

AQA Business Studies A2: Student's Book

Oxford English for Academic Purposes offers a specialist course covering listening, speaking and reading in key areas of academic life such as lectures, presentations and textbooks. The course is consistent with levels A2 to C1 of the Common European Frame of Reference for the teaching of foreign languages.

This is a textbook covering AQA Applied Business A2 award and includes chapters on business planning, marketing strategy, promotional activities, the marketing environment, managing people, managing information, managing change, financial accounting for managers and managing resources. Written by experienced examiner Neil James, this Student Guide for Business: - Identifies the key content you need to know with a concise summary of topics examined in the AS and A-level specifications - Enables you to measure your understanding with exam tips and knowledge check questions, with answers at the end of the guide - Helps you to improve your exam technique with sample answers to exam-style questions - Develops your independent learning skills with content you can use for further study and research

Focused revision for your best possible grade These enhanced Student Unit Guides are perfect for revision. They explain the unit requirements, summarise the content and include specimen questions with graded answers. Each full-colour New Edition Student Unit Guide provides ideal preparation for your unit exam: Feel confident you understand the unit: each guide comprehensively covers the unit content and includes topic summaries, knowledge check questions and a reference index Get to grips with the exam requirements: the specific skills on which you will be tested are explored and explained Analyse exam-style questions: graded student responses will help you focus on areas where you can improve your exam technique and performance

Aqa A-Level Business -- Student Business report and essay

A2 Business Studies Aqa - External Influences and Objectives and Strategy

A2 Business Studies, Unit 5W, AQA.

Essential Revision Pocketbook for AQA A2 Business Studies Students

Student Unit Guides are perfect for revision. Each guide is written by an examiner and

explains the unit requirements, summarises the relevant unit content and includes a series of specimen questions and answers. A Content Guidance section combines an overview of the specific unit or module and the key terms and concepts, with an examiner's interpretation so that students understand precisely what they need to understand and learn, the skills required and the potential pitfalls. A Question and Answer section provides graded answers, typically A and C, to questions which have been set to reflect the style of the unit. All responses are accompanied by commentaries which highlight their respective strengths and weaknesses, giving students an insight into the mind of the examiner.

This comprehensive and highly accessible text is essential reading for all AQA AS Business Studies students. - Helps students apply their understanding to real business contexts with a wide range of detailed case studies - Gives guidance on exam technique and sample exam-style questions, together with graded answers - Ensures your students full understanding of terminology with all key terms clearly defined - Provides free online support with case study questions and answers plus commentaries An accompanying Teacher Guide, available for purchase by teachers, offers answers to the practice exercises and exam-style questions as well as providing a range of classroom support materials. Two unit-specific Student Workbooks are also available, providing additional exercises and a set of teacher notes.

A-level Business Studies as it should be. New, updated and engaging content Written by a highly experienced team of examiners and teachers Collins Bized A2 Business Studies contains comprehensive materials to ensure your students excel at the new AQA specification: * Real-life examples and case studies making the theory easy to grasp * Focus on assessment - giving detail on the answers examiners are looking for and support on how to tackle the extended writing questions * Activities to help students develop the skills they need to make use of the information at their fingertips * Accessible, student-friendly language * A 'synoptic skills watch' helps to build on the skills learned at AS Furthermore, the student book is supported by the CollinsBized website where you will find all of the teaching resources you will ever need, updated on a regular basis, including video clips, updated case studies, activities, and masses of sample exam questions, it will save time and ensure that you are using up-to-date materials.

A new series of full-coverage resources developed for the AQA 2016 A/AS Level Geography specification. This full-colour Student Book covers all core and optional units for the AQA AS and A Level Geography specification for first teaching from September 2016. Students are encouraged to develop links between physical and human topics, understand systems, processes, and acquire geographical skills. Helping to bridge the gap from GCSE to A Level, it also provides support for fieldwork skills and for the geographical investigation at A Level. A 'Maths for geographers' feature helps students develop and apply their mathematical and statistical skills, and a range of assessment-style questions support students in developing their exam skills.

New 2017 Cambridge A Level Maths and Further Maths resources to help students with learning and revision. Written for the AQA AS/A Level Further Mathematics specification for first teaching from 2017, this print Student Book covers the Mechanics content for AS and A Level. It balances accessible exposition with a wealth of worked examples, exercises and opportunities to test and consolidate learning, providing a clear and structured pathway for progressing through the course. It is underpinned by a strong pedagogical approach, with an emphasis on skills development and the synoptic nature of the course. Includes answers to aid independent study. This book has entered an AQA approval process.

DT These highly successful revision guides have been brought right up-to-date for the new A Level specifications introduced in September 2000. DT Oxford Revision Guides are highly effective for both individual revision and classroom summary work. The unique visual format makes the key concepts and processes, and the links between them, easier to memorize. DT Students will save valuable revision time by using these notes instead of condensing their own. DT In fact, many students are choosing to buy their own copies so that they can colour code or highlight them as they might do with their own revision notes.
