*Italian nouns are keyed to lively pictures of familiar everyday situations and scenes. Introduction Written by the illustrator Barbara Pelizzoli Recently my mother invited me to illustrate a children's poem. After reading the manuscript, those starry nights when my mom would recite this poem to us children, came back to mind. I never tired of listening to it as the poem always enchanted me. It is with great honor that now, after many years, I present to this generation a timeless poem. I humbly portray these sweet words with my art, hoping to inspire tenderness in the souls of the youngsters and bring them beautiful dreams in these starry nights. This poem, so dear to me, it is now for you. "The Moon" by Mamma Maria My children dear, come close, come near. I want to tell you why from up in the sky the Moon's face so bright shines in the sea at night.*

*In this e-book edition, Tomie dePaola retells his classic story against a charming musical score. Strega Nona—"Grandma Witch"—is the source for potions, cures, magic, and comfort in her Calabrian town. Her magical ever-full pasta pot is especially intriguing to hungry Big Anthony. Big Anthony is supposed to look after her house and tend her garden, but one day, when she goes over the mountain to visit Strega Amelia, he recites the magic verse over the pasta pot, with disastrous results.*

*This book bridges the fields of Children's Literature and Italian Studies by examining how turn-of-the-century children's books forged a unified national identity for the new Italian State. Through contextualized close readings of a wide range of texts, Truglio shows how the 19th-century concept of recapitulation, which held that ontogeny (the individual's development) repeats phylogeny (the evolution of the species), underlies the strategies of this corpus. Italian fairy tales, novels, poems, and short stories imply that the personal development of the child corresponds to and hence naturalizes the modernizing development of the nation. In the context of Italy's uneven and ambivalent modernization, these narrative trajectories are enabled by a developmental melancholia. Using a psychoanalytic lens, and in dialogue with recent Anglophone Children's Literature criticism, this study proposes that national identity was constructed via a process of renouncing and incorporating paternal and maternal figures, rendered as compulsory steps into maturity and modernity. With chapters on the heroic figure of Garibaldi, the Orientalized depiction of the South, and the role of girls in formation narratives, this book discloses how melancholic itineraries produced gendered national subjects. This study engages both well-known Italian texts, such as Collodi's *The Adventures of Pinocchio* and *De Amicis' Heart*, and books that have fallen into obscurity by authors such as Baccini, Treves, Gianelli, and Nuccio. Its approach and corpus shed light on questions being examined by Italianists, Children's Literature scholars, and social and cultural historians with an interest in national identity formation.*

**2 in 1: Picture Book + Coloring Pics At The End Of The Book** This bilingual children's story is about Amy the dragon lady. She is missing. The search for her in different places is a delightful read-aloud. Is she helping a princess? Or a brave knight? Maybe she just flew away for some reason. Maybe dragons cannot fly at all? What do you think? Kids will learn different places, objects, and simple questions and answers, but mostly, they will cry out a loud "hooray" when the funny dragon is discovered at the end. Where? Well, just read... Here's what makes this book special: Each line is both in English and Italian The story is simple and suitable for early age learning All the illustrations are original, creative and super fun Plus, there are EXTRA PAGES for coloring and drawing at the end of the book AND SO MUCH MORE! Kids learn quickly and easily. With bilingual children's books, you set them up for success and expand their horizons from an early age! This dual language story is specifically designed to teach children new foreign words and phrases as you read to them. The book is also available in other languages. If you and your children like funny animals and a bit of seek-and-find, then you'll both love this charming story!

In 1892, nine-year-old Dom's mother puts him on a ship leaving Italy, bound for America. He is a stowaway, traveling alone and with nothing of value except for a new pair of shoes from his mother. In the turbulent world of homeless children in Manhattan's Five Points, Dom learns street smarts, and not only survives, but thrives by starting his own business. A vivid, fascinating story of an exceptional boy, based in part on the author's grandfather.

Please note: This book is a bilingual picture book with a 1:1 translation created by human translators (see translator's credits for details).

Enjoy *Wish You Were Italian* and the other standalone titles in Bloomsbury's contemporary *If Only* romance line centered around an impossible problem: you always want what you can't have! The summer before senior year of high school. It's supposed to be one of the biggest summers of her life, but Pippa is headed to an art program she has no interest in. The one saving grace is it's in Italy. And when the opportunity strikes, she decides to ditch the program and travel Italy accomplishing her own list of goals. Things like swimming in the Mediterranean Sea, eating a whole pizza in one sitting...and falling in love with an Italian boy! As she explores the famous cities of Rome and Pompeii, Pippa finds herself falling for two boys: a local guy she knows is nothing but trouble and a cute American archaeology student who keeps disappearing and reappearing at the strangest moments. Will Pippa find her true love before her parents find out the truth about her summer program?

This book is perfect for kids learning English or German as their second language. Includes 4 pages for coloring. Are you looking for your little dog named Bobby? Little dogs like to play, right? But sometimes, they disappear, what a shame! The search for Bobby the little dog is a delightful read-aloud. Let's search for him! Why did he leave without his bone? Did he go to the dentist because he could not chew his bone anymore? Is he in the park chasing ducks? Where did he go? Kids will learn different places, objects, simple questions and answers, but mostly they will be more than happy when the little dog is discovered at the end. Where? Well, just read... Kids learn well through repetition, and simple language. Each line is translated into German directly below for easy comprehension. The colors and large text in this collection make learning easy and fun. The text is simple and partly repetitive, suitable for early age learning. This dual-language bedtime story is part of the series „Where is...?“ which is specifically designed to teach children new foreign words and phrases as you read to them. The book is also available in other languages. A Quick Good Night And Funny Bedtime Story. This story will capture children's interest and imagination and shall inspire a lifelong love of literature and reading. Now available: THREE more books in the series. Make sure to check them out!

Pinocchio, the Tale of a Puppet

I Love My Dad

Science in the Kitchen and the Art of Eating Well

Learn 1000 first words with Peppa Pig in this fantastic new bumper sticker book!

**Pinocchio, The Tale of a Puppet** follows the adventures of a talking wooden puppet whose nose grew longer whenever he told a lie and who wanted more than anything else to become a real boy. As carpenter Master Antonio begins to carve a block of pinewood into a leg for his table the log shouts out, "Don't strike me too hard!" Frightened by the talking log, Master Cherry does not know what to do until his neighbor Geppetto drops by looking for a piece of wood to build a marionette. Antonio gives the block to Geppetto. And thus begins the life of Pinocchio, the puppet that turns into a boy. Pinocchio, The Tale of a Puppet is a novel for children by Carlo Collodi is about the mischievous adventures of Pinocchio, an animated marionette, and his poor father and woodcarver Geppetto. It is considered a classic of children's literature and has spawned many derivative works of art. But this is not the story we've seen in film but the original version full of harrowing adventures faced by Pinocchio. It includes 40 illustrations.

**Jimmy the little bunny** doesn't start off knowing how to ride a two-wheeler bike like his big brothers. In fact, sometimes he gets teased for it. When Dad shows Jimmy how not to be afraid to try something new, that's when the fun begins. This story may be ideal for reading to your kids at bedtime and enjoyable for the whole family as well!

Provides a fictionalized account of Jemmy Button, a native boy from Tierra del Fuego who was brought to London to be educated and then returned home to his island.

Did you ever want to teach your kids the basics of Italian ? Learning Italian can be fun with this picture book. In this book you will find the following features: Italian Alphabets. Italian Words. English Translations.

When Strega Nona leaves him alone with her magic pasta pot, Big Anthony is determined to show the townspeople how it works.

The most beautiful fish in the entire ocean discovers the real value of personal beauty and friendship.

As it ravaged the world, the influenza epidemic of 1918 devastated Boston's congested North End and left hundreds of orphans in its wake. Touched by this crisis, a Roman Catholic priest and a group of Italian Americans founded the first home for Italian children in Massachusetts.

Franciscan Sisters devoted 24 hours a day to providing the children with a safe, loving, and spiritual environment. In addition, the home provided educational support for its residents.

Over time, the changing needs of children mandated that the agency change the nature of its services from custodial care to treatment. In 1974, in response to the changing political and social climate, the agency became the Italian Home for Children. Today, it is a nonprofit, nonsectarian residential treatment facility with a capacity for 61 children of all races, nationalities, and religions. The images in The Italian Home for Children document milestones in the organization's history: the devastating influenza epidemic, the Missionary Franciscan Sisters of the Immaculate Conception, Christmas plays, a visit from Joe DiMaggio, trips to Canobie Lake Park in the summer, the Tony Martin benefit performance at Boston Garden, and the home as it is today—a refuge for children in the most severe crises.

A "beautifully written" dark fable from a doll's point of view—by the New York Times—bestselling author of The Lost Daughter and the Neapolitan Novels (The Washington Post). One of NPR's Best Books of the Year. Readers of Elena Ferrante's The Lost Daughter may recall the little doll—lost or stolen—around which that novel revolves. Here, Ferrante retells the tale from the doll's perspective. Celina is having a terrible night, one full of jealousy for the new kitten, Minù; feelings of abandonment and sadness; misadventures at the hands of the beach attendant; and dark dreams. But she will be happily found by Mati, her child, once the sun rises . . . "Everyone should read anything with Ferrante's name on it."

—The Boston Globe

Presents recipes for traditional Italian dishes, along with safety tips, essential tools, cooking techniques, and step-by-step instructions on making famous staples such as pasta and pizza dough.

Cousins Forever is a beautifully written and illustrated book that captures the special relationship that cousins share. When one of the two families moves abroad, the two cousins do not let the distance come between them. They talk often about their friends, animals, different seasons, and outdoor activities, via video chat. With new words and languages being part of their everyday life, the two girls come up with a fun, painting game, the "Word Swap". A lovely tribute to the unique friendship of cousins. Parents, aunts, uncles, and grandparents can share this book with little ones who are just beginning the lifelong journey as cousins together. Close friends are family also, so if you don't have an extended family, your child's best friend may also be referred to as a cousin. After reading this book, children will: ?Be prompted to write their very own favorite words ?Be encouraged to express themselves through art ?Want to paint and get creative Albert Einstein has been quoted to have said that creativity is intelligence having fun, and that imagination is more important than knowledge. Creativity

## Read Book Children's Book Italian : Where Is Santa Dov'è Babbo Natale (Bilingual Edition) English/Italian Picture Book For Children: Un Libro Illustrato Per Bambini Christmas Vol 2) (Italian Edition)

is the highest form of intelligence because it goes beyond knowledge recall and extends into knowledge creation. Did you know that creative young children who use their imagination are more effective, resourceful, resilient, and confident than their peers? Creative children are also better equipped to overcome obstacles and navigate changes in life. This book makes the perfect gift for creative little boys and girls, teachers, librarians, and parents. Perfect for all children ages 3, 4, 5, 6, 7, 8, and up. Most suitable for Pre-K, grade 1, grade 2, grade 3, and parents and teachers who appreciate a well-written and beautifully illustrated book with traditional watercolor art to enhance a child's world. Cousins Forever is also available in several bilingual editions (English-Spanish, English-Greek, English-Portuguese, English-French, English-German, English-Italian).

***"This immigration story is universal." —School Library Journal, Starred Dan Yaccarino's great-grandfather arrived at Ellis Island with a small shovel and his parents' good advice: "Work hard, but remember to enjoy life, and never forget your family." With simple text and warm, colorful illustrations, Yaccarino recounts how the little shovel was passed down through four generations of this Italian-American family—along with the good advice. It's a story that will have kids asking their parents and grandparents: Where did we come from? How did our family make the journey all the way to America? "A shovel is just a shovel, but in Dan Yaccarino's hands it becomes a way to dig deep into the past and honor all those who helped make us who we are." —Eric Rohmann, winner of the Caldecott Medal for My Friend Rabbit "All the Way to America is a charmer. Yaccarino's heartwarming story rings clearly with truth, good cheer, and love." —Tomie dePaola, winner of a Caldecott Honor Award for Strega Nona First published in 1891, Pellegrino Artusi's La scienza in cucina e l'arte di mangiar bene has come to be recognized as the most significant Italian cookbook of modern times. It was reprinted thirteen times and had sold more than 52,000 copies in the years before Artusi's death in 1910, with the number of recipes growing from 475 to 790. And while this figure has not changed, the book has consistently remained in print. Although Artusi was himself of the upper classes and it was doubtful he had ever touched a kitchen utensil or lit a fire under a pot, he wrote the book not for professional chefs, as was the nineteenth-century custom, but for middle-class family cooks: housewives and their domestic helpers. His tone is that of a friendly advisor – humorous and nonchalant. He indulges in witty anecdotes about many of the recipes, describing his experiences and the historical relevance of particular dishes. Artusi's masterpiece is not merely a popular cookbook; it is a landmark work in Italian culture. This English edition (first published by Marsilio Publishers in 1997) features a delightful introduction by Luigi Ballerini that traces the fascinating history of the book and explains its importance in the context of Italian history and politics. The illustrations are by the noted Italian artist Giuliano Della Casa.***

***In her latest adventure, Olivia, everyone's favourite little pig, is off the Venice, the place of fine art, carnival and gondolas for a family holiday to remember. With her very own discerning eye for style, Olivia takes the beautiful city of Venice by storm. From dodging pigeons in the Piazza San Marco, to eating an abundance of the most delicious Italian gelato at Carneval, and barely staying afloat in a gondola, Olivia uncovers the wonderful delights of Venice with that very special 'Olivia' style and flair!***
