

Complete Criminal Law: Text, Cases, And Materials

Clarkson and Keating's Criminal Law: Text and Materials examines the main principles and rules of criminal law and explores the theoretical bases upon which they are founded in an easily digestible text. The work combines the best features of a standard 'textbook' with those of a 'materials' book to provide guidance and direction on the law, whilst presenting a substantial amount of key primary material selected from a diversity of sources

Building on its unrivalled reputation as the definitive EU law textbook, this seventh edition continues to provide clear and insightful analysis of all aspects of European Union law. Drawing on their wealth of experience, Paul Craig and Gráinne de Búrca succeed in bringing together a unique mix of illuminating commentary and well-chosen extracts from a wide range of cases, legislation, and academic publications. Chapters have been carefully structured and designed to enhance student learning at all levels, laying the foundations of the subject while building analysis of more complex areas and cutting-edge debates. The seventh edition has been comprehensively updated to reflect the extensive legal developments that have taken place since publication of the sixth edition, and a new chapter on current challenges facing the EU has been added.

Understanding case law in high-liability areas and performing the job within a legal framework places a criminal justice agency in the best position to defend against a lawsuit. This handbook addresses the problems

Access Free Complete Criminal Law: Text, Cases, And Materials

confronting criminal justice practitioners and their agencies due to the ever-increasing number of civil liability lawsuits. It introduces the reader to civil liability generally and the federal law specifically, while indicating the steps that can be taken to minimize the risk of litigation. Civil Liability in Criminal Justice is one of very few texts on the subject that combines applicable case law and related liability research, a valuable feature for current and future policy makers and managers. Ross also provides an overview of current case law in high-liability areas, enhancing student knowledge and practitioner job performance.

Public Law: Text, Cases, and Materials offers a fresh approach to the study of constitutional and administrative law by exploring how the law works in practice. The inclusion of extracts from key cases, government reports and academic articles demonstrates the law in action and the incisive commentary that accompanies them explains the significance of each. The expert authors have distilled their knowledge of the institutions and legal principles into concise, focused prose, and they encourage reflection through regular questions and hypothetical examples. This leading text provides students with a thorough and wide-ranging knowledge of public law, together with a full understanding of the theoretical and political debates in this fascinating and dynamic area of law. Online Resource Centre This book is accompanied by an Online Resource Centre which provides a link to the authors' Twitter feed, web links to useful sites and, for lecturers, a test bank of multiple choice questions with answers and feedback.

A Research Companion

Homicide in Criminal Law

Complete Criminal Law: Text, Cases, & Materials offers a student-centered approach to the criminal law syllabus. Clear and concise explanation of general legal principles is combined with fully integrated extracts from the leading cases and a wide range of academic materials. The extracts have been carefully selected to ensure that they are detailed enough to illustrate the point of law under consideration, but succinct enough not to disrupt the flow of the text or to intimidate the student new to the study of criminal law. The book has been carefully structured with the needs of the student firmly in mind. Each chapter begins with basic principles, and gradually covers all the core topics a student needs to know. Unique to this textbook is the extent to which the law is placed firmly in its social context. This will reinforce understanding by relating essential aspects of the law to vital social and moral problems. Throughout the text a range of learning features are employed to consolidate understanding and encourage application: thinking points containing reflective and short answer questions, definition boxes, summary points, diagrams, and problem/essay questions (with guidance on answering all questions on the accompanying Online Resource Centre). Chapter summaries and further reading recommendations provide the perfect springboard for further research. This innovative text aims to engage the reader in an active approach to learning and to stimulate reflection about the role of criminal law in society. Online Resource Centre Student

This volume presents a leading contribution to the substantive arena relating to homicide in the criminal law. In broad terms, the ambit of homicide standardisations in extant law is contestable and opaque. This book provides a logical template to focus the debate. The overall concept addresses three specific elements within this arena, embracing an overarching synergy between them. This edifice engages in an examination of UK provisions, and in contrasting these provisions against alternative domestic jurisdictions as well as comparative contributions addressing a particularised research grid for content. The comparative chapters provide a wider background of how other legal systems treat a variety of specialised issues relating to homicide in the context of the criminal law. The debate in relation to homicide continues apace for academics, practitioners and within the criminal justice system. Having expert descriptions of the wider issues surrounding the particular discussion and of other legal systems' approaches serves to stimulate and inform that debate. This collection will be a major source of reference for future discussion.

When comparing the laws of different jurisdictions, one often sees only the forest or the trees. This is particularly problematic in comparative company law, where students hope both to understand the overall framework of the law and grasp its practical application. This text's structure, now in its second edition, solves that dilemma. Chapters open with discursive analyses of the law in each of Germany, the UK and the US

Access Free Complete Criminal Law: Text, Cases, And Materials

(Delaware, the ABA Model Business Corporation Act, and federal securities laws) and set out the high-level governing framework, particularly for the EU and its member states. This analysis is succinct and pointed, with numerous references to both the law and leading scholarship. The whole text is arranged to highlight comparative aspects. Diagrams are used where helpful. Chapters close with edited judicial decisions from at least two of the jurisdictions discussed, which allows fresh exploration of comparison in more detail, and pointed questions to guide class discussion.

An Interdisciplinary Approach Criminal Law provides students with an integrated framework for understanding the U.S. criminal justice system with a diverse and inclusive interdisciplinary approach and thematic focus. Authors Katheryn Russell-Brown and Angela J. Davis go beyond the law and decisions in court cases to consider and integrate issues of race, gender, and socio-economic status with their discussion of criminal law. Material from the social sciences is incorporated to highlight the intersection between criminal law and key social issues. Case excerpts and detailed case summaries, used to highlight important principles of criminal law, are featured throughout the text. The coverage is conceptual and practical, showing students how the criminal law applies in the “real world”—not just within the pages of a textbook.

fundamentals of intellectual property law in the UK. It combines excerpts from cases and a broad range of secondary works with insightful commentary from the authors which will situate the law within a wider international context.

Text, Cases and Materials on Criminal Law combines detailed commentary and analysis of the law with excerpts from a range of sources, both legal and non-legal, to help set the law in context and deepen your understanding of this core area of legal study.

Covers various aspects of professional sports, including the unique office of the league commissioner, the many contract, antitrust, and labor law dimensions of the player-labor market, and the peculiar institution of the player agent in a unionized industry. Looks at the system of college athletics governed by the NCAA and how law impacts individual sports like golf, tennis, boxing, and the motor sports, as well as the structure and operation of international Olympic sports. Also focuses on tort and criminal law issues arising out of the personal injuries caused by sports.

This is a pioneer, long overdue and truly original book that offers a unique, comprehensive and thorough exposition of the criminal law of this country by a leading scholar. This latest book by Professor Carlson Anyangwe adopts a thematic approach, each chapter covering a specific aspect of the criminal law. The text is a clear, simple and comprehensive exposition of all the offences codified in the Penal Code. It offers a rich, clear, learned and discerning analysis to understanding of the criminal law. The book is designed to instruct and to contribute to a deeper understanding of the subject, the treatment of which is unique, informative and makes for compelling reading. This is the first textbook ever on the subject in this country and it is undoubtedly an indispensable tool of trade

for judges, prosecutors, lawyers in private practice, academic lawyers, law students and law enforcement officers.

Building on the strengths of the Sourcebook on Public Law, this book has been comprehensively revised to take account of the radical programme of constitutional reform introduced by the Labour Government since 1997.

Criminal Law: Text, Cases, and Materials offers comprehensive legal coverage and insightful analysis alongside expertly selected extracts from key cases and academic sources. The effective two-part structure of each chapter in the book - the first part explaining the law as it is, the second examining the theoretical aspects of the law - ensures that readers not only gain a secure understanding of the law itself but also acquire a fundamental appreciation of the surrounding philosophical and ethical debates. Important theoretical material is made accessible to students through a particularly engaging writing style. The author's clarity of expression brings the subject to life and places the law in context. This text is an essential and complete resource for all those wanting to get to grips with the fascinating and sometimes challenging area of criminal law. Environmental Law: Text, Cases, and Materials has been designed to provide students with everything they need to approach the subject with confidence. Experts in the area, the authors combine clear and insightful commentary with carefully chosen extracts from UK and international sources to offer students a well-rounded view of the subject area. Covering a broad range of topics, the authors introduce discussion on controversies and debates and encourage readers to engage in critical reflection by posing regular discussion questions throughout the text. Further reading suggestions point students towards useful resources, guiding their independent research. Online Resources This book is also accompanied by online updates collated by the authors, helping students to stay well-informed.

Premised on the belief that criminal law is an exciting subject to learn and teach, this popular casebook provides a balanced and creative overview of classic and modern criminal law cases and issues while covering both common law foundations and modern statutory reform, including the Model Penal Code. The casebook invites classroom consideration of many controversies in the field (e.g., rape law, race-based jury nullification, Internet crime, and anti-stalking legislation) and defenses (e.g., battered

Access Free Complete Criminal Law: Text, Cases, And Materials

women's self-defense). Using imaginative examples from literature and music to illustrate criminal law issues (e.g., examining insanity with Edgar Allan Poe's *The Tell-Tale Heart* and homicide with Willa Cather's *O Pioneers!*), the casebook allows law students to confront some of the Big Questions with which philosophers, theologians, scientists, poets, and lawyers have grappled for centuries.

This is a comprehensive, introductory criminal law textbook that expands upon traditional concepts and cases by coverage of the most contemporary topics and issues. Contemporary material, including terrorism, computer crimes, and hate crimes, serves to illuminate the ever-evolving relationship between criminal law, society and the criminal justice system's role in balancing competing interests. The case method is used throughout the book as an effective and creative learning tool. Features include: vignettes, core concepts, 'Cases and Concepts', 'You Decides', excerpts from state statutes, 'legal equations' and Crime in the News boxes" fully developed end-of-chapter pedagogy includes review questions, legal terminology and 'Criminal Law on the Web' resources" instructor resources (including PowerPoint slides, a computerized testbank and classroom activities) and a Student Study Site accompany this text

The strength of this casebook is the uniformity of each chapter's structure, which makes it easier to

Access Free Complete Criminal Law: Text, Cases, And Materials

approach the chapter's topic systematically. Each chapter begins with several sections that discuss the applicable law, followed by a separate section that discusses the Model Penal Code's approach to the topic. This is then followed by a "Comparative Perspectives" section that encourages students to think about alternative ways of approaching the topic. The richness of the comparative materials used in the casebook is unmatched by its competitors, as many of the materials have been translated by the author. Finally, each chapter ends with a section titled "Scholarly Debates" that introduces the student to some of the philosophical discussions related to the topic.
