*Truly devoted to the idea of public art, Haring created murals wherever he went.*

*As the little lion cub notices all different types of families, he starts to question his own family. His family consists of his mother and him. The little cub learns that while there is no "daddy" in his family, there is a donor lion who made his life possible. Through his mother's love and nurturing, the lion cub understands how special he and his family are. This book, winner of the Mom's Choice Silver Award for children's picture books, presents the basic facts of anonymous donor conception in a simple but loving manner. By reading this story with a child who was conceived through the help of an anonymous donor, the child will start learning about and understanding his or her family and his or her origins, just as the lion cub does in the story. The delightful illustrations of various animals and their families make the subject accessible to small children. It is a book you can share with your child over the years, and with each reading your child will gain more insight and appreciation for his or her family - for his or her own special story.*

*Adam Grant, the bestselling author of Give and Take, teams with his wife, Allison, to share the lighthearted tale of a gift in search of a giver--a classic in the making and the perfect conversation starter about thoughtfulness. This delightful book--one of Amazon's 2019 Holiday Gift Picks and Most Anticipated Books--is designed to start conversations with kids about generosity. In the tradition of Goodnight Gorilla, the words are intentionally spare. The book is meant to be read interactively, with adults posing questions so kids can guess what's happening (and why).*

*Praised by both parents and teachers for sparking imagination and eliciting discussion, the story can be interpreted differently in every family, by every child, and reinterpreted many times over. Give the gift of this clever, earnest book about generosity--a new and nourishing fable for every child's library (and one that includes a delightfully innovative cover approach that requires the reader to unfasten the Velcroed cover for a fun unboxing effect!). It's a gift that keeps on giving. "Truly phenomenal" . . . Kristen [Bell]'s favorite book we've read to the kids in a year." --Dax Shepard of the podcast "Armchair Expert"*

*Cervantes is regarded as the author of the first novel and the inventor of fiction. From its publication in 1605, Don Quixote--recently named the world's best book by authors from 34 countries--has been widely translated and imitated. Among its less acknowledged imitations are stories in children's literature. In context of English adaptation and critical response this book explores the noble and "mad" adventures retold for children by distinguished writers and artists in Edwardian books, collections, home libraries, schoolbooks and picture books. More recent adaptations including comics and graphic novels deviate from traditional retellings. All speak to the knight-errant's lasting influence and appeal to children.*

*As The Giving Tree turns fifty, this timeless classic is available for the first time ever in ebook format. This digital edition allows young readers and lifelong fans to continue the legacy and love of a classic that will now reach an even wider audience. "Once there was a tree...and she loved a little boy." So begins a story of unforgettable perception, beautifully written and illustrated by the gifted and versatile Shel Silverstein. This moving parable for all ages offers a touching interpretation of the gift of giving and a serene acceptance of another's capacity to love in return. Every day the boy would come to the tree to eat her apples, swing from her branches, or slide down her trunk...and the tree was happy. But as the boy grew older he began to want more from the tree, and the tree gave and gave and gave. This is a tender story, touched with sadness, aglow with consolation. Shel Silverstein's incomparable career as a bestselling children's book author and illustrator began with Lofcadio, the Lion Who Shot Back. He is also the creator of picture books including A Giraffe and a Half, Who Wants a Cheap Rhinoceros?, The Missing Piece, The Missing Piece Meets the Big O, and the perennial favorite The Giving Tree, and of classic poetry collections such as Where the Sidewalk Ends, A Light in the Attic, Falling Up, Every Thing On It, Don't Bump the Glump!, and Runny Babbt.
