What We Can Learn from Jesus about Love, Fear, Grief, Joy and Living Authentically

Offering new perspectives for a spiritual approach to work, each of the contributors to this innovative resource is a business leader, teacher, speaker, or writer on the topic of workplace spirituality.

The Celtic Christians beheld the world around them and perceived the divine life of God as upholding every aspect of the material universe. Their prayers and poems, their liturgies and theological interpretations give Christians a sense of faith that is confident in a merciful and infinitely creative, healing God.

The blend of scholarship and artistry of the DVD documentary Journey of Faith (Maxwell Institute, 2006) continues in expanded form in the book Journey of Faith: From Jerusalem to the Promised Land. Containing numerous threads of historical detail and scholarly insight not included in the DVD, this visually stunning look at the Book of Mormon prophet Lehi's trek through the harsh Arabian desert reflects a synergistic collaboration of talented scholars, artists, and photographers seeking to illuminate an epic event in scriptural history and situate it in a real-world setting. Aside from assembling commentary and images from the DVD, this book includes a foreword by the editors, their reflections on the project in two separate chapters, additional commentary by scholars, an appendix on the famed Ince Trail across the Arabian Peninsula, and a bibliography.

Shows us that by becoming aware of what our lesser losses have to teach us, the larger losses become less terrifying. Includes spiritual practices and questions for reflection, weaving in spiritual and classical themes, scripture and personal story.

Transforming Words and Images Into Heart-centered Prayer

By breaking free from our misperceptions about what it means to be an adult, we can reshape our world and become harbingers of grace. “In our desire to grow up, mature, become adults, we become enamored with who we are supposed to be. When we have finally ‘grown up’ we realize much of who we really are has been left behind or buried under various masks and roles we play. But the knowledge of who we truly are never leaves us. To reclaim our selfhood, we must grow up again and consciously embrace all that it means to be childlike.” –from Chapter 12, “It Takes a Long Time to Become Young”
By restoring the childlike ways of humility, trust, awe, wonder, playfulness and more, we can recover a fuller picture of what it means to be human. This unique spiritual resource explores what Jesus may have meant when he said, “Unless you change and become like children, you will never enter the kingdom of heaven.”
It addresses our modern misperceptions regarding the nature of maturity and the common coping mechanisms–distrust, guardedness, insecurity, judgmental thinking–we acquire, and feel we require, in adulthood. Along with the wisdom of ancient and modern spiritual luminaries, this book provides over twenty–five spiritual practices to help us cultivate the childlike ways of attention, self-awareness, joy and resilience in our inner lives as well as in our relationships with others.
This inspiring guide shows you how to cultivate your creative spirit, particularly in the second half of life, as a way to encourage personal growth, enrich your spiritual life and deepen your communion with God.

Presents the first approachable introduction to the wisdom of the Philokalia, the classic text of Eastern Christian spirituality through which seekers and believers of all faiths who are interested in prayer, contemplation, and living a life closer to God can gain great spiritual wisdom. Original.

Quiet your heart and listen for the loving whispers of God through this daily Advent retreat experience. Offers compelling reflections on the season's traditional scripture readings and creative ways to let God's word sink deep into your heart and soul, including journaling with mandalas, audio divina and meditative movement.

The Essential Interreligious Community-Building Handbook

What Christians Can Learn from Buddhists about Suffering

For centuries, Christians of different traditions and seekers from various backgrounds have found strength for their spiritual journey in The Book of Common Prayer (BCP). First composed in 1549 by Thomas Cranmer, Henry VIII's Archbishop of Canterbury, the BCP, alongside Shakespeare's works and the King James Bible, helped shape the English language. Today over seventy-five million Anglican Christians throughout the world use the BCP in public worship, and countless people Anglican and otherwise use it in their private devotional life. In this unique presentation of selections organized by themes such as "Belonging in God's Family," "Blessing in Times of Joy and Pain" and "Learning from Our Past" with facing-page commentary, C. K. Robertson offers fascinating insights into the history and heritage of the BCP. He also makes available the riches of this spiritual treasure chest for all who are interested in deepening their life of prayer, building stronger relationsh

Journey to the Center of the Heart

A Spiritual Treasure Chest-Selections Annotated and Explained

Break open this ancient contemplative practice of listening deeply for God's voice in sacred texts. Drawing on her own experience as a monk in the world, Christine Valters Paintner introduces the foundations for a practice of lectio divina. She closely examines each of the four movements of lectio divina as well as the rhythm they create when practiced as a process.

The restless heart and searching mind of this influential early church father can offer spiritual and intellectual companionship for your spiritual journey. Augustine of Hippo (354 430), theologian, priest, and bishop, is one of the most important figures in the development of Western Christianity. He is known as much for his long interior struggle that ended with conversion and baptism at age thirty-two as for his influential teachings on human will, original sin and the theology of just war. Cherished as a model for the pursuit of a life of spiritual grace and criticized for his theory of predestination, Augustine is recognized as a living expression of the passion to understand and communicate the deeper meanings of human experience. With fresh translations drawn from Augustine's voluminous writings and probing facing-page commentary, Augustinian scholar Joseph T. Kelley, PhD, provides insight into the mind and heart of this foundational Christian figure. Kelley illustrates how Augustine s keen intellect, rhetorical skill and passionate faith reshaped the theological language and dogmatic debates of early Christianity. He explores the stormy religious arguments and political upheavals of the fifth century, Augustine s controversial teachings on predestination, sexuality and marriage, and the deep undercurrents of Augustine s spiritual quest that still inspire Christians today.

Will help you break through the superficial generalities to plumb the depths of religious differences and embrace the commonalities.

A fresh, modern translation of key selections from this timeless text opens up classic Taoist beliefs and practices with insightful commentary that highlights how you can live a more balanced, authentic and joyful life by following Taoist principles.

This book details the healing experience of a Healing Touch and Reiki recipient. David takes you from the pain and stress of an ordinary person to an extraordinary healing. The book presents the visions which began with the very first session. In this story of the Journey, Dave describes his ability to see within himself and the aura's of others. David received the visions in a haphazard and whimsical way. The Journey of the D â€™s sorts out the randomness of the visions and relays the rewards of peacefulness given to him by the Healing Touch and Reiki experiences. Read today David â€™s story of miraculous healing and inner peace.

A fresh and moving portrait of Jesus as a model for how to live more authentic, honest and meaningful lives by fully experiencing our emotions in the love of God. Many depictions of Jesus show him as a character who coolly and calmly floats above the grit and grime of human existence. He doesn't hurt, he doesn't fear, he doesn't laugh, and most tragically, he doesn't love very passionately. He seems not to feel at all. But a closer look at the Bible reveals something surprisingly different. In this eye-opening spiritual study, Peter Wallace examines Jesus's actions rather than just his teachings to uncover a passionate figure who was involved, present, connected, honest and direct with others. He was one who was deeply moved, as the writer of John's gospel put it, one who knew and embodied the emotions he felt and expressed them in honest, clear and life-giving ways. Through Wallace's deeply personal insights and compelling stories and examples, you will be encouraged to model this passionate Jesus by building personal authenticity in every area of your own life, particularly in your self-acceptance and self-expression, your relationships with others and, above all, your relationship with God.

Just One Moment of Close Attention Can Be a Prayer to God "Does God communicate through the natural world? Through the slug on the compost pile, the leaf on the lawn, the stone tumbled on the beach, the air that feeds my lungs, the dreams that fill my nights? How will I know unless I pay attention?" from the Introduction Paying attention is rarely easy to do. It requires focus, patience and a willingness to slow down traits that are hard to come by in this hurry-up world. But close attention to even one small piece of creation, one object, person, routine, image, word or scripture, can become a prayer to God, opening a channel of communication between you and the Divine to allow for deep spiritual growth. In this inspiring guide, you will discover ways to develop a practice of attention as a means of talking and listening to God. Framed on the Christian liturgical year and paired with images of the seasons of the earth, each chapter includes an insightful and poignant narrative which illustrates the surprising richness to be found in every attention-getting moment. Following each narrative is a prayer, suggested scripture readings and a specific exercise you can use to develop your own practice of attention as a means to better connect with God. Accessible, humorous and meaningful, these words and practices will lead you further along your path toward discovering a deeper awareness of yourself and your relationship to all that is around you and within you."

While many saw a confident, six-foot-five Black man, A. D. "Lumkile" Thomason lived most of his life deeply wounded by encounters with violence, abandonment, and family tragedy. Tracing how the art of Jay-Z gave voice to his own longings and how the gospel of Jesus brought him healing, A. D.'s powerful story gives you permission to be Black, to be Christian, and to be the person God has made you to be.
