HATHAWAY HOUSE Lance - 12 Welcome to Hathaway House. Rehab Center. Safe Haven. Second chance at life and love. Lance Mayfair sought out Hathaway House at the recommendation of a friend, who told him it was an answer to his prayer. Lance knows more about prayers than answers, but, if he can see progress in one particular area of his life and health, it will be worth the effort and the pain. He ’ ll do anything he can to play music again. It ’ s all he has left now that his days as a Navy SEAL are over and, with them, any chance of a happy, productive life. However, the shoulder injury that ended his career pretty much guarantees he ’ ll never play his beloved instruments ever again. Unless Hathaway House and Jessica can work a miracle. Jessica has worked with many patients at Hathaway House, but she connects with Lance in a way she didn ’ t with any of the others. She can see the need inside him—his desire to create again, to heal through music. And his goal becomes her goal: to see him play music in his soul again. Only his music isn ’ t all he wants or needs, and making him happy goes a long way to making her happy, but it ’ s not enough. Both want and need so much more.

Revealing natural and effective healing techniques and presenting the case stories of seemingly hopeless animal patients, a celebrated vet explains the spiritual potential of animals, how to stock a homeopathic medicine chest, and more. 50,000 first printing. Tour.

Health-care worker Shane has been at Hathaway House since the beginning. He ’ s watched patient after patient scratch and claw their way to recovery and has watched relationship after relationship blossom into love and marriage. He believes in love. Wants a true love of his own. Yet he wonders now whether anyone is out there for him. Until Melissa walks into his gym. Broken and beaten by life and overwhelmed with endless pain was never part of Melissa ’ s long-term plan. But a year after an accident sidelined her navy career, she ’ s still fighting her way back to a normal life—if such a thing exists for the woman she ’ s become. Her transfer to Hathaway House is a lifeline to her oldest friend, but, even with Dani ’ s encouragement, Melissa ’ s journey back to health is long and hard and maybe just a pipe dream. But she ’ ll try again. One more time. Separately, Shane and Melissa have been battling their own personal demons. When they meet at Hathaway House, the tough physiotherapist vows that his newest client will reach successes unimaginable to her. Together, working through her rehab plan, Shane and Melissa find a special tenderness behind each other ’ s strength.

Especially after he meets the pretty nurse in charge of his care ... Fiona Smithers has seen practically everything when it comes to the human body, and Finn's physical problems don't faze her. Emotionally she's wary though. Once before, one of her patients had confused the gratitude he felt for her as love. ... That scenario left Fiona devastated to know her friendliness had been misunderstood. Whether deemed love or friendliness, those emotions directly effected that patient's initial healing and then his setbacks of body as well as of heart and of mind, making her more determined not to run the same risks again. Yet, this time, she may not be able to help herself. She wants Finn in her life on a permanent basis, but, after seeing his obsession with her in his artwork, is that even possible?

Hathaway House: Elliot (Book 5) Welcome to Hathaway House, a heartwarming military romance series from USA TODAY best-selling author Dale Mayer. Here you'll meet a whole new group of friends, along with a few favorite characters from Heroes for Hire. Instead of action, you'll find emotion. Instead of suspense, you'll find healing. Instead of romance, ... oh, wait. ... There is romance—of course! Welcome to Hathaway House. Rehab Center. Safe Haven. Second chance at life and love. Former Navy SEAL Elliot Carver came to Hathaway House to get help with the lingering repercussions of a mission gone bad. His body is dealing with the physical trauma of a spinal cord injury, while his mind is caught in a loop of painful memories that he can't sideline, and both won't let him heal the way he'd like. Former ER Nurse Sicily Lawrence has just made her way out of a difficult relationship, and the quietness of the night shift at Hathaway House gives her peace of mind. The last thing she needs is to get involved in another volatile union. But she has seen injuries like Elliot's before, and she knows that a certain type of therapy can help. One Elliot isn't interested in trying. Now, for Elliot's sake, Sicily must push him toward the progress he needs, even it means losing him. And, with time and luck, maybe they can cross the hurdle and find each other at Hathaway House.

Much beloved broadcaster Jenni Murray recounts her great love affair with Butch the Chihuahua. There was always a dog. If not real, then imagined. As a lonely only child, Jenni Murray longed to have a dog.

Welcome to Hathaway House. Rehab Center. Safe Haven. Second chance at life and love. Keith came to Hathaway House at his sister's insistence. For he has already given up on regaining the future she keeps telling him that he can find here or, for that matter, any other future worth having. And, besides, don't they know he's too weak for the trip and for the treatment and for any of the plans the team has for him? Don't they know he's broken beyond repair, and nothing they can do will fix him? But apparently they don't because no one listens to him. Not the doctors. Not his sister. And definitely not the tiny woman who keeps delivering his coffee at 5:00 a.m. Ilse, head chef for Hathaway House, rarely ventures out of the kitchen she manages. It's easier to deal with the groceries and the staff than it is to see the pain and suffering of those she feeds. But something about Keith and his frailty calls to her. She can't help but go out of her way to ensure he has everything he needs. Even though she knows she cannot keep their relationship on a professional level, once started. Even if not in her best interests to do so. Because, in this case, surely Keith's best interests matter, so much more than her own.
