

Bloodhunter (Silverlight Book 1)

Only a few are brave enough to fall . . . When Raini desperately needed help, she went to the one person who she knew could save her dying friend . . . her secretive and ruthlessly powerful anchor grant him access to her life, yet he's still determined not to form the anchor bond with Raini. That rejection stings, even while she can't stop her body - or her demon - reacting to his presence. A breed of demon possessing angelic blood - and Raini knows he'll let someone close when hell freezes over. As a succubus, she's used to men wanting her uncontrollably - and used to having all the control on her strictly on his own terms, for the first time she can remember Raini's struggling to keep her own emotions in check. Yet when someone - or something - starts to target Raini, Maddox's pro. Suddenly he's finding it harder to keep his secrets and his distance, for nothing seems to matter as much as Raini. As the threat escalates into all-out war, they both have to decide: can they trust each other to fall? The next sizzling paranormal romance in Suzanne Wright's globally bestselling The Dark in You series What readers are saying about Suzanne Wright: 'The chemistry sizzles off the page' Netgalley review 'It's been two minutes since my last fix and I need Suzanne Wright to give me more' Edgy Reviews 'No words to describe how much I ADORE this extraordinary and magical romance' on Burn 'Sarcastic banter, a sexy alpha demon and his smart-mouthed heroine, an intense, highly passionate romance . . . I devoured this book from start to finish!' The Escapist Book Blog on Burn 'entertaining' Ramblings from this Chick If you love this book, make sure you check out the rest of THE DARK IN YOU series - find out how the sizzling story began . . . BURN BLAZE ASHES EMBERS "An English professor in California struggling for tenure discovers that her ex-fiancée has just become the president of her college--and her new boss--in this whip-smart modern retelling of Jane Austen's Pride and Prejudice. It started with a cruel twist of fate. Trapped in a dark world inhabited by savages and ruled by the corrupted --Duveessa finds herself bound to a tyrant. Day in and day out she bears witness to just how her husband-to-be truly is. His iron fist rule strikes fear in the masses. Reyes is ruthless and volatile --he incites both fear and inexplicable passion among those in his wake. Just as her feelings for Reyes grow, she learns nothing is at it appears to be. With already so much to fear, could there be something darker, more sinister lying in wait? Will Reyes dark secrets tear them apart? Authors Note: This series will have a nontraditional HFA. This series will start dark and grow darker, explicit sexual scenes, language and power exchange. If such material bothers you, please do not purchase.

After all she's been through, Rune Alexander thinks she can handle anything life may throw at her. But when a mysterious disease begins to destroy the River County Others, she must gear up for the worst she's ever seen. Trouble that may force her to leave her world for an unfamiliar, hostile place inhabited by a terrifying enemy. A world in which Damascus holds the power. Rune knows if she's pulled into Damascus, she must find her way back. But if she doesn't go, the Others will die. All Others. In book 6 of the Rune Alexander series, Rune must accept the fact that things are about to change. Decisions will be made that will either save or die. As always, Rune and Shiv Crew will fight like the warriors they are to defeat the evil, stay together, and keep each other alive. But this time, their fight will not be enough.

****THE SILVERLIGHT SERIES IS A REVERSE HAREM SERIES**** Six months ago Angus Stark was sent to prison, and no one on the outside has seen him since. Denied the visitor passes that would allow Trinity to see him, Trinity grows more desperate with each passing day, convinced something terrible is happening to him. She's not wrong. When the sentencing judge's wife goes missing, Captain Crawford brings Trinity a woman. She agrees to find Madalyn Bennett--if the judge will let her visit Angus. After her visit is granted, Trinity becomes even more convinced Angus is in trouble. With her sexy hunting partner and the judge's missing wife. Every single one of her supernaturals--her men--gather around her to help her free Angus Stark. Because the judge has agreed--if she finds his wife alive, he will give Angus his freedom. As he arise and the vampire master's hold on her tightens, Clayton's very existence is threatened, and Angus's situation becomes critical, Trinity discovers that battling demons and killing vampires might be the only way to solve her troubles... --- "5 stars. All the fucking stars." -- "This second installment is less dark than the first book but is a hell of a roller coaster. It's still very complex, fucked up, bloody, violent and the feelings of anger, love, tenderness, cruelty. Everywhere and in everyone. It's beautiful, painful and wonderfully done." -- "The love he shows during the book is almost too much to bear and definitely swoon worthy." -- "adorable. Never thought I would say that." -- "Dynamite, emotional, draining, exciting, heartbreaking, uplifting, exhausting and wonderful read. CARETAKER was a study in opposites and I loved it." -- "I loved the characters with the tragic history who require a lot of growth, and who are sexy as hell!" -- "Angus broke my heart multiple times in CARETAKER, but he remains one of my favorite characters. I love him." -- "He has become incredibly complex, and I can't wait to dive into what seems to be the deep well of darkness forced upon him." -- "I am most excited by Leo Trask. In some ways, he reminds me of Leo from May's NORA JACOBS series - the huge, dangerous, not outwardly gorgeous guy that is a protective marshmallow at heart." -- "I will also note that this reverse harem series is most definitely NOT your typical reverse harem. The most interesting is how the author handles the sex scenes. Yes, they can be dark and graphic and hot and overwhelming (uh, sex on a pile of vampire corpses anyone?)" -- "And as with BLOODHUNTER, the author is triggering issues in CARETAKER. It is violent, bloody, brutal and dark. You have been warned! But I would not miss this series for the world. It is beautifully rendered and completely engrossing. No one can stand the wait on Book 3? HIGHLY recommended!" DARK URBAN FANTASY REVERSE HAREM SERIES. May contain triggers for some readers.

The Grown-Ups' Crusade

The Players Club, Book 1

Shiv Crew

Playing with Temptation

Seventeen-year-old Klee's father was the center of his life. He introduced Klee to the great museums of New York City and the important artists on their walls, he told him stories made of myths and magic. Until his death.

This guide describes how to use Rapid Assessment and Response (RAR) methods to both profile local substance use and sexual risk behaviours, and to identify appropriate intervention responses in time and resource-poor settings. It aims to: help identify the relationships between substance use and sexual behaviour in the local area; describe adverse health consequences associated with these behaviours; assess capacity and opportunities for intervention development. The guide also contains an overview of current research knowledge and a list of additional supporting resources.

At an obscure South Carolina nursing home, a lost world reemerges as a disabled elderly woman undergoes newfangled brain-restoration procedures and begins to explore her environment with the assistance of strap-on robot legs. At a deluxe medical spa on a nameless Caribbean island, a middle-aged woman hopes to revitalize her fading youth with grotesque rejuvenating therapies that combine cutting-edge medical technologies with holistic approaches and the pseudo-religious dogma of Zen-infused self-help. And in a rinky-dink mill town, an adolescent girl is unexpectedly inspired by the ravings and miraculous levitation of her fundamentalist friend's weird grandmother. These are only a few of the scenarios readers encounter in Julia Elliott's debut collection, *The Wilds*. In these genre-bending stories, teetering between the ridiculous and the sublime, Elliott's language-

driven fiction uses outlandish tropes to capture poignant moments in her humble characters' lives. Without abandoning the tenets of classic storytelling, Elliott revels in lush lyricism, dark humor, and experimental play.

Is fate playing matchmaker? Missy Higgins isn't looking for a man, yet everywhere she turns, sexy Ben Wright pops up. A harmless flirtation, nothing more, until Ben wanders into the Christmas craft bazaar just as her horrible ex appears. It's Ben to the rescue as her fake boyfriend with a scorching kiss that leaves her breathless and weak in the knees. Mind. Blown. (Though she insists it's a onetime thing). But when Ben shows up just as she's getting fired and offers her a holiday job she desperately needs, she has to wonder if fate might be telling her something. Like screw professional boundaries, give in to uncontrollable lust, and let a man into her heart. How can she resist fate when Ben is irresistible? Happy Endings Book Club Series Book 1: Hidden Hollywood Book 2: Inviting Trouble Book 3: So Revealing Book 4: Formal Arrangement Book 5: Bad Boy Done Wrong Book 6: Mess With Me Book 7: Resisting Fate Book 8: Chance of Romance Book 9: Wicked Flirt Book 10: An Inconvenient Plan

Strange Trouble is BOOK THREE in the Rune Alexander series A baby necromancer calls her mother from the grave, starting a zombie infestation Rune and the crew are not prepared to handle. But as always, they jump headlong into battle--a battle that will lead into some of the darkest moments of Rune's life. Moments that will shatter her tenuous grip on sanity and make her long for the man whose abuse allowed her to function. And when she falls, the berserker is there to catch her. To bring her back. To give her what she needs. The zombies are just the beginning. Worse even than the zombies is what comes after--a nightmare witch named Damascus, a horrific decision, and death. Always, death. As she is given another jagged piece to the puzzle of her past, Rune knows that despite its best attempts, life doesn't have the ability to destroy her--though she offers it all the help it might need. With Strad Matheson and the crew behind her, Rune will stride through hell, horror, and the endless, black despair of her own mind to show the monsters why Shiv Crew is the scariest group of warriors they will ever face...

An Adventure for Characters of 11th-13th Level

Dragon Magazine Annual

An Ivy Years Novella

Supernatural superhero Rachel Morgan must counter a strange magic that could spell civil war for the Hollows in this sexy and bewitching urban fantasy adventure in acclaimed New York Times bestselling author Kim Harrison's Hollows series. Witch and day-walking demon Rachel Morgan has managed to save the demonic ever after from shrinking, but at a high cost. Now, strange magic is attacking Cincinnati and the Hollows, causing spells to backfire or go horribly wrong, and the truce between the races, between Inderlander and human, is shattering. Rachel must stop this dark necromancy before the undead vampire masters who keep the rest of the undead under control are lost and all-out supernatural war breaks out. Rachel knows of only weapon to ensure the peace: ancient elven wild magic, which carries its own perils. And no one know better than Rachel that no good deed goes unpunished . . .

Final book in the Silverlight series. Death, rebirth, change...and Darkness.Trinity struggles with her new reality, but her biggest challenge isn't the tug-of-war within. She must mature quickly to face a formidable opponent--a powerful man known as Darkness--before he destroys everything and everyone she cares about. He has one target in mind.The dragon.But in his pursuit of power, the enemy will threaten everyone in his path--including the most innocent of the supernaturals. Will Trinity bring the only light capable of defeating Darkness? Or will she lose herself, her sword, and her supernaturals to the one man who can extinguish the light in them all? **Lightbringer is the FINAL book in this series. Books are not standalone and must be read in order: Bloodhunter, Caretaker, Peacemaker, and Lightbringer.

MATURE YA. Ages 16 and up Sixteen-year-old Teagan realizes she's not exactly safe in her little town of Crowbridge, but she is surviving. She fights the few baddies who wander into her town, understands the importance of silence, and learns the true meaning of isolation. For two long, lonely years. Then, with the arrival of one strange little girl, everything changes. Teagan discovers just how isolated and sheltered she's been when the outside world stomps into Crowbridge, bringing with it darkness, death, and destruction. When something unspeakable occurs and changes everything she is, the hunted becomes the hunter as Teagan prepares to take back her world. She must conquer her demons as she begins her search for two things--the precious one she lost and the savage, evil beings who want to enslave her.

[Siren Allure ManLove: Erotic Alternative Romance, M/M, HEA] Geeky CAD technician Jack Monroe is bi-curious, but after he falls head over heels for a certain curly-haired construction surveyor, he's ready to admit he's gay. Too bad Alex James is straight and has a girlfriend who keeps him on a short leash. Jack is determined to meet other gay men, but after a few dates from hell, he's ready to give up. Then he meets Richard Caldwell, part owner of the exclusive Gentlemen's Club where wealthy members can make their dreams come true. Richard takes Jack under his wing and offers him a chance to act out his fantasy with an Alex lookalike. Nobody can replace Alex, but knowing the real thing is off-limits, Jack accepts the offer. When the real deal shows up, Jack is convinced that Alex is only there for the money. But sometimes dreams do come true. Note: This book was previously published with another publisher and has been extensively revised and expanded. ** A Siren Erotic Romance

"Player's Handbook 2 is the most significant expansion to the 4th edition Dungeons & Dragons game. This companion to the 'Player's handbook' core rulebook introduces the primal power source, which draws on the spirits that preserve and sustain the world. This book includes four classes tied to the primal power source: the barbarian, the druid, the shaman, and the warden. It also presents four new arcane and divine classes: the avenger, the bard, the invoker, and the sorcerer"--Back cover.

Wormwood Echoes

King of the Trollhaunt Warrens

Saving Emma

Strange Trouble

By the Book

A D&D Adventure for 11th-level characters. Designed to take characters from 11th to 14th level, this adventure pits the heroes against a variety of horrible monsters and fiendish foes as they seek to thwart the evil machinations of the denizens of the Trollhaunt Warrens. This adventure can be run as a stand-alone adventure or as Part One of a three-part series of adventures that spans 10 levels of gameplay.

First he tried to kill her. Now, he's obsessed with her. Six years ago Trinity Sinclair was the victim of a brutal vampire attack. The assault changed her into something she has only recently begun to understand, and connects her in unimaginable ways to her attacker. But the dominating vampire who attacked her doesn't want to kill her. He wants to keep her alive. Unfortunately, keeping Trinity alive won't be easy when nearly every vampire in existence wants her dead. As a Bloodhunter, she is one of the very few humans in the world who can give a vampire his true death--and there is nothing worse or more terrifying to a vampire than true death. Luckily for Trinity, she doesn't have to fight alone. She has a special sword and six protective people at her back-- The vampire master who attacked her, a mysterious hunter, and four incredible--and hot--supernaturals. And she is as passionately drawn to them as they are to her--emotionally and physically. Her unquenchable thirst for blood is matched by a primal, undeniable lust, and Trinity realizes she is in more danger of losing her heart and soul than she ever was of losing her life.

Obsidian Wings is book four in the Rune Alexander series. Gruesome murders begin to pop up in River County, and Rune is introduced to the bird shifters--to one bird in particular, a woman named Cree Stark. When she gets a whiff of the shifters' scents where COS had been executing a grisly sacrifice, Rune begins to suspect the birds know more about the slayers--and the twins--than they're willing to admit. Nothing is more important to Shiv Crew than finding Levi and Denim, but when Lex psychically connects with the twins, it isn't good news she brings back. As always, COS is at the center of it all. The world is beginning to look at the church differently, thanks to the tireless work of Bill Rice and others like him. The humans' acceptance is turning to fear. And what people fear, they hate. What the slayers are planning next will either finish them for good or give them everything they've ever wanted--Karin Love and unchallenged power. Rune and the crew race against time to save River County from the biggest monster they've faced yet. If they fail, the church will be closer than ever to their dream of creating an Otherless world. In Obsidian Wings, Rune hides a devastating physical weakness, makes an important choice in her love life, and gains a new understanding that will help her face the future. No matter what happens, their world is changing. The crew is growing. And so is Rune Alexander.

Ravaged by unfamiliar emotions and regretful of the choices she made, Rune Alexander begins life over back in River County, a place as harsh in its own way as the dark edge of hell from which she has returned. She must now fight in a changed world where the Others have been nearly obliterated and the humans are on the hunt to wipe out those who remain. Hurt in ways from which she will never recover, she struggles to remember who--and what--she is as she dives into savage battles with an incomplete crew and a heart scarred and battered by the savage, greedy world of Skyll.

To love a Dark One is to invite death... It is wrong to love her. It is worse to want her. It is sin to consume her. I desire all three. I've been given thirty days to prove my love to another immortal--as a human. Cursed to use nothing but the side of myself I've always despised to win her affection. I am Cassius, the King of the immortals, A Dark One. And today I tasted fear for the first time. How can I win her when my human emotions overtake every ounce of logic I possess? A darkness is brewing. One I cannot stop as a human. One that Stephanie, my love's visions, have shown will be my end. Thirty days ago I was King of the immortals. Today I know fear. Today I know how I will die. By her hand. The woman I love.

Shadowborn Series Book One

Bloodhunter

Recommended by Charlene Harris, author of the series that inspired HBO's hit series TRUE BLOOD, this new #1 Bestselling series will take readers by storm! They may have stolen my past, but I'll never let them take my future. When the walls between Man and Fae come crashing down, freeing the insatiable, immortal Unseelie from their icy prison, MacKayla Lane is caught in a deadly trap. Captured by the Fae Lord Master, she is left with no memory of who or what she is. Clawing her way back from oblivion is only the first step Mac must take down a perilous path, from the battle-filled streets of Dublin to the treacherous politics of an ancient, secret sect, through the tangled lies of men who claim to be her allies into the illusory world of the Fae themselves, where nothing is as it seems - and Mac is forced to face a soul-shattering truth. Collects top-selected magazine content from the past year, providing a range of character options for players as well as ideas and campaign-building support for Masters, in an official guide that is complemented by previously unpublished designer notes.

Spinoff is NASA's annual premiere publication featuring successfully commercialized NASA technology. For more than 40 years, the NASA Commercial Technology Program has facilitated the transfer of NASA technology to the private sector, benefitting global competition and the economy. The resulting commercialization has contributed to the development of commercial products and services in the fields of health and medicine, industry, consumer goods, transportation, public health,

computer technology, and environmental resources. Since 1976, Spinoff has featured between 40 and 50 of these commercial products annually. A Junior Library Guild Selection “Surreal, brainy, and totally captivating.” —Booklist (starred review) “Provocative and moving.” —Publishers Weekly (starred review) “Hutchinson artfully blends the realistic and the surreal.” —School Library Journal (starred review) From the critically acclaimed author of *We Are the Ants* and *At the Edge of the Universe* comes a mind-bending, riveting novel about a teen who was born to a virgin mother and realizes she has the power to heal—but that power comes at a huge cost. Sixteen-year-old Elena Mendoza is the product of a virgin birth. This can be scientifically explained (it’s called parthenogenesis), but what can’t be explained is how Elena is able to heal Freddie, the girl she’s had a crush on for years, from a gunshot wound in a Starbucks parking lot. Or why the boy who shot Freddie, David Combs, disappeared from the same parking lot minutes later after getting sucked up into the clouds. Other things that can’t be explained are the talking girl on the front of a tampon box, or the reasons that David Combs shot Freddie in the first place. As more unbelievable things occur, and Elena continues to perform miracles, the only remaining explanation is the least logical of all—that the world is actually coming to an end, and Elena is possibly the only one who can do something about it. She’s lived her life and it has been a good one. Marriage. College. A family. Slowly, though, life moved forward and left her at a standstill. Until the lawn boy barges into her world. Bossy. Big. Sexy as hell. A virile young male to remind her she’s all woman. Too bad she’s twice his age. Too bad he doesn’t care. She’s older and wiser and more mature. Which means absolutely nothing when he’s invading her space. ***All characters are of legal age.***

Untouchable Darkness

Resisting Fate

Point of Beginning [The Gentlemen's Club 1] (Siren Publishing Allure ManLove)

We, the Forsaken

Rosie's two best friends encourage her to gain some real life experience through online dating sites and blind dates before she writes her romance novel.

Game of Chance (Vegas Heat Series, Book 1)

Kidnapped then released deep in the woods, Brandi is being hunted by beasts straight out of a horror movie. But there's an even bigger, more vicious creature in the woods: the deadly werewolf who saves her life. Jason is much more than a man, dangerous and intimidating, and Brandi still finds herself wanting every unbelievably sexy inch of him. He's shocked to find his own kind hunting a human, but ends up even more stunned when he accidentally triggers a mating heat in the beautifully lush woman he saved. Overwhelmed with lust, Jason takes her, bites her, binds her to him forever ... Now he just has to break the news to Brandi.

The crew is back in BOOK TWO of the Rune Alexander series. Rune and the crew--some of them a little healthier, some of them a little more battered--take on new monsters and unbelievable surprises in *Blood and Bite*. While Rune is keeping her promise to Ellis and trying to get her mind fixed, the berserker goes away to take care of some business--mysterious business he doesn't share with Shiv Crew. What he brings back with him knocks the wind out of Rune and makes her question everything she thought she knew about Strad Matheson. But the worst is yet to come. With a mad vampire master she must destroy, a child she must save, and unimaginable screams from a past she has to ignore, Rune has her hands full. But there is always something new and terrible waiting in River County--waiting, it seems, just for her. Because just when she thinks she can't possibly handle one more terrible thing, she discovers a shocking truth about herself, her blood, and her bite.

His practice newly established, metaphysician Ned Mathey can't afford to turn away any clients. But the latest Londoner to seek Ned's magical aid gives him pause: Mr Edgar Nevett, an arrogant banker, is the father of the bully who made Ned's life hell at boarding school. Nevertheless, Ned accepts the commission to ensure the Nevett family silver bears no ancient or modern curses, and then prepares to banish the Nevett family to unpleasant memory again. Until Edgar Nevett is killed by an enchanted silver candlestick--one of the pieces Ned declared magically harmless. Calling on his old school friend Julian Lynes--private detective and another victim of the younger Nevett--Ned races to solve the murder, clear the stain on his professional reputation, and lay to rest the ghosts of his past. Assisted by Ned's able secretary Miss Frost, who has unexpected metaphysical skills of her own, Ned and Julian explore London's criminal underworld and sodomitical demimonde, uncover secrets and scandals, confront the unexpected murderer and the mysteries of their own relationship. In *Death by Silver* veteran authors Melissa Scott and Amy Griswold introduce a Victorian London where magic works, influencing every aspect of civilized life, and two very appealing detectives.

The Wilds

They say not to jump at shadows. That's all well and good, but what if you're being hunted by one? Trying to escape her past, Ari is working to atone for her actions and have a

normal human life. The only problem with that? She isn't human. Unlike most werewolves, she avoids as much contact with the supernatural world as possible, building a life for herself in the human world. Until one day her past catches up with her, and she is forced to immerse herself in the supernatural world. Offered protection from the local wolf pack, she is forced to accept it, but nothing in the supernatural world comes for free. For highly independent lone wolf Ari, this is her worst nightmare, especially as several Alpha males start vying for her affections. Ari will have to decide whether her independence is more important to her than her life. *Please note this is an 18+ reverse harem novel and may include triggers for some readers*

Gwen, Peter Pan, and the lost children must rally mermaids, fairies, and allies from other magical realms to protect Neverland from the Anomalous Activity Department. He's always hit them and quit them...Xander Richards, a winger for the Wisconsin Wendigos, has a reputation for never sleeping with the same person twice. Some say it's 'cause he doesn't have any heart, but if you asked him at his most honest it's because his heart isn't his own: he's hopelessly in love with his best friend and former linemate, who's now happily married and traded away to Seattle last season. Playing the ice has always come easy...When Xander asks out Jordan Darling, team trainer and massage therapist, he doesn't expect to get shot down. It's a first, but it only makes Xander that much more determined to make Jordan his. But Jordan wants a relationship, not just the one-night stands that make up Xander's sexual life. Just when he thought his heart was on ice, love comes skating in...What Xander doesn't know is that Jordan has been nursing an unrequited crush on him for over a year. Lonely without his best friend, when he finally opens his eyes to what is right in front of him, the chemistry is undeniable. And for once, it keeps Xander coming back for more. Is Jordan the other half of his heart? Will Xander put his player days and ways behind him? Or will he push Jordan away to find someone who deserves him? Find out in this steamy sports romance novel, filled with heart-stopping moments, heart-pounding sexual tension, and two hearts that just might be what the other needs.

When Raina Beck is given an invitation to The Players Club, all she wants is a night of decadence with a gorgeous, sexy stranger. The seductive, mysterious man she meets fulfills her deepest desires, giving her a night she'll never forget. But forgetting him isn't quite so easy. Logan Cruz prefers his women submissive and compliant in the bedroom...everything the independent Raina is not. Yet from the first moment he lays eyes on her, he's determined to make Raina his. Despite her resistance. When Logan is assigned to protect Raina from a stalker, everything between them changes and emotions run deep. Falling in love was never on Raina's agenda, but can she let go of the past and surrender the one thing he wants the most . . . her heart?

A woman deals with a strange and persistent sense of everything being slightly off, which may or may not be related to her scientist husband's pet project, a "causality violation device" that might actually be working.

Enjoy a FREE taste of the Ivy Years Series! A blind date. A nervous sorority girl. A mean-spirited fraternity prank. What could go wrong? As a sorority pledge, there are commandments that Katie Vickery must live by. One: thou shalt not show up for the party without a date. Two: the guy shall be an athlete, preferably an upperclassman. Unfortunately, Katie just broke up with her jerkface football player boyfriend. Even worse, her last encounter with him resulted in utter humiliation. She 'd rather hide under the bed than attend a party where he'll be. Yet staying home would mean letting him win.

Enjoying herself tonight was out of the question. She could only hope to get through the evening without her blind date noticing that he was spending the evening with a crazy person. Andrew Baschnagel is living proof that nice guys don ' t finish first. He ' s had his eye on Katie since the moment her long legs waltzed into his art history class. So when her roommate sets Andy up to be Katie ' s date, he ' d be crazy to say no. Unfortunately, he doesn ' t have a lot of practice with either girls or parties. Yet. I'm a PI hunting a missing girl. Instead, I find a magical realm where vampires and werewolves prowl. I need to find her before they do.

Rune Alexander captured a dangerous prisoner and turned her over to the Annex, unaware of the trouble that act would unleash on her Crew... A small, dangerous group has slipped into River County, determined to retrieve Lee Crane from the Annex. But Eugene has no intention of handing over his prisoner. Then the group takes something that's precious to Rune. Something that breathes, and cries, and bleeds. She pressures Eugene to make a trade--and prepares to take the decision out of his hands if he refuses. But when he unintentionally loses their leverage, Rune and her crew must race against time to

break down a wall of magic and save the battered life behind it. And that may not be possible. Not even for Shiv Crew.
