

Am I Ugly?

I Am Your Friend BUT... is for all the friends out there. Fill in the blanks with as much humor or seriousness as you want. The Good, The Bad, The Ugly!
A memoir about a woman's journey to body positivity. In today's world of supplements, celebrity diets and social media, it's very easy to be hard on ourselves about the way we look. With all this pressure to strive for 'perfection' aesthetically, it is easy to forget how damaging this can be psychologically. Michelle Elman is a leading part of the body positivity movement that has been gathering momentum to liberate people from these unrealistic standards, recognise that all bodies are equally valuable and broaden the billboard definitions of beauty. Am I Ugly? is this inspiring woman's compelling and deeply personal memoir that describes her childhood experiences of life-threatening health problems, long stays in hospital and fifteen complex surgeries that left her scarred, both mentally and physically. The narrative follows Michelle's journey from illness to health, and from childhood to adulthood as she deals with her body-confidence issues to embrace both her scars and her body and help others to do the same. This remarkable book grapples with the wider implications of Michelle's experiences and the complex interplay between beauty and illness.

A Beautiful gift for Christmas, Mother's Day, Birthdays or anytime! Or why not ? a special notebook just for you, because ... You Deserve it, take our experience and knock knock knock, open your Door its Us :)

In my mind I have always been ugly. Even when I look back at old childhood photos and realize that I was kind of cute at times, I never felt that way. Somehow it was branded on my soul that everyone else was prettier than me, and thereby, I somehow concluded, inherently superior. I don't know why I felt that way - only that I did. It didn't help that those anguishing suspicions about my hideousness found justification in the form of my personal tormentors. In other words, there has been a long string of people in my life that have reinforced my self-perceived disgustingness. On the other hand, despite their efforts in reminding me of my inherent inferiority, my repulsiveness was already and inexplicably a permanent part of my core essence. In other words, while it may have made them feel better over the years to remind me of their innate superiority, they were wasting their time - I already knew it. The question to me was never why people were born superior, it was how could I level life's playing field? Those feelings of worth most people are apparently born with have always been foreign to me. I am ironically likewise cursed, however, with the desire to be perceived as at least adequate in the "looks" department - particularly in regards to females. I always yearned to be a part of the social dynamic, despite my limitations, and eventually concluded that some level of high achievement - by any means - could blind people to my hideousness. Throughout my life, though suffering from temporary bouts of self-pity inherent to those born with my "looks", I eventually came to embrace the bizarre way my insecurities manifested into the strange, unique path my life has taken. My feelings of worthlessness, ironically, have provided the means for my life having purpose and value. I now embrace the quirky, if not downright weird, path my life took. Only in retrospect, and reflection, am I now aware of how my self-perceived repulsiveness transformed my journey from average and boring to at least different. My life has become the stuff of legends - legendarily lame that is - in the minds of most anyway. For those of you who see "lam-o" in my actions, I offer you redemption. In exchange for you reading about me, I gift you the personally redemptive power of joyful exuberance in knowing that you didn't live my life! In somewhat chronological order, after first describing the seminal events leading to this book, the memories forming the mangled mosaic of my deranged thoughts and deeds will be recounted. From the perspective of a mind operating amidst a thick cloud of profound insecurity and pathos, I offer you the re-telling of a life inspired by the power of "ugly".

Why I Am a Nudist

The Ugly House on the Street

When she fails to lay her own eggs, Posy the puffin finds and takes care of a large ugly egg hidden on the ice, but she gets more than she bargained for when it hatches.

A funny, moving, and true story of an ordinary boy with an extraordinary face that's perfect for fans of Wonder—now available in the U.S. When Robert Hoge was born, he had a tumor the size of a tennis ball in the middle of his face and short, twisted legs. Surgeons removed the tumor and made him a new nose from one of his toes. Amazingly, he survived—with a face that would never be the same. Strangers stared at him. Kids called him names, and adults could be cruel, too. Everybody seemed to agree that he was “ugly.” But Robert refused to let his face define him. He played pranks, got into trouble, had adventures with his big family, and finally found a sport that was perfect for him to play. And Robert came face to face with the biggest decision of his life, he followed his heart. This poignant memoir about overcoming bullying and thriving with disabilities shows that what makes us “ugly” also makes us who we are. It features a reflective foil cover and black-and-white illustrations throughout.

How an Ugly Duckling Became an Accomplished Beauty

You So Pretty: The Good, the Bad and the Ugly!

Supplemental Nights to the Book of the Thousand Nights and a Night

Am I Ugly

Big Mouth No I did not. I did not, I did not. I did not say those things, and I did not plan those things. Won't It anyone believe me? Ugly Girl All right, Ugly Girl made a mistake. I'd told my mom what I'd heard in the cafeteria, and she'd told Dad. Evidently. I'd thought for sure they would want me to speak up for the truth.

"What's on the surface is not what's underneath." Honne Tatemae (田村穂花) Japan presents its best face to the outside world at all times. And while the nation is full to the brim with honorable and lovely men and women, the soul of Japan, if it were ever truly laid bare, would make a lot of people blush. Chizawa Bay: As Ugly As I Am is a slice-of-life literary novel based on the lives of a rural fishing village in Central Japan. The story centers on Sensei, a Tokyo-educated scholar and pearl farm owner, and his friendship with Makoto, the de facto leader of a group of jobless and homeless ne'er-do-wells. Sensei is the town's most beloved citizen, a man for whom any one of Chizawa's fishermen and farmers would lay down their lives. His birthday is coming up and Makoto and friends fear for his safety. He'll be turning forty-two, a bad age to be in Japan for it is a designated age of yakudoshi ("a year of evil"). Makoto and company go to great lengths to help Sensei avoid the curses of yakudoshi and though they are well intentioned they do him far more harm than good. Chizawa Bay is a humorous, thought-provoking novel. It is a playful glimpse inside the minds and hearts of the Japanese, a story written to lift the veil on an often misunderstood and misinterpreted culture. It is a story that will expose readers to a different way of thinking about and appreciating beauty.

This book that is for all the mother's out there that love their children, BUT... You fill in the blanks. The Good, The Bad, The Ugly.

This book is an example of applying the proven principles of Therapeutic writing found on www.therapeutic-writing.co.uk. Everyone can write, especially their own story. Have you thought about writing your story? Do you have memories from your past that keep influencing your present? You don't need to be a prolific writer or even a writer at all, to benefit from writing therapy. The past if not dealt with clearly can have negative influence on the present and the future. Not all of us have access to or can afford professional counsellors to have one to one sessions about what happened in the past that wound us. Through therapeutic reflective writing, we can begin to invite a deeper truth to surface. All you need is a piece of paper, a pen, and the motivation to write. Choose the format you wish to write: • An expressive reflective biography • A poem • A letter to specific individuals If you feel still stuck in your past to some degree, and find influences from your past constantly affecting your present decisions and choices in life, why not try therapeutic writing about it. You do not have to publish your story. You can choose anonymity, and I will guarantee you absolute confidentiality over a secure online portal. Together we will explore the lessons and outcomes around your story, cry together, pray and laugh together. All on a secure safe, online platform with no deadlines to publish. Therapeutic writing is a tool that can help you make sense of the past, explore current experiences, and make plans to experience life through a healthier perspective. This book is the second of my application of therapeutic writing. Sandcastles: Hiding ugly scars explores the mindset during a brief but painful broken marriage and bad choices. It also explores how my childhood influenced on decision-making and the consequences. This follows Sandcastles: Revealing Beautiful Scars which dealt with how I processed being involved in an accident, having eight repeated surgeries, physical visible wounds, pain, and eventually being healed. Therapeutic writing is not about writing pretty sentences that are grammatically correct. There is value in writing to gain a stronger, clearer, and healthier understanding of one's self and experiences. Through writing, one can observe cause and effect and understand patterns that might be holding you back. Why not try using therapeutic writing to ask yourself the right tough questions? Get in touch and let's begin your journey of writing to find healing and restoration. Email: therapeuticwritinginfo@gmail.com Website WWW.therapeutic-writing.co.uk

What Would Be Ugly in a Garden Constitutes Beauty in a Mountain. -Victor Hugo

Composition Notebook

Stop staying up at night worrying about if you can make your idea work, and GET UP and get working on your idea! Having a good idea is one of the best feelings in the world; when that lightbulb goes off you can't wait to tell the world. You start to scribble, plot and plan and then boom... The fear sets in. "It won't be perfect." "I don't know how to do that." "Will anyone really want it?" "Wait. Is it even a good idea?" The Beauty Of An Ugly Start was an idea I had at the end of December 2014 and I let a lot of different reasons come between me and this great idea. "What should the cover design look like?" "Is the subtitle too long?" "Why does the word 'product' look weird?" (I changed out idea for product two days ago.) This Book Is How You Go From Ugly Start To Beautiful Finish TODAY Diamonds start as coal, flowers start as dirt and manure; some of the things we treasure in this life don't start the way they end; few things do. However, they must start to get to the point of completion no matter how ugly, messy or moist the result of that start is. Your idea needs a growth process. You can't pick it up at the jeweler or the florist, you are going to have to do the work. That means an ugly start. And it also means a beautiful finish. This book gets you to a quicker start which means a quicker finish. Now it may not be a beautiful one today, but it will be a lot closer than the one you would have if you don't start.

The Ugly Guide to Things that Go and Things that Should Go But Don't

Chizawa Bay

A Novel

Theo's Secret

Eric is an ex-con, bareknuckle boxer better known around his Chicago neighborhood as "Ugly." He wants to shed his past, build a life with his family, but his past won't be so easily left behind. His junkie brother Joe has stolen \$100K from a powerful drug dealer—and Ugly's on the hook unless he hands Joe over. Which is gonna be hard considering he has no idea where Joe is. Ugly and his "business partner" Nicky hit the streets to find him, each step taking Eric back into the violent life he's desperate to leave behind. Ugly's done with it all. He's pissed, sad, and exhausted, but he's gotta keep moving if he wants any chance of Joe—and himself—getting out alive. Praise for STAY UGLY: "Daniel Vlasaty's Stay Ugly is a vivid, visceral and bone-crunching tale of loyalty, loss and redemption." —Paul D. Brazill, author of Last Year's Man and Man of the World "Stay Ugly is raw and nasty in all the right places. Punch-drunk bareknuckle hardman Ugly is our tour guide across nocturnal Chicago, and his quest to find his junkie brother is a bone-shattering, bullet-strewn treat. This book fights hard and it fights dirty, and Daniel Vlasaty has crafted a brutally entertaining dog-eat-dog thriller. Savage, visceral stuff." —Tom Leins, author of Repetition Kills You and The Good Book "Daniel Vlasaty has a unique and recognisable voice in crime fiction. His dialogue crackles, and his violence hurts. He creates a vivid world that you'll find yourself fully immersed in as Ugly—sorry, Eric—chases his junkie brother through a busy night in Rogers Park, accompanied by his friend Nicky. It's a tale of loyalty, familial binds, and asks whether one man can outrun his checkered past, especially when everyone around him is desperate to drag him back into it." —Paul Heatley, author of Guillotine and Fatboy "In Stay Ugly, Daniel Vlasaty continually pushes the story forward, compelling the reader to turn the page. This book is so good, so beautifully written, and so horrible in its consequences, that Vlasaty succeeds in ways few writers would even attempt. I would say this novel is darkly evocative, but what in Hell does it evoke? The earlier works of Vlasaty is my only answer. And that is a darkness I would encourage any reader of dark fiction to step into." —Rob Pierce, author of Tommy Shakes, Uncle Dust, and With the Right Enemies "Vlasaty's latest gutter pulp gem has the propulsion of a meth head driving a race car that's on fire. Simultaneously over-the-top and romantically mundane, equal parts Frank Bill and Sam Pink." —Kelby Losack, author of Heathenish and The Way We Came In "I'm a sucker for a good man-just-out-of-prison meets junkie-on-the-run yarn like the rest of ya. But what makes Daniel Vlasaty's Stay Ugly pack such a potent punch is its heart. And this isn't 'heart of champion' or 'tenderhearted,' or even 'at his heart he's a good guy' sentiment. Eric (AKA Ugly) isn't a good guy. He doesn't have some sacred street code he's ready to die for. Frankly he isn't going anywhere but six feet under. Just a question of when. That he knows someday he'll go down and not get up again doesn't faze him. All that matters is that until that day, he'll take his punches and get back up and keep doing the best he can in a fight we all lose in the end. And that, my friends, is the stuff of poetry and legends." —Joe Clifford, author of Junkie Love and the Jay Porter Thriller Series "A brutal, unfiltered telegram direct from the underground, burning with a voice and vitality that is wholly Vlasaty." —Tom Pitts, author of Hustle and Coldwater

First of all, let me start by saying hello! My name is Shelby Maltalari. I know, its a weird last name. Just for your information (before you get to know me), Im not as weird as you might think I am. But I am uncool, unpopular, and very insecure because Im ugly. Why? Because Im fat, I have braces, and for some reason, I find my face a nightmare come true. Lets just say Ive always been like that. My mom always says, Im too young to be going through this. But so what if Im sixteen? That has nothing to do with anything.

If ten girls were asked to describe the "perfect" girl, they would likely rattle off an eerily similar list of qualities--from hair, skin, and weight to a cute button nose. That's a problem, because God has given girls a desire to be desirable. If girls think that they will be most wanted if they fit a one-size-fits-all image of "perfection," they will continually chase that proverbial carrot their entire lives. Backwards Beauty examines ten cultural lies young women listen to regarding beauty to help them unpack how they're looking at themselves through the wrong lens. The "tips to feel ugly" range from "compare yourself to every other girl" to "eat junk and diet, diet, diet." Reading a book by Jessie Minassian is like sitting down with a friend and talking about the hard things in life. Girls will be able to find freedom and hope in the midst of a culture that idolizes beauty.

God You're Ugly

Let's talk about the Ugly House? Was the Ugly House a haunted house? Do nice people live in ugly homes? Was the little old lady nice or mean? Were the children afraid of her? Did the little old lady think she had to clean up her house before the children would come in? Was the old lady happy once she cleaned up her house? Could you be friends with her when she looked bad and lived in an ugly house? Does her appearance and the condition of her house matter? Could you have a fun time with the old lady in her clean house? Would you like to be friends with her

The female medical examiner of the 21st century had provoked a handsome man as soon as she teleported. Not only did he jump into a murder mystery, but he was also ugly enough to shock the world and make the gods cry. His birth father didn't like it, his sisters were hypocritical, and the crown prince ruined the marriage! What could he do? Of course it was to go back to the old ways and live on! This infuriated him to death. He tore apart the white lotuses with his hands, kicked out the dregs with his feet, broke through all the mysteries, and from then on, ascended to the peak of his life. Hey, what's going on with that devilish man? He despised her figure! They despised her for being ugly! But it would always come! She angrily roared at him, "Scram! I don't need a man in my world!"

i am ugly bird for notebook

Three months after the assassination of John F. Kennedy, two prizefighters named Charles "Sonny" Liston and Cassius Marcellus Clay Jr. stepped into a boxing ring in Miami to dispute the heavyweight championship of the world. Liston was a mob fighter with a criminal past, and rumors were spreading that Clay was not just a noisy, bright-eyed boy blessed with more than his share of the craziness of youth, but a believer in a shadowy cult: the Nation of Islam. Neither could be a hero in the eyes of the media. Against this backdrop of political instability, of a country at war with itself, in a time when ordinary African-American people were maimed and killed for the smallest acts of defiance, Liston and Clay sought out their own individual destinies. Liston and Ali follows the contrasting paths these two men took, from their backgrounds in Arkansas and Kentucky through to that sixteen-month period in 1964 and 1965 when the story of the world heavyweight championship centered on them and all they stood for. Both Ali and Liston's tracks are followed as their paths diverge: Ali going on to greatness with his epic fights and Liston catapulted back into oblivion until his mysterious death in 1970. Using original source material, it explores a riveting chapter in sports history with fresh insight and striking detail. Liston and Ali is a valuable addition to the literature about these world icons and their opponents.

Sandcastle

The Beauty of an Ugly Start

Volume 4

'A practical guide that will reclaim your time, energy and self-belief' —Stylist '[A] smart guide to setting boundaries...While the wise counsel will be tough love for some, those willing to put in the work will get much out of this.'—Publishers Weekly Do you frequently say 'yes' to people and events to keep those around you happy? Do you often find yourself emotionally exhausted and physically drained? Do people describe you as a pushover or 'too nice'? It's time to discover the joy of being selfish and reclaim your life through the art of boundaries! Life coach and influencer @scarrednotscared Michelle Elman is here to teach you the practical side of self-love. Creating and upholding strong boundaries will teach others how to treat you, rid your life of drama and toxic relationships and allow you to love yourself and others in the best way you can.

From Colleen Hoover, the #1 New York Times bestselling author of It Ends With Us, a heart-wrenching love story that proves attraction at first sight can be messy. When Tate Collins meets airline pilot Miles Archer, she doesn't think it's love at first sight. They wouldn't even go so far as to consider themselves friends. The only thing Tate and Miles have in common is an undeniable mutual attraction. Once their desires are out in the open, they realize they have the perfect set-up. He doesn't want love, she doesn't have time for love, so that just leaves the sex. Their arrangement could be surprisingly seamless, as long as Tate can stick to the only two rules Miles has for her. Never ask about the past. Don't expect a future. They think they can handle it, but realize almost immediately they can't handle it at all. Hearts get infiltrated. Promises get broken. Rules get shattered. Love gets ugly.

For years I listened to the lies and as a result, it caused some issues, because of the confusion I experienced. However, I soon realized that a man doesn't make me "pretty." I was born beautiful, and so were you! I looked at myself and all of my life situations, the good, the bad and the ugly, then I came to the realization, I am cute, I am valuable, I am worthy and I can boldly say, I am beautiful. "YOU SO PRETTY" is a real-life story and will encourage all readers. Regardless of what you've been through, you are still amazing and blessed! Do not let anyone rob you of that or your natural beauty, you are so pretty!

After eleven weeks of bombing in the spring of 1999, the United States and NATO ultimately won the war in Kosovo. Serbian troops were forced to

withdraw, enabling an international military and political presence to take charge in the region. But was this war inevitable or was it the product of failed western diplomacy prior to the conflict? And once it became necessary to use force, did NATO adopt a sound strategy to achieve its aims of stabilizing Kosovo? In this first in-depth study of the Kosovo crisis, Ivo Daalder and Michael O'Hanlon answer these and other questions about the causes, conduct, and consequences of the war. Based on interviews with many of the key participants, they conclude that notwithstanding important diplomatic mistakes before the conflict, it would have been difficult to avoid the Kosovo war. That being the case, U.S. and NATO conduct of the war left much to be desired. For more than four weeks, the Serbs succeeded where NATO failed, forcefully changing Kosovo's ethnic balance by forcing 1.5 million Albanians from their home and more than 800,000 from the country. Had they chosen to massacre more of their victims, NATO would have been powerless to stop them. In the end, NATO won the war by increasing the scope and intensity of bombing, making serious plans for a ground invasion, and moving diplomacy into full gear in order to convince Belgrade that this was a war Serbia would never win. The Kosovo crisis is a cautionary tale for those who believe force can be used easily and in limited increments to stop genocide, mass killing, and the forceful expulsion of entire populations. Daalder and O'Hanlon conclude that the crisis holds important diplomatic and military lessons that must be learned so that others in the future might avoid the mistakes that were made in this case.

How to Feel Ugly in 10 Simple Steps

Stay Ugly

My name is "El Feo" which in Spanish means, "The Ugly One." But I am beautiful, inside and out. I am a Northern Cardinal and despite being bald with a few sporadic feathers sticking up in different places on my head and a malocclusion beak, I am irresistible to almost everyone I meet. When I was a baby, I flew into Mr. Jim's backyard and eventually his heart, too. Over the years Mr. Jim has documented my life in pictures and kept a close eye on me. He spoils me rotten with my favorite food, Safflower seeds. This is my story. It is one of a special friendship, the overcoming of incredible odds for survival and a lesson in self-acceptance. Interesting facts and knowledge about Northern Cardinals are sprinkled throughout the book Educational questions, topics of discussion and activities are available in the back of the book for classroom teaching. Whoever said, "Bald isn't beautiful," never met me! Tink! Tink! Tink! Proceeds are donated to: The Wild Bird Fund in New York, NY

It's not easy being the ugly stepsister. Not even when the daughter of your dead stepfather, Syndie, is worked to the bone and you're "lucky." Because I, Ellia, am anything but. Mother hounds me constantly to lose weight. Look nice. Impress the men. And now, I am to woo Prince Calvin, who is holding a ball to find a new bride. And Mother won't listen when I warn her that beautiful and demure Syndie has magic and is plotting our deaths. And once married, Prince Calvin will become a tyrant. To save myself and the kingdom, I must join with a handsome, defecting guard, Jasper. Even if he'll find me ugly. Even if he has secrets of his own. Because the only way to eliminate Calvin is get him and Syndie together before the stroke of midnight. That's when a cursed slipper will reveal their true natures before the kingdom. They deserve each other. But do I deserve Jasper, and will the truth doom me or set me free? Ugly is the second book of the Reverse Fairytale Series. However each book of the series can be read alone. Ugly was previously published in the Kingdom of Glass and Ashes multi author boxset.

Charise Marie invites you into another very personal space in her life. Growing up as a plus size brown-skinned female, you adapt to the way people see you. In "I am UGLY" she speaks of the negative things people say to you that make you feel ugly. Charise Marie takes you on a short journey on how a young girl grows into womanhood believing what everyone says. Are the things people say about you true? Does how someone see you define the real you? This is My Experience, My Story, My Truth.

A one-man dog Part wolf and fiercely independent, Jim Ugly is a dog who answers to only one person. Unfortunately, that man -- Sam Bannock -- has disappeared. Rumor has it that Sam is dead, but to his son, Jake, something about that doesn't sound quite right. So Jake and Jim Ugly embark on a wild journey into the frontier West, where they find themselves pursued by a pretty lady, a theater troupe, and one very ornery yellow-legged man. And they all want to know one thing: Where is Sam Bannock?

St. Nicholas

NATO's War to Save Kosovo

Perfect for the changing seasons, this wacky twist on The Ugly Duckling is a great read for Halloween and Thanksgiving. The Ugly Pumpkin has waited all through October for someone to take him home, but no one wants him. He doesn't look like other pumpkins. So the lonely Ugly Pumpkin leaves the patch in search of a place where he'll fit in. By the time Thanksgiving arrives, he discovers the truth about who he is--but it's not what he expected!

In order to save his brothers who had tragically died, Bao Ye did not hesitate to go against the heavens and change his fate, teleporting back into the past. Unexpectedly, the wrong time, back to thirty years ago, before he was born. Not only was he ugly, he was actually a lowly, shameless, vulgar, despicable, scum who betrayed his family and friends. Furthermore, he was also a lowly slave. Logically speaking, such a person shouldn't attract too much attention. Who knew that a powerful man would appear out of nowhere, take

*responsibility for his actions, aim for seeing him make a fool of himself, and even aim for making him happy?The worst case scenario was that the man actually did it to his head, forcing himself to do it.Bao Ye hurriedly touched his still ugly face and said in shock, "What the hell, to think that he would look so soul-stirring in this fellow's eyes. Isn't this way too f * cking heavy?!"*

After being teased about her hair color, little Jun-Li suddenly feels as if she is ugly.

*THE UGLY DUCKLING. under broke does keep only turkey warm ugly water A duck made her nest under some leaves. [Illustration: THE DUCK'S NEST.] She sat on the eggs to keep them warm. At last the eggs broke, one after the other. Little ducks came out. Only one egg was left. It was a very large one. At last it broke, and out came a big, ugly duckling. "What a big duckling!" said the old duck. "He does not look like us. Can he be a turkey?-We will see. If he does not like the water, he is not a duck." * * * * * mother jumped duckling splash swim bigger called began little The next day the mother duck took her ducklings to the pond. [Illustration: THE DUCK TAKES HER DUCKLINGS TO SWIM.] Splash! Splash! The mother duck was in the water. Then she called the ducklings to come in. They all jumped in and began to swim. The big, ugly duckling swam, too. The mother duck said, "He is not a turkey. He is my own little duck.He will not be so ugly when he is bigger." * * * * * yard alone while noise hurt that eating know want Then she said to the ducklings, "Come with me. I want you to see the other ducks. Stay by me and look out for the cat." They all went into the duck yard. What a noise the ducks made! While the mother duck was eating a big bug, an old duck bit the ugly duckling. "Let him alone," said the mother duck. "He did not hurt you." [Illustration: "HE DID NOT HURT YOU," SAID THE MOTHER DUCK.] "I know that," said the duck, "but he is so ugly, I bit him." * * * * * lovely help there walked bushes afraid The next duck they met, said, "You have lovely ducklings. They are all pretty but one. He is very ugly." [Illustration: "YOUR CHILDREN ARE ALL PRETTY EXCEPT ONE."] The mother duck said, "I know he is not pretty. But he is very good." Then she said to the ducklings, "Now, my dears, have a good time." But the poor, big, ugly duckling did not have a good time. The hens all bit him. The big ducks walked on him. The poor duckling was very sad. He did not want to be so ugly. But he could not help it. He ran to hide under some bushes. The little birds in the bushes were afraid and flew away. * * * * * because house would away hard lived "It is all because I am so ugly," said the duckling. So he ran away. At night he came to an old house. The house looked as if it would fall down. It was so old. But the wind blew so hard that the duckling went into the house. [Illustration: THE UGLY DUCKLING FINDS THE OLD HOUSE.] An old woman lived there with her cat and her hen. The old woman said, "I will keep the duck. I will have some eggs." * * * * * growl walk corner animals The next day, the cat saw the duckling and began to growl. The hen said, "Can you lay eggs?" The duckling said, "No." "Then keep still," said the hen. The cat said, "Can you growl?" [Illustration: THE CAT SAID, "CAN YOU GROWL?"] "No," said the duckling. "Then keep still," said the cat. And the duckling hid in a corner. The next day he went for a walk. He saw a big pond. He said, "I will have a good swim." But all of the animals made fun of him....*

Big Mouth & Ugly Girl

Ugly Dolls Ox I M with Ugly

Theo is ugly. The girls whispered voice returned in the darkness, and sang the chant, Theo is ugly. Theo is ugly. Theo Martins sister waited for his reaction from the backseat of the family car. Eight-year-old Theo turned away. He looked at his faint reflection in the car window. Am I ugly? he wondered. Suddenly, there was a truck. There was a scream, an impact, bending metal, shattered glass, a tree, and blood. Moments after the crash, Theo found himself caught between two worlds. It was clear to him he was not heaven-bound with his family, but instead, returning as the sole survivor. However, when he returned, he brought a secret back with him. And like a hand in a poker game he would sometimes play, it was best for him to keep his secret from others, especially when he witnessed their cruelty and their capacity for destruction. But Theo of all people should have known not to be fooled by appearances. Everyone has secrets. There was even a secret in the mud of a local pond that if discovered, would unravel many other surprises. So, when a drought ravages the landscape of the northeast town of Copper Valley, it means the best chance for that secret to be revealed. Receding water alone will not be enough. It will remain at the bottom of a murky pond unless Theo Martin, Copper Valleys angriest recluse, forgives old sins. A soaking rain is coming from the west. Theo cant wait forever.
