

2017 No Regrets Mini Calendar

Backpacker brings the outdoors straight to the reader's doorstep, inspiring and enabling them to go more places and enjoy nature more often. The authority on active adventure, Backpacker is the world's first GPS-enabled magazine, and the only magazine whose editors personally test the hiking trails, camping gear, and survival tips they publish. Backpacker's Editors' Choice Awards, an industry honor recognizing design, feature and product innovation, has become the gold standard against which all other outdoor-industry awards are measured.

Imperial Japanese soldiers were notorious for blindly following orders, and their enemies in the Pacific War derided them as "cattle to the slaughter." But, in fact, the Japanese Army had a long history as one of the most disobedient armies in the world. Officers repeatedly staged coups d'états, violent insurrections, and political assassinations; their associates defied orders given by both the government and the general staff, launched independent military operations against other countries, and in two notorious cases conspired to assassinate foreign leaders despite direct orders to the contrary. In *Curse on This Country*, Danny Orbach explains the culture of rebellion in the Japanese armed forces. It was a culture created by a series of seemingly innocent decisions, each reasonable in its own right, which led to a gradual weakening of Japanese government control over its army and navy. The consequences were dire, as the armed forces dragged the government into more and more of China across the 1930s—a culture of rebellion that made the Pacific War possible. Orbach argues that brazen defiance, rather than blind obedience, was the motive force of modern Japanese history. *Curse on This Country* follows a series of dramatic events: assassinations in the dark corners of Tokyo, the famous rebellion of Saigō Takamori, the "accidental" invasion of Taiwan, the Japanese ambassador's plot to murder the queen of Korea, and the military-political crisis in which the Japanese prime minister "changed colors." Finally, through the sinister plots of the clandestine Cherry Blossom Society, we follow the deterioration of Japan into chaos, fascism, and world war.

From Bedpans to Boardrooms is intended to take you from tears to belly laughs as you experience some snafus in family life and health care that the average person would never believe. The story is inspirational in the sense that it could be everyones story.

THE STORY OF LONDON: Charles Dickens' Perspective in 11 Novels & 80+ Short Stories (Illustrated Edition)

Novels, Short Stories, Plays, Poetry, Essays, Articles, Speeches, Travel Sketches, Letters, Autobiographical Writings, Biographies & Criticism: David Copperfield, A Tale of Two Cities, Great Expectations...

This report presents the findings of a multi-year FAO study undertaken on over 900 farms in ten different countries that measured, using field data, benefits gained through the use of innovative farming practices designed to boost the resilience of farmers in the face of natural disasters and other shocks. The findings show that the use of good disaster risk reduction practices offers significant economic gains at the household level, and also that – because they are usually low-cost and easily implemented – they hold significant potential for reducing disaster risks at the national and regional scales as well. These results can guide farmers in making choices about how to manage risks, and have important implications for disaster risk policymaking as well.

The eighteenth-century German physicist Georg Christoph Lichtenberg left behind at the time of his death thousands of fragmentary notes commenting on a dazzling and at the same time puzzling array of subjects. Pierre Seneges’s Fragments of Lichtenberg imaginatively and hilariously reconstructs the efforts of scholars across three centuries to piece together Lichtenberg’s disparate notes into a coherent philosophical or artistic statement. What emerges instead from their efforts are a wide variety of conflicting and competing Lichtenbergs – the poet, the physicist, the philosopher, the humorist – and a very funny meditation on the way interpretations and speculation create new histories and new realities. In just over half a century, Georg Christoph Lichtenberg (1742-1799) had the time to be all of the following: a hunchback; a mathematician; a physics professor; a connoisseur of hare pate; a hermit; an electrical theorist; a skirtchaser; a friend of King George III of England; an athmatic; a defender of reason; a hyochondriac; a dying man; and the author of 8,000 fragments written with ink and goose quills. Traditionally those fragments have been considered no more than aphorisms, to be sipped like fine schnapps, but certain scholars claim, however, that his famous Wastebooks are really the scattered pieces of a Great Novel, and that this might yet be reconstructed, with the help of scissors, glue, and paper, and by using what is left of our imaginations. The present volume retracts, among other things, the work undertaken for more than a century by valiant Lichtenbergians.

Oliver Twist is an orphan boy who starts his life in a workhouse and then gets sold into apprenticeship with an undertaker. He escapes from there and travels to London, where he meets the Artful Dodger, a member of a gang of juvenile pickpockets led by the elderly criminal, Fagin. Oliver Twist is notable for its unromantic portrayal by Dickens of criminals and their sordid lives, as well as for exposing the cruel treatment of the many orphans in London in the mid-19th century. Charles Dickens (1812-1870) was an English writer and social critic. He created some of the world's best-known fictional characters and is regarded as the greatest novelist of the Victorian era. His works enjoyed unprecedented popularity during his lifetime, and by the twentieth century critics and scholars had recognized him as a literary genius. His novels and short stories enjoy lasting popularity.

This carefully crafted ebook: "THE GREATEST DICKENS CLASSICS (Illustrated Edition)" is formatted for your eBook with a functional and detailed table of contents: Our Mutual Friend - explores the conflict between doing what society expects of a person and the idea of being true to oneself The Pickwick Papers - To extend his researches into the quaint and curious phenomena of life, Samuel Pickwick suggests that he and three other "Pickwickians" should make journeys to places remote from London and report on their findings to the other members. Oliver Twist is an orphan who starts his life in a workhouse and is then sold into apprenticeship with an undertaker. He escapes from there and travels to London, where he meets the Artful Dodger, a member of a gang of juvenile pickpockets led by the elderly criminal, Fagin. A Christmas Carol tells the story of a bitter old miser named Ebenezer Scrooge and his transformation after visits by the ghost of his former business partner and the Ghosts of Christmas Past, Present and Yet to Come. David Copperfield is a fatherless boy who is sent to lodge with his housekeeper's family after his mother remarries, but when his mother dies he decides to run away... Hard Times is set in the fictional city of Coketown and it is centered around utilitarian and industrial influences in Victorian society. A Tale of Two Cities depicts the plight of the French peasantry demoralized by the French aristocracy in the years leading up to the revolution, and many unflattering social parallels with life in London during the same period. Great Expectations depicts the personal growth and development of an orphan nicknamed Pip in Kent and London in the early to mid-19th century. Bleak House – legal thriller based on true events. Little Dorrit – criticize the institution of debtors' prisons, the shortcomings of both government and society. COLLECTED LETTERS THE LIFE OF CHARLES DICKENS by John Forster

The Routledge Companion to Urban Imaginaries delves into examples of urban imaginaries across multiple media and geographies; from new visions of smart, eco, and resilient cities to urban dystopias in popular culture; from architectural renderings of starchitecture and luxury living to performative activism for new spatial justice; and from speculative experiments in urban planning, fiction, and photography to augmented urban realities in crowd-mapping and mobile apps. The volume brings various global perspectives together and into close dialogue to offer a broad, interdisciplinary, and critical overview of the current state of research on urban imaginaries. Questioning the politics of urban imagination, the companion gives particular attention to the role that urban imaginaries play in shaping the future of urban societies, communities, and built environments. Throughout the companion, issues of power, resistance, and uneven geographical development remain central. Adopting a transnational perspective, the volume challenges research on urban imaginaries from the perspective of globalization and postcolonial studies, inviting critical reconsiderations of urbanism in its diverse current forms and definitions. In the process, the companion explores issues of Western-centrism in urban research and design, and accommodates current attempts to radically rethink urban form and experience. This is an essential resource for scholars and graduate researchers in the fields of urban planning and architecture; art, media, and cultural studies; film, visual, and literary studies; sociology and political science; geography; and anthropology.

What? You've never heard of Crusee the celebrity dachshund? You must be living under a rock! ... Or at least that's what Crusee thinks. He's the self-proclaimed "wiener dog who thinks he's more of a celebrity than he really is" (until now!). Crusee is the star of his wildly popular blog of the same name, winner of the 2013 AND 2014 Best Pet Blog Award. That's right... two years in a row! Because Crusee is a talented and ridiculously photogenic miniature dachshund with a big personality, stunning fashion sense, and an insatiable penchant for whimsy. Perhaps you know him better by his infamous alter ego, BATDOG? We thought so. This is Crusee's New York Times bestselling book debut and he's so excited to share it with all of his adoring fans. Now everyone can stare lovingly into his big brown eyes and admire his wit and many costumes any time they choose. Crusee is certain that his book will make the perfect gift for dog-lovers of all ages. He wants to be accessible to his fans so you can really get to know the mutt behind the mask, the pooch behind that signature sexy pout; the pup with a heart of gold. Can't miss Crusee

Features in the Book: The adventures of BATDOG and Robin Cooking with Crusee Dr. Crusee, the Dentist, and Malpractice International travels with the worldiest of adventure dogs Partners in crime with Crusee and twin brother Oakley

Volume Two of Working Girl, featuring the final four parts of this sexy new serial, Mr Thursday, Mr Friday, Mr Saturday and Mr Sunday, perfect for fans of Audrey Cartan's Calendar Girl. A sexy seven-day job interview. Seven irresistible interviewers. Who will she choose at the end of the week? Tess has been determined to get revenge for her father's death. She's ever ambitious and she's determined to get inside the firm and clear her name. But the job interview is not what she expects. Arriving at the company HQ, she is escorted to a helicopter, blindfolded and flown to a secret location. She meets a man whose voice is disguised, but introduces himself as Mr King and says the job advertisement was a ruse to find the new CEO of Diamond Enterprises. The catch, the interviewer says, is that the job will only be hers if she passes a seven-day interview. Tess will have seven mysterious men who will assist her - one for each task each day. She will have to use all of her skills if she's to succeed and to resist the powerful magnetism of the irresistible men sent to help - or distract - her. Or will Tess find herself losing her heart when she meets her man of the week? Mr Monday, Mr Tuesday, Mr Wednesday, Mr Thursday, Mr Friday, Mr Saturday, Mr Sunday. Meet all seven in Working Girl - who will be your man of the week?

The Journal of Education

A Tale of Two Cities: A Tale of Two Cities is a novel by Charles Dickens, set in London and Paris before and during the French Revolution. The novel depicts the plight of the French peasantry demoralized by the French aristocracy in the years leading up to the revolution, the corresponding brutality demonstrated by the revolutionaries toward the former aristocrats in the early years of the revolution, and many unflattering social parallels with life in London during the same time period. It follows the Lives of several protagonists through these events. Great Expectations: Great Expectations is a bildungsroman, or a coming-of-age novel, and it is a classic work of Victorian literature. It depicts the growth and personal development of an orphan named Pip. The novel was first published in serial form in Dickens' weekly periodical All the Year Round, from 1 December 1860 to August 1861. David Copperfield: David Copperfield is the common name of the eighth novel by Charles Dickens, first published as a novel in 1850. Many elements of the novel follow events in Dickens' own life, and it is probably the most autobiographical of his novels. Oliver Twist: Oliver Twist is notable for Dickens' unromantic portrayal of criminals and their sordid lives. The book exposed the cruel treatment of many a waif-child in London, which increased international concern in what is sometimes known as "the Great London Waif Crisis"; the large number of orphans in London in the Dickens era. A Christmas Carol: The tale has been viewed by critics as an indictment of 19th-century industrial capitalism. It has been credited with restoring the holiday to one of merriment and festivity in Britain and America after a period of sobriety and somberness. Charles Dickens (1812-1870) was an English writer and social critic. He created some of the world's best-known fictional characters and is regarded by many as the greatest novelist of the Victorian era.

Tame anxiety and take back control of your life with this no-F*cks-given guide from the bestselling author of The Life-Changing Magic of Not Giving a F*ck and Get Your Sh*t Together. Do you spend more time worrying about problems than solving them? Do you let unexpected difficulties ruin your day and do "what ifs" keep you up at night? Sounds like you need to Calm the F*ck Down. Just because things are falling apart doesn't mean YOU can't pull it together. Whether you're stressed about sh*t that hasn't happened yet or freaked out about sh*t that already has, the NoWorries method from "anti-guru" Sarah Knight helps you curb the anxiety and overthinking that's making everything worse. Calm the F*ck Down explains: The Four Faces of Freaking Out—and their Flipsides How to accept what you can't control Productive Helpful Effective Worrying (PHEW) The Three Principles of Dealing With It And much more! Find even more calm with the Calm the F*ck Down Journal.

Imagine a group of kids on the floor of a gym, or filling a classroom, or on a weekend retreat, praying in a whole new way--so silently that you can hear a pin drop! It happens everyday with Praying in Color.

Underneath Every Stone

Children's Tales from Dickens – The Great Classics & The Wonderful Stories for Children (ILlustrated Edition)

This carefully crafted ebook: "OLIVER TWIST (Illustrated Edition)" is formatted for your eBook with a functional and detailed table of contents. Oliver Twist is an orphan boy who starts his life in a workhouse and then gets sold into apprenticeship with an undertaker. He escapes from there and travels to London, where he meets the Artful Dodger, a member of a gang of juvenile pickpockets led by the elderly criminal, Fagin. Oliver Twist is notable for its unromantic portrayal by Dickens of criminals and their sordid lives, as well as for exposing the cruel treatment of the many orphans in London in the mid-19th century. Charles Dickens (1812-1870) was an English writer and social critic. He created some of the world's best-known fictional characters and is regarded as the greatest novelist of the Victorian era. His works enjoyed unprecedented popularity during his lifetime, and by the twentieth century critics and scholars had recognized him as a literary genius. His novels and short stories enjoy lasting popularity. It's election time in Blackwater Bay but there's a dead man in Cotter's Cut who won't be casting his vote this year. Sheriff Matt Gabriel is faced with a murder without apparent motive and circumstantial evidence leads him to arrest Frog Bartlett. Frog Bartlett is the ugliest man in Blackwater County, and he has the nastiest temper. But at least one person believes he is innocent – and has enough money to anonymously finance a strong defence. The election hops up, tempers become frayed, a small riot occurs – and then somebody else is killed. Suddenly Matt Gabriel himself is a suspect. Forced to withdraw from the investigation, he turns it over to his Chief Deputy George Putnam.

Now the townsfolk are really worried. While George turns himself inside out trying to be a proper Sheriff, certain hotpe decide to lend both George and Matt a hand – adding further confusion to the situation. Once again, Paula Gosling brings her talent for zany characters and complex, suspenseful plots to the world of Blackwater Bay. The results are delightful. Every chapter is an assorted cookies.
