This beloved account about an intrepid young Englishman on the first leg of his walk from London to Constantinople is simply one of the best works of travel literature ever written. At the age of eighteen, Patrick Leigh Fermor set off from the heart of London on an epic journey—to walk to Constantinople. A Time of Gifts is the rich account of his adventures as far as Hungary, after which Between the Woods and the Water continues the story to the Iron Gates that divide the Carpathian and Balkan mountains. Acclaimed for its sweep and intelligence, Leigh Fermor's book explores a remarkable moment in time. Hitler has just come to power but war is still ahead, as he walks through a Europe soon to be forever changed—through the Lowlands to Mitteleuropa, to Teutonic and Slav heartlands, through the baroque remains of the Holy Roman Empire; up the Rhine, and down to the Danube. At once a memoir of coming-of-age, an account of a journey, and a dazzling exposition of the English language, A Time of Gifts is also a portrait of a continent already showing ominous signs of the holocaust to come.

God. Gifts. You. takes you on a journey to discover your own unique calling and design. Look at examples of call in Scripture, explore your motivations and interests, and review your gifts, giving new life to your commitments in the workplace, the community, the church, your family, and the world. You are tailor-made by a loving God. You will experience new freedom and bask in God

How a Month of Giving Can Change Your Life: Easyread Edition

American Casino Guide

*Use This Paperback Journal To Record Your Thoughts, Goals and Dreams.100 pages 6*9 trim size*

Presents a tale of a precarious friendship between an illegal Nigerian refugee and a recent widow from suburban London, a story told from the alternating and disparate perspectives of both women.

In J. L. Carr's deeply charged poetic novel, Tom Birkin, a veteran of the Great War and a broken marriage, arrives in the remote Yorkshire village of Oxgodby where he is to restore a recently discovered medieval mural in the local church.

Living in the bell tower, surrounded by the resplendent countryside of high summer, and laboring each day to uncover an anonymous painter's depiction of the apocalypse, Birkin finds that he himself has been restored to a new, and hopeful, attachment to life. But summer ends, and with the work done, Birkin must leave. Now, long after, as he reflects on the passage of time and the power of art, he finds in his memories some consolation for all that has been lost.

Animal lovers will laugh out loud at the quirkiness of their feline friends with these insightful and curious poems from the singular minds of funny cats. In this hilarious, bestselling book of tongue-in-cheek poetry. The author of the internationally syndicated comic strip Sally Forth helps cats unlock their creative potential and explain their odd behavior to ignorant humans. With titles like "Who Is That on Your Lap?," "This Is My Chair," "Kneel Before Me," "Nudge," and "Some of My Best Friends Are Dogs," the poems collected in I Could Pee on This perfectly capture the inner workings of the cat psyche. With photos of the cat "authors" throughout, this whimsical animal book reveals kitties at their wackiest, and most exasperating (but always lovable). Ideal for that "crazy cat lady" or "cat mom/dad" in your life this collection of poems makes for the perfect cat-themed gift for anyone who's obsessed with our feline friends.

Fulfilling Your Soul's Potential

Ritual, Magic, and Initiation in the Life of an African Shaman

The Big Book of Baby Afghans

The Gift of the Magi

And Other Poems by Cats

Spiritual Liberation

The Gift of the Magi is a treasured short story written by O. Henry. A young and very much in love couple can barely afford their one-room apartment, let alone the extra expense of getting Christmas presents for one another. But each is determined to show their love for the other in this traditional time of giving: each sells a thing they hold most dear in order to afford a present, with poignant and touching results that capture their love for one another.

From the #1 New York Times bestselling author of Book Lovers and Beach Read comes a sparkling novel that will leave you with the warm, hazy afterglow usually reserved for the best vacations. Two best friends. Ten summer trips. One last chance to fall in love. Poppy and Alex. Alex and Poppy. They have nothing in common. She's a wild child; he wears khakis. She has insatiable wanderlust; he prefers to stay home with a book. And somehow, ever since a fateful car share home from college many years ago, they are the very best of friends. For most of the year they live far apart—she's in New York City, and he's in their small hometown—but every summer, for a decade, they have taken one glorious week of vacation together. Until two years ago, when they ruined everything. They haven't spoken since. Poppy has everything she should want, but she's stuck in a rut. When someone asks when she was last truly happy, she knows, without a doubt, it was on that ill-fated, final trip with Alex. And so, she decides to convince her best friend to take one more vacation together—lay everything on the table, make it all right. Miraculously, he agrees. Now she has a week to fix everything. If only she can get around the one big truth that has always stood quietly in the middle of their seemingly perfect relationship. What could possibly go wrong? 365 DAYS. TWO WORDS. ONE MIRACULOUS TRUE STORY. One recent December, at age 53, John Kralik found his life at a terrible, frightening low. All aspects of his life seemed to be failing: his relationships with his children and partner, his work, his health. Then, hiking on New Year's Day, John was struck by the thought that his life might become at least tolerable if he could be grateful for what he had. Inspired by a beautiful, simple note he had received thanking him for a Christmas gift, John set himself the goal of writing 365 thank-you notes in the coming year. One by one, day after day, he handwrote thank yous for gifts or kindnesses he'd received, large and small, from loved ones and coworkers, past business associates and current foes, school friends and doctors and handymen and neighbours, and anyone, really, who'd done him a good turn. Immediately after he'd sent his very first notes, surprising benefits began to come John's way. Over the year John was writing his notes, his whole life turned around. 365 Thank Yous is a rare memoir, its touching message delivered in the plainspoken storytelling of an ordinary man. Kralik sets a believable, doable example of how to live a good life. To read 365 Thank Yous is to be changed.

At age thirty-five, Cami Walker was burdened by an intensified struggle with multiple sclerosis, a chronic neurological disease that left her debilitated and depressed. Then she received an uncommon "prescription" from South African healer Mbali Creazzo: Give away 29 gifts in 29 days. 29 Gifts is the insightful story of the author's life change as she embraces and reflects on the naturally reciprocal process of giving. Many of Walker's gifts were simple—a phone call, spare change, a Kleenex. Yet the acts were transformative. By Day 29, not only had Walker's health and happiness improved, but she had created a worldwide giving movement. 29 Gifts shows how a simple, daily practice of altruism can dramatically alter your outlook on the world.

Authorized King James Version

Now You Are One

I Love Month End

Out of nowhere, like a cool breeze in a marketplace crowded with advice, comes Byron Katie and “The Work.” In the midst of a normal life, Katie became increasingly depressed, and over a ten-year period sank further into rage, despair, and thoughts of suicide. Then one morning, she woke up in a state of absolute joy, filled with the realization of how her own suffering had ended. The freedom of that realization has never left her, and now in Loving What Is you can discover the same freedom through The Work. The Work is simply four questions that, when applied to a specific problem, enable you to see what is troubling you in an entirely different light. As Katie says, “It’s not the problem that causes our suffering; it’s our thinking about the problem.” Contrary to popular belief, trying to let go of a painful thought never works; instead, once we have done The Work, the thought lets go of us. At that point, we can truly love what is, just as it is. Loving What Is will show you step-by-step, through clear and vivid examples, exactly how to use this revolutionary process for yourself. You’ll see people do The Work with Katie on a broad range of human problems, from a wife ready to leave her husband because he wants more sex, to a Manhattan worker paralyzed by fear of terrorism, to a woman suffering over a death in her family. Many people have discovered The Work’s power to solve problems; in addition, they say that through The Work they experience a sense of lasting peace and find the clarity and energy to act, even in situations that had previously seemed impossible. If you continue to do The Work, you may discover, as many people have, that the questioning flows into every aspect of your life, effortlessly undoing the stressful thoughts that keep you from experiencing peace. Loving What Is offers everything you need to learn and live this remarkable process, and to find happiness as what Katie calls “a lover of reality.”

One month after her wedding day, thirty-three-year-old Cami Walker was diagnosed with multiple sclerosis, and the life she knew changed forever. Cami was soon in and out of L.A.s emergency rooms with alarming frequency as she battled the neurological condition that left her barely able to walk and put enormous stress on her marriage. Each day brought new negative thoughts: Im going to end up in a wheelchair. Marks probably going to leave me. My life is over. Why did this have to happen to me? Then, as a remedy for her condition, Cami received an uncommon prescription from a friend, an African medicine woman named Mbali Creazzo: Give away 29 gifts in 29 days. By giving, Mbali told her, you are focusing on what you have to offer others, inviting more abundance into your life. The gifts, she said, could be anything, but their giving had to be both authentic and mindful. At least one gift needed to be something she felt was scarce in her life. 29 Gifts is Camis poignant and unforgettable story of embracing the natural process of giving and receiving. Many of her gifts were simplea phone call, spare change, even a Kleenex. Yet the acts of kindness were transformative. By Day 29, not only had her health and happiness turned around, but she had also embarked on creating a worldwide giving movement. Including personal essays from members of the 29 Gifts.org online community whose lives changed for the better after taking the Challenge, 29 Gifts shows just how a simple, daily practice of altruism can dramatically alter your outlook on the world.

From the winner of the National Book Award and the National Books Critics' Circle Award—and one of the most original thinkers of our time—“Andrew Solomon’s magisterial Far and Away collects a quarter-century of soul-shaking essays” (Vanity Fair). Far and Away chronicles Andrew Solomon’s writings about places undergoing seismic shifts—political, cultural, and spiritual. From his stint on the barricades in Moscow in 1991, when he joined artists in resisting the coup whose failure ended the Soviet Union, his 2002 account of the rebirth of culture in Afghanistan following the fall of the Taliban, his insightful appraisal of a Myanmar seeped in contradictions as it slowly, fitfully pushes toward freedom, and many other stories of profound upheaval, this book provides a unique window onto the very idea of social change. With his signature brilliance and compassion, Solomon demonstrates both how history is altered by individuals, and how personal identities are altered when governments alter. A journalist and essayist of remarkable perception and prescience, Solomon captures the essence of these cultures. Ranging across seven continents and twenty-five years, these “meaty dispatches...are brilliant geopolitical travelogues that also comprise a very personal and reflective resume of the National Book Award winner’s globe-trotting adventures” (Eile). Far and Away takes a magnificent journey into the heart of extraordinarily diverse experiences: “You will not only know the world better after having seen it through Solomon’s eyes, you will also care about it more” (Elizabeth Gilbert).

Zak has autism, so he sometimes responds to the world around him in unconventional ways. As Zak describes his point of view, young readers gain a better understanding of his behaviors and learn valuable lessons about patience, tolerance and understanding.

Loving What Is

How a Month of Giving Can Change Your Life: Easyread Super Large 20pt Edition

29 Years Old Gifts. 29th Birthday Funny Gift for Men and Women. Fun, Practical And Classy Alternative to a Card.

Uniquely Wired: A Story about Autism and Its Gifts

New York Times bestselling author Jen Sincero gets to the core of transformation: habits--breaking, making, understanding, and sticking with them like you've never stuck before. Badass Habits is a eureka-sparking, easy-to-digest look at how our habits make us who we are, from the measly moments that happen in private to the resolutions we loudly broadcast (and, erm, often don't keep) on social media. Habit busting and building goes way beyond becoming a dedicated flosser or never showing up late again--our habits reveal our unmet desires, the gaps in our boundaries, our level of self-awareness, and our unconscious beliefs and fears. Badass Habits features Jen's trademark hilarious voice and offers a much-needed fresh take on the conventional wisdom and science that shape the optimism (or pessimism?) around the age-old topic of habits. The book includes enlightening interviews with people who've successfully strengthened their discipline backbones, new perspective on how to train our brains to become our best selves, and offers a simple, 21 day, step-by-step guide for ditching habits that don't serve us and developing the habits we deem most important. Habits shouldn't be impossible to reset--and with healthy boundaries, knowledge of--and permission to go after--our desires, and an easy to implement plan of action, we can make any new goal a joyful habit.

The Model Rules of Professional Conduct provides an up-to-date resource for information on legal ethics. Federal, state and local courts in all jurisdictions look to the Rules for guidance in solving lawyer malpractice cases, disciplinary actions, disqualification issues, sanctions questions and much more. In this volume, black-letter Rules of Professional Conduct are followed by numbered Comments that explain each Rule's purpose and provide suggestions for its practical application. The Rules will help you identify proper conduct in a variety of given situations, review those instances where discretionary action is possible, and define the nature of the relationship between you and your clients, colleagues and the courts.

Babylon Steel, owner of the Red Lantern brothel – and former avatar of the goddess of sex and war – has been offered a job. Two jobs, really: bodyguard to Enthemmerlee, a girl transformed into a figure of legend... and spy for the barely-acknowledged government of Scalentine. The very young Enthemmerlee embodies the hopes and fears of many on her home world of Incandress, and is a prime target for assassination. Babylon must somehow turn Enthemmerlee's useless household guard into a disciplined fighting force, dodge Incandress's bizarre and oppressive Moral Statutes, and unruffle the feathers of a very annoyed Scalentine diplomat. All of which would be hard enough, were she not already distracted by threats to both her livelihood and those dearest to her...

The Big Book of Baby Afghans, - A must for any crocheter’s library, this book has 22+ baby blankets for all skill levels. Perfect for quick and easy gifts or family heirlooms.

Little Bee

The Diary of a Young Girl

Maliiodoma Patrice Some was born in a Dagara Village, however he was soon to be abducted to a Jesuit school, where he remained for the next fifteen years, being harshly indoctrinated into european ways of thought and worship. The story tells of his return to his people, his hard initiation back into those people, which lead to his desire to convey their knowledge to the world. Of Water and the Spirit is the result of that desire; it is a sharing of living African traditions, offered in compassion for those struggling with our contemporary crisis of the spirit.

Give a birthday book instead of a birthday card! Under the cover flap, write a personal note about this special day. Adorable illustrations and a read-aloud story will be a favorite with toddlers. Four Questions That Can Change Your Life

Accountant Gifts, Month End Accounting, Accounting Gift, Accountant Gift 6x9 Journal Gift Notebook with 125 Lined Pages

The #1 New York Times bestselling WORLDWIDE phenomenon Winner of the Goodreads Choice Award for Fiction | A Good Morning America Book Club Pick | Independent (London) Ten Best Books of the Year "A feel-good book guaranteed to lift your spirits."—The Washington Post The dazzling reader-favorite about the choices that go into a life well lived, from the acclaimed author of How To Stop Time and The Comfort Book. Somewhere out beyond the edge of the universe there is a library that contains an infinite number of books, each one the story of another reality. One tells the story of your life as it is, along with another book for the other life you could have lived if you had made a different choice at any point in your life. While we all wonder how our lives might have been, what if you had the chance to go to the library and see for yourself? Would any of these other lives truly be better? In The Midnight Library, Matt Haig's enchanting blockbuster novel, Nora Seed finds herself faced with this decision. Faced with the possibility of changing her life for a new one, following a different career, undoing old breakups, realizing her dreams of becoming a glaciologist: she must search within herself as she travels through the Midnight Library to decide what is truly fulfilling in life, and what makes it worth living in the first place.

Everyone has a unique combination of strengths, hobbies, interests, need, and experiences-your Shine. Together, they create the light you bring to the world. The Shine Method and this book will help you find yours.

THE DEFINITIVE EDITION □ Discovered in the attic in which she spent the last years of her life, Anne Frank's remarkable diary has since become a world classic—a powerful reminder of the horrors of war and an eloquent testament to the human spirit. Updated for the 75th Anniversary of the Diary's first publication with a new introduction by Nobel Prize-winner Nadia Murad "The single most compelling personal account of the Holocaust ... remains astonishing and excruciating."—The New York Times Book Review In 1942, with Nazis occupying Holland, a thirteen-year-old Jewish girl and her family fled their home in Amsterdam and went into hiding. For the next two years, until their whereabouts were betrayed to the Gestapo, they and another family lived cloistered in the "Secret Annex" of an old office building. Cut off from the outside world, they faced hunger, boredom, the constant cruelties of living in confined quarters, and the ever-present threat of discovery and death. In her diary Anne Frank recorded vivid impressions of her experiences during this period. By turns thoughtful, moving, and amusing, her account offers a fascinating commentary on human courage and frailty and a compelling self-portrait of a sensitive and spirited young woman whose promise was tragically cut short. The publication of the King James version of the Bible, translated between 1603 and 1611, coincided with an extraordinary flowering of English literature and is universally acknowledged as the greatest influence on English-language literature in history. Now, world-class literary writers introduce the book of the King James Bible in a series of beautifully designed, small-format volumes. The introducers' passionate, provocative, and personal engagements with the spirituality and the language of the text make the Bible come alive as a stunning work of literature and remind us of its overwhelming contemporary relevance.
