60 Hikes Within 60 Miles: Denver and Boulder

USA Today bestselling author of the Lost Kings MC series Autumn Jones Lake delivers an unforgettable story of heart wrenching first love. ROMAN From the minute I met Juliet, I wanted to shield her from the world's ugliness. We'd both already suffered more heartache than anyone should experience in a lifetime. I didn't have anything of value to offer—just my jaded heart, broken soul, and undying love. But for her, I'd sacrifice my pride, my hostility, and my heart. Anything to see her smile. Consequences meant nothing. I would've given up anything, even my life, to keep her safe. JULIET Both our lives were soaked in tragedy from day one. That's why we were drawn to each other the moment we met. I ignored the people who warned me he was dead inside. The truth was, he was as broken as I was. Together, we'd heal our hearts and stitch together our souls. At seventeen, we fell in love for the first—and last—time. PLEASE NOTE: Portions of Renegade Path were previously published as Cards of Love: Knight of Swords. When Mackenzie Montgomery's boyfriend dumps her two days before Valentine's Day, she doesn't know what to do. Luckily, her friends talk her into taking her already paid for romantic weekend getaway in Georgia. If anything, she can have a weekend of pampering and relaxation to help mend her broken heart. Her weekend was supposed to be time for her to be by herself, to unwind and decompress after her catastrophic breakup. Although, that isn't what happened -

meeting him wasn't in the plan. Weston Callahan is in Georgia for business and business alone. The only place in town where he's able to get a room is a bed and breakfast of happy couples celebrating Valentine's Day. Being surrounded by those evidently in love, constantly gushing over one another only brings him pain and anger. All it does is remind him of last year's fiasco, something he'd rather forget. He considered it torture until he met her -- afterwards, it became pure serendipity. One weekend is all they have. Or at least, that's what they originally thought. Fate intervenes, bringing these two star-crossed lovers back together to only reveal how their families have a long lived feud. Everything they thought they knew changes in an instant. Now they have to decide if fate will keep them together, or if their families will tear them apart.

Cowboy Bikers MC Lawmen have a keen eye for justice and catching killers, but also for finding the one woman who jolts their heart at first sight. Leland - One encounter is all I need to know I've found the perfect old lady, only to lose a way to contact her the same night. Raven - Putting everything on hold to travel with my MC family's rock band is a way for me to decide what I want to do with my life. Though, one exceptional encounter changes my choice drastically. Sometimes all you need is the unexpected to change your path to put everything into perspective. Unless it involves missing persons and dead bodies, then things get complicated rapidly and irreversibly for all involved. Sweet Treat is a crossover between Rebel Rage MC Rocker by Archer and Cowboy Bikers MC Lawmen by Esther E. Schmidt.

In this no-holds-barred memoir, a legendary biker recounts

his life of sex, drugs, rock & roll and lots of broken laws. Here is the true-life story of Richard "Deadeye" Hayes in all its bad-ass, balls-to-the-wall glory. This is a man who stole a machine gun before he was seven and lost his left eye when a good friend shot him in the face. As a member—and then president—of the infamous Los Valientes Motorcycle Club, he broke more laws and had more fun than any six of the coolest guys you know. One of the last true Outlaw Bikers, Deadeye knows what it means to be a man, take shit from one, and have tattoos that actually say something. Riding, drug dealing, and sending men to the hospital with his bare hands, Deadeye made himself a legend among bikers—all the while making sure his daughters never got mixed up with guys like him. "This may just be the best book ever written by an author who's been shot twice, stabbed once, and bitten by a rattlesnake!" —Geoffrey Leavenworth, author of *Isle of Misfortune*

Emotions and pain run deep for this Ravage MC couple, and it'll take more than plus signs and permanent marker to calm their fears.

*On the morning of April 8, 2006, residents of the hamlet of Shedden, Ontario, woke up to the news that the bloodied bodies of eight bikers from the Bandidos gang had been found dead on a local farm. The massacre made headlines around the world, and the shocking news brought a grim light to an otherwise quiet corner of the province. Six Bandidos would eventually be convicted of the first-degree murder of their biker brothers. Like other outlaw bikers, Bandidos portray themselves as motorcycle aficionados who are systematically misunderstood and abused by police, as well as feared by the public. We now know the Bandidos were anything but simple motorcycle enthusiasts. However, unlike such biker gangs as the Hells Angels, who run sophisticated criminal empires, the Bandidos were highly disorganized and prone to petty infighting, and even engaged in sabotaging fellow members. This is the story of how the Bandidos self-destructed over one dark night. As gripping as any crime novel, *The Bandido Massacre* takes us inside a crumbling brotherhood bent on self-obliteration and betrayal.*

Seduce Me (Ravage MC#2)

Notorious rockstar, guitarist, biker, Prez, heart-stealing bad boy. I fit many labels and have been called every name in the book by women who don't get what they want; me. I couldn't care less, I live by my own rules and take what I want. Things take a spin when a woman doesn't worship the ground I walk on but instead flat out refuses me. The rocker life isn't for everyone, neither is the biker life; good thing I thrive in both worlds and won't back down for anything or anyone. Especially when it involves an intriguing woman. She might be on the run from a past filled with death and fear, but it holds no place in the future I have in mind for the both of us. If we still have one after the music fades, the lights come on, and the screams are silenced.

People make love seem complicated. Intricate. Novels try to capture its intensity; music tries to rein in its soul. I've read every novel I could. I've lived and breathed every song that I could listen to. The sounds fill my unquiet mind. Then

he came. Killian. He brought with him the beauty of silence that echoes through my soul and showed me love isn't complicated. It's simple. Beautiful. Some say love at first sight doesn't exist, that you can't find your soul mate at sixteen years old. Those are people rooted in reality, chained to the confines of life that dictates how you are meant to think. Killian broke those chains. He broke everything, shattered it so I can see that reality is overrated, that daydreams can somehow come to life. My life tumbled into darkness in the time after I met him, so dark I'm not sure I'll ever see the light again. But he is always at my side. His life means he knows how to navigate the dark and he can lead me out. I wade through the darkness with him at my side. We'll be together forever; I'm certain of that. Until I'm not.
