*

*This book offers scales and modes for the baritone uke. Each scale is shown in multiple fingers with roots on the fourth, third and second string. Scales and modes shown include Major, Minor, Harmonic Minor, Pentatonic, Dorian, Phrygian, and Mixolydian. Each scale is shown in fretboard diagrams.*

*In this collection of 23 melodies from the British Isles, award-winning composer and multi-instrumentalist Ondrej Sarek treats the soprano ukulele as the lyrical solo instrument it can truly be. Along with fingerstyle arrangements of traditional airs, love songs, songs of home and longing, and the timeless melodies of Irish harpist Turlough O'Carolan, the book includes settings of a few original tunes by Mel Bay Publications president, William Bay. All arrangements appear in gCEA tuning in standard notation and uke tablature with suggested backup chords and occasional light fingering.*

While the 'ukulele is enjoying a well-deserved renaissance on the mainland, in the land of its birth, it has never gone out of style. Hawaiians took to the jumping flea right from the start, creating music of stunning beauty and versatility. Now intermediate players can learn to play lovely finger style solo arrangements of classic Hawaiian songs, folk songs, standards—even a few pieces from the classical guitar repertoire. The book offers 27 arrangements from around the world written in standard notation and tablature playable

on any 'ukulele. Songs are grouped according to level of difficulty, starting with simple arrangements well within the grasp of dedicated beginners and intermediate players and leading through more challenging songs featuring unusual chord voicings, inversions up the neck, tricky fingerings and all the fun stuff the author could muster. To aid the student, the companion CD includes all of the songs taught. Includes chord charts, inversion studies, introductory material on finger-picking and making the transition from strumming to melodic playing.

This book and accompanying audio include twenty of the most popular kids' tunes of all time, arranged for small hands to play on the ukulele. Chords are supplied for other instruments to join in the fun, as well as lyrics for singing. The ukulele tablature makes learning fun and easy, while the arranger (with 25 years of teaching experience) has laid the foundations for good fingerstyle technique. This book is therefore both fun and educational. The ukulele is a wonderful instrument for kids - cheap and cheerful, and ready-made for kids' small hands. Most ukulele books introduce chords from the first page, yet chords can be difficult and frustrating for child beginners. This book gets kids playing recognizable tunes right from the get go. Each song includes: - A standard notation clef with the words underneath - Chord symbols for guitar, keyboard or another ukulele to provide accompaniment - A tablature clef, which is what the kids should play Downloadable audio available online.

This book and accompanying audio include twenty arrangements of Caribbean folk songs designed to be played on the soprano, concert or tenor ukulele. The pieces are arranged for solo playing in the chord-melody style. The collection includes two original songs by the author in the Caribbean style. Chords are provided if guitar accompaniment is desired. Players of any experience level will enjoy this book. Includes access to online audio.

Inspired by the music played in early 20th Century juke joints, rent parties and road house dives, "Juke'n The Uke" is an outstanding collection of classic blues, rags, jug-band songs and hokum artfully arranged for fingerstyle 'ukulele. Highlights include a rare Hawaiian blues, the ballad "John Henry" played bottleneck style, and gems transcribed from the immortal Mississippi John Hurt, Big Bill Broonzy, Etta Baker, Blind Blake and many others. "Juke'n the Uke" finally answers the age-old question, "I wish somebody would tell me what Diddy Wa Diddy means?" • Complete Tablature for the CD & More! • Tablature and standard notation • Notes on reading music and reading TAB • Bottleneck blues 'ukulele lesson • "Blues You Can Use" lessons • Graded arrangements from easy to advanced • Playable on any 'ukulele (Low G string preferred) • Learn to play these classic blues, ragtime & hokum songs

Easy Songs for Ukulele (Songbook)

*(Essential Elements Ukulele). Playing the ukulele is an enjoyable, easy, and inexpensive way to get involved in music. It provides a way to learn musical concepts and skills that can apply to any instrument you decide to study. Moreover, it will give you a great opportunity to share the joy of making music with other people. This book will help to provide you with the basic skills and musical background you need to get started. The audio features demonstrations of all the songs and examples. This carefully crafted method emphasizes chord strumming skills; teaching students HOW to practice; note reading exercises; "chord challenges" to learn how to figure out chord progressions; tab reading; and more. It also includes nearly 30 familiar songs that students can play while still learning, including: All My Loving \* Home on the Range \* Hound Dog \* Jambalaya (On the Bayou) \* La Bamba \* The Lion Sleeps Tonight \* The Rainbow Connection \* Take Me Out to the Ballgame \* and more! Practice, experiment, and have fun playing the ukulele!*

*Featuring standard notation and tablature, this new book & audio package introduces basic accompaniment patterns, how to use the thumb and fingers, Travis picking, and much more. Readers learn the applications of folk, blues, ragtime and new age styles to solo guitar while learning beautiful new chord voicings.*

*Gaspar Sanz (1640 –1710) is the most famous baroque-period guitarist. His works are tuneful and memorable, with fiery cross-rhythms and cascading scale passages. He published three books of guitar music. The baroque guitar could be viewed as a close relative of the ukulele. Indeed, the two instruments have much in common. The smaller four-course guitar actually had the same tuning as the ukulele, for example, although it was largely double-strung. Sanz enjoyed playing scales in the campanella style, with the notes of a scale set out on different strings, sonically overlapping slightly in the style of little bells. This is a technique the ukulele excels at, and is used to good effect in these arrangements. Sanz' music for baroque guitar transfers exceptionally well to the uke, as these arrangements demonstrate. It is hoped that this repertoire will bring a refreshing addition to the repertoire of the ukulele, just as the little instrument can bring a freshness to these old but lively pieces.*

*(Ukulele). Impress your friends by playing these ten jazzy classics arranged especially for tenor uke: Here, There and Everywhere \* Here's That Rainy Day \* Honeysuckle Rose \* Mona Lisa \* Moon River \* Tenderly \* Till There Was You \* Wave \* What a Wonderful World \* When You Wish upon a Star.*

*Learn fashionable and evocative tunes from 19th-century America! Originally collected for the fretless minstrel banjo, many of these tunes were taught to Tom Briggs in Southern plantations, and are the sound of a new, vibrant America. Mixing early Black banjo music, with European dances, a new popular music was born, which, in the following decades, would mature into ragtime and jazz. Rob MacKillop arranged these pieces for fingerstyle ukulele. They sound great on either a standard uke or on a banjo ukulele. The CD recording contains performances of all 20 pieces by Rob MacKillop on a banjo ukulele.*

This book is devoted to playing the soprano, concert, or tenor ukulele tuned in perfect fifths as used by the string and mandolin families of instruments, as well as the cittern and tenor banjo. The book's scores are all in tablature; you'll have no trouble adapting to the tuning and playing in the book's various styles. The 55 pieces in *Play Ukulele in 5ths Tuning* progress from simple to advanced and can be played fingerstyle or with a pick. To help you come to grips with the tuning, the book includes Classical-era studies originally written for instruments tuned in 5ths, followed by Scottish traditional tunes, bluegrass, blues, and early jazz pieces, and ultimately—Bach's gorgeous Baroque cello music. Includes access to online audio for every piece recorded by the author to facilitate your progress. Anytime you play with musicians who use instruments tuned in fifths, you can all use the same fingerings. As a result, the music can sound more "together". In addition, having played the uke tuned in perfect fifths, if you ever want to play any of those traditionally 5th-tuned instruments, you will have had a head start!

20 Celtic Fingerstyle Uke Tunes Mel Bay Publications

I began listening to Celtic music in the early 90's when a friend introduced me to Fiona Ritchie's NPR radio program, *The Thistle and Shamrock*. I'd already become aware of some session tunes through the pennywhistle primer my father had given me in the 80's (when he was still a well, active musician and would play duets with me at family Christmas parties), but I had never before heard recordings of the masters of the whistle, fiddle, harp and uilleann pipes. Needless to say, it was a revelation. Shortly thereafter it seemed like the entire world was listening to the lilting jigs and high-stepping dance tunes in the wake of 1995's *Riverdance* phenomenon. I loved most everything I heard in that period, from the very traditional, but incredibly virtuosic playing of *The Chieftains* to the dreamy Celtic-inspired pop of Enya, to the amazing blend of the two extremes by artists like Loreena McKennitt. Fast forward to 2010s . . . Ever since I started writing and arranging for the ukulele I've been planning this book; one that combines my love of traditional Celtic music with my love of the reentrant ukulele (gCEA), which sounds fantastic on solo dance tunes played in the campanella-style (where you try to avoid playing two consecutive notes on the same string to give the sonic illusion of playing on a harp). I'd like to acknowledge Alistair Wood for introducing me to this style of playing as well as three other inspiring arrangers of Celtic tunes for uke: Jonathan Lewis, Rob MacKillop and Wilfried Welti (though I've avoided their books while working on this title to avoid any unintentional borrowing). If you love this style, please check out their work as well! How were the 'Top 25' Celtic session tunes chosen out of the thousands of tunes and variations that are available? Quite simply, I went to the top two sites for traditional tunes and chose to arrange the 25 most bookmarked tunes. Hardly scientific, but a good measure of tune popularity nonetheless. I hope you enjoy the results! Slainte mhaith (good health)! M. Ryan Taylor

CONTENTS: There are no page numbers in this book. The contents are listed in alphabetical order, as follows. Although there are no 'easy' tunes in this volume, 10 of the 'easier' tunes are marked with an asterisk. Banish Misfortune Banshee\* Blarney Pilgrim\* Boys of Bluehill Butterfly Conaughtman's Rambles Cooley's Drowsy Maggie Gravel Walks\* Harvest Home\* Jimmy Ward's\* Kesh Kid on the Mountain King of the Fairies Liltin' Banshee\* Maid Behind the Bar Mason's Apron Morrison's\* Mountain Road Musical Priest\* Out on the Ocean Rights of Man Silver Spear Tam Lin\* Wind that Shakes the Barley\*

NOTES: \* All of the tunes (except 'King of the Fairies') are arranged in the campanella-style. There are some places, however, where a repetition of a note on separate strings was not practical. \* Slur marks have been used in the staff notation to indicate places you may wish to use a hammer-on, pull-off or slide. \* A number of the arrangements go up to the 14th fret. I realize not all players have more than 12 frets, but I think enough do to warrant the inclusion. If your ukulele does not go above the 12th fret, experiment with taking these sections or phrases down an octave. \* Although there are no 'easy' tunes in this volume, 10 of the 'easier' tunes are marked with an asterisk on the contents page."

This book features twenty superb arrangements of traditional Old Time American tunes by ukulele maestro Rob MacKillop. Included are classics such as *Wildwood Flower*, *Man Of Constant Sorrow*, *Whiskey Before Breakfast*, *Angeline The Baker*, and many others. All the music is playable with a pick or finger style, and the tunes are presented in both tablature and standard notation. The book includes accompanying audio online available for download

You need only minimal playing skills and three chords-G, C, and D7-to accompany all the great songs in this innovative book. If you are just getting started, or if you are a casual player on a chording instrument, this is the perfect book for you. The book is absolutely bursting with a great variety of music: Old-time, bluegrass, gospel, Christmas, children's tunes, Stephen Foster, British and Celtic, cowboy, blues, and more. Because melody and lyrics are provided with every song, singers will also enjoy this wonderful collection of the world's favorite songs. Truly a book of outstanding arrangements, made playable for folks who play for their own enjoyment. (Some of these songs, like *Dark Hollow* and *Way Downtown*, are hard to find in print.) Guitar, uke, and five-string banjo diagrams are included for the three chords, along with tips on strumming and transposing tips for singers. An invaluable reference book for teachers and pros, too!

The ukulele is an extraordinary instrument with a remarkable history. Apart from its well-practiced use as a strummed accompaniment instrument, it is capable of real beauty and the most delicate expression. It has as much depth as Renaissance and Baroque guitars and lutes, and is worthy of serious study by all those who have a heart for music. This set of 20 fingerstyle arrangements is written for the beginning student seeking something a little more challenging to play. These 20 progressive studies touch on all aspects of fingerstyle playing on the ukulele presenting different styles: blues, jazz, classical, and even minimalism and serialism. There are studies in arpeggios, scales, modes, ii-V-I chord sequences, strumming, syncopation, campanella fingerings, improvisation, hammer-ons, and pull-offs. Some of the studies concentrate on the left hand, some on the right hand, some on both. Possibly the most comprehensive set of studies currently available for the ukulele, mastery of which will equip one to explore any style of music desired. It is also a showcase for how well the ukulele can adapt to different styles of music.
