The rainbow-colored, stepped edges make it easy for little hands to turn the page and encourages toddlers to discover each section. Also available: My Little Book of Words.

Janet Lansbury's advice on respectful parenting is quoted and shared by millions of readers worldwide. Inspired by the pioneering parenting philosophy of her friend and mentor, Magda Gerber, Janet's influential voice encourages parents and child care professionals perceive babies as unique, capable human beings with natural abilities to learn without being taught; to develop motor and cognitive skills; communicate; face age appropriate struggles; initiate and direct independent play for extended periods; and much more.

Once we are able to view our children in this light, even the most common daily parenting experiences become stimulating opportunities to learn, discover, and to connect with our child. "Elevating Child Care" is a collection of 30 popular and widely read articles from Janet's website that focus on some of the most common infant/toddler issues: eating, sleeping, diaper changes, communication, separation, focus and attention span, creativity, boundaries, and more. Eschewing the quick-fix 'tips and tricks' of popular parenting culture, Janet's insightful philosophy lays the foundation for a closer, more fulfilling parent/child relationship, and children who grow up to be authentic, confident, successful adults.

The award-winning, best-selling Baby Touch series is back with a sleek and playful design. This colourful, carousel playbook is specifically designed to engage and entertain babies during their daily tummy time sessions, helping to encourage movement and develop neck strength. Fold it out and let your baby explore the immersive world full of high-contrast colours, stimulating touch-and-feels and peepo holes.

If you are a family or educator with a toddler or young child then you have come to the right place. This book will teach you how to convert play and everyday routines into activities that are both fun AND beneficial for a child's speech and language development. With little tweaks to your interactions and the everyday routines you are already engaging in, you can increase opportunities for learning and growth for your child. This best part is it's not a lot of extra work. In the *Playing With Purpose* book you will learn: The basics of language development Why play is important for a child's growth in the early years How children learn during play and familiar routines Tips for boosting speech and language skills during play Tips for boosting speech and language skills in everyday activities

Mealtime—"Yummy-in-the-tummy time"—is an opportunity to teach young children two major life skills: nutrition and table manners. Simple but important mealtime routines come to life as the toddlers in this book remember to wash their hands, use a napkin and fork or spoon, stay at the table, and eat healthy foods. Toddlers also learn the one big rule for mealtime: Always try one bite ("You just might like it!"). Parents and caregivers want toddlers to develop healthy eating habits and positive mealtime routines. This book helps them do so with Verdick's keen ability to speak directly to little ones and Heinlen's
