They told 20-year-old Charlie O'Malley that they had a cure for the rare blood condition that would eventually kill her—an untested, experimental cure. All they wanted in return was for her to join their elite military team and train to kill the Undead. She took the deal, not because she cared so much about extending her life, but because it would make her strong—stronger than ordinary humans. Strong enough to kill the vampire who'd pretended to love her, taken her blood, used her body, and murdered her mother. Killion was the last of his kind, or so he thought. When he found Charlie, he felt the pull. She had the rare Belladonna Antigen all vampires had as humans. Vampires were compelled to protect those rare mortals they called The Chosen. But with Charlie, the bond was different, more powerful than anything he's felt before, and impossible to resist, even though surrendering to it will probably get him killed. Ancient vampire elders Rhiannon and Roland come out of exile, risking their lives to help their mortal friend Roxy reclaim her granddaughter. But before the tale ends, their lives will be forever changed. Join Maggie Shayne as she returns to her most beloved series of all time with this new beginning... Wings in the Night: Reborn

I'm supposed to be the Alpha's mate. Screw that. Since I was born, I was destined to be one thing—the Alpha's Mate. It should be every girl's dream. Not mine, though. He's too dark and damaged, and I've got a secret he can never know: I'm not a true wolf. Instead of waiting for him to figure out I'm an abomination, I left on my fifteenth birthday. But I didn't go far. No way in hell would I let him drive me from the town I love. Ten years later, I'm still hiding in plain sight. When I occasionally see him on the street—deadly, sexy, powerful—I just walk by. Keep my head down. Until that night. Wrong place, wrong time, and suddenly I'm accused of murdering someone from my old pack. And he's there. Blaming me. I've got one chance to prove my innocence and find the real killer, or I'm dead by shifter law. Fortunately, the Alpha doesn't recognize me because I'm no longer the same ugly duckling. He senses I'm special though, and he won't stop until he figures out the truth. But when he does, I'll be in danger from more than just the murderer.

In a world of suppressed magic, I'm an Unknown. Deadly power, little control. I'm only alive because I pay a Blood Sorcerer to keep me hidden. But when he comes to collect on the debt I can't pay, one of his goons slams me with a deadly curse. Suddenly, I'm out of options and out of time. When I'm given a rare chance to join the secretive Undercover Protectorate and train at their academy to become an investigator, I have a way to hunt the cure for the curse. They have resources I don't. Easy, since I'm broke. Seems like a good plan, right? At least, until they tell me Cade will be joining me on my hunt for the Blood Sorcerer. He's an actual Celtic war god—and the hottest guy I've ever seen. The catch? I can't let him know that I'm an Unknown, or I'm out on my ass and deader than Hades.

Anger management isn't so bad when your shrink is gorgeous. It's less great when you turn up to find him dead on the floor, and an armored giant dressed like a freaking ancient warrior standing over his body though. Ares, the God of War, has lost his power and the only way for him to get it back? Me. Apparently, I'm a goddess. One with the power of war. I mean, it does explain a lot. To my relief, Joshua, my shrink and only friend, isn't really dead. He's been kidnapped and taken to Olympus—the world where I'm supposed to belong. I vow to do whatever it takes to find him. But Ares has other plans for me. He wants my power, and the easiest way for him to get it is to kill me. When Hades suggests a compromise, I'm forced to work side-by-side with a giant, murderous warrior god. One with far too many secrets. Ares might be the brute everyone thinks he is, but I'm no angel. Kinda dead. Straight-up psycho. Totally obsessed with her. I did a bad, bad thing. Thanks to a blank in my memory, I'm not sure what that thing was, but it was horrible enough to get me locked up in the mental ward for seven years. Horrible enough that my little sister won't even speak to me. But when I'm released back into a town determined to rub my unknown sins in my face, the past isn't the only thing that's haunting me. The four "imaginary" friends who made my childhood bearable barge into my life in a very real way. They're crude, criminally inclined, and more than a little unstable after ages trapped in afterlife limbo. All they want is to protect me. Worship me. Avenge me. So they'll bludgeon, maim, eviscerate—tear a strip of havoc right through this sleepy town. Even rise from the dead. Maybe I'm still not all that sane either, because part of me finds them strangely appealing. In ways very different from how I felt as a kid. And that's not the only strangeness stirring inside me... I promised myself I'd stick to the straight and narrow from here on. But what if the only way to set things right is to get a little ghoulish? *The Stalking Dead is the first in a darkly humorous new paranormal romance series by bestselling author Eva Chase. If you

love sarcastic heroines with unexpected powers, obsessive supernatural men who'll do anything to defend their woman, and plenty of mystery and mayhem, dive right in!*

My name is Vinna, and I've been keeping a lot of secrets. You would too if you'd experienced some of the weird shit I have: red-eyed monsters chasing me, markings on my body appearing out of nowhere, a strange power that crackles colorfully over my skin from time to time, and don't get me started on the weapons I can conjure up almost out of nowhere. Lucky for me, I have yet to meet someone whose ass I couldn't kick, inside the ring or out. I put that to the test when I run headfirst into a fight that brings all my secrets, and reality as I know it, crashing down around me. Now, I'm looking for answers and trying to piece together what the hell is going on. Paranormal is my new way of life. It's not going to be easy, and I'm not exactly welcome. That is, until I meet the boys, and trust me, they are anything but boyish. I'm up against elders who think I'm too powerful, a family who views me as a threat, and something lurking in the shadows that's been coming for me my whole life. There's not a chance in hell I'm going down without a fight. I'm not lost anymore, and I'm about to show this world exactly what I can do. A Reverse Harem Fantasy

Gwen Miller may be a human, but she has no problem taking a stand against her own kind. She's going to testify against the teenage boy she saw viciously assault a lone shifter female--and no amount of pressure from the boy's wealthy family will make her back down. But when the harassment turns violent, help comes in the form of a lean, toned wolf with winter-gray eyes. As a guest at Gwen's inn, shifter enforcer Zander Devlin can't help but notice that the fierce and leggy brunette is in serious trouble. Since she's putting herself at risk for one of his kind, keeping her safe is the least he can do. That's not the only reason Zander wants her close. He desires her, even as the wolf inside him backs away from her. But his feral instincts are hard to keep down, and as they take shape, they're harder for Gwen to resist. Then again, embracing them could be the only thing that could save her life.

Now the world knows who I am. I'm the first female alpha in history and every pack leader out there wants to claim me as their mate. While he and the others fight for the right to possess me, a new Demon Trial is created in honor of the Crescent Mother, and this time I'm the prize. Or so they all believe. I'll do whatever it takes to foil his deadly plans and escape, including seducing the brooding dark god. But there's more to him than I realized. More to us. He's been hunting me for years and wants to claim me as his fated mate. But it gets darker. He plans to sacrifice me to save his dying kingdom. One touch changes everything though, because I'm the only one who can warm him. I'm going to use that to my advantage and convince him to return with me to the Court that banished me years ago. There, I will kill him before he kills me. But I'm playing with fire, because I'm not sure if I can resist him long enough to change my fate.

The Stalking Dead

New Moon

Elementally Priceless

Cat shifter Bree Dwyer doesn't fear much. Ironically, what she fears most is the person who was put on the Earth just for her. Your true mate wasn't supposed to be cruel and twisted; wasn't supposed to be someone who'd never love or want to claim you. The rumors that her true mate is dead bring her only relief. Bree's intent on moving forward with her life and building a future with someone else. Sadly, the male she wants most is one she can never have—a hot-as-sin wolverine shifter who happens to be her boss ... and the cousin of her predestined mate. Aleksandr "Alex" Devereaux detests being bullshitted, but he's been lying to himself for years—pretending he thinks of Bree as extended family; that he doesn't want her so bad he aches with it; that he can't feel himself weakening against her pull. The night they spend together changes everything. He's done fighting himself on what he wants. Someone isn't happy about that. Possibly the same 'someone' who's playing mind games with Bree, trying to scare her. They're succeeding, because too many leads point to the possibility that the culprit could be the one person that she's determined to believe is dead.

I'm a hero. And I'm locked in a cell. Fantastic. A week ago, it took everything I had to

save the werewolves from the Dark Moon curse, but I did it. Unfortunately, it left me with a nasty case of the curse myself. To make matters worse, I'm the most powerful werewolf who ever lived. And I'm apparently a goddess. Combine that with the fact that I'm also cursed to madness and a loss of my shifter loyalty, and you've got a recipe for disaster. Even though I don't want to be locked up, I know it's the best thing for everyone. If I were to get out and succumb to the curse, I could destroy us all. The only way to save myself is to find a cure for the curse, something that I still haven't managed to figure out. My fated mate Lachlan is determined to help me, but we're still haunted by our own curse. If I fall for him, I'm dead. According to our most powerful seer, at least. So yeah, let's just say things are complicated.

Once he was a crown prince with a kingdom to rule... But when heartbreak drives him to recklessness, Azeez nearly loses everything, including his life. Now he must make a choice. Dr. Nikhat Zakhari left Azeez because she couldn't give him what he needed to rule. But now the only man she's ever loved needs her healing touch, and she is powerless to refuse him. Azeez knows he must assume the crown—but will this unforgettable woman agree to be his desert queen?

It's never a good combo to be broke and desperate. You do stupid things. Like accidentally sign your soul over to Hell. When I interviewed for a new security job, I didn't bat an eye that it was for a literal graveyard shift...headstones and all. I mean, at the hourly rate they were offering, who cares? I got this. Turns out, I'm not guarding a graveyard like I thought. It seems I've just walked my broke ass into protecting a Gate to Hell. Yeah...I don't got this. Now I'm stuck in a terrifying new reality: a group of hot demons who act like I can solve all their problems, and a battle between good, evil, and balance. This will seriously teach me to read the fine print on Help Wanted ads. Good thing this job comes with a scythe. Maybe I can use it to stop them from dragging my ass into Hell.

Vampires aren't real, right? People say I'm a weirdo. Sure, my idea of a party is a mini box of wine and hanging out with a feral raccoon, but it works for me. When I'm accused of murder, things get crazy. One, I learn that I have magic. Two, there's a secret magical city hidden right in London itself. And three, my only hope is a vampire who's sexy as sin and scary as the devil himself. He's called the Devil of Darkvale, and he all but owns Guild City. Some say I should just quit and turn myself in. Not a chance. I'm

going to solve this murder myself, which means surviving in a new world of witch parties, magical guilds, and a vampire with a tortured past. The vampire and I are like colliding stars, and the heat is irresistible. I should avoid him, but if I want to save my own life, he's my only hope.
