plan, to do list, calendar, week days planner and even a weekday account of your spending's part. Love it!! Perfect for someone who loves to be organised!" (Miss V, 11 Feb 2018) "Love this planner beautiful with lots of quotes for each week. High recommend for business or personal life..." (Sarah D, 31 March 2018) "Great little diary, full of inspirational quotes, plenty of places for notes etc..." (Carol Markillie, 5 Feb 2018) "I love this planner! Areas for menus, goals for week, to do list, shopping list and planner! It's brilliant!" (Nicola Lord, 3 May 2018) "... I am very very happy with my purchase as not only does it have the diary and scheduler but it also contains a lot of very useful extras with it. For example, included within are these pages, a whole calendar year view of 2018, contacts & info pages to write down contacts and numbers, password pages which have a number of 'website' 'user id' 'password' sections-this I found very useful... its a real pain to remember all of the passwords, so this I found great within just this one handy book! this book also contains a 'parties & celebration' page, it also contains a 'mood tracker' page with a key chart that you can colour in yourself ... ! The book then leads into a one month double page view which is a sheduler/planner, for listing commitments/appts and plenty of additional note space, then it has overleaf double page weekly spread with various sections to fill in which include 'Goals for the week', 'schedule', 'to do list', 'habits' ... 'notes', 'meal plan' ... 'shopping list', and 'expenses'

(this expenses section also has a weekly chart to fill in which is very handy if you are aiming or needing to budget your days). These pages follow throughout the rest of the book and at the back there is a 'notes' page, a 'what movie should I watch?' page ... 'books to read' which is a page illustrated like 3 book shelves with several book binders blank upon the shelves ... so you can fill in the blank binders with your read or to read book titles... It then has another full 'notes' page, followed by an illustrated page of a money jar titled 'savings goals' which has each month listed within the jar, jan-dec, (bottom to top), so you can record either how much you have saved that month or you can write in the amount you are aiming to save that month ... then followed by another full 'notes' page! As you can see this is not just a diary or a scheduler, this is all you could ever need for the entire year! It's cute, smart, soooooo useful, soooo worth the money, and all in just one handy book! I would definately recommend! And I hope that I am able to obtain one of these again for next year!" (StaceyIlg25, 13 Jan 2018)
