Second edition of Gloria Anzaldua's major work, with a new critical introduction by Chicano Studies scholar and new reflections by Anzaldua.

A firsthand account of the lives of captive killer whales by one of SeaWorld's most experienced orca trainers and the star of Blackfish argues that their needs are not met in captivity and traces advocacy efforts comparing the lives of free and captive orcas.

Wulf Tryggvasen è un antico guerriero vichingo che possiede un vantaggioso, ma estremamente irritante, potere amnesico. A causa di questa sua singolarità, nessuno tra quelli che lo incontrano può ricordarsi di lui dopo soli cinque minuti. E questo, se da un lato gli facilita i piacevoli incontri notturni, dall'altro gli rende quasi impossibile costruire una relazione duratura; e senza un vero amore, come ogni Cacciatore oscuro sa bene, non potrà mai rientrare in possesso della sua anima. Una sera, mentre si trova per caso in un club, Wulf si vede costretto a intervenire per salvare dai demoni un'affascinante sconosciuta. Ma il fato non promette nulla di buono. Quando finalmente riesce a conoscere meglio Cassandra Peters, l'unica donna che può ricordarsi di lui, scopre che lei è una principessa Apollite, la razza maledetta a cui Wulf ha giurato di dare la caccia. A ritmo accelerato, i due dovranno affrontare antiche maledizioni, profezie, e l'ingerenza diretta degli dèi greci per trovare, se tutto andrà per il meglio, la vera felicità tanto sognata. Il quinto volume del ciclo dei Dark Hunters, la serie che ha consacrato Sherrilyn Kenyon come un fenomeno internazionale da 10 milioni di copie vendute.

Memoir/Autobiography **By the time he was thirteen, he already had attended thirteen funerals. Abandoned by his mother, and with his father, "Mangy" Menginie—president of the Pagans Motorcycle Club, Philadelphia chapter—in jail, Anthony "LT" Menginie is raised inside the Pagans and inducted into a life of sex, violence, drugs, and organized crime. In Mangy's absence, LT finds a father figure in the Saint, a club member who helps teach him the difference between the club members you respect...and those you fear. The author recounts the power struggles that occur when Mangy is released from jail and tries to resume his role as father and president. Soon all hell breaks loose when Mangy betrays the club by going over to the rival Hells Angels, helping to touch off the "Biker Wars" in Philadelphia. The chapter's new president grooms LT to one day confront his father for his treachery. Faced with an impossible decision, LT has to decide where his loyalties lie. Prodigal Father, Pagan Son is a voyeuristic glimpse into the shocking and hypnotic underworld of notorious "one-percenter" biker clubs, hit men, drug dealers, and the other individuals who operate under no other rules than the "club code." But more than this, Menginie's story is the gritty and powerful true tale of surviving amid personal trials and tragedies, and of one man's determination to escape to a better life.**

Cuba's cultural influence throughout the Western Hemisphere, and especially in the United States, has been disproportionately large for so small a country. This landmark volume is the first comprehensive overview of poetry written over the past sixty years. Presented in a beautiful Spanish-English en face edition, The Whole Island makes available the astonishing achievement of a wide range of Cuban poets, including such well-known figures as Nicolás Guillén, José Lezama Lima, and Nancy Morejón, but also poets widely read in Spanish who remain almost unknown to the English-speaking world—among them Fina García Marruz, José Kozer, Raúl Hernández Novás, and Ángel Escobar—and poets born since the Revolution, like Rogelio Saunders, Omar Pérez, Alessandra Molina, and Javier Marimón. The translations, almost all of them new, convey the intensity and beauty of the accompanying Spanish originals. With their work deeply rooted in Cuban culture, many of these poets—both on and off the island—have been at the center of the political and social changes of this tempestuous period. The poems offered here constitute an essential source for understanding the literature and culture of Cuba, its diaspora, and the Caribbean at large, and provide an unparalleled perspective on what it means to be Cuban.

In this groundbreaking health and lifestyle guide, Darin Olien—superfoods expert, nutritionist, creator of Shakeology, and co-host of the Netflix docuseries Down to Earth with Zac Efron—provides the key to understanding and utilizing five life forces, the sole factors that determine whether or not we will be healthy, fit, and free of illness. In Superlife, Darin Olien provides us with an entirely new way of thinking about health and wellbeing by identifying what he calls the life forces: Quality Nutrition, Hydration, Detoxification, Oxygenation, and Alkalization. Olien demonstrates in great detail how to maintain these processes, thereby allowing our bodies to do the rest. He tells us how we can maintain healthy weight, prevent even the most serious of diseases, and feel great. He explains that all of this is possible without any of the restrictive or gimmicky diet plans that never work in the long term. Olien has traveled the world, exploring the health properties of foods that have sustained indigenous cultures for centuries. Putting his research into practice, he has created a unique and proven formula for maximizing our bodies' potential. He also includes a "How-to-eat" user's guide with a shopping list, advice on "what to throw away," a guide to creating a healthy, balanced diet plan, and advice on how to use supplements effectively. Written in Olien's engaging conversational style, Superlife is a one-of-a-kind comprehensive look at dieting and nutrition, a timeless and essential guide to maintaining the human body and maximizing its potential.

A riveting cautionary tale about the ecstasy and dangers of loving Marvin Gaye, a performer passionately pursued by all—and a searing memoir of drugs, sex, and old school R&B from the wife of legendary soul icon Marvin Gaye. After her seventeenth birthday in 1973, Janis Hunter met Marvin Gaye—the soulful prince of Motown with the seductive liquid voice whose chart-topping, socially conscious album What's Going On made him a superstar two years earlier. Despite a seventeen-year-age difference and Marvin's marriage to the sister of Berry Gordy, Motown's founder, the enchanted teenager and the emotionally volatile singer began a scorching relationship. One moment Jan was a high school student; the next she was accompanying Marvin to parties, navigating the intriguing world of 1970s-'80s celebrity; hanging with Don Cornelius on the set of Soul Train, and helping to discover new talent like Frankie Beverly. But the burdens of fame, the chaos of dysfunctional families, and the irresistible temptations of drugs complicated their love. Primarily silent since Marvin's tragic death in 1984, Jan at last opens up, sharing the moving, fervently charged story of one of music history's most fabled marriages. Unsparring in its honesty and insight, illustrated with sixteen pages of black-and-white photos, After the Dance

reveals what it's like to be in love with a creative genius who transformed popular culture and whose artistry continues to be celebrated today.

In this 4th and final volume of a series that includes more than 800 composers and over 30,000 compositions Stephen traces the history and development of Classical music in Australia. From obscure and forgotten composers to those who attained an international reputation this volume reveals their output, unique experiences and travails. The foundation and demise of music ensembles, institutions, venues and festivals is part of the story and included in the narrative are performers, conductors, entrepreneurs, educators, administrators, instrument makers, musicologists, music critics and philanthropists. A concise yet comprehensive picture of Australian music making can be found in any given year.

"This is a revolution! This school is being taken hostage! . . . Don't push any alarms, answer any phones, or call for help. I have guns and this is a bomb. . . . You and I are only one-half inch from death." This is the true story of a traumatic hostage takeover that threatened the lives of over 150 students and teachers from Cokeville, Wyoming. As parents of one of the student hostages, Hartt and Judene Wixom recapture the terror and confusion that struck this small, tight-knit community on May 16, 1986. The Wixoms describe in detail the chain of events that led up to David Young's invasion, balancing the horrific scenes of terror with stories of courage and faith. If you loved the movie in theaters, you won't want to miss this incredible true account of the miracles in Cokeville. Inspiring and informative, this book will bring you hope of help from above.

The epic conclusion to the amazing Sabina Kane urban fantasy series by USA Today bestseller Jaye Wells. Sabina Kane is on the hunt. Her father of the vampire race and the one who murdered her family and her friends. Unfortunately, Cain is hunting Sabina, too. The one key to defeating Cain is, of course, Abel. A mage with secrets to spare and, hopefully, the power to match it. Unfortunately, for Sabina, may not want to be found. Sabina sets out for Italy with her friends, Giguhi and Adam Lazarus, to track down the only man who can get hungers for. But will he help her or oppose her? And just who is Abel, really? Worst of all, when Sabina figures out the goddess Lilith has she realizes this trip is getting deadlier by the minute. As they say: when in Rome-SURVIVE.

De amor oscuro

True Haunting

The Whole Island

En eaux troubles (Le Requin de la Pègre, tome 1)

Roger and Carolyn Perron purchased the home of their dreams and eventual nightmares in December of 1970. The Arnold Estate, located just beyond the village of Harrisville, Rhode Island seemed the idyllic setting in which to raise a family. The couple unwittingly moved their five young daughters into the ancient and mysterious farmhouse. Secrets were kept and then revealed within a space shared by mortal and immortal alike. Time suddenly became irrelevant; fractured by spirits making their presence known then dispersing into the ether. The house is a portal to the past and a passage to the future. This is a sacred story of spiritual enlightenment, told some thirty years hence. The family is now somewhat less reticent to divulge a closely-guarded experience. Their odyssey is chronicled by the eldest sibling and is an unabridged account of a supernatural excursion. Ed and Lorraine Warren investigated this haunting in a futile attempt to intervene on their behalf. They consider the Perron family saga to be one of the most compelling and significant of a famously ghost-storied career as paranormal researchers. During a seance gone horribly wrong, they unleashed an unholy hostess; the spirit called Bathsheba; a God-forsaken soul. Perceiving herself to be the mistress of the house, she did not appreciate the competition. Carolyn had long been under siege; overt threats issued in the form of fire...a mother's greatest fear. It transformed the woman in unimaginable ways. After nearly a decade the family left a once beloved home behind though it will never leave them, as each remains haunted by a memory. This tale is an inspiring testament to the resilience of the human spirit on a pathway of discovery: an eternal journey for the living and the dead.

Offers comprehensive coverage of the history of magic rituals and practices throughout the world, presenting information on voodoo, ancient Egyptian and Hebrew magic, palm reading, secret symbols, astrology, exorcism and spells to overcome enemies and obtain wealth

Susan Michaels was once the hottest reporter on the Beltway Beat until a major scandal ruined her life and left her writing stories about alien babies and Elvis sightings. Life as she once knew it is over, or so she thinks, but then she gets a lead on a story that could salvage her extinct career. She heads to the local animal shelter, expecting a hot news tip, which she gets in the form of a major police cover-up . . . for a ring of soul-sucking vampires out to take over Seattle. So much for saving her credibility. And if that isn't bad enough, she gets talked into adopting a cat and finds she's allergic to it. A cat that turns out to be a shapeshifter who claims to be an immortal vampire slayer on the prowl for the same corrupt cops. Her first thought: seek professional help. But as Susan's drawn into Ravyn's dark and dangerous world, she comes to realize that there's a lot more at stake than just her defunct career. Now it's no longer a question of bringing the truth to her readers; it's a matter of saving their very lives and souls. Ravyn's life was shattered over four hundred years ago, when he mistakenly trusted the wrong

human with the truth of his existence. He lost his family, his honor, and his life. Now, in order to save the people of Seattle, he's forced to confront that nightmare all over again, and to trust another woman with the secret that could destroy him. In the world of the Dark-Hunters, life is always dangerous. But never more so than now; when a very human woman can shatter their entire world with just one story. The only question is . . . will she?

The award-winning YA author weaves “ an unsettling tapestry of ugly secrets, violence, suspense, twisted motives and love ’ s unfathomable ways ” (Kirkus). Anna and Abel couldn't be more different. They are both seventeen and in their last year of school, but while Anna lives in a nice old town house and comes from a well-to-do family, Abel, the school drug dealer, lives in a grim tower block at the edge of town. Anna naturally keeps her distance from Abel. But when she discovers that he is the only one caring for his six-year-old sister, her fear turns to fascination. Anna follows the two, listening as Abel tells little Micha the story of a tiny queen assailed by dark forces. It's a beautiful fairy tale that lets Anna see Abel ’ s reality. Unable to make ends meet, he ’ s in danger of losing Micha to their abusive father. Anna gradually falls in love with Abel, but when his "enemies" begin to turn up dead, she fears she has fallen for a murderer. Antonia Michaelis, the Batchelder Honor Award-winning author of Tiger Moon, moves in a bold new direction with her latest novel: a dark, haunting, contemporary story that is part mystery, part melodrama, and part dark romance.

Bride McTierney has had it with men. They're cheap, self-centered, and never love her for who she is. But though she prides herself on being independent, deep down she still yearns for a knight in shining armor. She just never expected her knight in shining armor to have a shiny coat of fur... Deadly and tortured, Vane Kattalakis isn't what he seems. Most women lament that their boyfriends are dogs. In Bride's case, hers is a wolf. A Were-Hunter wolf. Wanted dead by his enemies, Vane isn't looking for a mate. But the Fates have marked Bride as his. Now he has three weeks to either convince Bride that the supernatural is real or he will spend the rest of his life neutered--something no self-respecting wolf can accept... But how does a wolf convince a human to trust him with her life when his enemies are out to end his? In the world of the Were-Hunters, it really is dog-eat-dog. And only one alpha male can win.

New York Times bestselling poet and multi-platinum singer-songwriter Jewel explores her unconventional upbringing and extraordinary life in an inspirational memoir that covers her childhood to fame, marriage, and motherhood. When Jewel's first album, Pieces of You, topped the charts in 1995, her emotional voice and vulnerable performance were groundbreaking. Drawing comparisons to Joan Baez and Joni Mitchell, a singer-songwriter of her kind had not emerged in decades. Now, with more than thirty million albums sold worldwide, Jewel tells the story of her life, and the lessons learned from her experience and her music. Living on a homestead in Alaska, Jewel learned to yodel at age five, and joined her parents' entertainment act, working in hotels, honky-tonks, and biker bars. Behind a strong-willed family life with an emphasis on music and artistic talent, however, there was also instability, abuse, and trauma. At age fifteen, she moved out and tasked herself with a mission: to see if she could avoid being the kind of statistic that her past indicated for her future. Soon after, she was accepted to the prestigious Interlochen Arts Academy in Michigan, and there she began writing her own songs as a means of expressing herself and documenting her journey to find happiness. Jewel was eighteen and homeless in San Diego when a radio DJ aired a bootleg version of one of her songs and it was requested into the top-ten countdown, something unheard-of for an unsigned artist. By the time she was twenty-one, her debut had gone multiplatinum. There is much more to Jewel's story, though, one complicated by family legacies, by crippling fear and insecurity, and by the extraordinary circumstances in which she managed to flourish and find happiness despite these obstacles. Along her road of self-discovery, learning to redirect her fate, Jewel has become an iconic singer and songwriter. In Never Broken she reflects on how she survived, and how writing songs, poetry, and prose has saved her life many times over. She writes lyrically about the natural wonders of Alaska, about pain and

loss, about the healing power of motherhood, and about discovering her own identity years after the entire world had discovered the beauty of her songs.

Throughout the Renaissance, composers often expressed themselves in a language of riddles and puzzles, which they embedded within the music and lyrics of their compositions. This is the first book on the theory, practice and cultural context of musical riddles during the period. Katelijne Schiltz focuses on the compositional, notational, practical, social and theoretical aspects of musical riddle culture c.1450–1620, from the works of Antoine Busnoys, Jacob Obrecht and Josquin des Prez to Lodovico Zacconi's manuscript collection of *Canoni musicali*. Schiltz reveals how the riddle both invites and resists interpretation, the ways in which riddles imply a process of transformation and the consequences of these aspects for the riddle's conception, performance and reception. Lavishly illustrated and including a comprehensive catalogue by Bonnie J. Blackburn of enigmatic inscriptions, this book will be of interest to scholars of music, literature, art history, theology and the history of ideas.

"24 year old Ed Becker purchases a house for himself and his expecting wife; a two-flat apartment building, which would allow them to live in one apartment and rent the other. What Ed doesn't know, is that there are already tenants residing in this building that he cannot evict... Skeptical and street-smart, Ed has a difficult time coming to the realization that this apartment is home to the paranormal. As tensions begin to build between his spouse and himself, he attributes the stress to the new lifestyle they had accumulated, as both property owners and new parents. Coupled with the efforts of working long hours and restoring a dilapidated home, Ed ignores the unusual happenings that have no viable explanation. And what happens when something that wants to be noticed goes unacknowledged? Things escalate... Read this hauntingly true story, of one of the earliest televised exorcisms in the nation, brought to the forefront by NBC. Interviewed and reported by nationally known news correspondent, Carole Simpson, and conducted by nationally known psychic Joseph DeLouise and exorcist, Rev. William Derl-Davis. Go behind the scenes of the known history of this truly haunted home--one that shattered the dreams of a young couple, and the family that can never leave it."--P. [4] of cover.

The boss of New York's infamous Lucchese crime family, Anthony "Gaspape" Casso's life in the Mafia was preordained from birth. His rare talent for "earning"—concocting ingenious schemes to hijack trucks, rob banks, and bring vast quantities of drugs into New York—fueled his unstoppable rise up the ladder of organized crime. A mafioso responsible for at least fifty murders, Casso lived large, with a beautiful wife and money to burn. When the law finally caught up with him in 1994, Casso became the thing he hated most—an informer. From his blood feud with John Gotti to his dealings with the "Mafia cops," decorated NYPD officers Lou Eppolito and Stephen Caracappa, to the Windows case, which marked the beginning of the end for the New York Mob, Gaspape is Anthony Casso's shocking story—a roller-coaster ride into an exclusive netherworld that reveals the true inner workings of the Mafia, from its inception to the present time.

"The author was born in Buffalo, New York. In 1970 she and her family moved to a haunted house in southern New York State. The house became the subject of her first book, "Echoes of a Haunting." The current book is an update."--Dust cover.
