

## Basta Pannolino! Ediz Illustrata

*A guide to eleven children’s art workshops by one of the world’s most innovative facilitators and best-selling bookmakers. Workshops are designed to spark children’s imaginations, champion group bonding, and give visually pleasing results - with no artistic ability required. Illustrated and written by author of Press Here (over 1 million copies sold worldwide and a The New York Times bestseller for 3 years running). Each workshop includes: a list of materials needed, a step-by-step guide to facilitation, practical tips, illustrated examples, and photos of workshops in progress. Tried and tested around the world by children of all ages. Perfect for organizing group events at home, in schools, at parties, at museums - anywhere!*

*Polpo e Spada (Catch of the Day) celebrates a rich and detailed understanding of traditional fishing techniques and seafaring culture within the seafood cuisine of Southern Italy with vibrant recipes, insights, photographs, and drawings.*

*I Love You When is an ode to motherly love that approaches a timeless topic with elegant simplicity and refreshing honesty. With a simple question, “Mom, will you love me my whole life?” Archibald sparks the most honest and relatable of answers from his mother, who goes on to tell her son about all the moments in life through which she loves him. “I love you when you behave and when your good behavior doesn’t last” and “I love you when you look your best and when you’re feeling your worst” are some of the scenes author Astrid DeGroot and illustrator Pauline Marjot succeed in depicting with heartwarming candoriness. A refreshing take on a timeless subject, I Love You When beautifully recounts a mother’s unconditional love for her child.”*

*Everything I Know About Poop gives parents an innovative and fun way to help their toddlers achieve toilet-training success, especially the stubborn ones. It uses a hilarious story and charming drawings to engage kids and help them understand, verbalize and accept that people need to poop, animals need to poop, we all need to poop!*

*I Know a Lot of Things*

*A Natural History of the Unmentionable*

*A Noisy Bing Book*

*Tip the Mouse Doesn’t Want to Eat*

*The Five Senses*

**Sam is so frustrated waiting his turn at the playground that a Temper shows up. Within seconds, the beastly, wild thing clears the place, and Sam happily plays alone with his new pet. But his Temper follows him everywhere, causing more and more trouble, until Sam realizes he needs to put a stop to it. How is the question f Kids will laugh at the relatable situations, while parents and teachers will enjoy the chance to talk about pet Tempers and ways to tame them.**

**It’s a royal renovation ? a perennial potty favorite with a whole new look!**

**Basta pannolino!**Basta Pannolino, Sono Grande!Ediz. a Colori - Libro per Lasciare il Pannolino - Libro Pannolino per Bambini - Libro Vasino per Bambini

Advises the reader about what to do, and not to, in order to successfully spot a whale, such as wrapping up in a not-too-cozy blanket, ignoring the roses, and especially, being patient.

**Basta Pannolino, Sono Grande!**

**Ediz. a Colori - Libro per Lasciare il Pannolino - Libro Pannolino per Bambini - Libro Vasino per Bambini**

**Polpo E Spada: Catch of the Day**

**Girafes Can’t Dance Animal Annual**

**If You Want to See a Whale**

Edizione illustrata a colori Lasciare il pannolino è per i bambini un momento difficile in quanto richiede di abbandonare un oggetto a sé familiare e per sé importante, al fine di adattarsi a una nuova situazione, quella del vasino. Abbandonare il pannolino è, quindi, un evento complesso perché il bambino vede in quest’oggetto serenità e sicurezza. Questo libro a colori propone un modo originale, delicato e divertente per imparare a lasciare il pannolino attraverso la storiella del piccolo Tino che, con l’aiuto dell’amichetto Filippo, sceglie il vasino per diventare grande, regalando una scatola di pannolini ai bambini più piccoli che ne hanno bisogno. Il libro contiene frasi da leggere al bimbo, coloratissime immagini da osservare, disegni in bianco e nero da colorare e altre piccole attività che chiedono di aiutare Tino e Filippo.
Dettagli: pagine a colori con illustrazioni in alta definizione; comodo e ampio formato; copertina colorata lucida; età di lettura: +2 anni; pensato anche come idea regalo.

Hippes navigate by it, sloths keep in touch through it, rabbits eat it... and most grown-ups prefer not to mention it at all However you look at it, poo is probably the most useful stuff on Earth. It comes in all shapes and sizes, and every animal has its own special sort. Find out what it’s for, where it goes, what we can learn from it and lots more.

Joe and his friends (including Nellie elephant, Percy pig, and Friendly frog) learn that although bottoms come in all shapes and sizes, everyone must use the potty.

Join Gerald as he gets ready for the most anticipated annual event of the animal calendar - the Jungle Dance! Will he be able to put together his dance moves in time? Perhaps with a little help, in the form of sticker activities and colouring-in fun, Gerald will shine on the jungle dancefloor! Packed with activities galore including a sticker jigsaw, animal counting fun, shimmy shadow match, a moonlit maze, a dancing game and even a funky monkey groovy smoothie recipe AND over 200 stickers and a fab colouring section at the end of the book - this annual will keep children busy for hours. Giraffes Can’t Dance is an internationally bestselling book, with over 1.75 million copies sold worldwide. This annual includes excerpts from the story, so that Gerald fans, new and old, will be able to enjoy his jolly jungle japes!

Art Workshops for Children

How The Motherhood Experience Changes You Forever

A Mother’s Secret

Sam’s Pet Temper

Classic tale of friendship and love starring two lonely worms

A father and daughter explore their neighborhood, talking and asking questions as they go.

Little Owl must be more careful when he is sleeping - uh-oh! He has fallen from his nest, & with a bump he lands on the ground. Where is his mummy? With the earnest assistance of his new friend Squirrel, Little Owl sets off in search of her, & meets a sequence of other animals.

Hearing strange noises when he tries to fall asleep, a frightened young penguin is reassured by his father, who patiently looks in every area of the little penguin’s room and explains the harmless sources of each noise. By the Reader’s Digest Award-winning author of The Big Potty Book.

Potty Time

The Birth Of A Mother

Secrets of the Baby Whisperer for Toddlers

Guess How Much I Love You in the Winter

I Want My Potty

How we parent our children is at the heart of our relationships with them – and Dr Carlos Gonzalez, a renowned Spanish paediatrician and father, believes that our children deserve all the love we can give them. If we reject the routines and excessive discipline promoted by self-styled childcare experts, and instead parent with love, respect and freedom, we can allow our children to grow and thrive both physically and emotionally. A bestseller in Spain, Kiss Me encourages parents to see the good in their children and nurture it carefully, forging warm and rewarding family relationships. With discussions of how to handle common parenting issues including sleep, rewards and punishment and carving out quality time with our children, this warm and reassuring book is hugely valuable for parents in today’s world.

Celebrates the senses using illustrations to convey things that can be felt and experienced using the five physical senses and imagination.

Presents a bedtime tale that reveals how the love between a parent and child lasts forever.

As you prepare to become a mother, you face an experience unlike any other in your life. Having a baby will redirect your preferences and pleasures and, most likely, will realize some of your values.As you undergo this unique psychological transformation, you will be guided by new hopes, fears, and priorities. In a most startling way, having a child will influence all of your closest relationships and redefine your role in your family’s history. The charting of this remarkable, new realm is the subject of this compelling book.Renowned psychiatrist Daniel N. Stern has joined forces with pediatrician and child psychiatrist Nadia Bruschwiler-Stern and journalist Alison Freland to paint a wonderfully evocative picture of the psychology of motherhood. At the heart of The Birth of a Mother is an arresting premise: Just as a baby develops physically in utero and after birth, so a mother is born psychologically in the many months that precede and follow the birth of her baby.The recognition of this inner transformation emerges from hundreds of interviews with new mothers and decades of clinical experience. Filled with revealing case studies and personal comments from women who have shared this experience, this book will serve as an invaluable sourcebook for new mothers, validating the often confusing emotions that accompany the development of this new identity. In addition to providing insight into the unique state of motherhood, the authors touch on related topics such as going back to work, fatherhood, adoption, and premature birth.During pregnancy, mothers-to-be talk about morning sickness and their changing bodies, and new mothers talk about their exhaustion, the benefits of nursing or bottle-feeding, and the dilemma of whether or when they should return to work. And yet, they can be strangely mute about the dramatic and often overwhelming changes going on in their inner lives. Finally, with The Birth of a Mother, these powerful feelings are eloquently put into words.

Don’t Worry, Little Crab

*Unnerved by the ceaseless demands of your toddler? Concerned that your two-year-old isn’t developing on schedule? You clearly need to spend some time with Tracy Hogg. Nicknamed the “baby whisperer” by grateful parents because of her extraordinary gift for understanding and connecting with children, Tracy became internationally famous after the smashing success of her New York Times bestseller Secrets of the Baby Whisperer. Now Tracy is back with the same winning blend of common sense, uncanny intuition, and results-getting guidance in her new book, Secrets of the Baby Whisperer for Toddlers. Yes, the toddler years have their stresses and challenges for both parents and children-but with Tracy at your side, you’ll find that this can also be the most fascinating and rewarding stretch of parenthood. As in her hugely popular first book, Tracy brings her vast experience to bear on the issues and dilemmas with which all parents grapple during toddlerhood. Starting with the simple but essential premise that there is no such thing as a “typical” child, Tracy guides you through her unique programs, including:
• H.E.L.P. (Hold back, Explain, Limit, Praise): the mantra that will remind you of the four elements that are critical to fostering your child’s growth and independence.
• Using T.L.C. (Talk, Listen, Clarify) to communicate with your toddler, to figure out what she is really thinking, and to best help her express herself.
• R&R: the Routines and Rituals that give structure and predictability to daily life and a sense of continuity to holidays and special occasions.
• Rehearsals for Change: ways of preparing your toddler for new experiences by encouraging her to practice her skills in the safe, controlled setting of your family.
• Conscious Discipline: a way of teaching your toddler how to behave and manage his emotions, while being mindful of the lessons you teach with your own behavior. Tracy knows that your child is special-a one-of-a-kind individual with her own gifts and needs-and she has dedicated this marvelous new book to helping you appreciate and respect your child’s uniqueness. Whether it’s making new friends, mastering potty training, or eating at the family dinner table, your child will do it in her own way and at his own pace. With Tracy as your guide, you can share in the achievements of toddlerhood every step of the way. Practical, reassuring, and written with wit and energy and boundless enthusiasm for real children and their everyday behavior, this book will be your constant companion during the magical, challenging toddler years.*

*“Humane, impossible, homely and alien, Draeger’s extraordinary stories are as close to dreams as fiction can be.” –China Mié ville This collection of three magical stories introduce English-language readers to the detective Bobby Potemkine and his musical dog Djinn-and they come to us offering, among other things, mystery, romance, maritime-adventure, and a very angry noodle named Auguste.*

*Potty training is an adventure when introduced by celebrated children’s author and illustrator Mo Willems. With Mo’s signature wit and style, readers embark on a hilarious journey from inking to tinkling. Featuring a crew of supportive sign-wielding mice, first-timers are amused and inspired to reach for the stars and pee. Now available in board book format.*

Join Bing on a toilet training adventure in this interactive sound book - perfect for encouraging young children to use the toilet with confidence.

Shh! We Have a Plan

My First Book of Words

Bear’s Big Bottom

The Rabbit Who Wants to Fall Asleep

In the Time of the Blue Ball

**Labelled panoramas identify parts of the body, food, clothing, toys, and other common items.**

**Four friends, three big and one little, are out for a walk. Suddenly, they spot it - a beautiful bird perched high in a tree They simply must have it and - shh - they have a plan.**

**This reissue of the childhood classic I Know a Lot of Things is a celebration of all the new and intriguing knowledge children delight in possessing. Written from the simplicity of a child’s perspective, the plain-but-powerful text voices important childhood knowledge such as “I know when I look in the mirror, what I see is me” and that “dogs go bowwow and that is how they talk.” Illustrated with graphic designer Paul Rand’s colorful, playful artwork, I Know a Lot of Things, with all the teeny nuggets of wisdom contained therein, is destined to please a new generation.**

**From the award-winning creator of Shh! We Have a Plan comes a vibrantly colorful story about mustering the courage to try something new. Little Crab and Very Big Crab live in a tiny rock pool near the sea. Today they’re going for a dip in the big ocean. "This is going to be so great," says Little Crab, splash-splashing and squelch-squelching along, all the way to the very edge. Then comes a first glance down at the waves. WHOOSH! Maybe it's better if they don't go in? With vivid colors, bold shapes, and his trademark visual humor, Chris Haughton shows that sometimes a gentle "don't worry, I'm here" can keep tentative little crabs sidestepping ahead -- and help them discover the brilliant worlds that await when they take the plunge.**

**How to Raise your Children with Love**

**A Bit Lost**

**A New Way of Getting Children to Sleep**

**All Aboard the Toilet Train!**

**Forever**

**Reminiscent of Scheherazade and One Thousand and One Nights, Gianni Rodari’s Telephone Tales is many stories within a story. Every night, a traveling father must finish a bedtime story in the time that a single coin will buy. One night, it’s a carousel that adults cannot comprehend, but whose operator must be some sort of magician, the next, it’s a land filled with butter men who melt in the sunshine Awarded the Hans Christian Anderson Award in 1970, Gianni Rodari is widely considered to be Italy’s most important children’s author of the 20th century. Newly re-illustrated by Italian artist Valerio Vidali (The Forest), Telephone Tales entertains, while questioning and imagining other worlds.**

**Books in the Anna series use colorful illustrations to chronicle a toddler’s everyday adventures and teach children about a variety of life experiences, such as learning to brush teeth at the end of a busy day.**

**Hide-and-peek fun with sturdy sliders! This silly but stylish slider book is sure to give little ones a giggle. They’ll love joining in a game of hide-and-peek as they move the sliders to reveal the dinosaur hiding in every scene. Is it behind the sofa? Or in the shower? Just push the slider to find out! With beautiful artwork from Lydia Nichols, the whole family will enjoy reading and playing with this fresh new novelty series.**

**I Thought I Saw a Dinosaur!**
