nation, or any nation so conceived and so dedicated, can long endure. We are met on a great battlefield of that war. We have come to dedicate a portion of that field, as a final resting place for those who here gave their lives that that nation might live." - Abraham Lincoln Without question, the most famous battle of the American Civil War took place

outside of the small town of Gettysburg, Pennsylvania, which happened to be a transportation hub, serving as the center of a wheel with several roads leading out to other Pennsylvanian towns. From July 1-3, Robert E. Lee's Confederate Army of Northern Virginia tried everything in its power to decisively defeat George Meade's Union

Army of the Potomac, unleashing ferocious assaults that inflicted nearly 50,000 casualties in all. When a crowd came to Gettysburg in November 1863 to commemorate the battle fought there 4 months earlier and dedicate a new national cemetery, they came to hear a series of speeches about the Civil War and the events of that battle. Today it may seem

obvious to invite the president to such an occasion, but Lincoln was initially an afterthought, and though he did come to deliver remarks, he was not in fact the keynote speaker. Instead, the man chosen to give the keynote speech was Edward Everett, a politician and educator from Massachusetts. Everett had already been a

Online Library Crow On The Cradle (Timeline 10/27/62)

Congressman, the 15th Governor of Massachusetts, Minister to Great Britain, and Secretary of State, and by the Civil War, he was considered perhaps the greatest orator in the nation, making him a natural choice to be the featured speaker at the dedication ceremony. Everett is still known today for his oratory, but more for the fact

Online Library Crow On The Cradle (Timeline 10/27/62)

that he spoke for over two hours at Gettysburg immediately before President Lincoln delivered his immortal two-minute Gettysburg Address. Everett would later say, "I should be glad if I could flatter myself that I came as near to the central idea of the occasion, in two hours, as you did in two minutes." At the time, however, Lincoln and

Online Library Crow On The Cradle (Timeline 10/27/62)

many others present at the event thought his speech fell flat and was ultimately a failure that would be consigned to the dustbin of history. Perhaps Lincoln's most impressive feat is that he was able to convey so much with so few words; after Everett spoke for hours at Gettysburg, Lincoln's Gettysburg Address only took a few minutes, but in

Online Library Crow On The Cradle (Timeline 10/27/62)

those few minutes, Lincoln invoked the principles of human equality espoused by the Declaration of Independence. In the process, he redefined the Civil War as a struggle not merely for the Union but as "a new birth of freedom" that would bring true equality to all of its citizens, ensure that democracy would remain a viable form of

Online Library Crow On The Cradle (Timeline 10/27/62)

government, and would also create a unified nation in which states' rights were no longer dominant. 150 years later, Lincoln's speech is still considered arguably the greatest in American history, yet the exact wording of the speech is disputed. The five known manuscripts of the Gettysburg Address differ in a number of details and also differ

Online Library Crow On The Cradle (Timeline 10/27/62)

from contemporary newspaper reprints of the speech. In fact, at the time, few Americans knew the president had even given a speech at Gettysburg, and the Gettysburg Address was not widely covered in newspapers. The irony is lost on few, given that the Gettysburg Address continues to represent a concise and eloquent

statement on the very purpose of the United States.

The Gothic began as a designation for barbarian tribes, was associated with the cathedrals of the High Middle Ages, was used to describe a marginalized literature in the late eighteenth century, and continues today in a variety of forms (literature, film,

In 1907 and again in 1908
Adolf Hitler applied for entry at
the Academy of Fine Arts in
Vienna. He was rejected on
both occasions - a professor
citing "unfitness for painting."

Online Library Crow On The Cradle (Timeline 10/27/62)

It seems that this decision has been deemed by many historians as not a significant event. But what if Adolf Hitler had been accepted to the prestigious Academy of Fine Arts? Prior to this rejection,

Online Library Crow On The Cradle (Timeline 10/27/62)

Adolf had sold some of his paintings so it would not have been unthinkable for him to have been accepted. Some have thought that perhaps he had been rejected by Jewish professors and so began his

Online Library Crow On The Cradle (Timeline 10/27/62)

hatred of the Jews. Again, we have to think about what if Adolf Hitler had been accepted in the Academy of Fine Arts? Would that have change his path and therefore changed the course of history? Would

Online Library Crow On The Cradle (Timeline 10/27/62)

someone else have simply taken his place? "The Artist Formerly Known as Adolf Hitler," is a novel that looks at what the world may have looked like had he chose a different course in life. For

Online Library Crow On The Cradle (Timeline 10/27/62)

many people, the name Adolf Hitler is the embodiment and true definition of evil. The purpose of this book is not to venerate Adolf Hitler. This story is meant to have the reader think in a different way

Online Library Crow On The Cradle (Timeline 10/27/62)

about Adolf Hitler. Was Adolf Hitler predestined to be the architect of one of the most horrendous and evil events in modern history, or was it simply a series of bad choices and decisions and eventually

Online Library Crow On The Cradle (Timeline 10/27/62)

choosing the wrong course in life? There is evidence that in Adolf Hitler's youth, he had many interactions with Jewish people and in some cases, quite beneficial ones. What were those events or

Online Library Crow On The Cradle (Timeline 10/27/62)

interactions that shaped his opinions to become drastically different in later life? What if we had to walk a mile in Adolf Hitler's shoes? Many find such a thought preposterous. But what if we had his formative

Online Library Crow On The Cradle (Timeline 10/27/62)

years? What if we had his physiology? What if we had the same path and obstacles to go down or around as he? Would we make the same decisions? While we may judge people like Hitler, Stalin and Mao as

Online Library Crow On The Cradle (Timeline 10/27/62)

ruthless and evil dictators, had we been born to live their lives, would we have made different choices while in their shoes? To this point, are all human beings just subject to their predestined fate, or do we all

Online Library Crow On The Cradle (Timeline 10/27/62)

the unfettered opportunity to make the correct or incorrect choices that lead us down a certain path? Another aspect of this novel looks at how the 20th century would have transpired, had Adolf Hitler

Online Library Crow On The Cradle (Timeline 10/27/62)

chosen another path. Is it likely World War II would have occurred? If it hadn't what would the world look like? The war was directly responsible for the economic upturn for the United States and many

Online Library Crow On The Cradle (Timeline 10/27/62)

countries, lifting them from the malaise of the Great Depression. What would have become of the Soviet Union? Would we have landed a man on the moon? The war brought about economic, political and

Online Library Crow On The Cradle (Timeline 10/27/62)

technological changes to an extent that had never been experienced before in history. What would this have meant for the Jewish race as well as all people all around the world? The book also looks at what

Online Library Crow On The Cradle (Timeline 10/27/62)

might have happened to some notable people affected directly or indirectly by Adolf Hitler had he lived his life differently. What might have happened to the political careers of Rosa Luxemburg

Online Library Crow On The Cradle (Timeline 10/27/62)

and Karl Leibknect? What might have happened to Ann Frank? Who was Ernst Thallman and Marla de los Remedios Alicia Rodriga Varo y Uranga? What is amazing to think in terms of, is that how

Online Library Crow On The Cradle (Timeline 10/27/62)

could the decisions of one man have made such a dramatic impact on the history and culture of the world that we live in today. "The Artist Formerly Known as Adolf Hitler" will make you rethink
