

## Arthur's Really Helpful Bedtime Stories

Even though she has not been invited to the party, D.W. manages to save Arthur from having to kiss Francine.

Arthur has to write a story as a homework assignment and keeps changing his idea of what to write as he talks to his friends.

"A collection of memorable scenes, quotes, and lessons from the Arthur series of books and television shows that explores the ups and downs of life"--

A classic Arthur Adventure- now on CD! What makes a story entertaining? That's the question Arthur asks himself when Mr. Ratburn gives a creative writing assignment to his class. When D.W. yawns through Arthur's first story, he worries that his tale isn't exciting enough. Is the setting too humdrum? Maybe he needs to research his subject more thoroughly. Or perhaps humor is the key to creating a lively tale! With every new angle, Arthur's story takes one more hilarious step further away from his original idea - but is the end result really the tale he wants to tell? Kids will love listening along as Marc Brown reads this classic Arthur story.
