Throughout human history,
wars and violence have
often been waged in the name
of religions and in the name

Access Free 2006 Mitsubishi Outlander Owners Manual

of diverging religious beliefs and belonging. Ironically, though, all religions in their teachings speak of nonviolence and have in common the promotion of peace and justice, namely the respect of human life and

Access Free 2006 Mitsubishi Outlander Owners Manual

dignity, the institution of
humanrights, the protection
of the poor and vulnerable,
the freeing ofthe oppressed,
the active elimination of
injustice? It
seemstherefore, that
violence and wars would be

Access Free 2006 Mitsubishi Outlander Owners Manual

antithetical to religions;
yet they are so frequently
used as their
justification. Are we then
speaking of different
"religions"? "Institutional
religions," the ones
structured by humans and that

Access Free 2006 Mitsubishi Outlander Owners Manual

are brandished to lead violence and wars, become infact quite foreign to the essence of the religions as they wereestablished by their founders and that they intend to represent;they actually contribute to their

Access Free 2006 Mitsubishi Outlander Owners Manual

destruction. Wanting to
reflect on that point, I
embarked, a few years ago, on
giving voice to local
religious individuals, whom
I called "Religious
Peacemakers," and who, each
by living the essential

Access Free 2006 Mitsubishi Outlander Owners Manual

teachings of their particular faith, contributed by their actions to peace and justice. I wanted to prove that their path, irrespective of their original religion, would be similar, and that their

Access Free 2006 Mitsubishi Outlander Owners Manual

diverse faith, instead of separating them, would on the contrary end up uniting them.
