

## Big Machines (Turtleback School Library Binding Edition) (DK Readers: Level 1)

**Salt & Straw is the brainchild of two cousins, Tyler and Kim Malek, who stumbled into ice cream making. But that stumbling is what made them great. With barely an idea of how to make ice cream, they turned to their friends for advice- chefs, chocolatiers, brewers, and food experts of all kinds, and what came out is an ice cream company that sees new flavors and inspiration everywhere they look. Using a super-simple ice cream base you can make in about the time it takes you to decide on a scoop in their shop, here are dozens of their most beloved, innovative, (and a couple of their most controversial) flavors, like Sea Salt with Caramel Ribbons, Roasted Strawberry and Toasted White Chocolate, Roasted Parsnip and Banana, Buttered Mashed Potatoes and Gravy, and Olde People. But more importantly, this book reveals what they’ve learned, how to tap your own creativity and how to invent flavors of your own, based on whatever you see around you. Because ice cream isn’t just be a thing you eat, it’s a way to live.**

**Lucy has told so many monster stories that her friends and family are sick of them. When Lucy discovers a real monster, no one believes a word she says. Too bad the monster knows who Lucy is...and is coming after her next.**

**The infamous, Most Wanted Goosebumps characters are out on the loose and they’re coming after you! Catch them all, undead or alive! It doesn’t take long for Tommy to find out he’s in big trouble. His whole family is obsessed with winning and he’s being sent off to a special camp to help make him into a “winner.” When Tommy gets there, he sees that something isn’t right. All of the kids are so competitive. It’s almost like their lives depend on it. Can Tommy survive The Final Exam?**

**The shocking conclusion to Brandon Sanderson’s Legion novella series, on its own for the first time. Stephen Leeds is perfectly sane. It’s his hallucinations who are mad. A genius of unrivaled aptitude, Stephen can learn any new skill, vocation, or art in a matter of hours. However, to contain all of this, his mind creates hallucinatory people—Stephen calls them aspects—to hold and manifest the information. Wherever he goes, he is joined by a team of imaginary experts to give advice, interpretation, and explanation. He uses them to solve problems . . . for a price. When Stephen gets an unexpected cry for help from the woman who taught him how to control his aspects—right when one of his aspects suddenly and violently disappears—it will send him on a case the likes of which he could never have imagined. At the Publisher’s request, this title is being sold without Digital Rights Management Software (DRM) applied.**

**A little mouse who dreams of the moon, travels to the Smithsonian Museum where he learns about the history of mouse aviation and begins preparing for his own journey into outer space.**

This fast-paced action novel is set in a future where the world has been almost destroyed. Like the award-winning novel Freak the Mighty, this is Philbrick at his very best.It's the story of an epileptic teenager nicknamed Spaz, who begins the heroic fight to bring human intelligence back to the planet. In a world where most people are plugged into brain-drain entertainment systems, Spaz is the rare human being who can see life as it really is. When he meets an old man called Ryter, he begins to learn about Earth and its past. With Ryter as his companion, Spaz sets off an unlikely quest to save his dying sister -- and in the process, perhaps the world.

Mortal Engines launched Philip Reeve's brilliantly imagined creation, the world of the Traction Era, where mobile cities fight for survival in a post-apocalyptic future. The first instalment introduces young apprentice Tom Natsworthy and the murderous Hester Shaw, flung from the fast-moving city of London into heart-stopping adventures in the wastelands of the Great Hunting Ground. Repackaged with a stunning double cover and eye-catching new look that features the famous recycled 'Old-Tech' of Reeve's fantastic world.

He's faster than fast food! Crispier than Chex Mix! He's . . . . Super Chicken Nugget Boy! When Fern Goldberg arrived at Bert Lahr Elementary School, he was just an average kid: nearsighted, a touch on the skinny side. Then he fell into the pool of radioactive green goo behind Bogie’s Burger Barn. Now whenever his skin comes into contact with condiments, he transforms into a bona fide, deep-fried superhero who’s not afraid to take on villains great and small, from the class bully to the giant, mutated French fry who threatens to crush the whole school beneath his massive, starchy feet . . . . Villainous vegetables beware! Here comes the most formidable food fighter in history!

The top cat in a household is reluctant to accept the arrival of a new kitten but decides to share various survival secrets with it.

A brand new Goosebumps arc narrated by the most iconic and evil character of the series, Slappy! Robby and his sister Karla beg their parents to take them to a big carnival that has opened on the other side of town. When they arrive, the two kids are delighted by the rides, the sideshow, the interesting displays, and the great food booths. They wander away from their parents and find themselves at a less-trafficked area at the back of the carnival. Inside a large penned-in area, they see a dejected-looking boy about their age sitting on the grass. A sign on the tall metal fence reads: PLEASE DO NOT FEED THE WEIRDO. The kids are reluctant to disobey the sign, but the boy seems really nice. Karla hands him her cone through the fence. He thanks her very politely. He eats the ice cream, delicately at first, then ravenously, noisily-and as Robby and Karla stare in horror, he transforms into a raging, hairy beast.

A New York Times Editor’s Choice! One of the LA Times’s 10 Books to Add to Your Reading List One of Book Culture’s Most Anticipated Reads “A bighearted, widescreen American tale.”—Kirkus Reviews (starred) “Masterpiece...the quintessential Great American Novel.”—Booklist (starred) “A vivid mosaic.”—BookPage (starred) Jonathan Evison’s Small World is an epic novel for now. Set against such iconic backdrops as the California gold rush, the development of the transcontinental railroad, and a speeding train of modern-day strangers forced together by fate, it is a grand entertainment that asks big questions. The characters of Small World connect in the most intriguing and meaningful ways, winning, breaking, and winning our hearts again. In exploring the passengers’ lives and those of their ancestors more than a century before, Small World chronicles 170 years of American nation-building from numerous points of view across place and time. And it does it with a fullhearted, full-throttle pace that asks on the most human, intimate scale whether it is truly possible to meet, and survive, the choices posed—and forced—by the age. The result is a historical epic with a Dickensian flair, a grand entertainment that asks whether our nation has made good on its promises. It dazzles as its characters come to connect with one another through time. And it hits home as it probes at our country’s injustices, big and small, straight through to its deeply satisfying final words.

In this gripping and memorable middle grade fantasy from Newbery Medal–winning author Robert C. O ’ Brien, good and evil are locked in battle and the balance between the two can only be restored by one young girl ’ s determination to set things right. “ It lay beside her on the pillow, shinier than silver, glowing softly, with twinkling blue stones set all around....It did not occur to her to wonder from whom it had come; she was merely aware that it was hers by right. ” Ellen awakens one morning with a mysterious silver crown on the pillow beside her. What magic powers it possesses she has not yet discovered, but the sudden changes in her life are unmistakable: her house is burned down, her family has disappeared, and a man in a dark uniform is stalking her. Can Ellen ever find her family? Can she use the power of the silver crown to thwart the powers of darkness? What diabolical force hides inside the mysterious castle in the woods?

Marty gets to keep Shiloh! He wasn ’ t able to rescue all the dogs that Judd Travers mistreated, but at least Shiloh is safe . . . right? Not necessarily, it turns out. With hunting season approaching, Judd has started drinking again, and hunting on the outskirts of Marty ’ s family property. What if Judd tries to take back Shiloh? What if one of Marty ’ s sisters gets in the way of Judd ’ s shotgun? It seems only a matter of time before something goes very wrong. The thing is, Marty knows a secret about Judd that no one else does, and if anything terrible happens, he will never be able to forgive himself for keeping quiet. Is it time for Marty to speak up? And can he find the courage to do so, before someone he loves gets hurt?
