health, showing the beneficial effects of happy people at work, health, and to society at large. Part 2 (effects of objective reality) describes how sociocultural factors, income factors, other demographic factors, and biological and health conditions affect wellbeing and positive mental health. Part 3 focuses on subjective reality and discusses how individuals process information from their objective environment, and how they manipulate this information that affects wellbeing and positive mental health. Part 4 focuses on the psychology of quality of life

executive coaching in the United States and abroad, this book presents 21 mindfulness strategies for business leaders, corporate heads, entrepreneurs, and professionals. During the author's coaching sessions for business and corporate leaders and her trainings at corporations, mid-sized businesses, small businesses, and start-up organizations, she discovered that there is a wide gap between those who achieve success and those who do not. This gap indicates that there is still something significant missing in the business

world. Success Is Within fills this gap by encouraging business professionals to "mind the mind." Written in accessible, easy-to-digest language, and targeted towards busy US business professionals who long for thought-leadership to boost their success, the book argues that success depends on changing one's mindset in key ways. Each chapter focuses on one way to transform one's mindset to achieve success. The union of these 21 ways provides a uniquely comprehensive program for leadership success in business and corporate careers.

Drawing from a blend of Eastern and Western wisdom, the book blends true-life storytelling about the challenges of actual business professionals with insights drawn from traditional parables from classic "wisdom books" to inspire readers to think-through how to transform their mindsets. Ultimately, the book helps magnify one's inner power: the power of one's mind. The book calls on business professionals to unleash their "inner leader." When they recognize the power of their inner leader, they will become unstoppable.

If you have read my other books you know that the Law of Attraction always responds to persistent, committed action. It does so because it is an eternal, spiritual law that is impartial and universal. This means that it will respond to anyone who uses it correctly. And because this power is infinite you can use it to manifest anything you desire, including millions of dollars. In fact, throughout the years many people have used the Law of Attraction to win contests, sweepstakes, and even lottery jackpots. The common denominator among

have been studying the Law of Attraction for over two decades, and throughout the years I have manifested a number of wonderful things, including lottery prizes, financial prosperity, business success, relationships and romance. One important truth I have learned after many years of study is that your destiny lies in your words and in the way you use them. You can literally transform a situation through the right use of words, and you can even change the course of your life through the dynamic power of your spoken word. Many people fail to get what they want from the Law of Attraction because they don't have a clear understanding about affirmations and how to harness the power of the spoken word. As a result, this book will discuss:*

destiny * The true power behind all affirmations* How to write your own powerful affirmations that work* How to make your affirmations more enjoyable * What to do if you don't feel like your affirmations are true* The best time to repeat your affirmations* The importance of aligning to your affirmations in thought and action. In addition, this book contains a list of 300 powerful affirmations for financial abundance, success and self-empowerment. It also contains a Question and Answer section that has a lot of helpful information about affirmations and how to make the most of them. Some of the questions covered are: How long should my affirmations be? How important is it for me to write my own affirmations? How often should I repeat my affirmations each day? What other
