Journalist Walls grew up with parents whose ideals and stubborn nonconformity were their curse and their salvation. Rex and Rose Mary and their four children lived like nomads, moving among Southwest desert towns, camping in the mountains. Rex was a charismatic, brilliant man who, when sober, captured his children's imagination, teaching them how to embrace life fearlessly. Rose Mary painted and wrote and couldn't stand the responsibility of providing for her family. When the money ran out, the Walls retreated to the dismal West Virginia mining town Rex had tried to escape. As the dysfunction escalated, the children had to fend for themselves, supporting one another as they found the resources and will to leave home. Yet Walls describes her parents with deep affection in this tale of unconditional love in a family that, despite its profound flaws, gave her the fiery determination to carve out a successful life. -- From publisher description.

At head of title: Nickelodeon Blaze and the monster machines.

Blaze and the Monster Machines is Nickelodeon's new animated action-adventure series! It stars Blaze, a problem-solving truck that can transform into multiple machines, and his best friend and driver, AJ. This book is sure to thrill kids. This Nickelodeon read-along contains audio narration.

One of John Wideman's most ambitious and celebrated works, the lyrical masterpiece and PEN/Faulkner winner inspired by the 1985 police bombing of the West Philadelphia row house owned by black liberation group Move. In 1985, police bombed a West Philadelphia row house owned by the Afrocentric cult known as Move, killing eleven people and starting a fire that destroyed sixty other houses. At the heart of Philadelphia Fire is Cudjoe, a writer and exile who returns to his old neighborhood after spending a decade fleeing from his past, and who becomes obsessed with the search for a lone survivor of the event: a young boy seen running from the flames. Award-winning author John Edgar Wideman brings these events and their repercussions to shocking life in this seminal novel. "Reminiscent of Ralph Ellison's Invisible Man" (Time) and Norman Mailer's The Executioner's Song, Philadelphia Fire is a masterful, culturally significant work that takes on a major historical event and takes us on a brutally honest journey through the despair and horror of life in urban America.

"Hypnotic....It is ever tempting to try to fathom his restless spirit and his determination to challenge fate." —Janet Maslin, New York Times  
Herzog (Grizzly Man) is one of the most revered and enigmatic filmmakers of our time, and Fitzcarraldo is one of his most honored and  
films. More than just Herzog's journal of the making of the monumental, problematical motion picture, which involved, among other things,  
major cast changes and reshoots, and the hauling (without the use of special effects) of a 360-ton steamship over a mountain, Conquest  
Useless is a work of art unto itself, an Amazonian fever dream that emerged from the delirium of the jungle. With fascinating observations  
crew and players—including Herzog's lead, the somewhat demented internationally renowned star Klaus Kinski—and breathtaking insights  
the filmmaking process that are uniquely Werner Herzog, Conquest of the Useless is an eye-opening look into the mind of a cinematic
