The story of Giannis Antetokounmpo's extraordinary rise from poverty in Athens, Greece, to superstardom in America with the Milwaukee Bucks--becoming one of the most transcendent players in history and an NBA Champion--from award-winning basketball reporter and feature writer at The Ringer Mirin Fader. As the face of the NBA's new world order, Giannis Antetokounmpo has overcome unfathomable obstacles to become a symbol of hope for people all over the world; the personification of the American Dream. But his backstory remains largely untold. Fader unearths new information about the childhood that shaped "The Greek Freak"--from sleeping side by side with his brothers to selling trinkets on the street with his family to the racism he experienced. Antetokounmpo grew up in an era when Golden Dawn, Greece's far-right, anti-immigrant party, patrolled his neighborhood, and his status as an illegal immigrant largely prevented him from playing for the country's top clubs, making his NBA rise all the more improbable. Fader tells a deeply human story of how an unknown, skinny, Black Greek teen, who played in the country's lowest pro division and was seen as a draft gamble, transformed his body and his game into MVP material. Antetokounmpo's story has been framed as a feel-good narrative in which everyone has embraced him--watching him grow up, sign a five-year supermax contract extension worth \$28 million, and lead the underdog Bucks to the NBA Championship in 2021. Giannis reveals a more nuanced story: how lonely and isolated he felt, adjusting to America and the NBA early in his career; the complexity of grappling with his Black and Greek identities; how he is so hard on himself and his shortcomings--a drive that fuels him every day; and the responsibility he feels to be a nurturing role model for his younger brothers. Fader illustrates a more vulnerable star than most people know, a person who has evolved triumphantly into all of his roles: father, brother, son, teammate, and global icon. **Instant New York Times Bestseller, Los Angeles Times Bestseller, Wall Street Journal Bestseller, USA Today Bestseller, Publishers Weekly Bestseller** **Mirin Fader Selected as the 2021 Sports Media Author of the Year by The Big Lead**

Serritella, who is a Harvard grad herself, writes about the campus with an insider's savvy."—Maureen Corrigan, The Washington Post "Every time I thought I knew where Ghosts of Harvard was heading, I turned out it to be wrong. Part mystery, part ghost story, part psychological thriller, this novel is all entertainment."—#1 New York Times bestselling author Jodi Picoult Cadence Archer arrives on Harvard's campus desperate to understand why her brother, Eric, a genius who developed paranoid schizophrenia took his own life there the year before. Losing Eric has left a black hole in Cady's life, and while her decision to follow in her brother's footsteps threatens to break her family apart, she is haunted by questions of what she might have missed. And there's only one place to find answers. As Cady struggles under the enormous pressure at Harvard, she investigates her brother's final year, armed only with a blue notebook of Eric's cryptic scribbles. She knew he had been struggling with paranoia, delusions, and illusory enemies—but what tipped him over the edge? Voices fill her head, seemingly belonging to three ghosts who passed through the university in life, or death, and whose voices, dreams, and terrors still echo the halls. Among them is a person whose name has been buried for centuries, and another whose name mankind will never forget. Does she share Eric's illness, or is she tapping into something else? Cady doesn't know how or why these ghosts are contacting her, but as she is drawn deeper into their worlds, she believes they're moving her closer to the truth about Eric, even as keeping them secret isolates her further. Will listening to these voices lead her to the one voice she craves—her brother's—or will she follow them down a path to her own destruction?

Football has been good to Drew. It's given him recognition, two National Championships, and the Heisman. But what he really craves is sexy yet prickly Anna Jones. Her cutting humor and blatant disregard for his fame turns him on like nothing else. But there's one problem: she's shut him down. Completely. That is until a chance encounter leads to the hottest sex of their lives, along with the possibility of something great. Unfortunately, Anna wants it to remain a hook up. Now it's up to Drew to tempt her with more: more sex, more satisfaction, more time with him. Until she's truly hooked. It's a good thing Drew knows all about winning. All's fair in love and football...Game on.
