Virginia is for lovers, but in the heartless and unforgiving streets of Virginias 7even Cities: where disillusioned hustlers pitch narcotics on project blocks without a conscience, disgruntled stick up kids terrorize the streets with their ambitions attached to ski masks and twin pistols, and dispirited young females strip themselves of their self worth and sell their most sacred possessions all for a piece of the Devils Pie, love is an ideal often spoke about, but seldom seen. The 7even Cities, where the disenfranchised take to the streets to obtain the American Dream of lavish homes, luxury automobiles, and tailored garments, while the

This is Virginia through the clairvoyant eyes of Marquis Cream Cureton in his classic debut novel, *When the Smoke Clears: An Urban Novel*. Inspired by true events, Cream narrates the story of Secoya Smoke Harris, a promising college basketball player with ambitions as vast as the oceans are blue, who tip-toed the fine line between success and the streets.
