

Buffy Season 10 Library Edition Volume 1 , (Buffy The Vampire Slayer)

Series creator Joss Whedon brought Buffy the Vampire Slayer back to life with this comics-only follow-up to Season 7 of the television show. Aptly named Season 8, these comics are the official sequel to Buffy and continue where the live-action series left off: Buffy and her friends, and their ongoing challenge to fight the forces of darkness. This oversized omnibus edition is one of two volumes that will contain the entirety of Season 8. It includes the first four arcs of the series along with one-shots and short stories. Buffy and her friends take on a series of otherworldly evils, including ice imps, Puritans, hellhounds, and demons.

Vampires that, at will, can transform into wolves, panthers, insects, or fog invade the Slayer base of operations in northern Scotland, and not only walk away unscathed, but in possession of Buffy's scythe, the symbol of Slayer power world-wide. Buffy and her friends travel to Tokyo in order to learn more about their dangerous new foes, as Xander journeys to Transylvania to solicit the only person they've ever known to possess such power: Dracula. * The celebrated Buffy Season Eight continues with Drew Goddard's "Once Upon a Time! Buffy Season 9 begins!" Includes the stand-alone issue written by Buffy creator Joss Whedon, "A Beautiful Sunset." * "The dialogue is Whedonesque and I love it." -Comic Book Resources * A New York Times bestseller!

While writing the new rules of magic seems to be under control, the romantic scene for Buffy and her friends amps up in unexpected ways. But as always, personal lives are soon put aside to deal with demons, both real and intangible. An angel battles the Sculptor. Spike struggles with vivid dreams of murder. Are they fact or fiction? Buffy journeys into the deepest recesses of Spike's mind and discovers the terrifying new face of evil.

Buffy

The core

Season 8 ended with a bang that cut the world off from magic culminating in another set of world-ending problems. Buffy has left her best friend, Willow, powerless, and brought an end to a millennia-long tradition of superpowered girls. By day, Buffy is a twenty-something waitress with no real direction, and even though magic is gone, she is still a vampire Slayer by night. Bigger problem? Vampires are becoming an epidemic... of zompires! Collects Buffy the Vampire Slayer Season 9 #1 - #5. * Written by series creator Joss Whedon and Andrew Chambliss of ABC's One Upon a Time! Buffy Season 9 begins!

The death of Buffy's mentor at Angel's (possessed) hand has the vampire looking to make amends by bringing the Watcher back to life. Faith, rebel Slayer, is helping, if only to keep Angel from going too far. But there's more keeping this duo's swords ready: demon twins, Angel's former guide Whistler, Faith's Slayer sisters, and vampire Drusilla! Collects Angel & Faith Season 9 Volumes 1–2.

The world has lost its connection to magic, and a new breed of vampires has been born—zompires! Still, there's more trouble for Buffy the Vampire Slayer: a magic siphon is loose, student loans have to be paid, Willow goes walkabout, and Buffy finds herself pregnant while coming to terms with her relationship with Spike. Collects _Buffy_ Season 9 Volume 1 and Volume 2.

Joss Whedon's Watcher, Rupert Giles, goes on a solo investigation--back to high school--to uncover a vampire- and demon-filled mystery that is threatening the minds of the student body. From Joss Whedon and Erika Alexander comes a series that returns Buffy's Rupert Giles to high school! But this time--as a grown man living in a teenage body--Giles will be a student instead of a teacher. At an inner-city LA-area school, when a mystical influence is detected and teachers start to go missing, Giles enrolls to investigate. With the help of a new friend from class, Roux, Giles finds something more than vampires and demons . . . Something unusual and frightening is happening here. If Giles can get through a few days as a student, he'll have a chance to find out who, what, and where--but high school is still hell, y'all. Giles is dropped off to a high school adventure by writers Joss Whedon (Avengers, Serenity) and Erika Alexander (Concrete Park), and artist Jon Lam (Gotham Academy, Batgirl).

Buffy: Season Nine Library Edition

Buffy and the Scoobies weren't ready for this kind of disaster to strike San Francisco. When a tsunami and an enormous dragon of storms devastate the Bay area, the supernatural folk in the world are blamed as if they deliberately caused the catastrophe. Never one to balk at slaying evil demons, Buffy knows that not all demons are evil and in this case it isn't clear who - if anyone - was behind the disaster... But she has to find out. Buffy must choose a side, find a way for herself and her friends to survive, and not lose who she is in the process.

Originally published in 1971, The Exorcist remains one of the most controversial novels ever written and went on to become a literary phenomenon. Inspired by a true story of a child’s demonic possession in the 1940s, William Peter Blatty created an iconic novel that focuses on Regan, the eleven-year-old daughter of a movie actress residing in Washington, D.C. A small group of overwhelmed yet determined individuals must rescue Regan from her unspeakable fate, and the drama that ensues is gripping and unflinchingly terrifying. Two years after its publication, The Exorcist was, of course, turned into a wildly popular motion picture, garnering ten Academy Award nominations. On opening day of the film, lines of the novel’s fans stretched around city blocks. In Chicago, frustrated moviegoers used a battering ram to gain entry through the double side doors of a theater. In Kansas City, police used tear gas to disperse an impatient crowd who tried to force their way into a cinema. The three major television networks carried footage of these events; CBS’s Walter Cronkite devoted almost ten minutes to the story. The Exorcist was, and is, more than just a novel and a film: it is a true landmark. Purposefully raw and profane, The Exorcist still has the extraordinary ability to disturb readers and cause them to forget that it is “just a story.” Published here in this beautiful fortieth anniversary edition, it remains an unforgettable reading experience and will continue to shock and frighten a new generation of readers.

Angel's work is never done. Last time he averted an apocalypse, part of London turned into a chaotic stew of supernatural forces. Who better to watch over it than Angel himself? Or so he thinks--until he finds himself going down a really wrong road . . . Meanwhile, Faith begins a new chapter in her life--slaying the undead with Buffy, and then going corporate when a juicy offer tempts her . . .

Celebrated novelist Victor Gischler joins Joss Whedon's team.

What do you do when your marriage is so unhappy that you begin to fantasize about your husband's funeral? That's how bad it got for Alisa Bowman. . . So she launched a last-ditch effort to save her marriage. Project: Happily Ever After is her fearlessly honest and humorous account of how she went from being a “divorce daydreamer” to renewing her wedding vows—and all of the steps in between. From bikini waxes to erotica, romance instruction manuals to second honeymoons, the silent treatment to power struggles, she goes where many marriage-improvement gurus have feared to tread. Equal parts funny, poignant, and most importantly, useful, Bowman's story will give other miserably-married folks courage and hope. And in addition to telling her own story, she packs straightforward prescriptive guidance, including a “10-Step Marital Improvement Guide.” Readers will laugh. They'll cry. And they can start on the road toward their own happy ending!

A Novel

The Restless Door, a powerful artefact with the ability to create portals to any dimension, has fallen into the hands of the Mistress, the Sculptor, and the Soul Glutton. While the trio of Big Bads is opening portals around the globe, bringing dangerous demons to Earth, Buffy and the Scoobies are struggling to fight this demon world war, as they struggle to get along with each other as well. Collecting Buffy Season 10 Vols 5 & 6, this oversized library edition includes a short story from the Dark Horse Day Sampler, a cover gallery and expanded sketchbook section.

The lives of Buffy and the Scoobies haven't been too eventful for a while - at least as far as fighting demons and the forces of darkness are concerned. But that all changes when Angel brings news of an amassing force that must be reckoned with: Wolfram & Hart, a legion of demons, and Harth, vampire from the future. Narrowly escaping an initial encounter, the gang travels to the future to recruit Fray and learn of their dismal fate should they fail to defeat this legion that has invaded the present. This is the reckoning - and it could be the end of Buffy, Fray, and all the Slayers, forever.

*The death of Buffy's mentor at Angel's (possessed) hand has the vampire looking to make amends by bringing the Watcher back to life. Faith, rebel Slayer, is helping, if only to keep Angel from going too far. Hundreds of years in the future, Manhattan has become a deadly slum, run by mutant crime-lords and disinterested cops. Stuck in the middle is a young girl who thought she had no future, but learns she has a great destiny. In a world so poisoned that it doesn't notice the monsters on its streets, how can a street kid like Fray unite a fallen city against a demonic plot to consume mankind? Joss Whedon, the celebrated creator of Buffy the Vampire Slayer, brings his vision to the future in this unique tale. As inventive in the comics medium as in that of television or film, Whedon spins a complex tale of a skilled thief coming of age without the help of friends or family, guided only by a demonic Watcher.

While slaying the zompires that have overrun a small California town, Buffy and her pals are shocked to discover a new kind of vampire: harder to kill, able to transform and walk in the light of day--like Dracula . . . If that weren't enough, the rules of magic are literally being rewritten. While the crew attempts to find out exactly what this means and restore the status quo, Xander is the victim of a haunting as his relationship with Dawn crumbles.

In the middle of a battle against zombies, Buffy is transported to Los Angeles and unwillingly recruited into a team created to defeat Siphon, an increasingly powerful enemy.

The official graphic continuation of the Buffy storyline, by Christos Gage, Megan Levens and Joss Whedon. Buffy needs backup. More backup. With an ultimate Big Bad, Archaeus, connected to so many from the Slayer's past, she's calling in reinforcements - and saying to hell with the awkward consequences: there is a job to be done. But as the Scoobies get closer to Archaeus, the extent of his power and his plans, and their connection to the new rules of magic, are revealed. And Angel returns!

Buffy experiences Big Bad Twilight's overwhelming reach through the strange and sudden mass popularity of vampires (they even have a spokesperson with a reality TV show, Harmony Kendall!) that leads Buffy and her Slayer army to come under public scrutiny. As the world's distaste for Slayers grows, Buffy takes her troops to a refuge in the Tibetan mountains, where she hopes to receive some help from longtime friend--and werewolf--Oz. Following a losing battle against Twilight's insurmountable army when their location is discovered, Buffy finds herself imbued with mysterious new superpowers. As she tries to pick up the pieces in the aftermath, she discovers allies gone missing and unexplained massacres of Slayer squads around the globe. This leads Buffy straight to Twilight for a confrontation that rocks the earth's foundation . . . Then in their Season 8 debut, Angel and Spike come to Buffy, each with vital information that guides her back home to Sunnydale. While the remaining Slayer squads fight an onslaught of demons raining down across the earth, Buffy faces the ultimate betrayal and suffers through sacrifice as she scrambles to finally put an end to Twilight and save the world from complete destruction. The losses are great, and when the dust settles, everyone and everything will be different . . .

When a demon from Giles's past reemerges in London, it gives Angel the opportunity he's been waiting for: capturing the final piece of the late Watcher's soul. Faith's Slayer comrades discover her long-standing relationship with public enemy number one, Angel. And if that wasn't enough, Slayers start turning into zombies! Buffy: Season Ten Volume 4: Old Demons

Series creator Joss Whedon brought Buffy the Vampire Slayer back to life with this comics-only follow-up to Season 7 of the television show. This hardcover edition contains the first two arcs of the series, plus two one-shots, written by Joss Whedon and Brian K. Vaughan (Y: The Last Man, Runaways), with art by the acclaimed Georges Jeanty!

Creator Joss Whedon's television series continues in comics, where the crew that fights dark forces is currently dealing with demons both real and personal . . . The Restless Door, a powerful artifact with the ability to create portals to any dimension, has fallen into the hands of the Mistress, the Sculptor, and the Soul Glutton. While the trio of Big Bads is opening portals around the globe, bringing dangerous demons to Earth, Buffy and the Scoobies are struggling to fight this demon world war. They are likewise struggling to get along and disagreeing about how to solve the overall problem. Their paths are diverging, which—for Buffy—feels a lot like betrayal. The result is that while Dawn and Xander are stranded in another dimension and waiting for a rescue, Willow, Giles, Spike, and Buffy are having trouble fighting the growing problems on Earth even while they search for a way to bring Dawn and Xander home. To make matters worse, a new Big Bad makes a move to capture the magical rule book, with disastrous results! Writers Christos Gage (The Amazing Spider-Man) and Buffy star Nicholas Brendon team with artist Rebekah Isaacs (Angel & Faith) and Megan Levens (Spell on Wheels, Star Trek: Waypoint) to take on the Slayer and her teammates in their tenth season of supernatural drama! This oversized Library edition collects the materials from Buffy Season 10 Volume 5 and Volume 6 softcovers, along with the short story from the Dark Horse Day Sampler, and includes a cover gallery and sketchbook section.

Buffy and the Scoobies weren't ready for this kind of disaster to strike San Francisco. When a tsunami and an enormous dragon of storms devastate the Bay area, the supernatural folk in the world—witches, demons, and the like—are blamed as if they deliberately caused the catastrophe. In the midst of San Francisco's ruin, the team is surprised by the action taken by the government: restrictions are placed on the supernatural in the name of safety. Never one to balk at slaying evil demons, Buffy knows that not all demons are evil and in this case it isn't clear who—if anyone—was behind the disaster . . . But she has to find out. Buffy must choose a side, find a way for herself and her friends to survive, and not lose who she is in the process. • Writer Christos Gage and artist Rebekah Isaacs return for Buffy Season 11. • Joss Whedon's Buffy Season 11 is complete in two volumes! • Executive produced by Joss Whedon! This is the first of two volumes for Buffy Season 11. This collects issues #1-6 of Season 11.

Buffy organizes a slayer army to fight such evil creatures as vampires and demons, while Faith and Giles go undercover to handle a threat.
