

An Inspector Calls (Heinemann Plays For 14 16)

I have asked permission to dedicate this book to you not only in memory of the happy evenings I have spent with you in Saigon over the last five years, but also because I have quite shamelessly borrowed the location of your flat to house one of my characters, and your name, Phuong, for the convenience of readers because it is simple, beautiful and easy to pronounce, which is not true of all your country-women's names. You will both realise I have borrowed little else, certainly not the characters of anyone in Viet Nam. Pyle, Granger, Fowler, Vigot, Joe— these have had no originals in the life of Saigon or Hanoi, and General The is dead : shot in the back, so they say. Even the historical events have been rearranged. For example, the big bomb near the Continental preceded and did not follow the bicycle bombs. I have no scruples about such small changes. This is a story and not a piece of history, and I hope that as a story about a few imaginary characters it will pass for both of you one hot Saigon evening.

An adaptation of Robert Swindell's novel intended for Key Stage 3. The nightmare Fliss had before the school trip is becoming a chilling reality. The hotel where they are staying holds a sinister secret, but none of the teachers will believe what Fliss has seen. Can Fliss save Ellie-May?

A lawyer is sucked into a couple's hostile divorce in this mystery with "a stellar ending" from the original detective series that inspired the HBO show (Kirkus Reviews). Edward Garvin is a very successful businessman with a very unhappy ex-wife—who wants his money. So Garvin calls on lawyer Perry Mason to protect his company from her schemes, and ensure the divorce they'd gotten in Mexico is actually finalized. But when Garvin's former spouse is struck down by a killer, Mason's client becomes the chief suspect. Fortunately, the attorney "comes up with dazzling answers" to the mystery . . . (The New York Times). This whodunit is part of Edgar Award-winning author Erle Stanley Gardner's classic, long-running Perry Mason series, which has sold three hundred million copies and serves as the inspiration for the HBO show starring Matthew Rhys and Tatiana Maslany. **DON'T MISS THE NEW HBO ORIGINAL SERIES PERRY MASON, BASED ON CHARACTERS FROM ERLE STANLEY GARDNER'S NOVELS, STARRING EMMY AWARD WINNER MATTHEW RHYS**

A Clockwork Orange (Restored Text)

The Plays of J.B. Priestley

An Inspector Calls: York Notes for GCSE (9-1)

A newly revised text for A Clockwork Orange's 50th anniversary brings the work closest to its author's intentions. A Clockwork Orange is as brilliant, transgressive, and influential as it was when published fifty years ago. A nightmare vision of the future told in its own fantastically inventive lexicon, it has since become a classic of modern literature and the basis for Stanley Kubrick's banned film, whose recent reissue has brought this revolutionary tale on modern civilization to an even wider audience. Andrew Biswell, PhD, director of the International Burgess Foundation, has taken a close look at the three varying published editions alongside the original typescript to recreate the novel as Anthony Burgess envisioned it. We publish this landmark edition with a new British cover and six of Burgess's own illustrations.

Whose Life is it Anyway?

The Shapes of Sleep

The Nobel Prize-nominated Kenyan writer's powerful first novel Two brothers, Njoroge and Kamau, stand on a garbage heap and look into their futures: Njoroge is to attend school, while Kamau will train to be a carpenter. But this is Kenya, and the times are against them: In the forests, the Mau Mau is waging war against the white government, and the two brothers and their family need to decide where their loyalties lie. For the practical Kamau, the choice is simple, but for Njoroge the scholar, the dream of progress through learning is a hard one to give up. The first East African novel published in English, Weep Not, Child explores the effects of the infamous Mau Mau uprising on the lives of ordinary men and women, and on one family in particular. The Agile Comms Handbook

Once passionate about the theatre, playwright Martin Cheveril is now disillusioned and contemplating a change of career. His new play, a bitter and cynical piece, is about to premiere when something strange happens. After stumbling upon an old pamphlet about a talented young actress named Jenny Villiers who died in 1846, Cheveril dozes off and finds himself somehow transported back to the theatre of her day. By some mysterious means, he will find himself a spectator of the tragedy of Jenny's life and death—a tragedy whose effects will echo strangely into the present day. One of the prolific J. B. Priestley's favourites among his own books, the unusual ghost story Jenny Villiers (1947) returns to print at last in this new edition. Ten other classic titles by Priestley are also available from Valancourt. "J.B. Priestley is one of our literary icons of the 20th century. And it is time that we all became reacquainted with his genius." - Judi Dench "One of the finest and most popular storytellers of the last hundred years." - Margaret Drabble

Presents the classic play, first produced in 1947, about guilt, responsibility, and the relationship between fathers and sons in the aftermath of a World War II corruption case.

From Douglas Adams, the legendary author of one of the most beloved science fiction novels of all time, The Hitchhiker's Guide to the Galaxy, comes a wildly inventive novel—in trade paperback for the first time—of ghosts, time travel, and one detective's mission to save humanity from extinction. DIRK GENTLY'S HOLISTIC DETECTIVE AGENCY We solve the whole crime We find the whole person Phone today for the whole solution to your problem (Missing cats and messy divorces a specialty) Douglas Adams, the "master of wacky words and even wackier tales" (Entertainment Weekly) once again boggles the mind with a completely unbelievable story of ghosts, time travel, eccentric computer geniuses, Samuel Taylor Coleridge, the end of the world, and—of course—missing cats.

An inspector calls, the title play in this collection, was written inside a week in 1944. Inspector Goole, investigating a girl's death, calls on the Birlings, an outwardly virtuous household.

Charlie Horse has very set ideas of just how his pub should be run. No food (apart from crisps and nuts) and very definite ideas about what kind of customers are welcome in his hostelry. Unbeknown to Charlie however, there is something very odd indeed going on in "The Bucket and Shovel", and for just this once, Charlie is going to be the last person to find out. Because very shortly, an inspector is going to call...Please note this is a short story and is quite difficult to categorise - there are slight elements of fantasy (although it has a contemporary setting) as well as a smattering of mystery, and also is intended to have a slight Pratchettesque feeling to it. This short story is also available in the "Paul McCartney's Coat and Other Stories" collection, along with nine other tales, and is available to purchase separately.
