The only way out of it? Agree to spend seven nights with him. This hot Scot has catastrophe written all over him. But seven nights with Duncan might add up to a week I'll be happy to regret. Bohemia Bells (Book 6 - Millie and Bennett's story - a hot holiday romantic comedy): When my friends draft me to plan their Christmas wedding, I figure a spectacular centerpiece by a world-renowned sand sculptor is just what we need. But no matter how talented Bennett is, he's also a troublemaker. Worse, I can't resist him, even as his merrymaking steers us toward a wedding-day disaster. Bohemia Chills (Book 7 - Kayla and Landon's story - a hot Halloween romantic comedy): I never asked to inherit a historic mansion on the lagoon from the dad I never knew. And I'm too broke to refurbish Bohemia's most famous haunted house. Its mysteries are alluring, and to my dismay, so is my roommate Landon, who steps up to help me unlock its secrets. I can't let him find the key to my trampled heart.

Mystery novelist Sabrina Tate and her cat Hitchcock are headed to a country music show, but there's a killer on the loose who plans to end the evening with a deadly Texas two-step . . . As the summer tourist season draws to a close in Lavender, Texas, Sabrina has invited her brother and nephews for the highly anticipated concert of Colt Jamison, whose hit song "Broken Mirror" is rising to the top of the Nashville charts. But their stay begins on a sour note when one of the boys stumbles upon the dead body of Jamison's former public relations manager—a man who'd long ago burned his bridges in town, leaving no shortage of suspects in the murder. As Sabrina is reluctantly drawn into the investigation, she's confronted with a country singer who may be harboring more than a few dark secrets, an

overzealous fan club president who may be up to her ears in criminal activities, and someone leaving shards of broken mirrors scattered all over town. Just as Sabrina narrows the list of suspects and closes in on the culprit, she realizes that seven years of bad luck may be the least of her worries . . . Includes mouthwatering dessert recipes! Alice First thing you should know about me—I ' m on my honeymoon on Villroy Island without my groom, which was a no-brainer given how my ex-fiancé decided to “ accidentally ” fall in love with my best friend. I don ' t want to talk about it. Second thing: I ' m a romance author on a generously extended deadline, and I ' ve sworn to use this time away productively. So far my editor has hated all of my ideas featuring the crushing of men. Romance is dead within my blackened heart. I ' m about to admit defeat when a prince with an image problem falls into my lap. And for some crazy reason, it ' s decided that me posing as his fiancé e would be a good idea. The last thing I want is to actually be committed to someone, but a fake engagement may make this next book write itself. Lucas I enjoy being the world ' s most eligible royal bachelor (the internet voted and I won), but that ' s not all I am. I want to contribute to the kingdom, be part of the legacy. I should be the CEO of our new business venture, but my oldest brother, Gabriel, the king, blocks me at every turn, convinced I ' m too flighty. So when Gabriel ' s wife, Anna, the unconventional queen, offers me a chance to prove

"A truly profound debut."—Buzzfeed "A time-bending suspense that's contemplative and fresh, evocative and gripping."—USA Today "Henry's story captivates, both as a romance and as an imaginative rethinking of time and space."—Publishers Weekly "This time-traveling, magical, and beautifully written love story definitely deserves a spot on your

bookshelf."—Bustle Emily Henry's stunning debut novel is *Friday Night Lights* meets *The Time Traveler's Wife* and perfectly captures those bittersweet months after high school, when we dream not only of the future, but of all the roads and paths we've left untaken. Natalie's last summer in her small Kentucky hometown is off to a magical start . . . until she starts seeing the "wrong things." They're just momentary glimpses at first—her front door is red instead of its usual green, there ' s a preschool where the garden store should be. But then her whole town disappears for hours, fading away into rolling hills and grazing buffalo, and Nat knows something isn't right. Then there are the visits from the kind but mysterious apparition she calls "Grandmother," who tells her, "You have three months to save him." The next night, under the stadium lights of the high school football field, she meets a beautiful boy named Beau, and it's as if time just stops and nothing exists. Nothing, except Natalie and Beau. This DIY book teaches wall painting techniques for the creative home-dec enthusiast who wants to create colorful graphic and wallpaper-like designs, including lettering, geometrics, marbling, and more.

The New York Times best-selling book exploring the counterproductive reactions white people have when their assumptions about race are challenged, and how these reactions maintain racial inequality. In this “ vital, necessary, and beautiful book ” (Michael Eric Dyson), antiracist educator Robin DiAngelo deftly illuminates the phenomenon of white fragility and “ allows us to understand racism as a practice not restricted to ‘ bad people ’

(Claudia Rankine). Referring to the defensive moves that white people make when challenged racially, white fragility is characterized by emotions such as anger, fear, and guilt, and by behaviors including argumentation and silence. These behaviors, in turn, function to reinstate white racial equilibrium and prevent any meaningful cross-racial dialogue. In this in-depth exploration, DiAngelo examines how white fragility develops, how it protects racial inequality, and what we can do to engage more constructively.

Trish Doller's *The Suite Spot* is a charming romance novel about taking a chance on a new life and a new love. Rachel Beck has hit a brick wall. She's a single mom, still living at home and trying to keep a dying relationship alive. Aside from her daughter, the one bright light in Rachel's life is her job as the night reservations manager at a luxury hotel in Miami Beach—until the night she is fired for something she didn't do. On impulse, Rachel inquires about a management position at a brewery hotel on an island in Lake Erie called Kelleys Island. When she's offered the job, Rachel packs up her daughter and makes the cross country move. What she finds on Kelleys Island is Mason, a handsome, moody man who knows everything about brewing beer and nothing about running a hotel. Especially one that's barely more than foundation and studs. It's not the job Rachel was looking for, but Mason offers her a chance to help build a hotel—and rebuild her own life—from the ground up.
