Gotham’s newest defender steps into the light! Duke Thomas always wanted to be a hero. During the Orbin War, he led an insurgency of teen Robins who insisted that their movement’s namesake didn’t really need a partner. In the aftermath, Batman himself has taken Duke under his wing to train him! Not to be a sidekick, but to be his own man. Now, Duke is ready to emerge from his mentor’s shadow and take his place as Gotham’s protector by day: the Signal. But is he ready for what the light will reveal? Someone has been giving deadly metahuman powers to teenagers living in the Narrows. Gotham’s poorest neighborhood! Duke’s neighborhood. Even stranger, these newly powered teens seem to have some sort of connection to both Duke and his own barely understood abilities. With the help of the Bat-Family, the Signal and Batman must protect the city from the rampaging adolescents while also keeping them from harming themselves. But when Duke discovers the true nature of his connection to the crisis, will it signal a dark new chapter for Gotham’s bright new hero? Critically acclaimed author Scott Snyder teams with red-hot rookie writer Tony Patrick to introduce Gotham’s newest crime-fighter in Batman and The Signal! Featuring art by Cully Hamner (Blue Beetle), Declan Shalvey (Moon Knight) and Francesco Francavilla (Detective Comics), this volume collects Batman and The Signal #1-3 as well as “The Cursed Wheel” from All-Star Batman #1-4 and #6-9.

This oral history portrays the lives of African American women who migrated from the rural South to work as domestic servants in Washington, DC in the early decades of the twentieth century. In Living In, Living Out Elizabeth Clark-Lewis narrates the personal experiences of eighty-one women who worked for wealthy white families. These women describe how they encountered—but never accepted—the master-servant relationship, and recount their struggles to change their status from “live in” servants to daily paid workers who “lived out.” With candor and passion, the women interviewed tell of leaving their families and adjusting to city life “up North” of being placed as live-in servants, and of the frustrations and indignities they endured as domestics. By networking on the job, churches, and at penny savings clubs, they found ways to transform their unending servitude into an employer-employee relationship—gaining a new independence that could only be experienced by living outside of their employers’ homes. Clark-Lewis points out that their perseverance and courage not only improved their own lot but also transformed work life for succeeding generations of African American women. A series of in-depth vignettes about the later years of these women bears poignant witness to their efforts to carve out lives of fulfillment and dignity.
