young writers an opportunity to discover what they think and how they feel about different topics. Writing in a journal is comfortable for beginning writers because it is a casual and informal process. It isn't structured or graded. Students are allowed to free-write and become immersed in expression. Students should be allowed to write about different topics, which will give them the opportunity to improve their writing skills while exploring their thoughts without being chastised for grammar, usage, or other errors. Let this journal be an "idea book"--a place where the student is free to "think" in writing.

Simple but powerful, Journal Buddies is no ordinary journal. It is an invitation to experience a journaling adventure and to expand creativity and express feelings. It is an opportunity to strengthen self-esteem, build healthy relationships and create a positive outlook on life. It is a unique journal created with the help of important people in life, such as friends, parents, teachers, family members, etc.
