

90 Days To Your Novel Jfmhs

Are you ready to become an author yet? If you're new to fiction writing, this book's for you! (updated version!) Are you tired of waiting for the novel in your head to magically appear? Tired of being told to "write a little bit a day every day?" How's that advice working for you? It's not ... is it? If it was, your novel would be done. But I hear you. When I first learned how to write a novel, that "helpful" information ... wasn't. I went slowly, writing a little each day like all the authors told me to. Then I'd get disinterested or distracted and my novel would get DEstructured! You've listened to the podcasts, taken the writing workshops, read how to write a novel guides, but your novel still isn't written. Are you still waiting for that "1 hour a day" conventional wisdom to pay off? Let's face it, it's a new ballgame for indie authors! A numbers game. The number of books you publish, reviews you get, and downloads you can expect are all partly a function of how much you write-how many books you publish. Conventional "wisdom" is getting us indie authors nowhere. It's time to take a different approach! Wouldn't it be great to have something to show for all your hard work? Forget next year! What about sitting down to proofread your first draft next week? That's what I want to show you how to do, because I've been there. In this step-by-step writing workshop-feels more like adrenaline boot camp-Steve Windsor walks you through how he writes novels in 9 "days." With concrete examples of how to apply story structure, outlining, and plotting, you learn to drive your hero through his or her story. You can write a novel in less time than it takes you to need your next haircut. Steve shows you how blockbuster novels and movies use a formula that's as old as Aristotle to produce hits. Packed with examples! Using examples from his own novels, best selling books... He even makes up a story right before your eyes! Steve is a hands on hardcore writer who will show you just how "easy" it is. Make no mistake, the Nine Day Novel series isn't for everyone. Some people like pacing themselves on their way to the death of their dreams of becoming an author. Then again, you aren't them. In this motivational writer's retreat disguised as a fast-paced writing workshop, you'll learn: How story structure can help you write faster. Through mainstream examples and Steve's own brand of "Darth Vader" humor, Nine Day Novel will keep you pumped up to write. And the FREE resources? Inside the Nine Day Novel, you'll get access to a starter file for one of the most popular writing software packages out there-Scrivener. Rather than spending hours or even days learning and creating a story structure outline, Steve did it for you. There's not one, but three FREE writing tools to download inside! So whether you are a yet to be discovered bestselling author or a grizzled, coffee-addicted veteran like Steve who is continually sharpening his writing sword, Nine Day Novel-Writing Faster will give you a sharp new edge on your writer's blade. Don't let your novel die in your mind because you think you lack the time. I'll show you how much time you really have. And I'll give you real advice on how to use that time to write your novel faster than you ever thought possible. Take action, read this book, and faster than your next vacation is over, you will be showing off your brand new novel. Don't waste another minute, scroll up and click "BUY NOW"!

A New York Times Editors Choice Longlisted for the 2020 Simpson / Joyce Carol Oates Literary Prize One of Vogue.com's "Best Books of 2020 So Far" One of Elle's "Best Books of 2020 So Far" Named A Most-Anticipated Book by The New York Times, Vogue, The Boston Globe, Salon, The Millions, Inside Hook, and Vol. 1 Brooklyn In 1996, the unnamed narrator of Teddy Wayne's Apartment is attending the MFA writing program at Columbia on his father's dime and living in an illegal sublet of a rent-stabilized apartment. Feeling guilty about his good fortune, he offers his spare bedroom--rent-free--to Billy, a talented, charismatic classmate from the Midwest eking out a hand-to-mouth existence in Manhattan. The narrator's rapport with Billy develops into the friendship he's never had due to a lifetime of holding people at arm's length, hovering at the periphery, feeling "fundamentally defective." But their living arrangement, not to mention their radically different upbringings, breeds tensions neither man could predict. Interrogating the origins of our contemporary political divide and its ties to masculinity and class, Apartment is a gutting portrait of one of New York's many lost, disconnected souls by a writer with an uncommon aptitude for embodying them.

Got 90 Days? Then You Can Be a Novelist... Many famous authors write their novels in a matter of weeks. William Faulkner wrote As I Lay Dying in six weeks. Joyce Carol Oates often cranks out two or three books a year. Stephen King believes first drafts should take no more than three months to complete. So, what's the trick? Novel writing isn't about inspiration. It's about the time, energy, and discipline to see the project to its finish. With 90 Days To Your Novel at your side, now is the time. This inspiring guide will be your push, your deadline, and your spark to finally, without excuses, and in three short months, nail that first draft of your novel. The difference between wanna-be writers and real writers is the difference between talk and work. If you commit to the schedule and the techniques within 90 Days to Your Novel and invest two to three hours a day for twelve weeks, you will complete your book. An outline will appear. Characters will take shape. A plot will emerge. Scenes will come together and form a story worth reading. And then the talking can begin! This helpful guide provides: • Instruction that distills the elements of the novel - from crafting your outline to developing intriguing characters and believable plots • Strategies for gaining support from your family and friends • Motivating insights about writing and writers to minimize your inevitable moments of doubt • A schedule to keep you in the writing zone and keep you focused, creative, and working Whether you're writing your first novel or your third, this guide provides the coaching, the planning, and the writerly commiseration to help get your book written.

No more excuses. "Let the lawn get shaggy and the paint peel from the walls," bestselling novelist Walter Mosley advises. Anyone can write a novel now, and in this essential book of tips, practical advice, and wisdom, Walter Mosley promises that the writer-in-waiting can finish it in one year. Intended as both inspiration and instruction, the book provides the tools to turn out a first draft painlessly and then revise it into something finer. Mosley tells how to: - Create a daily writing regimen to fit any writer's needs--and how to stick to it. - Determine the narrative voice that's right for every writer's style. - Get past those first challenging sentences and into the heart of a story.

How to Use Brain Science to Go Beyond Outlining and Write a Riveting Novel (Before You Waste Three Years Writing 327 Pages That Go Nowhere)

From Concept to Polish

Orange for the Sunsets

"Deft and lovely...The perfect weight, in all ways. It's suitable for a vacation, and you can describe it in one inviting line, but then it keeps unfolding and deepening, taking unexpected turns." –The New York Times Book Review To four girls who have nothing, their friendship is everything: they are each other's confidants, teachers, and family. The girls are all named Guinevere—Vere, Gwen, Ginny, and Win—and it is the surprise of finding another Guinevere in their midst that first brings them together. They come to The Sisters of the Supreme Adoration convent by different paths, delivered by their families, each with her own complicated, heartbreaking story that she safeguards. Gwen is all Hollywood glamour and swagger; Ginny is a budding artiste with a sentiment to match; Win's tough bravado isn't even skin deep; and Vere is the only one who seems to be a believer, trying to hold onto her faith that her mother will one day return for her. However, the girls are more than the sum of their parts and together they form the all powerful and confident The Guineveres, bound by the extraordinary coincidence of their names and girded against the indignities of their plain, sequestered lives. The nuns who raise them teach the Guineveres that faith is about waiting: waiting for the mail, for weekly wash day, for a miracle, or for the day they turn eighteen and are allowed to leave the convent. But the Guineveres grow tired of waiting. And so when four comatose soldiers from the War looming outside arrive at the convent, the girls realize that these men may hold their ticket out. In prose shot through with beauty, Sarah Domet weaves together the Guineveres' past, present, and future, as well as the stories of the female saints they were raised on, to capture the wonder and tumult of girlhood and the magical thinking of young women as they cross over to adulthood.

On the last day of high school, Sophie's boyfriend breaks up with her. It turns out he thinks she is too predictable, too responsible, too mature...too boring. When Sophie turns to her best friend, Ella, for comfort and reassurance, Ella just confirms what her boyfriend has said. And that hurts even more. Then Ella comes up with a plan to help Sophie find her wilder side. In the ninety days between the end of high school and the start of university, she is going to arrange for Sophie to do amazing, new, different and sometimes scary things. The deal is Sophie has to agree to everything, no matter what. And she has to share her adventures through social media. Can ninety days of different create a different life? Can stepping outside your comfort zone help you find yourself?

"In this day-by-day guide through the process of outlining and writing the first draft of your novel in 90 days, [the author] will show you: How to structure your novel without losing connection to your voice; Why you are uniquely qualified to write your story; The dilemma at the heart of your story; How your fears are a portal into your characters; The connection between your life themes and story themes; Why you kept getting stuck, and how to break through."--Back cover.

"Book one of the After series--the Internet sensation with millions of readers. Tessa didn't plan on meeting Hardin during her freshman year of college. But now that she has, her life will never be the same"--

Eileen

A Proven System to Transform Your Business

Shift Your Mindset and Become a Successful Author in 90 Days!

Diamond Dogs

After

Reverse Liver Cirrhosis in 90 Days

Neil Garvin is a seventeen year old living in a small town outside Las Vegas. Abandoned by his mother when he was three, he blames his abusive father - the local sheriff - for driving her away. Neil is good-looking, popular, the quarterback of the high school football team and as cruel to his peers as his father is to him. He plans to get out of town on his "million dollar arm," until the night he accidentally commits a terrible crime and his father, unmasked, covers up for him. As the FBI arrives and begins to narrow in, Neil and his father become locked in a confrontation that will break them apart and set them free

Following on the heels of Lisa Cron's breakout first book, *Wired for Story*, this writing guide reveals how to use cognitive storytelling strategies to build a scene-by-scene blueprint for a riveting story. It's every novelist's greatest fear: pouring their blood, sweat, and tears into writing hundreds of pages only to realize that their story has no sense of urgency, no internal logic, and so is a page one rewrite. The prevailing wisdom in the writing community is that there are just two ways around this problem: pantsing (winging it) and plotting (focusing on the external plot). Story coach Lisa Cron has spent her career discovering why these methods don't work and coming up with a powerful alternative, based on the science behind what our brains are wired to crave in every story we read (and it's not what you think). In *Story Genius* Cron takes you, step-by-step, through the creation of a novel from the first glimmer of an idea, to a complete multilayered blueprint—including fully realized scenes—that evolves into a first draft with the authority, richness, and command of a riveting sixth or seventh draft. The 90-Day Screenplay was workshopped at L.A. Writers' Lab over the course of ten years and has helped hundreds of screenwriters complete their work. Many graduates of the Lab have gone on to major careers as screenwriters and producers in TV and film. The 90-Day Screenplay method of structuring your story is organic, involving a rigorous inquiry into the dilemma besetting your characters. This inside-out approach avoids the distractions that frequently occur when one's focus is placed squarely on plot. Screenwriting is often taught by Hollywood story analysts who confuse story structure with "plotting," thus leading to a formulaic, one-size-fits-all style of writing. By focusing on the dilemma, and exploring its resolution, the plot emerges naturally in surprising and dynamic ways. The 90-Day Screenplay will guide you through the process of outlining your screenplay, writing a first draft, and completing a rewrite, all in three months. In this day-by-day guide you will: * Uncover the dilemma at the heart of your screenplay * Learn how to write from your subconscious * Rewrite your work efficiently * Discover your story's structure as an experiential model * Develop a process of getting the story from your imagination to the page

Over a half-million sold! The sequel, *The Unicorn Project*, is coming Nov 26 "Every person involved in a failed IT project should be forced to read this book."—TIM O'REILLY, Founder & CEO of O'Reilly Media "The Phoenix Project is a must read for business and IT executives who are struggling with the growing complexity of IT."—JIM WHITEHURST, President and CEO, Red Hat, Inc. Five years after this sleeper hit took on the world of IT and flipped it on its head, the 5th Anniversary Edition of *The Phoenix Project* continues to guide IT in the DevOps revolution. In this newly updated and expanded edition of the bestselling *The Phoenix Project*, co-author Gene Kim includes a new afterword and a deeper delve into the Three Ways as described in *The DevOps Handbook*. Bill, an IT manager at Parts Unlimited, has been tasked with taking on a project critical to the future of the business, code named Phoenix Project. But the project is massively over budget and behind schedule. The CEO demands Bill must fix the mess in ninety days or else Bill's entire department will be outsourced. With the help of a prospective board member and his mysterious philosophy of The Three Ways, Bill starts to see that IT work has more in common with a manufacturing plant work than he ever imagined. With the clock ticking, Bill must organize work flow streamline interdepartmental communications, and effectively serve the other business functions at Parts Unlimited. In a fast-paced and entertaining style, three luminaries of the DevOps movement deliver a story that anyone who works in IT will recognize. Readers will not only learn how to improve their own IT organizations, they'll never view IT the same way again. "This book is a gripping read that captures brilliantly the dilemmas that face companies which depend on IT, and offers real-world solutions."—JEZ HUMBLE, Co-author of *Continuous Delivery*, *Lean Enterprise*, *Accelerate*, and *The DevOps Handbook* — "I'm delighted at how *The Phoenix Project* has reshaped so many conversations in technology. My goal in writing *The Unicorn Project* was to explore and reveal the necessary but invisible structures required to make developers (and all engineers) productive, and reveal the devastating effects of technical debt and complexity. I hope this book can create common ground for technology and business leaders to leave the past behind, and co-create a better future together."—Gene Kim, November 2019

Ancient Wisdom with Contemporary Scientific Background

The Summer of 1984 and the 90 Days that Changed Sports and Culture Forever

This guided journal encourages the cultivation of mindfulness and general well-being amid a busy modern lifestyle. *Self-Care: A Day and Night Reflection Journal* offers a space to commit to your self-care routine with intention and dedication—helping you develop positive thinking, overcome challenging and stressful experiences and negative emotions, and cultivate a general sense of well-being and a healthy lifestyle. This 90-day journal gives you a path to creating a habit of regular self-care that you can carry with you throughout your life. Immersed in your busy day-to-day activities, it's easy to forget to focus on the present and what's most important. This journal provides a place to record your thoughts and activities and consider how they affect your emotional and physical health. The journal is intended for those who want to foster deep reflection as well as for those who simply want to take better care of themselves. Having filled the journal with positive thoughts and routines, you will end up with a personal trove of wonderful reflections, which can be a source of positive inspiration at any time. Filled with delicate illustrations, this 90-day journal will help you integrate self-care and deep reflection into your life. Its 184 lined, acid-free pages made from archival paper take both pen and pencil nicely, and the back pocket is perfect for holding mementos.

About the book: If you are looking for a method to get your novel written, this book will take you step by step from concept to completion. Simply follow the instructions and by the time you are finished, you will have written your book. At the end of the process, you'll have a fully developed story filled with memorable characters, a riveting plot, powerful theme, and a new spin on your genre. Each step asks you to consider or perform just one task that moves your novel a step closer toward being a finished book. In this way, no step is ever confusing or too complex and yet your story is ever growing and evolving as you go. About the author: Melanie Anne Phillips is the creator of *StoryWeaver Step By Step Story Development* software, co-creator of the *Dramatica Theory of Story Structure* and the *Dramatica* software, and owner of *Storymind.com*, a resource web site for writers. In her quarter century as a teacher of creative writing, she has authored numerous books, videos, audio programs and software tools for all aspects of story structure, storytelling and inspiration.

"Unlock the story within ... with over 200 new writing exercises"--Cover.

Penniless and destitute, failed tech entrepreneur Lindsay Mitchell is about to end her suffering by suicide. Standing in the ocean and ready to end it all, one thing stops her- a man smiling and watching her in the distance. Arjun Siddharth sees something in Lindsay. A yearning to reconnect with meaningful living. Against the odds, Arjun offers her a deal: If Death can wait 90 days, he will show her the path to be her best self so that she can have it all; the wealth, self-fulfillment and happiness. *90 Days to Life* is a treasure trove of lessons that you can use in all facets of business, career, and life beautifully intertwined in a can't put it down, captivating fictional narrative. By the time you finish reading this touching story, you would have grasped everything you need to know to start or succeed as an entrepreneur, small business owner or a professional. As a bonus benefit, the stories and strategies within will align your psychology and mindset to victory and inspire you to implement those nuggets you pick up on your way. The inspiring metaphors and wisdom will win your heart and linger long after you finish *90 Days to Life*.

The 90-Day Novel Planner
90 Days to Your Better Self!

You are an author! I know it might not feel like that right now, but over the next 90 days, you're going to live up to that title and be able to shout from the rooftops... "I AM an Author!" But first, you've got a bit of work to do... We need to deal with Neville. He's pretty annoying. He's always filling your head with negative thoughts, worrying about whether anyone will read your book, whether you're good enough to write a book, or whether you should tell anyone that you're planning to write a book. Neville is your ego. He's the one voice you hear the loudest most days and he's the one that stops you from living your dreams. It's time to tell Neville to suck it! This book is for the budding author who wants to just get this book DONE. To stop the procrastination and finally be able to say, "I wrote a book!" Inside I AM An Author, you'll learn: The best strategies for dealing with Neville How to make sure your book will get read How to get your book written within 90 days What success habits will help move you closer to being an author Plus a lot more! Stop Neville in his tracks and take back control. You can write a book, you should write a book, and if you read this book... you WILL write a book! Inspire and connect with your readers in a way you never thought possible. Become an author in the next 90 days. You know you're ready. Take the next step. Scroll to the top and click or tap "buy now" and come join me as we take this author journey together.

Unlock Your Potential. Become Unstoppable. Unable to overcome debilitating fatigue and depression, bestselling author and personal development expert Ben Angel set out on a 90-day mission to find and conquer the root of his rut. The result of his journey is Unstoppable, a highly revealing book where Ben gives you a look into the world of nootropics, wearable devices, and nutrition and delivers a guide to help you reduce stress, increase focus, improve physical performance, and eliminate your fears. You'll hear from world-leading biohackers, neuroscientists, doctors, and New York Times bestselling author Dave Asprey as Ben helps you: Identify the seven triggers causing your brain fog Discover the key to better health, more energy, and a better mood Optimize your mental performance and feel more alert with six nootropics Form new behaviors and break old patterns (the real secret to your success) Interrupt your stress response through breathing Align your biochemistry with your soul's purpose in three easy steps Use progressive overload to become an upgraded version of yourself Plus, gain access to the Unstoppable Assessment to discover your identity type, pinpoint your energy levels, and create a plan to break through your own limits and become unstoppable. When we look at the most successful people, we usually look at their habits—their behaviors, their day-to-day rituals, their dedication. But what about the mind? Ben Angel hits this idea head-on in Unstoppable, tackling peak performance with biohacking strategies that will blow your mind. —Dr. Ivan Misner, founder of BNI and New York Times bestselling author

Novel writing is tough. So I created this planner to help me see the forest for the trees. This planner is designed to keep all your novel writing bits and pieces in one place. Sure, digital tools like Scrivener, Pinterest, and Google Drive can keep things for you. But I'm an analog girl, so this planner makes it a lot easier for me to keep notes together, and in a way that actually helps me write. There are times when you have an idea, but you don't know where to start. This journal is designed so that you can start where you are. Only know who your protagonist is? Start with the protagonist sketch page. Only have your opening image of the novel decided? Write it on the Act I page under the hook. Halfway through the novel but you've decided to change a character's name? Mark it in the writing journal where you can track notes about your writing sessions. Write your novel in the way that makes the most sense to you. And use this planner to keep yourself on track.

Thirty nights. Two hearts. One fate. American Beauty, Book 1 After her parents' tragic deaths, Elisa Snow wanted nothing more than to escape her past. Eighteen and alone, she fled her quaint English village and moved to the United States. A starving science student by day and an artist's muse by night, Elisa has slowly built a new life. She never dreamed she would lose everything again. She's one week from graduation when her visa is unexpectedly denied. Given thirty days to leave the country, she must face the one thing she cannot survive again—saying goodbye and leaving her home. Yet within minutes of her world shattering, she meets a man with the power to piece it back together. After finishing his tour of duty in Iraq, Aiden Hale traded battlefields for boardrooms, becoming one of the most successful venture capitalists in the nation. But all his wealth can't buy him reprieve from the horrific memories of war. The only thing that gives him peace is a painting of Elisa. Drawn together by their invisible wounds, they begin a passionate affair as they race against the clock to defy their pasts—and fight for their future. Earlier versions of this book were posted on the author's blog under the titles of The Master's Muse and 30 Nights of Snow, using the pen name Ani Surnois, and the book has since been extensively edited.

How to Complete a First Draft in 30 Days and What to Do Next

I'm Glad My Mom Died

The 90-Day Novel

This inspiring guide will be your push, your deadline, and your spark to finally, without excuses, and in three short months, nail that first draft of your novel.

One of these days, I'm going to sit down and write that novel.... Everyone thinks about doing it, yet most people who do start a novel end up stalling after a few chapters. Where do these would-be novelists go wrong? Are the characters dull and cliched? Did the story arc collapse? Did they succumb to a dreaded bout of "writer's block"? Or maybe it was all just taking too long? These problems used to stop writers in their tracks, but nothing will get in your way after reading Write Your Novel in a Month. Author and instructor Jeff Gerke has created the perfect tool to show you how to prepare yourself to write your first draft in as little as 30 days. With Jeff's help, you will learn how to organize your ideas, create dynamic stories, develop believable characters, and flesh out the idea narrative for your novel--and not just for the rapid-fire first draft. Jeff walks you through the entire process, from initial idea to the important revision stage, and even explains what to do with your novel once you've finished. Whether you are participating in National Novel Writing Month or you're simply hoping to complete a draft over winter break or your vacation, this book covers the entire scope of writing a novel and lays out exactly what you need to know to get it done fast and right.

Shortlisted for the 2016 Man Booker Prize and chosen by David Sedaris as his recommended book for his Fall 2016 tour. So here we are. My name was Eileen Dunlop. Now you know me. I was twenty-four years old then, and had a job that paid fifty-seven dollars a week as a kind of secretary at a private juvenile correctional facility for teenage boys. I think of it now as what it really was for all intents and purposes—a prison for boys. I will call it Moorehead. Delvin Moorehead was a terrible landlord I had years later, and so to use his name for such a place feels appropriate. In a week, I would run away from home and never go back. This is the story of how I disappeared. The Christmas season offers little cheer for Eileen Dunlop, an unassuming yet disturbed young woman trapped between her role as her alcoholic father's caretaker in a home whose squalor is the talk of the neighborhood and a day job as a secretary at the boys' prison, filled with its own quotidian horrors. Consumed by resentment and self-loathing, Eileen tempers her dreary days with perverse fantasies and dreams of escaping to the big city. In the meantime, she fills her nights and weekends with shoplifting, stalking a buff prison guard named Randy, and cleaning up her increasingly deranged father's messes. When the bright, beautiful, and cheery Rebecca Saint John arrives on the scene as the new counselor at Moorehead, Eileen is enchanted and proves unable to resist what appears at first to be a miraculously budding friendship. In a Hitchcockian twist, her affection for Rebecca ultimately pulls her into complicity in a crime that surpasses her wildest imaginings. Played out against the snowy landscape of coastal New England in the days leading up to Christmas, young Eileen's story is told from the gimlet-eyed perspective of the now much older narrator. Creepy, mesmerizing, and sublimely funny, in the tradition of Shirley Jackson and early Vladimir Nabokov, this powerful debut novel enthralls and shocks, and introduces one of the most original new voices in contemporary literature. Ottessa Moshfegh is also the author of My Year of Rest and Relaxation, Homesick for Another World: Stories, and McGlue.

This concise guide tells you how to write a novel by using a systematic approach to writing. This guide is written by an author not a 'guru'. A simple step by step breakdown of how to plan each day. No fillers and no theory, just the hard facts in a concise guide. There are many guides about writing novels on the market but how many of them are written by prolific published authors? The answer is 'not many'. How can anyone write a guide unless they have been through the writing process many times before? The simple answer to this question is they can't because they cannot feed on their own actual experiences to help another writer to avoid the mistakes and pitfalls. Most guides regurgitate information which they have picked up from creative writing books or sites. How can they give you advice when they have never sat down and focused on creating a novel which will sell, many times over? Writing a novel is the same as any other task we undertake as individuals. We have to learn how to do it in order to do it well. When you first learn to drive, you need lessons. No one walks into the kitchen and creates a gourmet dish on their first attempt. If you want a system to apply to writing a book, then you need to take advice from an 'author' who has taken years to develop the process via experience.

90 Days to Your Novel

Glory Days

A Day and Night Reflection Journal (90 Days)

Write Your Novel Step by Step

The Phoenix Project

90 Days to Life

A rollicking guided tour of one extraordinary summer, when some of the most pivotal and freakishly coincidental stories all collided and changed the way we think about modern sports. The summer of 1984 was a watershed moment in the birth of modern sports when the nation watched Michael Jordan grow from college basketball player to professional athlete and star. That summer also saw ESPN's rise to media dominance as the country's premier sports network and the first modern, commercialized, profitable Olympics. Magic Johnson and Larry Bird's rivalry raged, Martina Navratilova and John McEnroe reigned in tennis, and Hulk Hogan and Vince McMahon made pro wrestling a business, while Donald Trump pierced the national consciousness as a pro football team owner. It was an awakening in the sports world, a moment when sports began to morph into the market-savvy, sensationalized, moneyed, controversial, and wildly popular arena we know today. In the tradition of Bill Bryson's One Summer: America, 1927, L. Jon Wertheim captures these 90 seminal days against the backdrop of the nostalgia-soaked 1980s, to show that this was the year we collectively traded in our ratty Converse for a pair of sleek, heavily branded, ingeniously marketed Nikes. This was the year that sports went big-time.

Build a business based upon the core concepts of your book to gain credibility and become an authority in your area of expertise.

"Witnessing an act of brutal violence that he mistakes for a methamphetamine-induced hallucination, addict Chase finds himself an unlikely hero in a zombie apocalypse that gives him a last chance to get clean, win back the love of his life and become the person he once dreamed of being. A first novel."

** A Chicago Public Library's Best of the Best Books of 2019 Selection * A Canadian Children's Book Center Best Books for Kids & Teens Pick * From debut author Tina Athaide comes a soaring tale of empathy, hope, and resilience, as two best friends living under Ugandan President Amin's divisive rule must examine where—and who—they call home. Perfect for fans of Half from the East and Inside Out and Back Again. Asha and her best friend, Yesofu, never cared about the differences between them: Indian. African. Girl. Boy. Short. Tall. But when Idi Amin announces that Indians have ninety days to leave the country, suddenly those differences are the only things that people in Entebbe can see—not the shared after-school samosas or Asha cheering for Yesofu at every cricket game. Determined for her life to stay the same, Asha clings to her world tighter than ever before. But Yesofu is torn, pulled between his friends, his family, and a promise of a better future. Now as neighbors leave and soldiers line the streets, the two friends find that nothing seems sure—not even their friendship. Tensions between Indians and Africans intensify and the deadline to leave is fast approaching. Could the bravest thing of all be to let each other go?*

A Journey from Turmoil to Triumph

The world's most trusted guide for leaders in transition Transitions are a critical time for leaders. In fact, most agree that moving into a new role is the biggest challenge a manager will face. While transitions offer a chance to start fresh and make a mark in an organization, they also place leaders in a position of acute vulnerability. Missteps made during the crucial first 90 days in a new role can jeopardize or even derail your success. In this updated and expanded version of the international bestseller *90 Days*, Michael D. Watkins offers proven strategies for conquering the challenges of transitions—no matter where you are in your career. Watkins, a noted expert on leadership transitions and adviser to senior leaders in all types of organizations, navigates today's increasingly demanding professional landscape, where managers face not only more frequent transitions but also higher expectations once they step into their new jobs. By walking you through every aspect of the transition scenario, Watkins identifies the most common pitfalls new leaders encounter and provides the tools and strategies you need to avoid them. You'll learn how to secure critical early wins, an important first step in establishing yourself in your new role. Each chapter also includes checklists, tools, and self-assessments to help you assimilate key lessons and apply them to your own situation. Whether you're starting a new job, being promoted from within, embarking on an overseas assignment, or being tapped as CEO, how you manage your transition will determine whether you succeed or fail. Use this book as your trusted guide.

"How to Get Over Your Ex in Ninety Days is deliciously amusing." - Aimee Brown from *Getting Your Read On* ??????Princess thinks she found the perfect plan to get over her ex-boyfriend, Jackson Montgomery: *Break off all contact for ninety days. *Stay away from social media.*Remember all the things you liked to do when you were single and revisit those activities.*Don't think about starting any new romantic attachments.*Wine, lots of wine. No, don't. It could end badly.*Be mindful of anxiety and feelings of hopelessness.*Remind yourself it takes ninety days for your mind to switch gears and picture your life in a new direction. *Keep a daily journal to mark your progress and vent your frustrations. There's a problem though. Jackson Montgomery is the newly appointed vice principal of Riverton High School where Presley teaches drama. And oh yeah, he wants her back. So what do you do? Stick with the plan, of course.

A heartbreaking and hilarious memoir by *iCarly* and *Sam & Cat* star Jennette McCurdy about her struggles as a former child actor—including eating disorders, addiction, and a complicated relationship with her overbearing mother—and how she overcame them to find herself of her life. Jennette McCurdy was six years old when she had her first acting audition. Her mother's dream was for her daughter to become a star, and Jennette would do anything to make her mother happy. So she went along with whatever her mother wanted, "calorie restriction," eating little and weighing herself five times a day. She endured extensive at-home makeovers where she was chastised, "Your eyelashes are invisible, okay? You think Dakota Fanning doesn't tint hers?" She was even showered by her mother sixteen while sharing her diaries, email, and all her income. In *I'm Glad My Mom Died*, Jennette recounts all this in unflinching detail—just as she chronicles what happens when the dream finally comes true. Cast in a new Nickelodeon series *Carly*, she is thrust into fame. Though Mom is ecstatic, emailing fan club moderators and getting on a first-name basis with the show's executive producer (Gale!), Jennette is riddled with anxiety, shame, and self-loathing, which manifest into eating disorders, addiction, and unhealthy relationships. These issues only get worse when, soon after taking the lead in the *iCarly* spinoff *Sam & Cat*, her friend Ariana Grande, her mother dies of cancer. Finally, after discovering therapy and quitting acting, Jennette embarks on a journey that decides for the first time in her life what she really wants. Told with refreshing candor and dark humor, *I'm Glad My Mom Died* is an inspiring story of resilience, independence, and the joy of shampooing your own hair.

"A rollicking rom-com full of fun, complex characters, laugh-out-loud one liners and delicious banter," perfect for pop culture fans (NPR). Bethany Lu Carlisle is devastated when the tabloids report actor Keanu Reeves is about to tie the knot. What was once the world's perfect boyfriend and forever bachelor, Keanu not realize that making a move like this could potentially be the tipping point of equilibrium of...well...everything! Not to mention, he's never come face to face with the person who could potentially be his soulmate—her. Desperate to convince Keanu to call off the wedding, Lu and her ride-or-die BFF Truman Erikson take a road trip to search for the elusive Keanu so that Lu can fulfill her dream of meeting her forever crush and confess her undying love. From New York to Los Angeles, Lu and Truman get into all sorts of sticky situations. Will Lu be able to find Keanu and convince him to be one for her? Or maybe she'll discover true love has been by her side all along... Book Riot: Best 2021 Romantic Comedies, Best of the Month selection *Cosmopolitan: Best Romance Novels to Warm You Right Up*

This guide uses case studies to reveal the keys to writing and publishing a successful novel.

#1 New York Times bestselling author Harlan Coben proves that the past never truly fades away as the American dream becomes a nightmare in this shocking thriller. Megan is a suburban soccer mom who once upon a time walked on the wild side. Ray used to be a talented documentary photographer, but now finds himself in a dead-end job posing as a paparazzo. Broome is a detective who can't let go of a cold case. Three people living lives they never wanted are hiding secrets that even those closest to them would never suspect. And as each confronts the dark side of the American dream--the boredom of a nice suburban life, the excitement of temptation, the desperation and hunger that can lurk behind even the prettiest facades--they will discover the hard truth that the line between one kind of life and another can be as whisper-thin as a heartbeat.

90 Days to Your Better Self is a book that 's all about YOU! How many times have you tried to find a self-help book that was full of inspirations to help you break through to your next level, only to find that you were in the very same place that you were in when you started reading? Afterward, there was no new you, no better you, no improved you; as a matter of fact, the content was a version of everything you 'd heard before but packaged differently. And now you will experience a different form of support in your journey; this book will serve as a tool to assist you in discovering dimensions of yourself that have been lying, either dormant or unrevealed. Whether these parts of you are negative or positive, they are, in many cases, the very

subconscious things that hold us back from what we aspire to do and be. In my experience, growing is the process of getting in closer contact with self. And this process is the foundation that allows you to know who you are, discover your purpose, and then fulfill your purpose. Writing this book is indicative of my work in fulfilling my purpose. Certainly, it has been said a thousand times that we can be whoever we want to be and attain any goal we set for ourselves, but what I discovered is that nobody is really showing you how to reach the destination of your life. In this collection of thought-provoking topics that stimulate you to think and write about where you are on the map of your life, you will expound upon the daily topic which, in return, will route you back to yourself, because again, it ' s all about you. If a book has ever been written about you, THIS IS IT! For some it may take thirty days, others may take sixty, but by that ninetieth day of consistent work and healing, you will definitely feel the difference. As you get closer and closer into contact with yourself, your vision becomes clearer about who you are. When you face the challenges of yourself, which you will, you are now in the position to create solutions to remedy anything that ' s holding you back from your better self. No one can stop you but you! This is a work that no one can do but YOU! Congratulations in advance! I ' m so excited about introducing you to your better self in just a few months! Blessings. 179

90 Days to Profit reveals the secret weapon for business success with the 7-step P.R.O.F.I.T.S. System. In a modern day rendition of The Goal, you'll follow the journey of Ralph Hill as he learns how to positively transform any business from loss to profit in 90 days. Along the way he learns that it's more than just business. It's also a journey of personal transformation. Here's just a fraction of what you'll discover: How to create an unfair advantage in your business. What you need to know to separate yourself from your peers. The quickest way to increase profits and efficiency improvements. The step-by-step process of how to approach big change in business. How to run a pilot program as a safe springboard to spectacular success. How focusing on the P.R.O.F.I.T.S. System can have the welcomed side effect of personal transformation to your relationships, health and fitness. Ralph's is a story that you'll relate to - shooting up through the ranks at his company only to have everything unravel in one quick afternoon. Ralph is left with no job, no prospects, and very little hope. In reality, it was the best thing that happened to him. You'll watch as Ralph goes from the lowest point of his life to the highest, guided by his mentor and chronicled in his weekly reflections. Required reading by all: business owners, senior managers and consultants. This book will teach you how to turn around a struggling business and grow faster than ever before.

Normally, you would get a new liver every six weeks. That is how fast a liver can regenerate. But, due to many factors like processed food, drugs, alcohol etc, you lose the beneficial microbes responsible for supplying nutrients for regeneration of liver cells. In liver cirrhosis pathology, the activation of hepatic stellate cells is a pivotal event in fibrosis. This is a well-known fact and many recent research works establish some potent herb's abilities to attenuate the hepatic stellate cell activation. This book offers you a step by step ancient procedure to cure fatty liver and advanced liver diseases with its importance in rejuvenating a healthy gut flora presented on a purely scientific background.

Why is tonight different from all other nights? Tonight we kill dad. In 2022, American Jews face an increasingly unsafe and anti-Semitic landscape at home. Against this backdrop, the Jacobson family gathers for Passover in Los Angeles. But their immediate problems are more personal than political, with the three adult children, Mo, Edith, and Jacob, in various states of crisis, the result, each claims, of a lifetime of mistreatment by their father, Julian. The siblings have begun to suspect that Julian is hastening their mother Roz's demise, and years of resentment boil over as they debate whether to go through with the real reason for their reunion: an ill-considered plot to end their father's iron rule for good. That is, if they can put their bickering, grudges, festering relationships, and distrust of one another aside long enough to act. And God help them if their mother finds out . . . Tell Me How This Ends Well presents a blistering and prescient vision of the near future, turning the exploits of one very funny, very troubled family into a rare and compelling exploration of the state of America, and what it could become.
