

Case For Christ For Kids (Case For... Series For Kids)

Explains in plain terms who Jesus was according to the Bible, and suggests reasons why the Bible should be believed.

Did Jesus of Nazareth really rise from the dead? Of the many world religions, only one claims that its founder returned from the grave. The resurrection of Jesus Christ is the very cornerstone of Christianity. But a dead man coming back to life? In our sophisticated age, when myth has given way to science, who can take such a claim seriously? Some argue that Jesus never died on the cross. Conflicting accounts make the empty tomb seem suspect. How credible is the evidence for--and against--the resurrection? Focusing his award-winning skills as a legal journalist on history's most compelling enigma, Lee Strobel retraces the startling findings that led him from atheism to belief. He examines: The Medical Evidence: Was Jesus' death a sham and his resurrection a hoax? The Evidence of the Missing Body: Was Jesus' body really absent from his tomb? The Evidence of Appearances: Was Jesus seen alive after his death on the cross? Written in a hard-hitting journalistic style, The Case for Easter probes the core issues of the resurrection. Jesus Christ, risen from the dead: superstitious myth or life-changing reality? The evidence is in. The verdict is up to you.

Was God telling the truth when he said, "You will seek me and find me when you seek me with all your heart"? In The Case for Faith, bestselling author, journalist, and former atheist Lee Strobel turns his investigative skills to the most persistent emotional objections to belief in God--the eight "heart barriers" to faith: "Since evil and suffering exist, a loving God cannot" "Since miracles contradict science, they cannot be true" "Evolution explains life, so God isn't needed" "God isn't worthy of worship if he kills innocent children" "It's offensive to claim Jesus is the only way to God" "A loving God would never torture people in Hell" "Church history is littered with oppression and violence" "I still have doubts, so I can't be a Christian" This book is for those who may be feeling attracted to Jesus but who are faced with difficult questions standing squarely in their path. For Christians, it will deepen their convictions and give them fresh confidence in defending their faith to skeptical friends, or during the hardest of times, when they have to defend their faith to themselves in moments of doubt. Also available: The Case for Faith Spanish edition, kids' edition, and student edition. Plus, be sure to check out Lee Strobel's entire collection of Case for... books: The Case for Christ

investigates the historical evidence for Jesus The Case for a Creator explores the scientific evidence for God The Case for Grace uncovers the "how" and "why" behind God's amazing grace . . . and more!

Answers questions about creation that even adults struggle to answer. You meet skeptics every day. They ask questions like: Are your science teachers wrong? Is the Big Bang theory true? Did God create the universe? Here's a book written in kid-friendly language that gives you all the answers. Packed full of well-researched, reliable, and eye-opening investigations of some of the biggest questions, The Case for the Creator for Kids uses up-to-date scientific research to strengthen your faith in God's creation.

365 Days with Jesus

The Case for Christmas

Today's Moment of Truth

Reconceiving Infertility

The Case for Faith

A Journalist Investigates Evidence for the Supernatural

Explains in plain terms such issues for Christians as the existence of evil, miracles, the meaning of Jesus, the validity of other religions, and religious doubt, and suggests reasons why the Bible should be believed about these matters. Join investigative journalist and bestselling author Lee Strobel as he embarks on his life-changing quest to solve the riddle of grace. Along the way, you'll find the undeniable evidence of grace in the true stories of racists, addicts, and even murderers who have found new hope and purpose--all through the redemptive power of God's amazing grace. In The Case for Grace, Lee offers an accessible explanation of the theology of God's grace, shown through the incredible, dramatic, can't-put-it-down stories of people whose lives were changed by the gift of grace--true accounts of people whose transformation and renewal are so radical that they seem to be best explained as the work of a gracious God. Lee draws upon his own journey from atheism to Christianity to explore the depth and breadth of God's redeeming love for spiritually wayward people, traveling thousands of miles to capture the inspiring stories of everyday people whose values have been radically changed and who have discovered the "how" and "why" behind God's amazing grace. Each story that Strobel shares in The Case for Grace contributes a piece to the puzzle of grace, showing us: How grace goes beyond forgiveness to acceptance and even adoption by God How it restores hope when none is left; how it extends to the most heinous circumstances How it allows us to forgive those who caused our most intimate wounds--and even to forgive ourselves Through it all, you will be encouraged as you see how God's grace can

revolutionize your life--starting today.

Is heaven real? What is it really like? Award-winning author Lee Strobel tracked down the evidence and provides answers to the questions children 8-12 ask about both heaven and hell in this young reader ' s edition of The Case for Heaven that is perfect for teaching your child about the biblical evidence for eternal life. Every child wonders at some point what happens after we die—especially after the loss of a pet, a grandparent, or another loved one. Lee Strobel (The Case for Christ) understands your child ' s questions, and presents a kid-friendly examination of the evidence for heaven, packed full of research that: Helps readers 8-12 understand the biblical, historical, and contemporary facts about the afterlife in a logical and easy-to-follow way Explains what happens after we die Explores what heaven and hell are really like, based on tested biblical truths Presents what it means to have eternal life The Case for Heaven Young Reader ' s Edition is perfect for: Sunday school and homeschool education Comforting kids 8-12 following a death, and reassuring those experiencing grief Unpacking biblical principles in a way anyone can understand By the end of this book, your child will have a clearer understanding of the afterlife, as well as peace knowing the Christian view of heaven is sound. Don ' t forget to also check out The Case for Christ Young Reader ' s Edition!

In The Case for Miracles for Kids, a companion to his adult title, bestselling author Lee Strobel tackles tough questions kids ask about God, Jesus, and miracles, along with providing kids with answers they can use to share their faith.

Investigating the Evidence for Belief

The Biblical and Historical Evidence for Christ

The Case for Christ Answer Booklet

You meet skeptics every day. They ask questions like: Was Jesus really born in a stable? Did his friends tell the truth? Did he really come back from the dead? Here's a book written in kid-friendly language that gives you all the answers.

“This book will prove to be a most effective weapon... against the debunking and skeptical attitudes toward the Gospels that are so prevalent, not only in academe, but also on the street, among young people who, sadly, are leaving the Churches in droves.” – Robert Barron, author of Catholicism For well over a hundred years now, many scholars have questioned the historical truth of the Gospels, claiming that they were originally anonymous. Others have even argued that Jesus of Nazareth did not think he was God and never claimed to be divine. In The Case for Jesus, Dr. Brant Pitre, the bestselling author of Jesus and the Jewish Roots of the Eucharist, goes back to the sources—the biblical and historical evidence for Christ—in order to answer several key questions, including: • Were the four Gospels really anonymous? • Are the Gospels folklore? Or are they biographies? • Were the four Gospels written too late to be reliable? • What about the so-called “Lost Gospels,”

such as “Q” and the Gospel of Thomas? • Did Jesus claim to be God? • Is Jesus divine in all four Gospels? Or only in John? • Did Jesus fulfill the Jewish prophecies of the Messiah? • Why was Jesus crucified? • What is the evidence for the Resurrection? As The Case for Jesus will show, recent discoveries in New Testament scholarship, as well as neglected evidence from ancient manuscripts and the early church fathers, together have the potential to pull the rug out from under a century of skepticism toward the traditional Gospels. Above all, Pitre shows how the divine claims of Jesus of Nazareth can only be understood by putting them in their ancient Jewish context.

Is Jesus really the Son of God, the Messiah? Lee Strobel wasn't so sure. So he decided to use his award-winning journalistic skills to investigate Jesus and prove once and for all if all the claims about him are true. The Case for Christ Student Edition adapts Strobel's New York Times bestselling book to present hard-hitting findings as well as Lee's journey from skepticism to belief in an easy-to-follow manner so you can make a decision about Jesus for yourself. There's historical proof a guy named Jesus walked on the earth ... but was he really performing miracles? Did he actually rise from the dead? And was he truly the prophesied savior he claimed to be? Lee Strobel found it all hard to believe, and his doubts led him to ask the tough questions and dig into the real evidence to see if the Bible's claims and Jesus's words were true. Inside this book is the scientific data, expert testimonies and interviews, cross-religious comparisons, historical and archeological proofs he discovered during his investigation, and the conclusion he finally came to about Christianity that changed his life forever. All the facts and the answers to important questions are in—what will your verdict be? The Case for Christ Student Edition: Presents the arguments for and against Christianity teens and young adults thirteen and up often ask and encounter so they can see the real facts Uses logic and solid information to examine why Christians believe what they do Can also be used in the classroom, in group studies, or as part of a religious studies or comparison class Contains infographics and charts to make the facts clear Pairs well with The Case for a Creator Student Edition, The Case for Faith Student Edition, The Case for the Real Jesus Student Edition, and The Case for Miracles Student Edition Who Was Jesus? A good man? A lunatic? God? There's little question that he actually lived. But miracles? Rising from the dead? Some of the stories you hear about him sound like just that--stories. A reasonable person would never believe them, let alone the claim that he's the only way to God! But a reasonable person would also make sure that he or she understood the facts before jumping to conclusions. That's why Lee Strobel--an award-winning legal journalist with a knack for asking tough questions--decided to investigate Jesus for himself. An atheist, Strobel felt certain his findings would bring Christianity's claims about Jesus tumbling down like a house of cards. He was in for the surprise of his life. Join him as he retraces his journey from skepticism to faith. You'll consult expert testimony as you sift through the truths that history, science, psychiatry, literature, and religion reveal. Like Strobel, you'll be amazed at the evidence--how much there is, how strong it is, and what it says. The facts are in. What will your verdict be in The Case for Christ?

Case for Christ for KidsZondervan

Drawn from Lee Strobel's own experiences as a former atheist engaged in a thorough search for truth, the articles and notes throughout The Case for Christ Study Bible provide a solid explanation of where the historical and scientific evidence point - toward the existence of a compassionate Creator God and his Son, Jesus, the Savior. The Case for Christ Study Bible features more than 500 notes and articles, including: A.) The Case for a Creator: highlighting the wonders of creation and demonstrating how the scientific evidence supports belief in an all-powerful Creator. B.) The Case for the Bible: exploring the character of the Bible, the extra-biblical evidence that corroborates scripture, and apparent contradictions. C.) The Case for Christ: investigating Jesus' claims, Messianic identity, deity, and resurrection. D.) And much more. The Good News of the Gospel transformed the life of this former atheist. It can do the same for others who commit to examining the evidence for themselves.

Discover the astonishing evidence for intelligent design in this New York Times bestselling book by award-winning journalist Lee Strobel. "My road to atheism was paved by science . . . but, ironically, so was my later journey to God," Strobel says. During his academic years, Lee Strobel became convinced that God was obsolete, a belief that colored his journalism career. Science had made the idea of a Creator irrelevant--or so Strobel thought. But today science points in a different direction. A diverse and impressive body of research has increasingly supported the conclusion that the universe was intelligently designed. At the same time, Darwinism has faltered in the face of concrete facts and hard reason. Has science discovered God? At the very least, it's giving faith an immense boost, as new findings emerge about the incredible complexity of our universe. Join Strobel as he reexamines the theories that once led him away from God. Through his compelling and highly readable account, you'll encounter the mind-stretching discoveries from cosmology, cellular biology, DNA research, astronomy, physics, and human consciousness that present compelling evidence in The Case for a Creator. Also available: The Case for a Creator small group video study and study guide, Spanish edition, kids' edition, student edition, and more.

The book consists primarily of interviews between Strobel (a former legal editor at the Chicago Tribune) and biblical scholars such as Bruce Metzger. Each interview is based on a simple question, concerning historical evidence (for example, "Can the Biographies of Jesus Be Trusted?"), scientific evidence, ("Does Archaeology Confirm or Contradict Jesus' Biographies?"), and "psychiatric evidence" ("Was Jesus Crazy When He Claimed to Be the Son of God?"). Together,

these interviews compose a case brief defending Jesus' divinity, and urging readers to reach a verdict of their own.

30 Conversations Every Christian Parent Must Have

The Case for Christianity Answer Book

The Case for a Creator

A Journalist's Personal Investigation of the Evidence for Jesus

An encyclopedia designed especially to meet the needs of elementary, junior high, and senior high school students. Answers to the most-asked questions about Christian faith! The Case for Christianity Answer Book is a great book for both newer and seasoned Christians alike. The Q&A format lends itself to helping believers know how to effectively defend their faith. Perfect for those ready to consider Jesus, longtime believers, someone seeking the truth, or even a skeptic. This book is great for anyone looking for a handy reference. The Case for Christianity Answer Book provides succinct answers to real questions about Christianity. Strobel, a former atheist, uses his investigative journalism skills to dig deep into the Bible to provide compelling and concise answers about Christianity. In this answer book, bestselling author Lee Strobel offers biblically based answers to questions such as: Did God use evolution when He created the world? If God is loving, why is there so much suffering? Do the resurrection accounts in the four Gospels contradict each other? Can you have doubts and still be a Christian?

Using the dramatic scenario of an investigative journalist pursuing his story and leads, Strobel uses his experience as a reporter for the Chicago Times to interview experts about the evidence for Christ from the fields of science, philosophy, and history.

With clear facts, real-life stories, and answers to the questions kids six to ten ask most, this adaptation of Lee Strobel's bestselling The Case for Miracles uses kid-friendly language to explore the research, facts, and evidence behind the question of whether miracles can be believed, and if they still happen in our world today. Whether they've grown up in the church or are encountering faith for the first time, The Case for Miracles for Kids is the perfect resource to answer the questions about faith and miracles kids 6-10 ask most. Inside, readers will discover: An introduction to the historical evidence, expert testimonies, extensive research, and scientific proof that back up what the Bible says Stories and experiences from real people who claim to have experienced a miracle An exploration of why God performs miracles, why they do (and sometimes don't) happen, and what they tell us about God and his involvement in our world today Answers for why Christians believe what they do, and why they can be confident in our beliefs Kid-friendly examples that make the facts easy to understand Ways to talk to other people about their faith and share what they know The Case for Miracles for Kids: Is a solid source of information that looks at all sides of the issue to present solid evidence behind each conclusion and fact about the Christian faith Has illustrations and callout graphics to make the topics engaging for kids

six to ten Is an excellent resource for Sunday schools, church libraries, and homeschooling This book can be used on its own or alongside The Case for a Creator for Kids, The Case for Christ for Kids, The Case for Faith for Kids, and The Case for Grace for Kids to help children with faith development and answer questions they wonder about most.

The Case for Grace

Case for Christ for Kids 90-Day Devotional

The World Book Encyclopedia

The Case for Christ Young Reader's Edition

The Case for Easter

Bestselling and award-winning author Lee Strobel interviews experts about the evidence for the afterlife and offers credible answers to the most provocative questions about what happens when we die, near-death experiences, heaven, and hell. We all want to know what awaits us on the other side of death, but is there any reliable evidence that there is life after death? Investigative author Lee Strobel offers a lively and compelling study into one of the most provocative topics of our day. Through fascinating conversations with respected scholars and experts--a neuroscientist from Cambridge University, a researcher who analyzed a thousand accounts of near-death experiences, and an atheist-turned-Christian-philosopher--Strobel offers compelling reasons for why death is not the end of our existence but a transition to an exciting world to come. Looking at biblical accounts, Strobel unfolds what awaits us after we take our last breath and answers questions like: Is there an afterlife? What is heaven like? How will we spend our time there? And what does it mean to see God face to face? With a balanced approach, Strobel examines the alternative of Hell and the logic of damnation, and gives a careful look at reincarnation, universalism, the exclusivity claims of Christ, and other issues related to the topic of life after death. With vulnerability, Strobel shares the experience of how he nearly died years ago and how the reality of death can shape our lives and faith. Follow Strobel on this journey of discovery of the entirely credible, believable, and exhilarating life to come.

Is there credible evidence that Jesus of Nazareth really is the Son of God? Now a major motion picture, Case for Christ, Strobel retraces his own spiritual journey from atheism and former legal editor of the Chicago Tribune to faith. Strobel cross-examines a dozen experts with doctorates from schools like Cambridge, Princeton, and Brandeis who are recognized authorities in their own fields. He challenges them with questions like, how reliable is the New Testament? Does evidence for Jesus exist outside the Bible? Is there any reason to believe the resurrection was an actual event? Strobel's tough, point-blank questions read like a captivating, fast-paced novel. But it's not fiction. It's a riveting quest for the truth about history's most compelling figure. The new edition includes scores of revisions and additions, including updated material on archaeological and manuscript

discoveries, fresh recommendations for further study, and an interview with the author that tells dramatic stories about the book's impact, provides behind-the-scenes information, and responds to critiques of the book by skeptics. As *The Case for Christ* and its ancillary resources approach 10 million copies in print, this updated edition will prove even more valuable to contemporary readers.

Based on Lee Strobel's bestselling title, *The Case for Christ*, this six-lesson curriculum will help kids answer big questions on the existence, miracles, ministry and resurrection of Jesus of Nazareth."

In the Book of Genesis, the first words God speaks to humanity are "Be fruitful and multiply." From ancient times to today, these words have been understood as a divine command to procreate. Fertility is viewed as a sign of blessedness and moral uprightness, while infertility is associated with sin and moral failing. *Reconceiving Infertility* explores traditional interpretations such as these, providing a more complete picture of how procreation and childlessness are depicted in the Bible. Closely examining texts and themes from both the Hebrew Bible and the New Testament, Candida Moss and Joel Baden offer vital new perspectives on infertility and the social experiences of the infertile in the biblical tradition. They begin with perhaps the most famous stories of infertility in the Bible—those of the matriarchs Sarah, Rebekah, and Rachel—and show how the divine injunction in Genesis is both a blessing and a curse. Moss and Baden go on to discuss the metaphorical treatments of Israel as a "barren mother," the conception of Jesus, Paul's writings on family and reproduction, and more. They reveal how biblical views on procreation and infertility, and the ancient contexts from which they emerged, were more diverse than we think. *Reconceiving Infertility* demonstrates that the Bible speaks in many voices about infertility, and lays a biblical foundation for a more supportive religious environment for those suffering from infertility today.

A fun format includes key Bible verses and pre-teen friendly explorations of topics that matter most to kids: God's love and forgiveness Right and wrong and making choices Jesus, the Holy Spirit, and God's Word Different beliefs and religions Church, prayer, and sharing faith The next time a child asks "Who is God?" parents, grandparents, and church leaders will want this practical and engaging volume handy. Helpful tips and conversation ideas for adults will help them connect with kids hungering for straight talk about faith in Jesus.

Based on the eye-opening best-selling series, this 90-day devotional for kids ages 9-12 explores the life of Jesus and what it means to be a Christian, while also tackling tough questions kids ask about God. For kids who want to learn more about their faith so they can share with others, this devotional uses light-hearted prose, illustrations, historical facts, research and true stories to bring to life the miracles, ministry and way of life of Jesus.

Written by an L. A. County homicide detective and former atheist, Cold-Case Christianity

examines the claims of the New Testament using the skills and strategies of a hard-to-convince criminal investigator. Christianity could be defined as a "cold case": it makes a claim about an event from the distant past for which there is little forensic evidence. In *Cold-Case Christianity*, J. Warner Wallace uses his nationally recognized skills as a homicide detective to look at the evidence and eyewitnesses behind Christian beliefs. Including gripping stories from his career and the visual techniques he developed in the courtroom, Wallace uses illustration to examine the powerful evidence that validates the claims of Christianity. A unique apologetic that speaks to readers' intense interest in detective stories, *Cold-Case Christianity* inspires readers to have confidence in Christ as it prepares them to articulate the case for Christianity.

C. S. Lewis's Case for Christ

Investigating the Toughest Questions about Jesus

A New Testament Scholar Refutes Lee Strobel

Under the Banner of Heaven

Devotions to Deepen Your Faith in Christ

There can be many obstacles to faith, as C. S. Lewis discovered. But he overcame them to become one of Christianity's most ardent warriors of the faith. Art Lindsley provides a readable introduction to C. S. Lewis's reflections on objections to belief in Jesus Christ and the compelling reasons why Lewis came to affirm the truth of Christianity.

Equip your youth group with solid reasons for their faith. How well do the kids in your group know why they believe what they believe? Don't leave them groping for answers---equip them now with a strong apologetic for the real-life questions and challenges they'll face as Christians. In *The Case for Christ* and *The Case for Faith* student editions, Lee Strobel unfolds the compelling evidence that turned him from an atheist to a Christian. This leader's guide gives you everything you need to take your youth group or Sunday school class through both books. Five riveting sessions per book (ten sessions total) will furnish your kids with persuasive reasons for their faith in Christ. Here's what you and your group can expect: Session 1 dramatically illustrates for your group the importance of knowing the facts about Christianity. Sessions 2, 3 and 4 consider the important objections people raise to Christianity, and respond with an in-depth look at the evidence for belief in Jesus and the Christian faith. Session 5 takes your group from learning to application as they draw on what they've learned in an actual evangelistic scenario. You'll also find a skit suitable for publicizing *The Case for Christ* sessions in church to both

kids and parents. Get excited! These powerful studies will boost the faith of your kids, and their confidence to share it, to a whole new level.

New York Times bestselling author Lee Strobel trains his investigative sights on the hot-button question: is it really credible to believe God intervenes supernaturally in people's lives today? This provocative book starts with an unlikely interview in which America's foremost skeptic builds a seemingly persuasive case against the miraculous. But then Strobel travels the country to quiz scholars to see whether they can offer solid answers to atheist objections. Along the way, he encounters astounding accounts of healings and other phenomena that simply cannot be explained away by naturalistic causes. The book features the results of exclusive new scientific polling that shows miracle accounts are much more common than people think. What's more, Strobel delves into the most controversial question of all: what about miracles that don't happen? If God can intervene in the world, why doesn't he do it more often to relieve suffering? Many American Christians are embarrassed by the supernatural, not wanting to look odd or extreme to their neighbors. Yet, *The Case for Miracles* shows not only that the miraculous is possible, but that God still does intervene in our world in awe-inspiring ways. Here's a unique book that examines all sides of this issue and comes away with a passionate defense for God's divine action in lives today. Also available: *The Case for Miracles* Spanish edition, kids' edition, and student edition.

NATIONAL BESTSELLER • From the author of *Into the Wild* and *Into Thin Air*, this extraordinary work of investigative journalism takes readers inside America's isolated Mormon Fundamentalist communities. Defying both civil authorities and the Mormon establishment in Salt Lake City, the renegade leaders of these Taliban-like theocracies are zealots who answer only to God; some 40,000 people still practice polygamy in these communities. At the core of Krakauer's book are brothers Ron and Dan Lafferty, who insist they received a commandment from God to kill a blameless woman and her baby girl. Beginning with a meticulously researched account of this appalling double murder, Krakauer constructs a multi-layered, bone-chilling narrative of messianic delusion, polygamy, savage violence, and unyielding faith. Along the way he uncovers a shadowy offshoot of America's fastest growing religion, and raises provocative questions about the nature of religious belief.

If you enjoyed The Case for Christ Devotions for Kids, don't forget to check out The Case for Christ for Young Readers, which directly adapts Lee Strobel's The Case for Christ for kids 8-12.

Christian parenting is hard work--and it's getting harder. Parents have a deep desire to pass on their faith, but fear that today's increasingly skeptical and hostile world will eventually lead their kids to reject the truth of Christianity. That leaves many parents feeling overwhelmed--uncertain of what they can do to help their children, given the difficulty and extent of the faith challenges they will face. This practical and timely resource gives parents the confidence of knowing what to discuss with their children and how to discuss it in order to facilitate impactful conversations that will form the basis of a lifelong faith. In a friendly, parent-to-parent voice, Natasha Crain identifies 30 specific conversations about God that parents must have with their children, organizing them under the categories of - the existence of God - science and God - the nature of God - believing in God - the difference God makes. Chapters are sequenced in a curriculum-oriented way to provide a cumulative learning experience, making this book a flexible resource for use in multiple settings: homes, church classes, youth groups, small groups, private Christian schools, and homeschools. Every chapter has a step-by-step conversation guide with discussion questions and tips, and content is readily adaptable for use with kids of any age (elementary through high school). Endorsements: "My prayer is that God will use this book to both motivate and equip you to help your kids develop convictions about their faith."--From the foreword by Sean McDowell, PhD, Biola University professor, speaker, and author of more than eighteen books, including A New Kind of Apologist "I can't think of a more relevant or more needed book for parents raising kids in today's culture. This book on apologetics will lead parents in critical conversations that will help grow and guide kids to be lifelong followers of Christ."--Kristen Welch, author of

Raising Grateful Kids in an Entitled World "Hey parents: Do you want to reduce the chances that your child will follow the crowd to the point of rejecting Christ and the values and truths you hold so dearly? Then you need to have the conversations that Natasha Crain so brilliantly describes in this book. Prevent heartbreak later by reading and heeding this book now!"--Frank Turek, PhD, president of CrossExamined Ministries and author of I Don't Have Enough Faith to Be an Atheist and Stealing from God "May this book lead to thousands more Moms and Dads engaging with their kids through an intelligent faith. And may there be tens of thousands more kids who feel loved because the adults in their lives take their questions seriously."--Jeff Myers, PhD, president, Summit Ministries

Lee Strobel is best known for his bestselling books and lectures on the topic of apologetics. After being featured in God 's Not Dead 2, his own life is now the subject for a full-length feature film from Pure Flix Entertainment. He is excited about the possibility of trimming the existing Case for Christianity Answer Book into a booklet-sized product that will help lift the visibility of several projects: the parent book (the Answer Book), the newly recover Case for Christ that will release in tandem with the movie, as well as promoting the movie itself.

Why do you believe what you believe? How can you know your faith is credible? Many Christians today struggle to answer these questions. Though you may know what you believe, the why and how behind the thought can be complex, confusing, and even mysterious. In Today ' s Moment of Truth, bestselling author Lee Strobel articulates in 180 easy-to-read devotions the reasons why Christians believe what they believe. Combining his expertise in apologetics with his journalistic approach to parsing out the details, this devotional will leave you deeply encouraged and well-informed. Topics range from scientific discoveries to theological explanations, and each devotion is followed by a brief reflection and prayer for meditation. The time has come to walk confidently in your faith. Today ' s Moment of Truth will be an invaluable tool as you grow in your understanding of and faith in Christ.

The Case Against the Case for Christ

A Journalist Explores the Evidence of Transformed Lives

Who was in the manger that first Christmas morning? Some say he would become a great moral leader. Others, a social critic. Still others view Jesus as a profound philosopher, a rabbi, a feminist, a prophet, and more. Many are convinced he was the divine Son of God. Who was he—really? And how can you know for sure? Consulting experts on the Bible, archaeology, and messianic prophecy, Lee Strobel searches

out the true identity of the child in the manger. Join him as he asks the tough, pointed questions you'd expect from an award-winning legal journalist. If Jesus really was God in the flesh, then there ought to be credible evidence, including Eyewitness Evidence—Can the biographies of Jesus be trusted? Scientific Evidence—What does archaeology reveal? Profile Evidence—Did Jesus fulfill the attributes of God? Fingerprint Evidence—Did Jesus uniquely match the identity of the Messiah? The Case for Christmas invites you to consider why Christmas matters in the first place. Somewhere beyond the traditions of the holiday lies the truth. It may be more compelling than you've realized. Weigh the facts . . . and decide for yourself.

Bestselling authors Lee Strobel and Mark Mittelberg draw on the principles in The Case for Christ to provide a training course for believers that equips them with practical tools to share their faith.

Between the ages of 8 and 12, kids often start to wonder if Christianity is true. In Cold-Case Christianity for Kids, detective J. Warner Wallace draws readers into the thrill of high-stakes investigation by showing them how to think rather than telling them what to think. In this children's companion to the bestselling Cold-Case Christianity, detective Wallace gets kids excited about testing witnesses, examining the evidence, and investigating the case for Christianity. Includes author illustrations and links to a website (coldcasechristianityforkids.com) where kids can download activities, fill in case notes, and earn a certificate of merit. Detective Wallace gets kids excited about testing witnesses, examining the evidence, and investigating the case for Christianity.

Answers difficult questions that youngsters might have about God, explores the life of Jesus, and explains what it means to be a Christian.
