Spengler's work describes how we have entered into a centuries-long "world-historical" phase comparable to late antiquity, and his controversial ideas spark debate over the meaning of historiography.

A prophet has is about to board a ship home after 12 years in exile, when he is stopped by a group of people. His teachings to them, discussing love, marriage, crime, freedom and law among many other aspects of everyday life, form the 26 poetic essays of Gibran's work. The work has been a bestseller since its first publication.

Beautiful early writings by one of the 20th century's greatest poets on the 150th anniversary of his birth A Penguin Classic The poems, prose, and drama gathered in When You Are Old present a fresh portrait of the Nobel Prize-winning writer as a younger man: the 1890s aesthete who dressed as a dandy, collected Irish folklore, dabbled in magic, and wrote heartrending poems for his beloved, the beautiful, elusive Irish revolutionary Maud Gonne. Included here are such celebrated, lyrical poems as "The Lake Isle of Innisfree" and "He Wishes for the Cloths of Heaven," as well as Yeats's imaginative retellings of Irish fairytales—including his first major poem, "The Wanderings of Oisín," based on a Celtic fable—and his critical writings, which offer a fascinating window onto his artistic theories.

Through these enchanting works, readers will encounter Yeats as the mystical, lovelorn bard and Irish nationalist popular during his own lifetime. For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,700 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.

This study presents 13 articles interrogating themes likely to impinge on India ' s 15th general elections in 2009. These were written following intense discussion between the contributors and use available data as well as original data and analysis. The significance of the analyses goes beyond how much these questions find place in the campaign, or how much they would impact the electoral results. These have and would continue to be essential themes in Indian politics for some time. They would influence the country ' s politics, its leaders, parties and institutions and would be interrogated in political, policy and social science circles in the foreseeable future. They would in turn be impacted, redefined and perhaps transformed by political dynamics and social pressure. The first attempt of its kind to analyse the impact of certain emerging trends in politics on upcoming elections anywhere in the world, this book will be a useful addition to election studies and policy making in general.
