*1001 Children's Books You Must Read Before You Grow Up is the perfect introduction to the very best books of childhood: those books that have a special place in the heart of every reader. It introduces a wonderfully rich world of literature to parents and their children, offering both new titles and much-loved classics that many generations have read and enjoyed. From wordless picture books and books introducing the first words and sounds of the alphabet through to hard-hitting and edgy teenage fiction, the titles featured in this book reflect the wealth of reading opportunities for children.Browsing the titles in 1001 Children's Books You Must Read Before You Grow Up will take you on a journey of discovery into fantasy, adventure, history, contemporary life, and much more. These books will enable you to travel to some of the most famous imaginary worlds such as Narnia, Middle Earth, and Hogwart's School. And the route taken may be pretty strange, too. You may fall down a rabbit hole, as Alice does on her way to Wonderland, or go through the back of a wardrobe to reach the snowy wastes of Narnia.*

My First Italian Alphabets Picture Book with English Translations

A vivid and elegant account of a family's season abroad by one of our finest contemporary authors Casting off a northern winter and an orderly life, a family decides to sell everything and go to Italy to search for art and its meanings, for freedom from routine, for a different path into the future. The award-winning writer Rachel Cusk describes a three-month journey around the Italy of Raphael and rented villas, of the Piero della Francesca trail and the tourist furnace of Amalfi, of soccer and the simple glories of pasta and gelato. With her husband and two children, Cusk uncovers the mystery of a foreign language, the perils and pleasures of unbelonging, and the startling thrill of discovery -- at once historic and intimate. Both sharp and humane in its exploration of the desire to travel and to escape, of art and its inspirations, of beauty and ugliness, and of the challenge of balancing domestic life with creativity, The Last Supper is an astonishing memoir.

A last surviving child of Benito Mussolini shares insights into his father's life, describing such topics as Il Duce's relationship with his family and mistresses, beliefs about education and the arts, partnership with Adolf Hitler, and anticipation of the loss of World War II.

*This book is perfect for kids learning English or Spanish as their second language. Includes 4 pages for coloring. Are you looking for your little red dragon lady? Her name is Amy, and she has disappeared. Let's go find her! Is she helping a princess? Or a brave knight? Maybe she just flew away for some reason. Maybe dragons cannot fly at all? What do you think? The search for Amy is a delightful read-aloud. Kids will learn different places, objects, and simple questions and answers, but mostly, they will be happy when the funny red dragon is discovered at the end. Where? Well, just read. Kids learn well through repetition and simple language. Each line is translated into Spanish directly below for easy comprehension. The colors and large text in this collection make learning easy and fun. The text is simple and partly repetitive, suitable for early-age learning. This dual language bedtime story is part of the series "Where is . . .?" which is specifically designed to teach children new foreign words and phrases as you read to them.The book is also available in other languages. A Quick Good Night And Funny Bedtime Story. This story will capture children's interest and imagination and shall inspire a lifelong love of literature and reading. Now available: THREE more books in the series. Make sure to check them out! ¡Amy, la pequeña dragón, ha desaparecido! ¿Puedes encontrarla? Esta serie de cuentos para buscar y encontrar animales está dirigida a niños muy pequeños. La búsqueda de una pequeña dragón llamada Amy por diversos lugares es un cuento encantador para leerlo en voz alta. Sus ilustraciones llenas de color harán que escucharlo y entenderlo sea fácil y divertido, con un texto sencillo y parcialmente repetitivo. Este cuento también está disponible en otros idiomas. Un divertido cuento para buscar y encontrar. ¿Quién más falta? - ¿Dónde está mi perrito? - ¿Dónde está mi pequeña elefante? - ¿Dónde está mi pequeño cocodrilo?*

From the renowned author of Possession, The Children’s Book is the absorbing story of the close of what has been called the Edwardian summer: the deceptively languid, blissful period that ended with the cataclysmic destruction of World War I. In this compelling novel, A.S. Byatt summons up a whole era, revealing that beneath its golden surface lay tensions that would explode into war, revolution and unbelievable change — for the generation that came of age before 1914 and, most of all, for their children. The novel centres around Olive Wellwood, a fairy tale writer, and her circle, which includes the brilliant, erratic craftsman Benedict Fludd and his apprentice Phillip Warren, a runaway from the poverty of the Potteries; Prosper Cain, the soldier who directs what will become the Victoria and Albert Museum; Olive’s brother-in-law Basil Wellwood, an officer of the Bank of England; and many others from every layer of society. A.S. Byatt traces their lives in intimate detail and moves between generations, following the children who must choose whether to follow the roles expected of them or stand up to their parents’ “porcelain socialism.” Olive’s daughter Dorothy wishes to become a doctor, while her other daughter, Hedda, wants to fight for votes for women. Her son Tom, sent to an upper-class school, wants nothing more than to spend time in the woods, tracking birds and foxes. Her nephew Charles becomes embroiled with German-influenced revolutionaries. Their portraits connect the political issues at the heart of nascent feminism and socialism with grave personal dilemmas, interlacing until The Children’s Book becomes a perfect depiction of an entire world. Olive is a fairy tale writer in the era of Peter Pan and Kenneth Grahame’s The Wind In the Willows, not long after Alice’s Adventures in Wonderland. At a time when children in England suffered deprivation by the millions, the concept of childhood was being refined and elaborated in ways that still influence us today. For each of her children, Olive writes a special, private book, bound in a different colour and placed on a shelf; when these same children are ferried off into the unremitting destruction of the Great War, the reader is left to wonder who the real children in this novel are. The Children’s Book is an astonishing novel. It is an historical feat that brings to life an era that helped shape our own as well as a gripping, personal novel about parents and children, life’s most painful struggles and its richest pleasures. No other writer could have imagined it or created it.

A revised edition of a thematic picture dictionary for learners of elementary Italian, which includes a word-by-word pronunciation guide. Illustrated in colour by Stephen Cartwright.

Social capital is a principal concept across the social sciences and has readily entered into mainstream discourse. In short, it is popular. However, this popularity has taken its toll. Social capital suffers from a lack of consensus because of the varied ways it is measured, defined, and deployed by different researchers. It has been put to work in ways that stretch and confuse its conceptual value, blurring the lines between networks, trust, civic engagement, and any type of collaborative action. This clear and concise volume presents the diverse theoretical approaches of scholars from Marx, Coleman, and Bourdieu to Putnam, Fukuyama, and Lin, carefully analyzing their commonalities and differences. Joonmo Son categorizes this wealth of work according to whether its focus is on the necessary preconditions for social capital, its structural basis, or its production. He distinguishes between individual and collective social capital (from shared resources of a personal network to pooled assets of a whole society), and interrogates the practical impact social capital has had in various policy areas (from health to economic development). Social Capital will be of immense value to readers across the social sciences and practitioners in relevant fields seeking to understand this mercurial concept.

Lovingly illustrated bedtime story in two languages (English and Italian) for children from 2-3 years. Accompanied by audiobooks and videos in English (British as well as American) and Italian. Lulu can't fall asleep. All her cuddly toys are dreaming already – the shark, the elephant, the little mouse, the dragon, the kangaroo, and the lion cub. Even the bear has trouble keeping his eyes open ... Hey bear, will you take me along into your dream? Thus begins a journey for Lulu that leads her through the dreams of her cuddly toys – and finally to her own most beautiful dream. With squatable coloring pages! A download link in the book gives you free access to the pictures from the story to color in. Libro per bambini bilingue (inglese – italiano), con audio e video Lù inù non riesce ad addormentarsi. Tutti gli altri stanno già sognando – lo squalo, l'elefante, il drago, il canguro, il cavaliere, la scimmia, il pilota. E il leoncino. Anche all'orso stanno crollando gli occhi. Ehi orso, mi porti con te nel tuo sogno? Cos i inizia per Lul ù un viaggio che la porta nei sogni dei suoi pupazzi – e alla fine nel suo pi ù bel sogno. NOVI T A: Con disegni da colorare! The far right is back with a vengeance. After several decades at the political margins, far-right politics has again taken center stage. Three of the world’s largest democracies – Brazil, India, and the United States – now have a radical right leader, while far-right parties continue to increase their profile and support within Europe. In this timely book, leading global expert on political extremism Cas Mudde provides a concise overview of the fourth wave of postwar far-right politics, exploring its history, ideology, organization, causes, and consequences, as well as the responses available to civil society, party, and state actors to challenge its ideas and influence. What defines this current far-right renaissance, Mudde argues, is its mainstreaming and normalization within the contemporary political landscape. Challenging orthodox thinking on the relationship between conventional and far-right politics, Mudde offers a complex and insightful picture of one of the key political challenges of our time.

Where are the baby’s shoes: English and Italian Bilingual Picture book Bilingual Edition English-Italian Italian baby book (Ages 2 - 6)Children learn to read on their own in a variety of ways. Challenging prevailing wisdom about the benefits of self-regulating markets, Nina Bandelj and Elizabeth Sowers offer a uniquely sociological perspective to emphasize that states can never be divorced from economy. From defining property rights and regulating commodification of labor to setting corporate governance standards and international exchange rules, the state continuously manages the functioning of markets and influences economic outcomes for individuals, firms and nations. The authors bring together classical interventions and cutting-edge contemporary research in economic sociology to discuss six broad areas of economy/state connection: property, money, labor, firms, national economic growth, and global economic exchange. A

wealth of empirical examples and illustrations reveals that even if the nature of state influence on economy varies across contexts, it is always dependent on social forces. This accessible and engaging book will be essential reading for upper-level students of economic sociology, and those interested in the major economic dilemmas of our times. .

Follow in Greta Thunberg's footsteps and join the global mission to save our planet from climate change. With in-depth text and data, this necessary and timely book will answer readers' questions on what climate change means, what its consequences will be, and what must be done to protect our world.

One relentless summer, six children explore the scorched wheatfields that surround their tiny community in the Italian countryside, while the adults shelter indoors. But when the gang chances on a tumbledown farmhouse, nine-year-old Michele Amitrano makes a discovery so momentous he dare not tell anyone about it. I'm Not Scared is a devastatingly authentic portrayal of childhood, and Michele must summon all of his imaginative resources to deal with his terrible secret. This is an enthralling and terrifying story about friendship and betrayal, guilt and innocence, which drives us inexorably to its tragic climax.

There are many things that make Bruno special. He loves riding his bike and playing soccer, he is a great brother and is passionate about animals. He also has a prosthetic eye and in this book he tells you all about it. You will discover why Bruno got his special eye, how does he take care of it, how to protect eyes from accidents and what is a visit to the ophthalmologist like. Having such a special eye is just one of the many things that make Bruno unique. This positive book will be a great resource for any child with vision in one eye, with or without a prosthetic eye, scleral shell or cosmetic lens. My Special Eye is also available in Spanish (Mi ojo especial: Un libro para niños sobre prótesis oculares) and Italian (Il mio occhio speciale: Un libro per bambini sulle protesi oculari). For more information, visit facebook.com/MySpecialEye/ From the Author: The story behind My Special Eye book My Special Eye was created a few years after my son lost vision in his left eye when he was 2 years old. One year later he had surgery to replace his eye with a prosthetic eye. It is an understatement to say that this affected our family deeply. Apart from the shock and pain for the suffering of our child and the anxiety for his future, we found ourselves dealing with something completely unexpected that we knew nothing about. Ocular prosthesis, scleral shell, hydroxyapatite implant, uveitis, phthisis bulbi, band keratopathy, evisceration, enucleation... suddenly all these terms became part of our day-to-day vocabulary. My Special Eye is the children's book we would have liked to have at that time. It will be a useful resource for any child with vision in one eye, a prosthetic eye or a scleral shell. Explaining a child that he or she needs an ocular prosthesis is not easy. However when the time came we found that our son and his sibling were way ahead of us in terms of acceptance, resilience and positivity. Also we soon realised that losing vision in one eye didn't limit our child in any way. For him his prosthesis meant that now he had a special eye that could be taken in and out. Nothing more and nothing less. I hope My Special Eye book will help monocular children and their families to realise that having a prosthetic eye is just one of the many things that make them so special and unique.

Bilingual English Polish Book. Perfect for kids learning English or Polish as their second language. This fun children's picture book follows the story of cute little bunny, Jimmy. He lives with his family in a small, nice house in the forest. The problem is that Jimmy doesn't want to sleep in his own bed. Every night he sneaks quietly into his parents' room and falls asleep in their bed. Until one night something unexpected happened .... Are you curious? Well, you'll just have to read the book to find out what happened. This is the first book in the collection of short bedtime stories for children. This story may be ideal for reading to your kids at bedtime and enjoyable for the whole family as well!

Bilingual Edition English-Igbo "Am I small?" - Tamia is not sure and keeps asking various animals that she meets on her journey. Eventually she finds the surprising answer... Reviews "This is baby's favorite book!" -Amazon Customer Review from the United States "for children who enjoy lingering over pages full of magical creatures and whimsical details [...] told in simple and engaging words and imaginative pictures."-Kirkus Reviews "This has been my daughter's favourite book since she was 4 months old. The sentences are nice and short so she doesn't lose interest in the pictures while I'm reading each page." -Amazon Customer Review from the UK "Muito legal esse livro. Singelo, divertido e relacionado ao universo da criança. Bom pra desenvolver o vocabulário. As ilustrações são lindas. Meu filho adorou." -Amazon Customer Review from Brazil "You are small or big depending on with what you relate to. A simple cute book which exactly portrays this message." -Amazon Customer Review from India "Muy buen libro infantil. Dinámico, orgánico, perfecto para aprender en romaji. De fácil lectura y con una protagonista realmente encantadora" -Amazon Customer Review from Mexico "Beautifully illustrated and cleverly written." -Amazon Customer Review from Australia "We are in love with this book!"-Amazon Customer Review from the United States "Written in a very simple way but with a profound message for both adults and kids."-Amazon Customer Review from the United States "Whenever I have time to read to her, she wants this book. And she repeats words. That's insanely cute." -Amazon Customer Review from Canada "Mia figlia di due anni e mezzo è entusiasta dei disegni bellissimi e dei colori. Apprezza anche le vicende di una bimba nè grande nè piccola ma giusta così." -Amazon Customer Review from Italy "My three year olds love it and the story's concept will grow with them for several years to come making it a keeper." -Amazon Customer Review from the U.S. "A nuestra hija le ha encantado. [...] Estamos muy satisfechos con la compra." -Amazon Customer Review from Spain "I got this book to read with my granddaughters, one from the US and one from Portugal. It is so incredibly cute! They loved it, and I did too. I highly recommend this book!" -Amazon Customer Review from the U.S. "Ce petit livre est tout ce que j'aime !!! Le graphisme, les couleurs, tout y est magnifiquement soigné, poétique et charmant !!! [...] Une merveille de beauté et de magie à ne pas louper !!!" -Amazon Customer Review from France "My little boy loves this as a bedtime story. It's colourful and quirky. [...] I thought it would be uninteresting to a child, to be read to in another language, but he asks for 'Bin ich klein' and it melts my heart!" -Amazon Customer Review from the United Kingdom "readers will emerge from this book feeling slightly more confident about themselves-whatever their size."-ForeWord Clarion Reviews "This is done with simplicity at its finest. The art is whimsical, the message is clear and most of all my grandson loves it. I would recommend this book to any child provider as part of their reading library." -Amazon Customer Review from the U.S. Languages Available for every country in at least one official language.
