

Chaise Longue (Damster Eroxè, Dove L'eros Si Fa Parola)

This is a collection of classic research papers on the Dempster-Shafer theory of belief functions. The book is the authoritative reference in the field of evidential reasoning and an important archival reference in a wide range of areas including uncertainty reasoning in artificial intelligence and decision making in economics, engineering, and management. The book includes a foreword reflecting the development of the theory in the last forty years.

This is a true story of the year I spent living in St. Thomas in the U.S. Virgin Islands which was my idea of living in paradise. It's a very personal journal which will entertain and enlighten you. It was for me fulfilling a dream I'd had all my life. Who doesn't want to run away to live on an exotic tropical island? Before embarking on the adventure I did extensive research. It would take months of difficult choices and calculated planning to make the move. It was a huge sacrifice selling everything we owned and leaving our comfortable lifestyle. Budget would still have to be a huge factor in all our decisions. Finding jobs would be a necessity. My perception of what the idealistic life would be like and the reality were light-years apart. While often fascinating I encountered a world so foreign and hostile every day living becomes a chore. My life becomes a series of learning experiences and often comical events. I seem to encounter obstacles at every turn. I befriend a few quirky characters who live there and end up getting some lessons in life. I discover Mother Nature is something to contend with and respect. I explore magnificent underwater worlds and I'm constantly surrounded by breathtaking beauty. The other side is contending with flooding, swarms of bugs and finally surviving two major hurricanes. The island can be something that's wonderful and engulfs you but it can also reject you and spit you out. My story describes my joys and some overwhelming pain. Month by month my eyes are opened to a whole new world you can never comprehend as a tourist. The islands traditions and idiosyncrasies make each day an adventure. Each page contains humor and amazing if not shocking tales. I share my excitement, many disappointments, and some heartwarming moments. Don't believe the romanticized idea of the islands. If you've ever considered packing up and living the island life this will open your eyes to the myth of paradise.

A free-wheeling guided tour to the cityscape of Southern California, grounding architecture as a multidisciplinary art.

Helen Hawthorne's latest dead-end job at a high-priced Fort Lauderdale beauty salon is jeopardized when one of the salon's biggest clients, a gossip blogger and cable-TV star, is murdered at his own wedding and the salon's owner, Miguel Angel, is named th

The Dumpster Guy & the Backstreet Women

Portents, Pill-Popping & Almighty Strops

From America's most celebrated true-crime writer comes the heartbreaking real-life drama of a doomed young woman hopelessly trapped in a web of sexual intrigue, political manipulation, and emotional deception by her charming and successful—but ultimately deadly—lover. The author of fifteen New York Times national bestsellers, Ann Rule, a former Seattle policewoman, has researched

thousands of homicides and understands every facet of murder investigation. Now, in the most complex and shocking book of her long career, she delves into the motivation that drove a seemingly successful man to kill, and she explores heretofore unknown aspects of a fatal affair between a beautiful young woman who moved confidently in the heady world of the upper echelons of government and a widely admired millionaire attorney who was an immensely popular political figure. On June 27, 1996, thirty-year-old Anne Marie Fahey, who was the scheduling secretary for the governor of Delaware, had dinner with a man she had been having a secret affair with for more than two years. "Tommy" Capano, forty-seven, was perhaps the most politically powerful man in Wilmington. Son of a wealthy contractor, former state prosecutor, partner in a prestigious law firm, advisor to governors and mayors, Tom Capano had a soft-spoken and considerate manner that endeared him to many. Although recently estranged from his wife, he was a devoted father to his four beautiful young daughters, the trusted son of his widowed mother, and the backbone of his extended family. But sometime after 9:15 that night when Anne Marie and Tom left a Philadelphia restaurant, something terrible happened to Anne Marie. It would be forty-eight hours before her brothers and sisters realized that she had disappeared entirely. Ann Rule brilliantly traces the lives of both Fahey and Capano as she discloses the intimate details of their ill-fated bonding. A vulnerable, trusting woman becomes spellbound by a charming, duplicitous married man, and what begins as a seemingly unremarkable affair is slowly transformed into an obsessive, convoluted, and deadly relationship. Through her impeccable research, Rule peels away layer after layer of deception to reveal a man who lived a secret life for decades, a man so greedy that he would sacrifice anyone to gain what he desired. One of his many mistresses—all of whom were unknown to one another—was Deborah MacIntyre, an attractive and wealthy member of one of Wilmington's oldest families and an administrator of an elite private school. She, too, would become part of the mystery surrounding Anne Marie's disappearance. As three prominent families are destroyed to satisfy one man's jealous obsessions, this unfathomable tragedy becomes a tale that few would believe if it were presented as fiction. Shockingly, it is all true. Destined to become a classic, *And Never Let Her Go* is a riveting account of forbidden love and murder among the rich and powerful, and a chilling insight into the evil that sometimes hides behind even the most charming façade.

The Unknown Wrestler is a story by H. A. Cody. Chapters: Street Music, Where Flows The Tide, Conscience Money, Secret Plans, Put To The Test, Down By The River, Mending Things and more.

One wedding. Two feuding families. Three dead husbands. Daphne Jones is in the outback town of Little Bridges to officiate a wedding at a beautiful rural home. It is a perfect setting. But not so perfect people are determined to stop the union, resulting in a member of the bridal party ending up face down in the swimming pool. She's no detective nor a spring chicken, but Daphne does love a puzzle and her

gut tells her this was no accident. Amid old family feuds, resentful relatives, and missing money, there are plenty of suspects, and none of them appreciates Daphne snooping in their business, but with a heart of gold and a way with words, this celebrant sleuth is not giving up. Unless the killer finds her first... The Daphne Jones Mysteries are later in life camping cozies with a travelling wedding officiant and an Aussie twist.

Leading anthologist Maxim Jakubowski presents the very best in crime writing from around the world - 40 short stories from an all-star line-up of international writers. They cover the full spectrum of crime fiction, from noir and thrillers, to whodunnits and procedurals, with settings that include Italy, Cuba, Scandinavia, Russia, USA, Japan, Germany, Mexico, France, Italy, Spain and the UK. Among the writers presented are: Ian Rankin, bestselling author of compelling, cerebral crime fiction set in Edinburgh, featuring the much-loved Inspector Rebus. John Mortimer, the English barrister and writer, famous for his much-loved fictional character Horace Rumpole of the Bailey. Boris Akunin, whose eccentric characters and surprising, inventive plots have earned him a reputation as one of the finest contemporary writers of classic crime fiction. Mark Billingham, whose series of taut procedural thrillers featuring London policeman Tom Thorne have won him numerous fans. Giorgio Faletti, author of the 5 million copy seller I Kill. Jo Nesbo, a hugely successful Norwegian writer with a series featuring Detective Harry Hole, set in Oslo. Jeffrey Deaver, one of the very best US crime writers. His psychological thrillers featuring Lincoln Rhyme have been bestsellers around the world. Ruth Rendell, one of the UK's most respected crime writers.

Essays discuss the last pockets of wildlands in and around Los Angeles, and the interaction between urban development and nature conservation

"I had a friend who was a spy." So begins this story of espionage, set just before the terrible events of September 11th. Ask the Fire features a brilliant, almost enlightened, but emotionally jaded and politically cynical secret agent, a man who has seduced secrets out of Araby for decades for American intelligence agencies. Now, this agent struggles on his own to prevent the start of the Terrorist

Wars. This is a story with a vast sweep that places spying and spiritual vision within the larger history of heresy and homosexuality in Western culture from the Crusades to our contemporary clash with Islamic fundamentalism. What events tie together the political activism of 1960's Texas with the legends of courtly love, the secrets of the Knights Templar and mysteries of Freemasonry in the architecture of the D.C. streets? The gay Mata Hari of Ask the Fire learns the truth. Dennis Paddie has penned a remarkable thriller, a book that transcends its story of spies and terrorists to reach for a deeply spiritual vision of human life in the charged world of the 21st century.

"The myth of Paradise revealed"

Three cozy mysteries to delight your inner sleuth. At an age when most people are retiring, Daphne Jones starts a new career as a wedding and funeral officiant with a twist - a travelling celebrant. With her husband, John, and caravan, Bluebell, she goes from town to town helping with happy and sad occasions. Daphne didn't set out to help solve murders along the way, but somehow she finds herself in the middle of local mysteries, murders, and mayhem. And she isn't someone who turns her back in an hour of need. After all, there's nothing like a spot of sleuthing. Between old family feuds, poisoned preserves, and murder on the menu at a mountain retreat, there's barely time for Daphne to bake her beloved cookies. Get your fill of Daphne and John with all three of their cozy mystery adventures in one fun collection. Till Daph Do Us Part The Shadow of Daph Tales of Life and Daph

As Janie and Betsy Ann go for their morning jog, the city sanitation vehicle follows its normal five-mile Tuesday morning route through their retirement community of Sunset Acres. The two Bunco-playing biddies spot a leg dangling out of the dumpster when the truck lifts the trash container high in the air. Someone diced up one of their newest residents—a grouchy loner named Edwin Newman. Did he unpack too much of his dicey past when he moved in last weekend?

Helen has a new job "off the books" at Page Turners bookstore in Fort Lauderdale...until the owner is murdered. But since the arrogant Page Turner III had so many enemies, Helen will have to read between the lines to uncover the truth about a clever killer.

In the sweltering darkness that envelops an alley in the small town of Candlesberg, Wisconsin, a homeless woman approaches a dumpster in search of food. She finds instead a mysteriously mewling bundle. Reaching inside she discovers a patch of matted hair, a tiny ear, a smooth little shoulder. She knows what to do—if only she can conquer her compulsion to drop the newborn and run. Anne Hedlin is trying to get to sleep in her apartment above her resale shop when she is startled by a banging from the shop below. Anne's solitary life is transformed when she takes in the homeless woman and the baby she finds at her back door. In its first week, the newborn also

profoundly touches the lives of Anne's shy teenaged niece, a storefront preacher and his wife, a successful divorced realtor, and the realtor's teenaged daughter, whose life of drug abuse and careless sex has become a dumpster of a different sort. With complex characters and surprising twists author Jack Apfel has given us a compelling story of how lives can be knocked off their seemingly inevitable trajectories by an unexpected event, like someone finding a girl in a dumpster.

A century old restaurant along with the stories of its varied owners and their booms and busts are the focus of this mystery. Also, there are some possible ghosts included at no extra charge.

Try it. Right now. Picture the lights going off in the room you're sitting in. The computer, the air conditioning, phones, everything. Then the people, every last person in your building, on the street outside, the entire neighborhood, vanished. With them go all noises: chitchat, coughs, cars, and that wordless, almost impalpable hum of a city. And animals: no dogs, no birds, not even a cricket's legs rubbing together, not even a smell. Now bump it up to 95 degrees. Turn your radio on and listen to 80 percent of your city drowning. You're almost there. Only twenty-eight days to go. Joshua Clark never left New Orleans during Hurricane Katrina, choosing instead to band together with fellow holdouts in the French Quarter, pooling resources and volunteering energy in an effort to save the city they loved. When Katrina hit, Clark, a key correspondent for National Public Radio during the storm, immediately began to record hundreds of hours of conversations with its victims, not only in the city but throughout the Gulf: the devastated poor and rich alike; rescue workers from around the country; reporters; local characters who could exist nowhere else but New Orleans; politicians; the woman Clark loved, in a relationship ravaged by the storm. Their voices resound throughout this memoir of a unique and little-known moment of anarchy and chaos, of heartbreaking kindness and incomprehensible anguish, of mercy and madness as only America could deliver it. Paying homage to the emotional power of Joan Didion, the journalistic authority of Norman Mailer, and the gonzo irreverence of Tom Wolfe, Joshua Clark takes us through the experiences of loss and

renewal, resilience and hope, in a city unlike any other. With lyrical sympathy, humility, and humor, *Heart Like Water* marks an astonishing and important national debut. A portion of the author's royalties from this book will go to the Katrina Arts Relief and Emergency Support (KARES) fund, which supports New Orleans-area writers affected by the storm. Visit www.NewOrleansLiteraryInstitute.com to find out how to make a direct and positive impact on the region.

You can change your life in absolutely monumental ways! Careful which woman you go home with After a wild night out, Wesley wakes up inside a dumpster in some back-alley. When he wants to crawl out of it, he's confronted with two half-naked women taking out their trash. One is obviously unkind but drop-dead gorgeous. The other compassionate and sweet, but not exactly what he'd call attractive. Wesley faces a choice. Does he climb out of the dumpster to follow the nasty but beautiful blonde inside, or does he accept the offer of the woman with the tarantula tattoo and kind eyes? Perky breasts and a waspish waist, or kind eyes? He better choose wisely, because he won't escape the consequences! *The Dumpster Guy & the Backstreet Women* is the sixteenth installment in the Bjorn Peeters Half-hour Comedy series *Funny Sex Adventures*. If you like fun-filled comedies with a surprise ending, then this one will definitely cheer up your day! Read it now! (Previously published as 'The Dumpster Guy & the Two Arguing Women') --- **FUNNY SEX ADVENTURES** is a weekly comedy series about sex, dates, flings, crushes, love, relationships, and marriage. Every episode is a complete short story with a funny twist ending. You can read them in any order you like. Get the latest *Funny Sex Adventure EVERY FRIDAY*, year-round! Sagebrush and Cappuccino

Satan, in the form of a bewildered and naked Old Man, arrives in Brighton one

dark and snowy December morning. That night a gull kills itself trying to get at Lucy Cuthman, a charity worker in her early 30s, through her bedroom window. A thick fog descends over the city - and lingers. The Old Man is twice attacked on the streets, before finding the squat where Geoffrey Cantor, our cultured and Byron-quoting narrator, lives. The Old Man discovers he has a mesmeric singing voice, and starts to busk around Brighton. He attracts the attention of Lucy, who is so diabolically enchanted that she can only see him as a beautiful young boy in need of help. In this guise, the Old Man visits her at work one evening - and promptly disappears. Hopelessly beguiled, Lucy searches everywhere for him. Meanwhile, mysterious bundles of money start turning up at her charity...

How To Self-Publish, And Why You Should (Fourth Edition)

From the New York Times bestselling author of Just Desserts: Martha Stewart: The Unauthorized Biography comes a scrupulously researched investigative biography that tells the inside story of Anna Wintour's incredible rise to power From her exclusive perch front row center, glamorous Vogue magazine editor in chief Anna Wintour is the most powerful and influential style-maker in the world. Behind her trademark sunglasses and under the fringe of her Louise Brooks bob she determines whether miniskirts are in or out, whether or not it's politically correct to wear fur. She influences designers, wholesalers, and retailers globally from

Seventh Avenue to the elegant fashionista enclaves of L'Avenue Montaigne and Via della Spiga. In the U.S. alone a more than \$200 billion fashion industry can rise or fall on Anna Wintour's call. And every month millions of women-and men-read Vogue, and are influenced by the pages of the chic and trendy style wish-book that she has controlled with an iron hand in a not-always-so-velvet glove since fighting her way to the most prestigious job in fashion journalism. Anna Wintour's fashion influence extends to celebrities and politicians: because of it, Hillary Clinton underwent a drastic makeover and became the first First Lady to strike a pose on the cover of Vogue in the midst of Monicagate; Oprah Winfrey was forced to go on a strict diet before Wintour would put her on Vogue's cover. And beauties like Rene Zellweger and Nicole Kidman follow Anna Wintour's fashionista rules to the letter. Now in her mid-fifties, as she nears her remarkable second decade at the helm of Vogue, comes this revealing biography that will shock and surprise both Anna's fans and detractors alike. Based on scores of interviews, Front Row unveils the Anna Wintour even those closest to her don't know.

Oppenheimer chronicles this insecure and creative powerhouse's climb to the top of the bitchy, competitive fashion magazine world, showing up close, as never before exposed, how she artfully crafted and reinvented herself along the way. She's been called many things-"Nuclear Wintour," by the British press, "cold suspicious and autocratic, a vision in skinniness," by Grace Mirabella, the editor she dethroned at Vogue, and the "Devil" by those who believe she's the inspiration for a recent bestselling novel written by a former assistant. Included among the startling revelations in Front Row are: * Anna's "silver spoon" childhood spent craving time with her father. * Anna's rebellious teen years in London, obsessed with fashion, night-clubbing and dating roguish men. * Anna's many tempestuous romances. * Anna's curious marriage to a brilliant child psychiatrist, her role as a mother, and the shocking scandal that led to divorce when she had an affair with a married man.

Noire's versatile storytelling keeps the urban erotic genre hot! --Kiki Swinson, bestselling author of the Wifey series What can go wrong when con-mami Mink LaRue joins forces with her slick-tongued look-alike Dy-Nasty Jenkins to run a three-hundred-grand hustle on the super-rich Dominion oil family? With the conniving Philadelphia stripper Dy-Nasty seeking to dip her fingers into the same pot of gold, Mink knows she has to play her hand right and hustle at the very top of her grind. But when Mink is suddenly called back home to be at the bedside of her sick mother, she is forced to leave Dy-Nasty alone at the mansion to work a solo scam on the Dominions and possibly claim the entire jackpot for herself. Will Dy-Nasty lie her way into the hearts of the Dominions and be declared a rightful heir to the vast family fortune? Or, will fate throw a cruel twist in the game and get both ghetto princesses kicked out of the mansion and left on the curb, dead broke? "Noire knows all about street slang, scams, strip clubs, and fierce sex bouts. . .This is top-of-the-line street lit." --Library Journal on Natural Born Liar (starred review) "Sizzling, action-packed, electric and gut-wrenching." --RT

Book Reviews on Lifestyles of the Rich and Shameless

The adventure of a lifetime begins between two sofa cushions.... When River, Freak, and Fiona discover a mysterious sofa sitting at their bus stop, their search for loose change produces a rare zucchini-colored crayon. Little do they know this peculiar treasure is about to launch them into the middle of a plot to conquer the world! The kids' only hope is to trap the plot's mastermind when he comes to steal the crayon. But how can three kids from the middle of nowhere stop an evil billionaire? With the help of an eccentric neighbor, an artificially intelligent domino, a DNA-analyzing tray, two hot air balloons, and a cat named Mucus, they just might be able to save the planet. This clever comic adventure from debut author Henry Clark is a truly original and utterly wacky story about the importance of intelligence and curiosity in a complacent world.

A beautiful young divorce, accomplished garden historian Anna Carmichael pours herself into her work, only to find her life complicated by two very different men--Oliver Davenport, the charismatic and stylish grandson of a wealthy client, and Will Sutton, the gardener at the client's estate. Original. 25,000 first printing.

Complete Report of Iowa State Fair and Exposition

Living the Law of Attraction

How do you prove someone guilty of murder when the best piece of evidence—the victim's body—is missing? Exclusively dedicated to the investigation and prosecution of no-body homicide cases, this book provides the author's insight gained from investigating and trying a no-body case along with what he's learned consulting on scores of others across the country. A practical guide for police and prosecutors, it takes an expansive look at both the history of no-body murder cases and the best methods to investigate, solve, and bring them to court. Taking readers step by step from the first days of a homicide investigation through the trial, the book explores the history of confessions, the use of jailhouse snitches to get information, and CSI-style forensics utilized in solving a case. It delves into the psychological profile of the type of defendant who murders someone and then hides the body and reviews methods criminals have used to dispose of bodies. It also discloses the investigative techniques police must use to catch these devious killers. Using real-life case studies, No-Body Homicide Cases: A Practical Guide to Investigating, Prosecuting, and Winning Cases When the Victim is Missing summarizes and analyzes the nearly 400 no-body murder trials in U.S. history, enabling readers to leverage the similarities in these cases with their own scenarios. The book is an essential resource for all investigators and a roadmap to a conviction for prosecutors.

When I think of the past, I cannot help remembering how funny some of events were, although they did not seem so at the time. In my search for a better job, I encountered people that enriched my life no matter how odd they seemed and believe me some were more than odd. My best memory was that of sharing an apartment with Bambi for a year and when the lease ended, we were asked to leave. There was my encounter with my neighbor Henri, an older refined gentleman I met when I purchased a townhome two

doors down from Henri. He was a terrible driver and got into trouble whenever he got behind the wheel of a car. The police knew about Henri's driving, but he was so charming the police would always let him go. A decision they would soon regret. Another special memory was working at "a hospital called horse". It occurred to me while working there, that medical people have a different sense of humor than non-medical people. "Meet the Harrisons" tells of how a family functioned with a loving mother who was a chronic sleepwalker and who did amazing things while sleepwalking. A kind and intelligent father, who kept a bottle of booze in the garage and on Saturdays would go to the garage to work on whatever and sip a bit of bourbon. "Millie flew over the cuckoo's nest." When I first met Millie, I could tell immediately that something was wrong with the woman", therefore, I stayed clear of her as much as possible. The last I heard of Millie was her showing up to church dressed in clothing that did not meet the norm for church wear. "Lulu arrives", is a story of success. When everyone considers you dumb and you succeed beyond expectations, it is a wonderful feeling. "Mona an unpredictable woman" was the third grade student who was accused of going her teacher with a compass protractor. "Cary and Judy Judy Judy" were the fun couple who I considered a lot over the top.

Far too busy to get involved with men or marriage, Cate Madigan spends her time in school and working as a bartender, but her life changes when she encounters ex-cop Kellen McBride, a man who quickly draws her into danger.

"The Killer and the Prosecutor" presents a thrilling, intriguing story of suspense and murder. A serial killer is on the loose, leaving a trail of death and destruction in his wake. His target is young, beautiful women, each brutally murdered and left in a pool of her own blood. As the murders ramp up, increasing in frequency and brutality, Detective James Munch knows that he is on the trail of a brutal and cold-blooded killer. With an unforgettable cast of characters, "The Killer and the Prosecutor" is a suspenseful, thriller that follows the bloody path of a seemingly unstoppable killer. Will the killer be caught and justice be served, or will he continue on his bloody path of destruction unchecked?
