Max is convinced Maya doesn't like Foster, but thinks he can fix the problem if he can only get the two of them to spend some quality time together. Maya's feelings for Foster are complicated. She feels guilty for harboring an attraction to Foster, that borders on obsession, even though she's head over heels in love with Max. And Foster's good looks make her so nervous that she can barely manage to speak in his presence. No matter - these things tend to work themselves out when two rock hard alpha bad boys get their baby girl sandwiched between them on a tiny couch, in front of a blistering hot porn, while playing her with alcohol....

Hello, My name is Maya and I'm a sexaholic. Seriously, I need an intervention. There has to be some kind of 12 step program for people like me. Today, I had sex in public... at a rock concert... with one of my lovers, Max, while the other looked on from the stage. Foster is the lead singer and lead guitarist for The Infidels, a local indie band on the verge of breaking out. They're really hot right now - the music and the band. All five of them are alpha rockstar material. Including that smug bastard, Pace, who pushed me up against a tile bathroom wall, and kissed the brains from my skull, without so much as a by your leave. Prick. As if a monogamous ménage romance weren't enough to deal with, now I have a proposition - more like an ultimatum - from Pace, to consider. What in the hells did I ever do to deserve such a complicated sex life? To add to the chaos, I have an all access ticket to the band's dressing room, and the more time I spend in the company of Foster's charismatic bandmates, whose sexcapades are practically legendary, the more my lady bits want to be doing all of my thinking for me. It's so wrong, but I can't help it. I have an addiction. I don't know how much longer I'll be able to hold out. With all of this temptation around, it feels like I'm in the middle of my own bad boy rockstar reverse harem fantasy, and I'm not sure how I'll ever survive my BACK STAGE PASS...

So, what will happen when Jax falls for a beautiful reporter who is intent on keeping them apart? It starts with Heet asking her to pretend to be his girlfriend for an evening. What will happen next? Only Heet knows. JAX After eight years as a professional football player, an injury turned Jax Watt into someone who reported the sports instead of playing it. Did those secrets involve the way he felt about Heet, his college best friend and now boss? Did they involve Dani, the curvy co-worker he desperately wanted in his bed? Or, did Jax's secrets revolve around something from his past that threatened to destroy his life and the lives of everyone around him? Belle had been well on her way to global success as one of the most daring ballerinas of her time, when a catastrophic staging mistake crippled her. Unable to handle living amongst her one-time peers, Belle flees the city of Des Moines, pointing her car east with no destination. She drives until she runs out of gas for the second time, then, on a whim, decides to rebuild her life in the tiny town of Anderson, PA. Her welcoming committee consists of Ruger, her young, playful landlord who has been in love with her from afar ever since she made headlines on national stages. Though reluctant to be in such close proximity to a fan, Belle decides to rent a room in his lifestyle-style cottage. Still crippled from her accident, Belle is in need of a physical therapist. Being a small town, there is only one; and he has a deep and tangled history with Belle's starstruck landlord. As depression at the loss of her career threatens to swallow her whole, Belle pushes beyond her limits in a desperate attempt to regain the strength and ability she feels she's lost. Ruger has been back in town for a couple of years after his sudden and ill-planned escape six years earlier. His past follows him wherever he goes, and he can't seem to shake his obsession with his long-time ex boyfriend; the skilled and extremely hot Colt. Ancient hurts build walls between them, however, and the more impatient Ruger becomes, the thicker the walls become. Belle's arrival at his rental kicks off a journey of self-discovery that had been a long time coming, and his painful restructuring of self mirrors her own journey toward healing. They bond quickly, though neither of them can decide whether real feelings or desperation are driving their attachment. Colt has spent the six years since Ruger broke his heart bettering himself in every way. He put in the work, and became a better man for it. When Ruger breaks down one night, however, his self-control wanes. In addition to the sudden rekindling of the fire that he'd thought had gone out between them, Colt finds himself irresistibly drawn to Ruger's new tenant... who also happens to be his new client. Ethical questions and overwhelming lust drive them to do things they never would have considered before. Will they tear each other apart? Or will they find a way to balance their dysfunction, and create the set of mundane magic they all crave?

Teledildonics? What on earth is that? The two cherry farmers are about to introduce me to a new world I've never experienced before. After being unceremoniously fired, I wanted to leave the city. I took a seasonal job at a cherry farm to pick fruit. The slower pace was just what I needed to de-stress and get myself in a better frame of mind. I thought the cherry farmers would be a bunch of country hicks wearing overalls while chewing straw. But Huck and Hank are nothing like what I expected. The men have broad shoulders, wide chests, and huge, powerful cherrypickers. In fact, they want to pluck my cherry – using teledildonics. What? What in the world is teledildonics? It sounds like something naughty and filthy – and it is. Because Huck and Hank are no country bumpkins. These men run a virtual reality firm exploring the boundaries of love, and teledildonics is the next frontier. I shouldn't enjoy this. I came to the farm to escape technology and the stress of modern life. But soon, these dirty farmers are plucking my cherry over and over again – while leaving me with a baby along the way! Get your mind out of the gutter, you naughty girl! Okay, maybe let it stay there for just a bit longer because this is a filthy, technology-driven romance novella that will have you hanging onto your seat for more. Your hair will be on fire by the end of the read, but teledildonics will do that if you're not careful. Warning: This is a MMF bisexual romance, so swords absolutely cross. No cheating, no cliffhangers, and always an HEA for my readers.
