

2: Willy And The Wobbly House: A Story For Children Who Are Anxious Or Obsessional (Helping Children With Feelings)

The Essential Lingo Dictionary is a warts-and-all look at the notoriously hilarious (and occasionally a little bit naughty) canon of Australian slang words and phrases, casting light on the quirky, intriguing and often bizarre Australian Aussie language. A must-have for every bookshelf! If you have wondered why his girlfriend is a 'Sheila' even though her name is Sophia, or why your colleagues in Melbourne's suburbs are said to live 'beyond the black stump', then this book is for you. The author, John Miller, has been a journalist for over thirty-five years and is passionate about Australia's history and heritage. As well as making extensive use of written references to compile this book, John interviewed Australians from all walks of life — from outback characters to school kids — to ensure he captured every nuance of Australia's unique language as it is spoken today.

"This book contains a list of the words and phrases that make Australian English so distinctive, together with explanations of meaning and origin."--Provided by publisher.

A deadly gift. A terrible choice. Sometimes the price is too high... After Del Larouche defeats the Gris-gris man, she struggles to find her place in the adult world. She just wants a normal life. But her horrible 'gift' means her life will never be normal. When six-year-old Clara goes missing from the St. Augustine Orphanage—the third child in two weeks—a frantic search begins and Del agrees to use her gift to help find the girl. As the dark layers of New Orleans are peeled back, a terrible truth is exposed. What she finds lurking in the shadows of the old city is unimaginable. But it's what the lurking shadows find... that is truly deadly. Scars of Redemption is the chilling second book in The Spirit Hunter supernatural thriller series. If you like atmospheric writing, dangerous adventures, and horrifying twists, then you'll love this heart-pounding tale.

Love Inspired brings you three new titles! Enjoy these uplifting contemporary romances of faith, forgiveness and hope. This box set includes: AN UNEXPECTED AMISH HARVEST (An Amish of New Hope novel) By Carrie Lighte When Susannah Peachy returns to her grandfather's potato farm to help out after her grandmother is injured, she's not ready to face Peter Lambright—the Amish bachelor who broke her heart. But she doesn't know his reason for ending things...and the truth could make all the difference for their future. A MOTHER'S STRENGTH(A Wander Canyon novel) By Allie Pleiter Molly Kane will do anything to help her son overcome his anxieties—including enlisting Sawyer Bradshaw to give him golf lessons. But as the little boy draws them together, can Molly and Sawyer also heal each other's hearts? CHASING HER DREAM By Jennifer Slattery Returning home to run her late uncle's ranch, single mom Rheanna Stone never expected the operation to be in such disarray...or that she'd need to rely on the cowboy who once left her behind. But if she wants to save it, Dave Brewster's her only hope—even if it means risking her heart all over again. A Story for Children Who Bottle Up Their Feelings

Making it Work

Love Inspired September 2021 - Box Set 1 of 2

Scars of Redemption: A Supernatural Thriller (The Spirit Hunter Series Book 2)

Collier's

Considered by many to be mentally retarded, a brilliant, impatient fifth-grader with cerebral palsy discovers a technological device that will allow her to speak for the first time.

The Wiley Blackwell Anthology of African American Literature is a comprehensive collection of poems, short stories, novellas, novels, plays, autobiographies, and essays authored by African Americans from the eighteenth century until the present. Evenly divided into two volumes, it is also the first such anthology to be conceived and published for both classroom and online education in the new millennium. Reflects the current scholarly and pedagogic structure of African American literary studies Selects literary texts according to extensive research on classroom adoptions, scholarship, and the expert opinions of leading professors Organizes literary texts according to more appropriate periods of literary history, dividing them into seven sections that accurately depict intellectual, cultural, and political movements Includes more reprints of entire works and longer selections of major works than any other anthology of its kind This second volume contains a comprehensive collection of texts authored by African Americans from the 1920s to the present The two volumes of this landmark anthology can also be bought as a set, at over 20% savings.

A story for children who bottle up their feelings. Nevermind always carries on whatever happens! Each time something horrible happens to him he just tucks his feelings away and carries on with life. Find out what happens to Nevermind and how he begins to understand that his feelings do matter, how he learns to express them and stand up for himself.

This practical guidebook, with a beautifully-illustrated storybook, enables teachers, parents and professionals to help children aged 4-12 connect with unresolved feelings affecting their behaviour. Helping Children with Low Self-Esteem is a guidebook to help children who: don't like themselves or feel there is something fundamentally wrong with them have been deeply shamed have received too much criticism or haven't been encouraged enough let people treat them badly because they feel they don't deserve better do not accept praise or appreciation because they feel they don't deserve it feel defeated by life, fundamentally unimportant, unwanted or unlovable bully because they think they are worthless or think they are worthless because they are bullied and, feel they don't belong or do not seek friends because they think no-one would want to be their friend. Ruby and the Rubbish Bin is a story for children with low self-esteem. Ruby hates herself so much that she often feels more like a piece of rubbish than a little girl. Sometimes Ruby feels so miserable that she wants to sleep and sleep and never wake up again. Then Ruby meets Dot and, over time, Dot helps Ruby to move from self-hate to self-respect. After a very important dream, and help from Dot, Ruby finds her voice and her anger, and stands up to the bullies. She makes new friends and knows what it's like to feel happy for the first time in her life.

Fetlocks Hall is in trouble! The school is desperately short of funds and, unless some money can be found, it may have to close! The Headmistress is not sure what to do. Penny is determined to help and draws on her magical powers in a nail-biting bid to solve the problem. Soon Penny and the ghosts, as well as many of the school's ponies, are involved in an exciting race to the finish!

A story for children who yearn for someone they love. Frog is very much in love with the moon because she once smiled at him. So now he spends all his time dreaming about her. He waits and waits for her to smile at him again. One day a wise and friendly crow helps frog to see how he is wasting his life away.

All the time he has been facing the place of very little, he's had his back to the place of plenty.

(A story for fearful children) One day Teenie Weenie finds himself in a scrubby screechy place. It is full of noises and crashes and things that swoop and scratch. The worse it gets, the smaller Teenie Weenie feels. After a while, he feels so small that the tiniest insect tries to eat him up. Teenie Weenie feels terrified and desperately alone. But after a while along strolls a Wip-Wop bird who invites Teenie Weenie to come and have a chocolate muffin in his tree house. With the Wip Wop bird and his friend Hoggie, Teenie Weenie learns for the first time in his life all about the power of TOGETHER. He comes to know how very different things look when it's an US not just a ME. And so after that, whenever Teenie Weenie finds himself struggling alone with something too difficult or too frightening, he goes off and finds some TOGETHER.

A Master Cumulation

Wordbook of Australian Idiom - Aussie Slang

No Worries! She's Apples!

A story for children who have hardened their hearts or become bullies. Bipley is a warm cuddly creature, but someone has broken his heart. He feels so hurt that he decides it is just too painful to ever love again. When he meets some big tough Honks in the wood, they teach him how to harden his heart so that he doesn't have to feel hurt any more. Luckily Bipley meets some creatures who teach him how he can protect himself without hardening his heart.

With its unparalleled coverage of English slang of all types (from 18th-century cant to contemporary gay slang), and its uncluttered editorial apparatus, Cassell's Dictionary of Slang was warmly received when its first edition appeared in 1998. 'Brilliant.' said Mark Lawson on BBC2's The Late Review; 'This is a terrific piece of work - learned, entertaining, funny, stimulating' said Jonathan Meades in The Evening Standard.But now the world's best single-volume dictionary of English slang is about to get even better. Jonathon Green has spent the last seven years on a vast project: to research in depth the English slang vocabulary and to hunt down and record written instances of the use of as many slang words as possible. This has entailed trawling through more than 4000 books - plus song lyrics, TV and movie scripts, and many newspapers and magazines - for relevant material. The research has thrown up some fascinating results

Scenes from the plays and portraits of leading actors accompany a statistical record of the current season

In 2004, it was widely reported in the British and Zambian press that Roy Clarke, columnist and satirist known as 'Kalaki', on the The Post, Zambia's major independent daily, faced deportation. Following a column entitled 'Mfuwe', the government had announced he was 'a threat to peace and good order'. Clarke refused to succumb however, or indeed apologise. Instead, supported by his editor, he continued to champion the freedom of the press in Zambia, freedom of expression in general and the cause of Zambian journalism. This book brings together a collection of Clarke's writings, published over a period of five years. His writings are characterised by irony, satire and caustic wit, exposing folly, vice and hypocrisy. They are accompanied by the political cartoons of Trevor Ford, popularly know as 'Yuss'. Fred M'Membe, editor of The Post, provides the introduction to the book, in which he comments: 'Nowadays we find ourselves stuck in a culture of zealous worship of leaders, a culture that would look primitive in the eyes of our ancestors. Our modern African societies have established a reputation for intolerance that is difficult to match....I see Roy's work as attempting to confront this situation, to help us return to our more tolerant Zambian culture; a culture of liberating, life-giving and enjoyable laughter!'

The story of Wobbly Willie Cranford is an encouraging story about ten year old bi-racial boy who learns to embrace his round figure, beautiful personality and contagious demeanor, as he gains confidence and courage to show the people of Walking Straight something special. This is a guidebook to help children who: are insecure or worry too much; suffer from phobias or nightmares; find it difficult to concentrate to let go and have fun; have suffered a trauma; are worryingly good or seem like little adults; use order and routine as a way of coping with 'messy' feelings; retreat into dullness as a way of managing their being in the world; and, develop obsessive-compulsive behaviour in order to ward off their too-powerful feelings.

50 WESTERNS (Vol. 2)

The Wiley Blackwell Anthology of African American Literature, Volume 2

This second edition of Mind the Gap... Between British & American Language & Culture contains chapters on British culture and an expanded A to Z reference list of hundreds of words and expressions that you will hear when visiting the UK, watching British movies and television programs, or reading British literature. In this book, I've included a variety of words and phrases that will help Americans who love Britain enjoy it even more. Even if you have never visited the UK, I hope you enjoy British films, TV, and books more than ever after discovering a bit of British culture and humor hidden in odd words and phrases. If you are seeking a more dictionary type of book, you'll find that too. I've included such practical words and phrases covering foods, clothes, travel, and even the size of British paper you will need for your printer. So, you'll be equipped to purchase aubergines, order a gammon steak or a bap, understand an old reference to a bloower, locate an Aga, and what to offer when asked if you have a biro. You won't want to see an identity parade and you'll know what a Londoner means by "innit." And importantly, I hope you will avoid repeating some highly insulting phrases when someone is out of their tree.

Secrets can be dangerous . . . The Wrangler's Secret by Louise Ladd Drew Diamond didn't know just how much he wanted a dog until he first set eyes on the little Labrador puppy. But his father is dead set against it. No problem. Chris thinks she has a surefire plan to help Drew get his puppy—until her plan backfires big time. To make matters worse, the new wrangler, Jamie, is acting strangely. Even though he is great with the guests, he is making too many silly mistakes. Chris figures the problem is that Jamie is new. But when an act of carelessness on his part nearly costs her horse Belle her life, Chris can't excuse Jamie anymore. Jamie is hiding something. But what? Don't miss other exciting Chris adventures at the Double Diamond Dude Ranch! At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

This practical handbook begins with the philosophy and psychology underpinning the therapeutic value of story telling. It shows how to use story telling as a therapeutic tool with children and how to make an effective response when a child tells a story to you. It is an essential accompaniment to the "Helping Children with Feelings" series and covers issues such as: Why story telling is such a good way of helping children with their feelings? What resources you may need in a story-telling session? How to construct your own therapeutic story for a child? What to do when children tell stories to you? Things to do and say when working with a child's story.

This straightforward guide offers a complete overview of Pathological Demand Avoidance Syndrome (PDA) and gives practical advice for overcoming the difficulties it poses in a wide range of contexts from diagnosis through to adulthood. Starting with an exploration into the background of PDA that answers many of the immediate questions triggered when a child is first diagnosed, the book goes on to look at the impact of the condition on different areas of the child's life and what can be done to help. The authors present useful information on early intervention options and workable strategies for managing PDA positively on a day-to-day basis. They also examine ways to minimize common difficulties that may be encountered at home and school, making life easier for the child, family and peers. The final chapters tackle new problems that can arise when the teenage years hit and how to assist a successful transition from adolescence to adulthood. Illustrative case examples are included throughout, and the book concludes with a list of valuable resources for further information and advice. Full of helpful guidance and support, this user-friendly introductory handbook is essential reading for anyone caring for, or working with, children with PDA.

A Niffleloo Called Nevermind

Theatre World

A direct and informative Wordbook of Idiom and Slang which is directed at giving explanation to the meaning of and the correct usage of the Australian English language. There are some words used that may offend as they have converse meanings to other English Speaking countries; however, there is no intent to offend or malign or denigrate anybody. This book is designed to be informative, educational, and full of humor and will give the reader insight to a unique and colorful language.

(A story for children with low self-esteem) Ruby hates herself so much that she often feels more like a piece of rubbish than a little girl. Children at school bully her. Sometimes Ruby feels so miserable that she wants to sleep and never wake up again. Then one day, Ruby meets Dot the lunchtime lady, When Ruby feels Dot's kindness and understanding, something warm happens in Ruby's tummy. Over time, Dot helps Ruby to move from self-hate to self-respect. In fact Dot's smile makes Ruby feel like a princess. After a very important dream, and help from Dot, Ruby decides enough is enough. She finds her voice and her anger, and stands up to the bullies. She makes new friends and knows what it's like to feel happy for the first time in her life.

"The authors' choice of key elements results in a book that provides knowledge essential for beginning counselors to learn and for experienced counselors to review. Consequently, The Elements of Counseling Children and Adolescents should be useful for students in the helping professions, including psychology, social work, and counseling."
From the Foreword by Scott T. Meier, PhD, coauthor, The Elements of Counseling
"Offers precise, practical guidance based on a proven teaching format." Tailored to the specific needs of the child and adolescent client, this concise, easy-to-read primer provides essential and practical guidelines for counselors and psychologists who are training to work with children in both clinical and school settings. It is modeled after the highly successful and time-tested "Elements ofO" format used in many teaching disciplines. The book distills the basic concepts that beginning professionals must keep in mind as they approach practice, offering guidance in a logical, numbered sequence from setting the stage for the counseling process through the essentials of building and maintaining an active counseling practice. In addition to facilitating learning with its precise, easily understood rules and principles, the book provides potent guidance for both common and challenging situations. Key concepts such as using developmentally appropriate language and activities are covered, along with critical issues such as collaborating with parents and other professionals, responding to crisis situations, and counselor self-awareness and self-care. Case examples of client/counselor dialogues in each chapter illustrate foundational concepts, and an overview of how to use the text for transcript analysis in training programs is also included. Written by experienced counseling and therapy educators and professionals, this versatile text will be a welcome addition for courses in counseling children and adolescents as well as other courses across the curriculum in school counseling; school psychology; marriage, child, and family counseling; and clinical social work.
KEY FEATURES:
• Distills the essential components of therapy and counseling with children and adolescents in a highly useful, time-tested "Elements ofO" format
• Adaptable to a range of counseling-related courses across the curriculum
Provides illustrative examples of counselor/client dialogues
Includes instructor's manual

This is a story for children who are anxious or obsessional. Willy is an anxious boy who experiences the world as a very unsafe, wobbly place where anything awful might happen at any time. Joe, the boy next door, is too ordered and tidy to be able to ever really enjoy life. Follow their adventures with the Puddle People who help them break out of their fixed patterns and find far richer ways of living in the world.

Helping Children with Low Self-Esteem & Ruby and the Rubbish Bin

A Story for Fearful Children

A Guidebook

Theatre World, 1987-1988

Cheap, disposable, often with poor audio quality but with great visuals, flexi discs were vinyl's poorer cousin in the pre-digital age. Given away with magazines or sent out by advertisers, they were a splashy way of getting your message heard. Pressed onto laminated card or thin, wobbly plastic, these discs extolled the virtues of washing powders, beers, and banks. This book brings together over 150 of the most remarkable British flexi discs from the 1950s to the early 1990s, chronicling the varied and sometimes bizarre uses of these flimsy records, and the result is a fascinating archive of post-war design and advertising ingenuity. Wobbly Sounds is part of the Four Corners Irregulars, a series about modern British visual culture.
