**Expert practical advice from an experienced race engine builder on how to build an ignition system that delivers maximum power reliably. A lot is talked about ignition systems and there is a bewildering choice of expensive aftermarket parts, which all claim to deliver more power. Des Hammill cuts through the myth and hyperbole and tells readers what really works, so that they can build an excellent system without wasting money on parts and systems that simply don't deliver. Ignition timing and advance curves for modified engines is**

**Branding Masculinity examines two ideologies of masculinity – one typifying rural agricultural areas and the other found in urban, business settings. Comparisons are made between these two current forms of masculinity and both similarities and differences are identified. Six product categories compose the Constellation of Masculinity for both groups. Hirschman selects a masculine prototype brand from each category and presents a detailed analysis of the images, language and marketing actions used to create the brand's masculinity over time. Using her method, marketers for other brands will be equipped to enhance the masculine status of their brands, as**

could be added to a Model T car to convert it to a pickup, but with the debut of the rugged Model TT truck chassis, Ford was firmly in the truck market. Eight years later, Ford introduced its first factory-produced pickup, a sturdy half-ton job the public loved. During the century that has passed since that first Ford truck chassis, the F-series has become the best-selling truck in the world, and the best-selling vehicle of any type in America. Ford Tough: 100 Years of Ford Trucks tells the entire Ford truck story from the very beginning, when Ford got its start in truck production. This book provides the history of the wide array of models Ford has built over the past century, including the Model A roadster pick-up, stylish 81C pickups, legendary 1948 F-1, Bronco, Courier, Ranchero, and Econoline.

Essentials of Marketing is a brief version of Basic Marketing, the worldwide market leading Principles text. Basic Marketing and Essentials of Marketing are the first books to develop and present the 4Ps framework (Product, Price, Place, Promotion) which describes the components of the marketing mix and forms the foundation of Marketing. Like Basic Marketing, Essentials of Marketing offers a very thorough integration of the latest marketing themes, topics, and examples woven throughout. While Essentials of Marketing is a brief text, it is not a cut-and-paste of Basic Marketing. It is written carefully, thoroughly and specifically to be suitable for shorter Marketing courses. Author Bill Perreault shows this same dedication to the supplements package. Where most principles of marketing texts have separate

**what you drive. Your car is a bold statement of individual identity. American Car Design Now is the first book to take a critical look at this phenomenon, with in-depth examinations of the creative process behind more than thirty contemporary models that embody the trends of the future, including the Crossfire, Mondeo, Thunderbird, Continental, Mark 9, Bengal, Vizon, Cien, and CTS. The product of more than three years of research, this volume collects the author's essays and interviews with the design directors of General Motors, Ford, and Chrysler. The author gained unprecedented access to the notoriously secretive and guarded design studios of these car giants, and the result is an insider's perspective on the making of new American cars, of new American dreams. American Car Design Now delves deeply into the individual characters behind**

**the industry and shows how their different creative and managerial techniques translate to the finished models. With this unique analytical approach, American Car Design Now is a great addition to the shelves of not only auto industry professionals but designers and car enthusiasts of all types. As a successful trial lawyer, Mike Beck uses his personality and his skill with the letter of the law to win in a courtroom. As a Marine Reservist ordered to Iraq on an unexpected deployment, he finds himself in a different world where the law of war often conflicts with common sense and his own feel for what's right and what's wrong. When an embedded female correspondent reveals what appears to be an illegal killing of Iraqi civilians by a U.S. Marine during the battle for Fallujah, Beck finds himself faced with a case that challenges both his legal skills and his**

**conviction that something is very wrong with what seems to be a clear violation of the law of land warfare. Devoted to finding the truth about an ugly incident and keeping an innocent Marine from being convicted in a court-martial, Mike Beck defies orders, purloins evidence, and leads a combat team that must fight their way through a fanatical enemy force to investigate the scene of the alleged crime. Along the way as he battles his conscience, command influence, and a media giant clamoring for his head, Mike Beck finds a lot of truth about the case, about the brutal enemy in Iraq, about the nature of a very nasty war, about the Marines risking their lives in a confusing combat situation—and about himself as a Marine, a lawyer, and a man. “A timely page-turner about war, honor, love, and Iraq justice told by a true Marine—Hooah!” Eugene Sullivan, Chief Judge**
