The #1 New York Times bestselling author Kelley Armstrong delivers the novel her fans have been clamoring for: Thirteen, the epic finale of the Otherworld series. It ' s been more than ten years, a dozen

installments, and hundreds of thousands of copies since Kelley Armstrong introduced readers to the all-too-real denizens of the Otherworld: witches, werewolves, necromancers, vampires, and half-demons, among others. And it ' s all

been leading to Thirteen, the final installment, the novel that brings all of these stories to a stunning conclusion. A war is brewing—the first battle has been waged and Savannah Levine is left standing, albeit battered and bruised. She

another—both heaven and hell have entered the war; hellhounds, genetically modified werewolves, and all forces of good and evil have joined the fray. Uniting Savannah with Adam, Paige, Lucas, Jaime, Hope, and other lost-but-
