day. Now, I have rules, three simple rules: I don't do dinner, they never come to my place, and I never stay the night. Until I met the tantalizing Amy and she turned everything upside down. When the question became his place or mine, I ran back to my computer to pick another. My sister convinced me to try shock therapy - a one-night stand to get over my phobia. One night without inhibitions and never see him again, that was the plan. Simple enough, right? The next day, he walked into my meeting. Suddenly things weren't simple anymore. From USA Today Bestselling Author Blair Babylon . . . Book 1 in the Brand New Billionaires in Disguise: Maxence Series . . . " Phenomenal read!" "A can't put it down book for me." "Now THIS is what I consider phenomenal writing!" "Simply genius." "Oh, I am in love with Maxence!" Her ex-boyfriend was supposed to propose in Paris, but instead, he swindled her out of every penny she owned. Now, the hottest man she 's ever seen swoops in, rescues her, and has an indecent proposal to get her on her feet, and on her back, and on her knees. FML. I will never believe anything a man tells me, ever again. Even if he is a 6-feet-4, hot, ripped, handsome as a movie star, filthy rich billionaire. I was a good girl with nothing left to lose, literally. My ex-boyfriend had stolen everything except a non-refundable plane ticket to Paris, so I got on the plane without him. After that, it was understandable that when I started drinking, things got a little out of hand. Luckily, a man intervened. He was so ripped that I could see every thick muscle of his abs, obliques, chest, and arms through the tight tee shirt he

was wearing. He towered over the guys who were bothering me, and they backed off. I took him back to my hotel because I was full of drunken, bad decisions that night. The last thing I needed was a man who wanted to save me when I was trying to do all the wrong things. I hope you enjoy this starter book for Rogue, Billionaires in Disguise: Maxence #1! "Maxence is everything I love in a romance novel - a whipsmart man with an anguishing call to serve that conflicts with his love for Dree. I was spellbound!" - New York Times bestselling author Julia Kent ~"What a wild and sexy race through Paris! Rogue masterfully combines nail biting suspense with high steam for the ride of your life with Maxence and Dree." ~USA Today bestselling author JJ Knight ~ "Another masterpiece from Blair Babylon, who I am convinced keeps getting better and better. Max is not at all as I'd imagined him, and really it's no wonder, since he has been forced to repress who he is. The real Max keeps popping up his head, doing real-Max things that the other Max wishes he wouldn't do. He struggles with his inner demons to be a Godly man, but he hasn't quite figured out how to balance the different parts of himself, and as a result, tortures himself. He is a man searching for himself, impeded by too many bad guys who wish him harm. It's hard to focus on self-actualization while trying to simply survive without

getting yourself killed." -- E.C., Goodreads Reviewer ~

The Breath of Life Book Blog ~ "Good gosh!

Author Blair Babylon is a master at building suspense. I have been eagerly awaiting Maxence's story for YEARS. Finally it arrives and I am practically salivating as I tear into the book, excited that I will finally learn the truth about the elusive Maxence. As I am reading, I am finding that Maxence's unveiling is happening at the rate of an excruciatingly slow strips tease. The end of "Rogue" finds me with almost as many questions regarding who Maxence is as the beginning of the book-- but I promise that slooowly he is starting to be unveiled. One thing that is made abundantly clear is that Maxence lives two polar opposite lives and this results in my finding myself even MORE intrigued by him. Now

THIS is what I consider phenomenal writing!" -- Lil Miss Reads A Lot Book Blog

A Game of Billionaires

Hacked for Love

Book 1 - The Secretary's Seduction (A Standalone Billionaire Boss and Secretary Love Story) The funeral was short. Laurel was surprised that she cried during the service. It had been small, primarily populated by Laurel and her husband's family. He didn't have many friends and she had no family to speak of so the service was short and sweet. The sky was unbearably bright and they held the service in the late afternoon. Maybe not a sweet funeral, but it was short. Richard Ericson had died at the age of thirty five of a massive heart attack. He had grown larger during the last five years of his life and made no effort to remain healthy despite the fact that he nagged at Laurel constantly to maintain her beauty for him. Richard and Laurel had lived quietly

side by side, she kept the house and he went to his office job from eight to six. He came home and she had dinner ready. They never had children. There was little love in the marriage. Because there was such little love Laurel was surprised when a few tears slipped out as Richard was lowered into the ground. Her mother-in-law patted her briskly on the shoulder. The woman's face was tight and devoid of emotion as she gave her a stiff hug. Without another word she walked to where her husband stood, a somber man. The two made a lovely emotionless pair. Her mother and father-in-law were silent and shed few tears. There was little love in the family as well. Book 2 - Saved by the Billionaire (A Standalone Billionaire's Second Chance Love Story) The sun was rising, gently pouring into my bedroom. I stretched out in the sheets, feeling them beneath my fingertips. They felt better this morning - softer and nicer. I had met a boy. It sounded silly but I had. Not my type either. There was no way around the fact he was a dork. A nerd. Silly and flustered when he spoke to me, trying to make eye contact but failing because I was a cheerleader. And I loved it. He was so adorable that I couldn't stand it. On a whim and three drinks later, I had given him my number in hopes he'd contact me. Book 3 - Second Chance with the Billionaire (A Standalone Billionaire Romance Short Story) Breanna and Josh are two college students who are madly in love. Sarah is Breanna's best friend and roommate. Josh is a computer science student and Breanna is a cheerleader on a scholarship, Josh is the valedictorian as well. The three of them graduate together

and start their new lives. All goes well for Josh and Breanna in their new life, until the unexpected happens. They thought they had forever but when Josh gets something that he always wanted, something he needs, a hard decision has to be made. Book 4 - The Actress (A Standalone Billionaire and Actress Erotic Romance Novel) As Jan looked up the address of the hotel nearest LAX, LA's airport. A casting call looking for young female leads had caught her attention from the back of a literary magazine. She was going out on a limb, and it hit her now more than ever how much she was putting on the line to come out LA on the last of her savings as the plane touched down with the sound of squealing tires. When the landing lurched her forward she knew it wasn't just the excitement of a bumpy ride that was making her chest thump. Deep breathes and focused thoughts were something Jan used a lot of the time when she got anxious, it was something that she'd learned back many years ago. Cheerleading had taught Jane a lot, and often times her minds drifted back to the life lessons. Teamwork was something that few people in high school seemed to understand, besides maybe a few of the all star athletes. Jane learned it took others to really excel. She still believed that the individual was important, but she saw them as cogs in a larger framework of other cogs. WARNING: This collection which contains some very steamy love scenes. It is only appropriate for mature readers age 18+. Be careful whom you submit to. Lizzy is trapped. Mannix Bonfils and Theo Valencia have bought The Devilhouse. Her estranged parents keep calling, wanting her to quit

college to coach Olympic-level gymnastics, the life she escaped at sixteen. Mannix demands that she give up more and more control, and he becomes rougher, more frightening, with her. Her job is gone. Sports reporters stalk her college dorm, looking for the feel-good homecoming story she dreads. Mannix's sexual power games grow more disturbing every day, and someone tries to shoot them at The Devilhouse, narrowly missing Lizzy. Even though she wants to stay with Mannix, to grow stronger, to be loved, and to fulfill her commitment, everyone is telling her to get out, but they all seem to want something from her. When Theo offers to help her leave, should she stay with Mannix or go back to the prescribed life she thought she had escaped? Alex Donovan got things done, even if it meant bending the rules. As the President of Bellae cosmetics she was determined to make the company she shared with her sister the number one skin care brand for women and men. And when she landed the famous model, Madison Maxwell, for the Natural Girls line, Alex knew she'd gotten what she needed. Madison came with a stipulation, though ... Alex must date her smoking hot brother. Justin Maxwell may have had a luxurious upbringing in one of the premier families of the Hamptons, but after a tragic accident took his parents, he bowed out of the limelight to lead a simpler life. Running a motorcycle repair shop and tinkering his days away was all he thought he wanted. Until he met Alex. From the very start, sparks flew between Alex and Justin. The two opposites sizzled with sexual chemistry while their individual needs for control were tested. When the

relationship blossomed, Alex was determined to do what she knew best – get what she wanted. And that was to have Justin by her side, back in the world of glitz and glamour. But Justin’s reasons for dropping out of society life were much bigger than Alex anticipated, and when she figured that out, her plan had already been set in motion. Can she stop the very thing that could tear Justin from his private life and ruin their chance at love forever? billionaire romance, city romance, enemies to lovers, new adult, best friends brother

The Billionaire's Blind Date

Book One: The Billionaire's Bakery Karly has practically grown up in her family's bakery, originally opened by her grandmother, so it's a shock to realize that her father is thinking about selling it in order to pay for the bills. It would be easy to put off money worries, but they're made more desperate by the fact that her grandmother and dad are both having health problems, and the prospect of those medical expenses is hard to ignore. When Jacob walks in to talk to her father about buying the bakery and flipping it to another buyer for a profit,

it may be the answer to those money worries, but it's also a nightmare. She desperately wants to hate Jacob for intruding, but with the knowledge that it isn't his fault, it gets easier and easier to begin feeling chemistry with this man who's capable of wrecking all of her dreams. Before she knows it, she doesn't know whether to focus on Jacob or the bakery, or whether she should be heartbroken or happy, but one way or another, everything revolves around her bakery and this mysterious buyer. Book Two: The Billionaire's Date Ali feels like all of her friends are moving forward with life, and here she is, just standing still while the world moves by around her. On a whim, she signs up for a site that will allow her to travel by standing in as a companion for wealthy men who don't want to bother with relationships. Before she knows it, she's taking off for the weekend to fly to LA and be pampered by a businessman who's got nothing better to do with his money, and doesn't particularly like the idea of any sort of romantic entanglement. Before she knows it, though, she's been swept up by Cody's charisma and confidence, and he seems to be interested, as well. Reminding herself that the weekend will end and she'll get back on a plane, Ali tries to make the most of her weekend and her strange little vacation, but the further in she gets, the more she wonders if she'll really be able to leave behind all of the emotion and wonder it generates. One way or another, it seems it's going to be a life-

altering weekend... Book Three: How I Met a Billionaire Liam and Marie both lead smooth and fairly satisfying lives, though neither has any focus on relationships. Liam puts career and family above all else, just as Marie allows her life to be driven by her photography and her beloved dog. When the two run into one another after Liam's father notices Kiki, Marie's pit bull, however, things get complicated. Suddenly, Marie is too distracted to work, and Liam can't help but question whether his family really knows best. In just a few short days, the twosome's chance meeting has become an incredibly inconvenient matter of fate and infatuation. The question both have to face is whether that infatuation is something more real than anyone was prepared to suspect.

"The chemistry Wulf and Raegan have is amazing and the fact that they are both so stubborn makes their relationship funny at times. The series covers everything from finding out about the good, bad, and ugly of each other to meeting the family. There are raw emotions in these books." ~~Random Musesomy Book Blog This [Theo and Lizzy] series just takes my breath away. Breathless!!!! That's how this book made me feel from beginning to end. It was one of those books I just couldn't put down until some of my questions were answered. I was constantly on the edge of my seat anxiously hoping it would turn out the way I hoped. I had this same sense of anxious excitement from the very first book of this series and it has not left me yet. This book has you waiting with bated breath to see what happens next. I cannot wait for the next book. Ms Babylon is a genius, who proves every skeptic who says all romance novels are alike, wrong! A Fake Engagement Billionaire Romance

Diana Russo thought retiring early from her billion-dollar cosmetics company would give her time to find the love and happiness she'd set aside during the years she'd spent striving to be a corporate giant. But months after she'd handed Bellae off to her daughters,

she was lonely ... until Charlie Pierce stormed into her life. With a mischievous twinkle in his eye, he swept her off her feet for a whirlwind romance full of adventure. Charlie Pierce came from humble beginnings before he launched a successful online cooking network that propelled him into a life of luxuries he'd always desired. Unfortunately while his business flourished under his care, finding the kind of woman he wanted to spend his riches with seemed out of his grasp. The country club set of divorcees he encountered were more interested in cocktail parties and redecorating than experiencing the pleasure of sailing on the ocean or finding the best Korean barbeque New York City had to offer. When he discovered Diana, he knew he'd found the woman he wanted. All he had to do was convince her to take the chance. Diana thought Charlie was the perfect partner. He was attentive to her needs and sensitive to her insecurities, while exposing her to new pleasures in life. She was sure he was the man with whom she'd spend the next phase of her life. But when Charlie reveals a secret he's kept from her, her perfect world is shattered, and she has to determine if she can forgive the deception. seasoned romance, billionaire romance
