

Alpha Victorious (Waking The Dragons Book 4)

Adorably naive and shockingly brilliant Harrison Lessardi only needs two things in life: his pet iguana, Steve, and his undying love of science. That is until he witnesses his best friend lay eggs, and a third must-have strolls into his apartment-the sardonic and mischievous Everard Drake. Everard Drake, celebrated doctor of the tremendously wealthy Drake family, has one goal in mind when he arrives at the scene of his youngest brother's latest disaster: incinerate Harrison Lessardi. Unfortunately for Everard, the moment he spots Harry, incineration becomes an impossibility-he must have the gorgeous beta as his own, even if it means holding him captive on his estate. But something else lurks behind Everard's interest in Harry-something that tugs at Everard's soul in impossible ways, and that will send Everard and Harry down a rabbit hole of discovery that will change the world as they know it. An alpha and a beta can't share a bond. Can they? Bond is a 78,000 word steamy mpreg-ish romance that will leave you in stitches. It contains an unexpectedly consensual kidnapping; giant magical lizards; an iguana with a full wardrobe named Steve; never-ending nicknames; and a HEA that may, or may not involve mosquito nets. For maximum enjoyment, Bond is best read following the events of Clutch.

After thousands of years... they're back.When Nathan wakes up in the home of a strange group of dragons after having been held hostage for months by a group of dragon hunters, he's overwhelmed by anxiety... until he hears it. Heartsong. Blinking his eyes, he looks over to see a sexy older alpha dragon kneeling at his bedside. His kind, crinkled green eyes and gray streaked hair set Nathan's heart on fire. Brick is a warrior in his prime, and looking for a mate has never been a top concern--not when his focus has been on protecting the Crown Prince of Novis. But his world completely shifts and instantly refocuses when he meets a sweet young man with bouncy blond curls whose heartsong Brick can't get enough of. From their very first meeting, Brick knows that he'll do anything to keep his mate safe, even if it means putting his life at risk to dismantle the Hunters' Guild and the newly risen Paragons of Purity from the inside out.Let our dragons take you to places you've never been before as they take down the hunters and their villainous leader... But if you don't like to fly, never fear... because the ground troops have rolled on out, and it's going to be a hilariously bumpy ride.Alpha Victorious is the fourth book in the Waking the Dragons series and features legendary hunks, an amazing Mama who will knock your socks off, adorable babies, found family who come in unexpected shapes and sizes, and an HEA that will warm your heart. This 43k book contains mpreg and is 18+ only... did you really expect anything less from Susi Hawke and Piper Scott?

Two separate worlds... One passion that binds them Wild and passionate by nature, Lyra Black is not just any werewolf. She's the future leader of the powerful pack of the Thorn-if she can stay alive long enough to inherit the title. One of the Cait Sith bloodline of vampire cat-shifters, Jaden Harrison has no interest in the wars plaguing the world of night. But when he rescues Lyra from a violent attack, they're both captured by an insatiable desire that threatens to overwhelm them and bind them together for eternity... just as ancient enemies prepare to strike. And when they do, the Thorn and the Cait Sith-and Lyra and Jaden's love-may never recover from the deadly blow...

Uncover a riveting story of palace intrigue set in a sumptuous Asian-inspired fantasy world in the breakout YA novel that Publisher's Weekly calls "relugant and adrenaline-soaked." In this richly developed fantasy, Lei is a member of the Paper caste, the lowest and most persecuted class of people in Ikhara. She lives in a remote village with her father, where the decade-old trauma of watching her mother snatched by royal guards for an unknown fate still haunts her. Now, the guards are back and this time it's Lei they're after -- the girl with the golden eyes whose rumored beauty has piqued the king's interest. Over weeks of training in the opulent but oppressive palace, Lei and eight other girls learns the skills and charm that befit a king's consort. There, she does the unthinkable: she falls in love. Her forbidden romance becomes enmeshed with an explosive plot that threatens her world's entire way of life. Lei, still the wide-eyed country girl at heart, must decide how far she's willing to go for justice and revenge.

After thousands of years, they're back. Proud dragon warrior and healer Sana has a secret... one that may forever turn his friends against him, and one that he'll do anything to keep. He's worked too hard to keep who he truly is from the world, and he refuses to let the charade drop, even after waking up thousands of years in the future. But when Peter walks into his life and wakes his hearts, he knows it's a secret he won't be able to hide much longer. With his muscular body and incredible strength, Sana is decidedly alpha in appearance, but Peter is no omega, and that means... Human lie detector and reformed dragon hunter Peter will stop at nothing to figure out why there's music in his heart whenever Sana is around... and why that music makes him feel like he's known Sana his whole life. Peter's been with other alphas, but the way Sana makes him feel is unlike anything he's experienced before. But as his attraction to Sana builds at breakneck speeds, so too does the danger they face. The Master Guardian is still on the loose, and the hunters are still under his control... and as a former hunter, Peter may be the key to taking them down.Can fated mates still so new in their relationship survive the perils of the Hunters' Guild and rise victorious? Buckle up and let our dragons take you on a ride you'll never forget... straight into the Alpine Compound, and the dangers therein. Alpha Deceived is the third book in the Waking the Dragons series and features men as hot as dragonfire, a life-changing secret, a prehistoric version of a certain laundry pod challenge, and a HEA just as legendary as the dragons in it. This 52k book contains mpreg and is 18+ only... did you really expect anything less from Susi Hawke and Piper Scott?

Read the New Testament from a biblical-theological perspective. Featuring contributions from nine respected evangelical scholars, this volume introduces each New Testament book in the context of the whole canon of Scripture, helping anyone who teaches or studies the Bible to apply it to the church today.

*Who's that serious one--the control freak who doesn't know how to smile and had his entire life planned before he was old enough to drink and certainly not the one who runs around sticking his d*ck into anything with a pulse?I'm Patrick Gilroy.Thoughtful. Considerate. Dependable.Mr. Nice Guy.That's how Carl used to see me.But that was before.Before she moved in and made me a living hell. Made me want things I'd convinced myself I could never have. Things that made me question who I really am.And how far I'm willing to go to get them.Because I never wanted to be just her friend.I've always wanted more.A lot more.Now that she's pushed me over the edge, she's going to find out just how much.Now that I've had her, I'm not going to stop until I take it all.Now I'm going to finish what Carl started.No more Mr. Nice Guy.**Warning** This 90k words romance novel is intended for mature (18+) audiences only! Seasons of Sisterhood provides meditations for daily living inspired by the words of the women of Alpha Kappa Alpha Sorority. Founded in 1908 on the campus of Howard University in Washington, D.C., Alpha Kappa Alpha Sorority is the oldest Greek-lettered organization established by African American college-educated women. Since its founding, the women of Alpha Kappa Alpha Sorority have pursued a mission of service designed to promote unity among women and enhance the social stature of African Americans. The words of these women are powerful and inspiring - especially given the context of the social and political times in which they lived. Moreover, the messages that these women sought to convey have as much meaning and impact for today's reader as they did when they were first shared. Celebrate the history and contributions of the women of Alpha Kappa Alpha Sorority through meditations inspired by their words.

Originally published in 1928, The Secret Teachings of All Ages is Manly P. Hall's celebrated 20th century tome, where readers delight in discussions about ancient symbolism, rituals, and mythology. Manly P. Hall was a Canadian Author of over 150 published works, the best known of which are Initiates of the Flame, The Story of Healing, The Divine Art, Aliens Magic and Sorcery The Secret Teachings of All Ages, and An Encyclopedic Outline of Masonic, Hermetic, Qabbalistic, Rosicrucian Symbolical Philosophy. Symbolism is the language of the Mysteries; in fact it is the language not only of mysticism and philosophy but of all Nature, for every law and power active in universal procedure is manifested to the limited sense perceptions of man through the medium of symbol. Every form existing in the diversified sphere of being is symbolic of the divine activity by which it is produced. By symbols men have ever sought to communicate to each other those thoughts which transcend the limitations of language. This book is often hailed as an encyclopedia for all things hidden, ancient, and arcane, and it explores a vast array of topics, from secret societies and the Zodiac to Mystic Christianity and William Shakespeare's identity. Despite some of the outdated and controversial ideas it poses now in the 21st century, it continues to fascinate students of the cryptic and mysterious.

Ages ago, the gods locked away a dangerous, powerful people... but the seal has been broken. The Blood Legacy Chronicles is an mpreg shifter series like you've never seen before. The adventurous journey begins in book one where the portal that separates our realm from that of Fae is broken. Over the course of the series, the legacy pack is slowly brought together and given the monumental task of fixing the rift and saving our world before the Fae come back to beguile, trick, maim and kill. A beguiling mix of fun, fantasy, friendship and family, this series will take your breath away. This bundle contains all seven books in this best selling series--all books are fully re-edited, freshly formatted, and guaranteed to give a serious case of the feels. Four brand-new, never been seen epilogues are included to show you what happened in the years after the ending. Note: this series is a spinoff from The Northern Pines Den from the same author. Included:Alpha's Dream – Seer Clark and Dreamwalker Kent have always known that they were meant to be mates. From their fumbling first time to seeing their powers unfold, you'll fall in love with this "super duo"... and their trio of superbabies. Omega Found – A halffing omega and his petite Irish alpha fox will charm you and keep you guessing. Omega's Destiny – The twins of the super duo from book one, Peter and Parker have been given a secret affair. Little did they know they were jumping the gun on what fate had in store for them. The "spideymen" are entrusted with a precious artifact when visiting the phoenix that will put a temporary fix on the portal. Alpha's Dom – Efficient Jun is an omega dom who isn't quite sure to do with the large, african alpha that he's been gifted by the fates. As for Tau, his lion patiently adores his feisty, little red panda. Alpha's Charm – This is an mmm. Cody, Ansh and Kontar have to try and stop the evil, unseele prince who has slipped into our realm and has plans of his own to take over the world--with the help of a vampiric monk. Omega's Mark – May/December. Sweet, shy Dimi finds himself fated to mate the sexy Aussie alpha, Ethan. Together, they have to fix the problem that was unleashed in book five to do their part of the epic quest. Alpha's Seal – Hippie omega River and Mark, the quiet wolf from Maine have to figure out how to follow the clue and finally repair the rift in the portal--once they learn to trust each other. These books are all intended for 18+ readers only. They contain adults adulating in naughty, knotty ways and enough potty mouth language to make a sailor blush. Keep an eye out for exhibitionist gargoyles, an adorable phoenix and her faithful brown companion, a powerful goddess, two Fae princes, and a few beloved character appearances from the previous series. This bundle contains the complete series plus bonus epilogues for nearly 200,000 words of fun

When my father passed away, I took over our family business, saved it from the grips of bankruptcy and turned it into a multi-billion-dollar company. All by the age of thirty. After suffering a tragedy, I closed off my heart and myself to everyone. Anger had become my best friend and I'd never let anyone get close to me again. This was my life until a woman named Zoey Benson crossed my path. For the first time in over five years, I felt something. A feeling that I had long buried deep inside me. A feeling I never wanted to experience again. She wanted to be my savior and I sure as hell didn't want to be saved. Twenty six year old Jesse Peterson knows he's not stupid, but nobody else seems to know that. They just see a good looking young man whose smile seems to be the brightest thing about him. So, when the store's newest customer, buying supplies for his kitten, asks Jesse out, he has trouble understanding why. Drew Oliver isn't most people. A high school teacher with a history of bad relationship choices, Drew is patient, loving, and doesn't care that Jesse is different. He just cares about being able to make Jesse smile as often as he can. Everyone seems to have an opinion about the differences between Drew and Jesse, few notice the things they share. Can their relationship survive the scrutiny and judgement passed by everyone around them? And when one of Drew's bad choices shows up, will love be enough to help them survive the aftermath? In this volume of 15 articles, contributors from a wide range of disciplines present their analyses of Disney movies and Disney music, which are mainstays of popular culture. The power of the Disney brand has heightened the need for academics to question whether Disney's films and music function as a tool of the Western elite that shapes the views of those less empowered. Given its global reach, how the Walt Disney Company handles the role of race, gender, and sexuality in social structural inequality merits serious reflection according to a number of the articles in the volume. On the other hand, other authors argue that Disney productions can help individuals cope with difficult situations or embrace progressive thinking. The different approaches to the assessment of Disney films as cultural artifacts also vary according to the theoretical perspectives guiding the interpretation of both overt and latent symbolic meaning in the movies. The authors of the 15 articles encourage readers to engage with the material, showcasing a variety of views about the good, the bad, and the best way forward.

The world is being transformed physically and politically. Technology is the handmaiden of much of this change. But since the current sweep of global change is transforming the face of warfare, Special Operations Forces (SOF) must adapt to these circumstances. Fortunately, adaptation is in the SOF DNA. This book examines the changes affecting SOF and offers possible solutions to the complexities that are challenging many long-held assumptions. The chapters explore what has changed, what stays the same, and what it all means for U.S. SOF. The authors are a mix of leading experts in technology, business, policy, intelligence, and geopolitics, partnered with experienced special operators who either cowrote the chapters or reviewed them to ensure accuracy and relevance for SOF. Our goal is to provide insights into the changes around us and generate ideas about how SOF can adapt and succeed in the emerging operational environment.

The world is being transformed physically and politically. Technology is the handmaiden of much of this change. But since the current sweep of global change is transforming the face of warfare, Special Operations Forces (SOF) must adapt to these circumstances. Fortunately, adaptation is in the SOF DNA. This book examines the changes affecting SOF and offers possible solutions to the complexities that are challenging many long-held assumptions. The chapters explore what has changed, what stays the same, and what it all means for U.S. SOF. The authors are a mix of leading experts in technology, business, policy, intelligence, and geopolitics, partnered with experienced special operators who either cowrote the chapters or reviewed them to ensure accuracy and relevance for SOF. Our goal is to provide insights into the changes around us and generate ideas about how SOF can adapt and succeed in the emerging operational environment.

In this volume of 15 articles, contributors from a wide range of disciplines present their analyses of Disney movies and Disney music, which are mainstays of popular culture. The power of the Disney brand has heightened the need for academics to question whether Disney's films and music function as a tool of the Western elite that shapes the views of those less empowered. Given its global reach, how the Walt Disney Company handles the role of race, gender, and sexuality in social structural inequality merits serious reflection according to a number of the articles in the volume. On the other hand, other authors argue that Disney productions can help individuals cope with difficult situations or embrace progressive thinking. The different approaches to the assessment of Disney films as cultural artifacts also vary according to the theoretical perspectives guiding the interpretation of both overt and latent symbolic meaning in the movies. The authors of the 15 articles encourage readers to engage with the material, showcasing a variety of views about the good, the bad, and the best way forward.
