Sporting News Official NBA Guide

The Sixers won 65 games and an NBA championship in 1982-83, still one of the finest seasons in NBA history. It was Moses Malone who, in the days before the playoffs, gave the team its battle cry. Asked by coach Billy Cunningham how he thought things would go in the playoffs, Moses said, "Fo', fo', fo',"— meaning, in Moses's shorthand, that he expected the Sixers to sweep each of the three series they would need to play in order to win a championship. In this newly revised edition of Tales from the Philadelphia 76ers Locker Room, sports maverick Pat Williams teams up with writer Gordon Jones to capture a behind-the-scenes look at this legendary season. With wit and candor, Williams and Jones relive the unforgettable victories as well as the wrenching disappointments and painstaking efforts to rebuild that preceded that season. Readers are reintroduced to Julius "Dr. J" Erving, the beloved but unfulfilled superstar; Billy Cunningham, the hard-driven coach; Harold Katz, the relentless owner; and Moses Malone, the final piece of the title puzzle. Joined by a star-studded cast of players, they rampaged through the league, leaving a trail of devastated teams in their wake. With a thirty-year legacy that has yet to be surpassed by any 76ers team, Tales from the Philadelphia 76ers Locker Room is both a celebration of past glory and a promise of future victory to the loyal fans of the 76ers nation.

The world's greatest sports stars are known for dominating their opponents and making dynamic plays that amaze their fans. Get to know NBA star Jimmy Butler, highlighting the biggest moments of his career. Filled with exciting photos, compelling text, and informative sidebars, this book is sure to be a hit with young basketball fans.

Looks at services, events, and information sources related to sports

Enter the City of Brotherly Love and see how the NBA's Philadelphia 76ers trusted The Process—using a bold plan to get to first by becoming the worst. When a group of private equity bigwigs purchased the Philadelphia 76ers in 2011, the team was both bad and boring. Attendance was down. So were ratings. The Sixers had an aging coach, an antiquated front office, and a group of players that could best be described as mediocre. Enter Sam Hinkie—a man with a plan straight out of the PE playbook, one that violated professional sports' Golden Rule: You play to win the game. In Hinkie's view, the best way to reach first was to embrace becoming the worst—to sacrifice wins in the present in order to capture championships in the future. And to those dubious, Hinkie the keys, the Sixers have transformed into one of the most exciting teams in the NBA. They've emerged as a championship contender with a roster full of stars, none bigger than Joel Embiid, a captivating seven-footer known for both brutalizing opponents on the court and taunting them off of it. Beneath the surface, though, lies a different story, one of infighting, dueling egos, and competing agendas. Hinkie, pushed out less than three years into his reign by a demoralized owner, a jealous CEO, and an embarrassed NBA, was the first casualty of The Process. He'd be far from the last. Drawing from interviews with nearly 175 people, Tanking to the Top brings to life the palace intrigue incited by Hinkie's proposal, taking readers into the boardroom where the Sixers laid out their plans, and onto the courts where those plans met reality. Full of uplifting, rags-to-riches stories, backroom dealings, mysterious injuries, and burner Twitter accounts, Tanking to the Top is the definitive, inside story of the Sixers' Process and a fun and lively behind-the-scenes look at one of America's most transgressive teams. Including exclusive interviews with Joel Embiid, Ben Simmons, and Coach Brett Brown, Sam Hinkie, and more.

The NBA According to the Sports Guy

During the 1972-1973 basketball season, the Philadelphia 76ers were not just a bad team: they were fantastically awful. Doomed from the start after losing their leading scorer and rebounder, Billy Cunningham, as well as head coach Jack Ramsay, they lost twenty-one of their first twenty-three games. A Philadelphia newspaper began calling them the Seventy Sickers, and they duly lost their last thirteen games on their way to a not-yet-broken record of nine wins and seventy-three losses. Charley Rosen recaptures the futility of that season through the first memorable moments, and the lore surrounding the team is legendary. Once, when head coach Roy Rubin tried to substitute John Q. Trapp out of a game, Trapp refused and told Rubin to look behind the team's bench, whereby one of Trapp's friends supposedly opened his jacket to show his handgun. With only four wins at the All-Star break, Rubin was fired and replaced by player-coach Kevin Loughery. In addition to chronicling the 76ers' woes, Perfectly Awful also captures the drama, culture, and attitude of the NBA in an era when many white fans believed the Lists citations with abstracts for aerospace related reports obtained from world wide sources and announces documents that have recently been entered into the NASA Scientific and Technical Information Database.

Kyrie Irving was a National Basketball Association (NBA) star before he played a game in the league. Kyrie was the first pick in the 2011 NBA draft, and Cleveland Cavaliers fans were anxious to see what the high-flying guard could do. Kyrie was ready for all the attention. He scored almost twenty points per game for the Cavs and was named NBA Rookie of the Year. In 2014, Kyrie won the Most Valuable Player award at the NBA All-Star Game. Read more about one of the NBA's best players.

As more students enter the growing field of sports management, there is a greater need for information informing them about their career choices. Careers in Sports provides an overview of what students should consider and expect from the varied career options available to them. This book answers the questions students are most likely to have, including what courses they should take, what areas are available to them, what salary can they expect to earn after graduation, and how they can get the job of their dreams. In the highly competitive field of sports management, it is important for individuals to prepare themselves well and to make the right decisions along the way. Although there are no guarantees of success, this book will increase students' likelihood of finding success in the sports industry. Encouraging research and realistic expectations, this book has been developed by an author with many years of experience as a respected practitioner, teacher and internship coordinator.

The Nol For Tourists Guide to Philadelphia is a map-based guide to the city made for locals, business travelers, and yes, even tourists. It divides Philly into twenty-seven neighborhoods, each with maps marked by user-friendly icons locating the essentials of life, from banks to coffee shops. NFT covers everything from restaurants, museums, landmarks, bars, and post offices to information on kid-friendly activities, airports, and public transportation. The guide also includes:
· A foldout map showing highways and rail transit
· Over seventy-five neighborhood and city maps
· Details on parks and sports
· Listings for shopping and bookstores
· A special icon to pinpoint the best cheesesteaks
It's the greatest thing to happen to Philly since cream cheese.
