Learn about things with engines with Extreme Machines, a Level 4 DK Reader, now in ebook format. Help your child learn to love reading, while they explore the world of machines. Stunning photographs combine with engaging age-appropriate stories and have rich vocabulary and challenging sentence structure, additional information, alphabetical glossary and index to help challenge growing readers and build literacy skills. Read them together with children who are reading alone and with reluctant readers. Extreme Machines is perfect for reading aloud and you'll both love the exciting images and sounds.

Facts, photos, stories, and specs of one hundred remarkable flying machines, from the Sopwith Camel to the 747 to the supersonic F-22 Raptor. Of all humanity's dazzling innovations, perhaps none captures our imaginations or fuels our inventive spirits as much as flight. In our quest to soar higher, faster, and farther, we've dreamed up airborne wonders that are a sight to behold—like the supersonic F-22 Raptor, stealthily soaring above the clouds, or the Boeing-Stearman PT-17 Biplane, the beautiful starter model that helped a generation earn their wings, or the deluxe Concorde—the first passenger jet to cruise at the speed of sound. These iconic aircraft—and ninety-seven more stunning feats of aeronautical engineering—make up the world's most groundbreaking contributions to flight, all curated and collected here by the experts at Flying magazine. In Flight: 100 Greatest Aircraft, there's something for every aviation aficionado—from brazen stunt planes to far-from-pedestrian commercial jets, from military marvels to spacecraft that reached dazzling new heights. With its spectacular full-color photographs, fascinating and informative text, and a detailed specifications section, Flight is the essential book for pilots and plane-lovers everywhere.

Introduces the travels and discoveries of some famous explorers who crossed deserts, sailed seas, scaled mountains, and flew uncharted skies.

*Amelia Earhart was queen of the skies at a time when airplanes dazzled the imagination. She was adventurous and daring. Earhart became the first woman pilot to cross the Atlantic Ocean, and she did it solo. She flew across the United States and returned, alone. She soloed halfway across the Pacific. She set many flying records but none of that satisfied Earhart. In May 1937, she and her navigator took off from California on her final, epic flight. Their destination: around the world. This action-packed biography for young readers includes Vocabulary and Quick Fact boxes.*
