

Beneath The Ice (Gansky, Alton)

Based on Ephesians 6:10–18, *The Prince Warriors* is the first book in an epic middle reader series that brings to life the invisible struggle occurring in the spiritual realm.

A girl discovers her geneticist father is covering up multiple secrets—all of which are named Jason. Jason 3:3—known as Martyr—always believed his life had purpose. As one of the hundreds of clones living in a closed-off underground facility beneath an Alaskan farm, he has been told his genetics hold the key to saving humanity from an airborne pandemic aboveground, and his purpose will be filled on his upcoming eighteenth birthday. The problem is no such pandemic exists. Unaware of the truth, Martyr wishes for one glimpse of the sky before his expiration date arrives. His escape leads him to the home of one of the scientists, and to Abby Goyer. As she helps Martyr, she can't help but notice his uncanny resemblance to the high school quarterback. Abby soon uncovers the dark truth behind Jason Farms and her dad's work, and decides to show Martyr his true value and worth. As Martyr learns the truth behind his existence, he must decide if his God-given purpose is connected to the farm, or if it rests in a life with Abby.

Perfect for fans of emotionally charged, sexy reads, *Dirty Boxing*, the first installment in the *Blood and Glory* series, is full of “tons of emotion and heat” (Molly O'Keefe, USA TODAY bestselling author), and reveals that the mixed martial arts battles waged inside the octagon are second only to the battles fought in the name of love. After an unstable childhood, Jules Darcy is very familiar with the risks of falling in love. And as an adult, she's never let herself forget just how high those stakes can be. That's why she ran away a year ago after her fling with MMA fighter Nick Giannakis quickly got serious. But when she jumps at the opportunity to reconnect with her dad by accepting a job with his growing fight league, she's stunned to learn the abs, the chiseled arms, and the rock-solid punches she has to market belong to none other than her former fling. Unable to run away from the sexy middleweight this time, Jules vows to keep things strictly professional. But one look at Nick, and her resolve starts to crumble.... The last thing Nick expects when he signs with the prestigious World Fighting Championship is that he'll have to work with the only woman who ever broke his heart. Desperate to hide the pain she caused him, Nick vows to keep his distance from his gorgeous ex. But when he realizes their intense chemistry hasn't faded after a year apart, he wonders if they could have a future together, even if dating the boss's daughter could complicate his bid for the championship belt. Under the bright lights of Las Vegas, in the world of high-stakes prize fighting, they'll have to take a risk and decide if their love is worth fighting for.

“Fresh. Fascinating. Unforgettable. *The Butterfly and the Violin* is a masterpiece of a debut.” —Laura Frantz, author of *Love's Reckoning*. . . impossible to put down.” —RT Book Reviews, 4 1/2 Stars, TOP PICK! A Mysterious painting breathes hope and beauty into the darkest corners of Auschwitz—and the loneliest hearts of Manhattan. Manhattan art dealer Sera James watched her world crumble at the altar two years ago, and her heart is still fragile. Her desire for distraction reignites a passion for a mysterious portrait she first saw as a young girl—a painting of a young violinist with piercing blue eyes. In her search for the painting, Sera crosses paths with William Hanover—the grandson of a wealthy California real estate mogul—who may be the key to uncovering the hidden masterpiece. Together Sera and William slowly unravel the story behind the painting's subject: Austrian violinist Adele Von Bron. A darling of the Austrian aristocracy of 1942, talented violinist, and daughter to a high-ranking member of the Third Reich, Adele risks everything when she begins smuggling Jews out of Vienna. In a heartbeat, her life of prosperity and privilege dissolves into a world of starvation and barbed wire. As Sera untangles the secrets behind the painting, she finds beauty in the most unlikely of places: the grim camps of Auschwitz and the inner recesses of her own troubled heart. “In her historical series debut, Cambron expertly weaves together multiple plotlines, time lines, and perspectives to produce a poignant tale of the power of love and faith in difficult circumstances. Those interested in stories of survival and the Holocaust, such as Eli Wiesel's *Night*, will want to read.” —Library Journal, starred review. . . debut novelist Cambron vividly recounts interwoven sagas of heartache and recovery through courage, love, art, and faith.” —Publishers Weekly Includes Reading Group Guide

Experience the Nightmare of a Perfect World Welcome to America: where every school child is completely healthy; where an all-embracing church speaks only of unconditional love and acceptance; where diseases once thought beyond reach have been conquered; and where those who have lost loved ones receive soothing messages of hope. Yet beneath the surface of this seeming utopia lies a horrifying darkness. In a world long since reshaped in the wake of 9/11, Matthew Bridger, president of the United States, Bryson Lawe, a Secret Service agent, and Karen Foley, a Christian activist must face the atrocity the American dream has become. Life has lost its value, deception is epidemic, and in a nation of more than three million square miles, there is no room for God. As a Russian oil embargo jeopardizes American petroleum reserves, a massive terrorist strike forces the United States to withdraw its support of Israel. Finally given their long-awaited opening, enemies of the Jewish state attack, igniting a war that threatens to sweep the globe. Amid the escalating chaos, Bridger, Lawe and Foley race to uncover the truths that will secure their survival—and that of America itself.

A Practical Guide on How to See in the Unseen Realm

The Incumbent

Is it possible the United States, a superpower without peer in history, might not be a key player as the world makes its way down the road to the Battle of Armageddon? This is the central

question explored by prophecy expert Mark Hitchcock in *The Late Great United States*, a fascinating behind-the-headlines look at numerous current events and how they relate to what the Bible says about the last days. Americans are accustomed to seeing their country center stage as a world power, but as Hitchcock carefully details, this may not be the case in the final scene. Based on extensive research of the Bible and other sources, *The Late Great United States* provides compelling and often surprising answers to questions like these: •Does the Bible say anything about America in the last days? •How could the U.S. fit into God's prophetic plan? •Will America survive? •Might the anti-Christ come from America? •Could America's addiction to oil be her undoing? •Will America be destroyed by a nuclear attack? •Could America fall from within as a result of moral corruption? •Is America still a "blessed" nation? •How should individual Christians respond to a world in chaos? Regardless of America's final fate and the outcome of dire events at the end of the age, Hitchcock urges us to find our hope in a God who will not forsake us—no matter what cataclysms we experience on earth. From the Hardcover edition.

Myers, Peretti, Hunt, and Gansky Offer Latest Harbingers Volume Cycle Three of the Harbingers series offers more suspense, more chills, and a deeper look into the battle for light in a growing darkness. In Myers's "Leviathan," the team heads to Hollywood for a taping of the new TV pilot, *Live or Die, the Ultimate Reality*. Little do they realize the depths of darkness they are about to enter—a darkness that, unless they stop it, will soon spread across the globe. Frank Peretti's "The Mind Pirates" offers a rousing story featuring bizarre visions and memories of a murder, a kidnapping by 17th-century pirates, and an earring with mysterious powers. The team must overcome the ruthless scheming of an evil, hidden nemesis. In "Hybrids" from Angela Hunt, the sight of two children chills the team to their bones. Seeking rest and relaxation, the four friends must instead find answers to the arrival and mission of two mysterious black-eyed children. In "The Village" from Alton Gansky, a visit to a guarded and secretive small town in North Carolina becomes the most challenging mystery they've ever faced—as they race to solve a problem they barely understand before time runs out.

HOW FAR WOULD YOU GO TO SAVE THOUSANDS OF LIVES? WOULD YOU BREAK THE LAW? LIE, CHEAT, STEAL? WOULD YOU KILL? After an event that shattered his world, David O'Neal courageously sets out to rebuild his life as a speech writer for Barrington Relief's wealthy and powerful founder—a man committed to bringing food, medicine, and help to thousands around the world. A man capable of great compassion...and tremendous fury. Then suddenly, David realizes AJ Barrington is much more dangerous than he appears. DO THE ENDS EVER JUSTIFY THE MEANS? A blanket of peace has settled on much of the world, yet many regions are still bathed in violence and pain. In Somalia, East Africa, a warlord named Mahli and his followers are about to implement a plan that is as insidious as it is deadly—unless they are stopped by Barrington, who is willing to pay the ultimate price. Pressed by the FBI and CIA to provide evidence of Barrington's illegal activity, David O'Neal finds himself in a maelstrom of danger and intrigue in this story about one man who will stop at nothing—not even violence—to reach his goal...and another who must decide if wrong can ever be right. Running for congress is hard work for Madison Glenn. But she never expected it to be murder. Running the coastal city of Santa Rita. Campaigning for a congressional seat. Staying one step ahead of a high-powered corporate broker's demands. Life couldn't get more difficult for Mayor Maddy Glenn—or so she thinks. Enter three murders in three days. Rumors fly of a serial killer at large, and the press has a field day with Santa Rita's embattled mayor. Especially when a strange pattern emerges: the victims were all fans of a radio talk show whose enigmatic host specializes in the weird and unusual. Coincidence or clue? For Maddy, the search for answers is about to become personal. Refusing to play it safe, Maddy is caught in a lethal game in which seconds count. But even her renowned grit and tenacity—and her emerging faith—may not be enough to prevent more brutal deaths. Including her own. Praise for Alton Gansky's *The Incumbent*. Perry Sachs, vice president and senior project manager for Sachs Engineering, is renowned for overcoming seemingly impossible challenges--those which others in his field deem insurmountable. But when Perry and his team are called to Antarctica for an excavation job, the scoreboard is reset--and it's anybody's game. It's a game in which severe conditions, unexpected tragedy, unknown threats, and the rise of a mysterious adversary have escalated the stakes to a deadly level.

Shelly White, a small-town girl from Georgia, has her life forever changed when she is diagnosed with cancer at the age of 8. Her miraculous recovery from a malignant tumor at St. Theresa's Children's Hospital in Atlanta, and watching her roommate die, puts her on a path to wipe out cancer in her lifetime so no one else has to suffer. Her only true love as she grows up is the children she now calls her patients, until a chance meeting with a local advertising executive, Nick Harris, blossoms. With a savvy marketing campaign, together they find out there is one man who may have the formula to eradicate the disease. But time is running out. The elderly man is in hiding as he knows his life is in danger. His secret could put thousands of people out of work and destroy the riches of many pharmaceutical companies. Shelly and Nick will need to go all the way to the top for favors if they are ever to find the elderly man--and the cure for cancer. Author Mark Spinicelli and ghostwriter Kevin Fritz bring real-life experiences and emotions into the body of this novel, as cancer has sadly taken the lives of many of their family members. Mark lost his sister, Kristin, who was much too young, and Kevin has lost his father, aunt, uncle and grandmother to the disease. *Catching A Miracle* was created to offer hope to those who are afflicted with

this disease, as well as those who endure watching the pain and suffering, and eventually the life slipping away from their loved ones. The notion of giving hope that a cure is out there is not far-fetched, which could turn this fictional read into reality. A report in 2011 claimed scientists at the University of Alberta, in Edmonton, Canada, discovered the cure, but it has yet to materialize. Israeli scientists have found rat cells secrete a substance that destroys cancer cells in humans. There is hope, and they can see the light. The relative deprivation construct has been widely used in the social sciences to explain phenomena from experiencing psychosomatic stress to participating in urban riots. It is currently a valuable tool in research, being used especially to understand processes of social identity and responses to disadvantage by both disadvantaged minorities and privileged majorities. Originally published in 2001, this book assembles chapters by leading relative deprivation researchers in order to present comprehensive synthesis of knowledge. Featuring integrative theoretical and empirical work from social psychology, sociology, and psychology, the book provides a highly detailed reference work. It is relevant to researchers in intergroup relations, prejudice, racism, social identity, group processes, social comparison, collective behavior, and social movements. The book will be of value to anyone with an interest in the topic and its practical application.

What if praying became a curse instead of a blessing? Former Army Ranger Jagger Baird thought he had his hands full with the Tribe—the band of immortal vigilantes fighting to regain God's grace by killing those opposed to Him. But that was before he encountered the ruthless group of immortals called the Clan. The Clan is after a prize that would give them unimaginable power—a piece of the Ten Commandments known as the Judgment Stone. Those who touch the Stone can see into the spiritual world: angelic warriors, treacherous demons, and the blue threads of light that signal the presence of believers in communion with God. By following the blue beam radiating from those closest to God, the Clan plans to locate His most passionate followers and destroy them. Jagger quickly realizes his high-tech gadgetry and training are no match for these merciless immortals. But how can he defeat an enemy who hunts believers through their prayers . . . and won't stop until they've annihilated all those close to Him? In this high-action thriller, best-selling author Robert Liparulo examines the raging battle between good and evil on earth . . . and beyond. Four Bestselling Authors Team Up for Thrilling Supernatural Suspense Gathering four stories from four bestselling author friends, Invitation is the first collection in the ongoing Harbingers series. In "The Call" by Bill Myers, four strangers are drawn together to help a student at the mysterious Institute for Advanced Psychic Studies. His gifts are supposedly being honed to assist world leaders . . . but there are some very disturbing strings attached. Frank Peretti's "The Haunted" confronts a supernatural mystery, a case of murder, and an exploration into the darkness of the human heart, all centering around a mysterious house. In Angela Hunt's "The Sentinels," animals around the world are mysteriously dying. What could it mean? When the tragedy begins to touch Andi's dreams, she discovers a terrifying theory. "The Girl" by Alton Gansky is a gripping tale of a young barefoot girl found holding a scroll in the snowy Oregon mountains. She is sweet, innocent--apparently not of this world--and something wants to kill her.

In beautiful San Diego, California, Tank and the team are attending a party when a supernatural mist unlike any other rolls over the city. There are things in the fog. Ugly things. Vicious things that kill whatever they find. When one team member realizes the fog is bringing death, will the ultimate sacrifice have to be made?

Are we on the verge of a great apostasy in the church? "For a time is coming when people will no longer listen to sound and wholesome teaching. They will follow their own desires and will look for teachers who will tell them whatever their itching ears want to hear. They will reject the truth and chase after myths." —2 Timothy 4:3-4 Jesus Christ is coming back. It is certainly a Christian's greatest hope during these difficult times. The Bible warns us that the last days will be tumultuous—wars and rumors of wars will spread (Matthew 24:6). In our age, the world seems to be spinning out of control, creating fear, confusion, and uncertainty. In addition to violence, pestilence, and epidemics, the Bible predicts a great "falling away" from God in the end times. Bible teachers call that "the great apostasy." Are we seeing evidence today in the church of this massive rejection of sound and wholesome teaching? Bestselling authors Mark Hitchcock and Jeff Kinley team up to examine the evidence from the teachers of our time. Are today's teachers allowing people to follow their own desires by telling them what they want to hear, as the Bible clearly predicts? Are major portions of the church ready to abandon sound and wholesome teaching? Together, Mark and Jeff explore alarming trends among today's church leaders and they are simply stunned by what they discover. The great apostasy is coming, but is it closer than we imagine? What does that mean for the future? Let Mark and Jeff be your steady guides to the difficult days ahead.
