"The small town of Azalea Springs that has lived in seemingly charmed ignorance for generations finds itself floundering in a modern era of hate and revenge. Gary Tatum battles intolerance, racism, and ethnic superiority while Azalea Springs' least favorite son, Rusty Wicker, battles to keep the power that he has won through murder, intimidation, and the local drug trade. Russell Vaughn is the big-time, small town lawyer who secretly struggles with his desire for revenge. Michael and Grace Fleming are the newcomers who are thrust into a conspiracy that pits Old South ideals against the progress of the New South"--Page 4 of cover.

The Empath. The word has found its way into our consciousness accompanied by ideas of healing, sharing emotion and pain. Empaths are sensitive, caring, responsive people who have at the core of their nature an innate ability to receive energy, information and awareness from others with a depth and intensity that is beyond our customary understanding of empathy. Yet, this very receptivity and permeability brings its own challenges. It is vital for empaths to recognize themselves as such and to consciously explore, understand and address this energetic flow in their life. Self-inquiry is the essential tool to understanding all that motivates and colors your experience of the world. The book explores in depth this receptivity, as well as tools, concepts and approaches to support understanding and how to flourish with this heightened sensitivity. This book is a shared journey, edited from years of workshops and sessions with Elisabeth Fitzhugh and the Orion group.

Dance has the power to change the lives of young people. It is a force in shaping identity, affirming culture and exploring heritage in an increasingly borderless world. Creative and empowering pedagogies are driving curriculum development worldwide where the movement of peoples and cultures generates new challenges and possibilities for dance education in multiple contexts. In Dance Education around the World: Perspectives on Dance, Young People and Change, writers across the globe come together to reflect, comment on and share their expertise and experiences. The settings are drawn from a spectrum of countries with contributions from Europe, the Americas, the Middle East, Asia, the Pacific and Africa giving insights and fresh perspectives into contrasting ideas, philosophies and approaches to dance education from Egypt to Ghana, Brazil to Finland, Jamaica to the Netherlands, the UK, USA, Australia, New Zealand and more. This volume offers chapters and narratives on: Curriculum developments worldwide Empowering communities through dance Embodiment and creativity in dance teaching Exploring and assessing learning in dance as artistic practice Imagined futures for dance education Reflection, evaluation, analysis and documentation are key to the evolving ecology of dance education and research involving individuals, communities and nations. Dance Education around the World: Perspectives on Dance, Young People and Change provides a great resource for dance educators, practitioners and researchers, and pushes for the furtherance of dance education around the world. Charlotte Svendler Nielsen is Assistant professor and head of educational studies at the Department of Nutrition, Exercise and Sports, research group Body, Learning and Identity, University of Copenhagen, Denmark. This lively, passionate approach to moving meditation offers a fresh way to embrace mindfulness. It weaves together personal stories, therapeutic insights, practical skills and opportunities for reflection and practice to provide a gateway to spiritual growth, a path to more balanced living, a healing experience and ignition for your creativity.

Transparency is vital to the building and strengthening of every relationship and every ministry. It allows people to see you as approachable and to feel safer when talking to you. Transparency is a gateway to trust, and trustworthiness is an important quality which people seek in a good, ministerial leader. They want to know:Is this person trustworthy?Is this person honest?How do I know I can talk to this person without fear of condemnation?It is with this in mind that Rohini Townsend approaches writing, friendships, ministry, and life itself. Her desire to see people healed and whole has led to a candor and openness that is sure to tug at the heartstrings of the despondent.Put Some Shoes On, is an emotional and gripping story of one little girl's journey through heartache, rejection, abuse, and turmoil. Chronicling her path from scared child to broken, rebellious teen to powerful, anointed woman of God, the author shares the most intimate moments of her life with refreshing transparency and soul stirring honesty. It is not only a story of past hurts, it is a story of learning, growing and seeking a deeper relationship with God -- the steps and sacrifices that are required for that level of depth and connection to the Father.Raw, poignant, and insightful, Put Some Shoes On was written to heal. It was written with your salvation in mind. This is a story of overcoming and, while on that walk, discovering who you are, and more importantly, WHOSE you are. Every step you take was conceived in the mind of the Father to guide you towards recognizing the spiritual gifts He has placed in you. Be not weary in well doing. Do not allow your circumstances to define you. Do not be consumed by trials and heartache. Take your experiences and let God use them to mold you into a powerful Kingdom citizen. Put some shoes on and walk boldly in your Godly identity.

Seventeen-year-old Jane had found the horse of her dreams-or so she thought. Windsong had the breeding, training, and the flashy good looks to win medals at national competitions, but conservative, shy Jane wasn't sure she was up to the challenge of riding the temperamental beast. He may have been an imported Swedish Warmblood, and he may have had Grand Prix dressage training, but he was wild. When her spirited, new horse races out of control, help comes unexpectedly-and unwelcomed-from a loathsome cowboy, a horribly mean-spirited, condescendingly brusque gorgeous black-haired, azure-eyed reining champion, who is positive Jane is most definitely not up to the challenge. As these two from opposite ends of the horse world are forced to work together, tempers blaze and horseshoes fly, but something else begins to spark. Can Jane overcome her fear and preconceptions to win her goal of competing in the National Junior Rider Championships...and not lose her heart at the same time? This story about a teen dressage competitor is the first of a series of three books following her developing career in national competition. This book is not just for horse-crazy teens though, it will captivate women and young adults who love outdoor sports and romance. If you have experience with horses or other outdoor sports, you already know that horse showing or sport competition is an adventure; and, let me tell you, horse showing in national competition is equestrian adventure at its most exhilarating. Are you up to the challenge?

Dance teachers, both experienced and aspiring, will find this book to be an in-depth source of original choreographed center floor combinations for a ballet class. Each chapter presents detailed explanations arranged by "difficulty level" (beginner through advanced) as well as categorized by various areas of center floor work, including: Center Floor Barre, Adagios, Warm-up Jumps, Petit Allegro, En Diagonale (across-the-floor), Grand Allegro, Port de Bras, and so on. These teaching enchainements can be adapted to, or used to supplement, any style (syllabus) of classical training. The book also includes a collection of sample lessons for each difficulty level that can be used to create a full program of classes. As the combinations progress they build the technical expertise of students and give teachers "tools" to use to keep their students interested and challenged. Written by a former professional ballet dancer with an extensive national and international performing and teaching background, and an M.F.A. in Dance completed after her lengthy dancing career, this is the third volume in a series, following Vol. 1, "Building Ballet Technique, A Practical Guide for Teaching All Levels" and Vol. 2, "Building Ballet Technique, A Self-Improvement Guide for Dancers." It belongs on every dance teacher's bookshelf."

Two stolen Pakistani nuclear bombs, a conspiracy to manipulate the global market in rare earths and a plot to assassinate the President of the United States. It's going to be a busy week for Ali Monpour, special investigator for the National Security Advisor.Rare Earths is a fast-paced political thriller ripped from today's headlines! Action and intrigue intertwine from the deserts of Balochistan to the halls of power in Washington, D.C.

As Ruben Wells kneels with a gun pointed at his head all he can do is reflect on the life he spoiled. What has led him here? Was it his willingness to always try to do the right thing that has him staring at the barrel of a gun? Or was that he was too much of a people pleaser having a hard time saying no that has led to him begging for his life? Every thing begins and ends with a choice. The moment a choice is made it only takes a second for a life to change. Ruben made a choice to initiate a relationship with the alluring Bianca Jones. She makes heads turn and every man's dream. She is beautiful as a gazelle, but as dangerous as a lioness, as she's unavailable due to being unhappily married with children. Being married doesn't keep her from wanting to pursue Ruben as well as being pursued by him. Getting involved with Bianca changes Ruben's life in ways he never could have imagined. Choices are a gift constantly given to everyone. The choices made lead to different paths. We all have to choose this day what we're going to do with our own lives not knowing what the end result will be. What kind of impact will Ruben's choices have on his life?

Jawara D. King is back with another classic and has written "the greatest self-help book of all-time" with TRANSFORM YOUR WORLD THROUGH THE POWERS OF YOUR MIND, which is a classic and spiritual masterpiece leading the world into manifested mind power. This transformational life-changing manual full of life-changing principles will help you make the proper mental adjustments needed to experience the full manifestation of thought power.A trained and directed mind disciplined to think the right thoughts will help you manifest the life you want through the power and possibility of faith. Learn how to not limit yourself in your thinking and allow the energy of thought to create the circumstances you desire. The only limits are our beliefs, which make the possible impossible, while everything is possible, including the impossible, using mind over matter to overcome impossibilities. Through persistence, will, and daily commitment, you will be able to change or manifest anything within the realm of the possible through applied action. The beliefs you hold within are always repelling or attracting success, and your thoughts and spoken words will manifest. Building on the success of his first book WORLD TRANSFORMATION, Dr. Jawara D. King returns with a spectacular effort full of techniques that will make dramatic positive changes for you if practiced, and help you see and imagine yourself being what you affirm to be. A decision backed by action is the root of all change, along with a change in your thinking. You have to believe it before you see it. Images of what you want in your mind begin the creative process. You attract situations that match the images of your daily thoughts and what you mostly focus upon. Through mind power, your new life will reflect your new thoughts and habits.

About this book No more powerful transformation is available to a woman than that of the unhindered birth of her child. As a woman's body opens to the life of her baby, so too is she opened to the rawness and beauty of woman-hood. At the culmination of an unhindered pregnancy and birth, a woman is left with an increased sense of strength and confidence as a woman and a mother. This often fearful and dreaded event of childbirth is largely misunderstood and shrouded in mystery. The harmful routines and common procedures performed during pregnancy, labor and birth more often than not strip the mother of her ability and right to birth spontaneously and with the joy and love possible. By lessening fear and increasing awareness, a woman is able to come through her journey of natural childbirth as a new and stronger woman and mother. The book Birth Unhindered will help increase confidence, peace and acceptance of this transformative time in life as well as allow the reader to participate in the journeys of other women just like her. Tara McGuire is a speaker and author on the topics of pregnancy, birth, personal growth and empowerment. She has a history as a Certified Childbirth Educator and CCE Trainer through Birth Works(c) Inc., as well as acting as a birth attendant. Currently, Tara co-owns and operates Epidavros Center for Wellbeing and Epidavros Yoga Studio with her husband, Don. In addition to these activities, Tara is a home-schooling mother of four children and surrogate mother to one.

In the Studio with Joyce Piven takes you directly inside the creative process of the renowned Piven Workshop led by Joyce and Byrne Piven. The Piven Theatre Workshop in Chicago has nurtured theatre artists celebrated in the US, Ireland and Britain including Joan Cusack, John Cusack, Jeremy Piven, Aidan Quinn, Sarah Ruhl, Lili Taylor and Kate Walsh. Co-authors Joyce Piven and Susan Applebaum describe the Workshop techniques (developed and refined over forty years of theatrical training) as a virtual fly-on-the-wall experience, taking the reader inside the director's studio, classroom, and green room. Part One introduces the central principles of game work and the concept of 'encounter' - finding the emotional experience at the heart of a set of given circumstances - and ends with a chapter on the role of story theatre as a bridge between games and play text. Part Two takes you into the classroom with Joyce Piven through fully-detailed transcripts of physical and vocal workshops on play, agreement, specificity, transformation and story theatre, accompanied by explanations and tips for teaching. The book ends with an alphabetical appendix of games taught by Byrne and Joyce Piven based on their work with Paul Sills and Viola Spolin, Etienne Decroux, Uta Hagen and Mira Rostova. A highly regarded guide and resource for actors, teachers, and directors, for anyone interested in the creative process of acting and actor training.

Clearly, the “normal” way of life is the opposite of genuine sustainability, and it has an expiration date. Any way of life that is fully in balance with the family of life must be genuinely sustainable, a healthy path with a future. At present, too few really comprehend this concept. It would be wise to learn, and Sustainable or Bust is a useful tool for the job.Seven-point-something billion people can't switch to sustainable living this afternoon, because it's temporarily impossible. But the collapse of industrial civilization is now in its early stages, and when it's done, the human sphere will be much smaller, slower, and simpler. Decades down the road, many new options will become possible, including genuine sustainability. We could help our descendants find a more direct path to health and balance by learning about sustainability now, and sharing this wisdom with the young ones. There's never been a better time to hit the books and feed our minds – before the lights go out. Nothing can change until ideas change. My first book, What Is Sustainable, presented an introduction to genuine sustainability, with an emphasis on food. Sustainable or Bust is a collection of 64 book reviews, and 16 rants. It's a gallery of thinkers, scholars, and ideas that might make “normal” minds itch and squirm. This book is for pilgrims who are awake, alive, and weary of normal – minds hungry for outside-the-box ideas. I don't expect to see the end of the collapse. What the survivors, if any, choose to do is entirely beyond my control. I am not responsible for the decisions they make, but I am responsible for doing what I can to help them understand their history, predicament, and options. Who are we? Where are we from? How did we get here?

Carol Tyler has been a professional (and highly acclaimed) cartoonist for over 20 years, appearing in such venues as Weirdo, Wimmen's Comix, and Drawn & Quarterly magazine. But over the years her status as a working mother has drastically curtailed her ability to set aside time for her cartooning. Thus each rare new story from her pen has been greeted with hurrahsas well they should be, because she's one of the most skillful, caustic, and emphatic cartoon storytellers of her generation. This new book presents the biggest, richest and most delightful collection of Tyler's work to date featuring many new and previously unpublished works. p.pl [margin: 0.0px 0.0px 0.0px 0.0px; font: 13.9px Arial; color: #424242]

This inspiring biography explores the life and work of the land trust pioneer, peace activist, and father of the relocalization movement. Robert Swann was a self-taught economist and a tireless champion of decentralism, promoting community resilience and imprisoned for his beliefs, Bob Swann engaged in lifelong nonviolent direct action against war, racism, and economic inequity. His legacy is a vision of a life-affirming, alternative economy based on land and monetary reform. Swann's story is also the untold history of the land trust movement. He forged tools to build productive, resilient local and regional economies. He associated with a constellation of vital, intelligent, independent authors and activists, and ultimately co-founded the Schumacher Society based on the philosophies of Small Is Beautiful. As industrial civilization flails in the throes of ecological and economic crisis, Swann's innovations are at the ready to help neighborhoods, local entrepreneurs, and willing communities rebuild at appropriate scales.

Every human being suffers pain in life. No one's life is devoid of suffering. Be it in the form of heartbreak, traumatic event or setbacks. From all these the soul requires healing. Lessons are to be drawn from them with a need to move on and evolve. But some require rehabilitation. But few sources are there to address them and offer rehabilitation. This is a book that gives a message of consciousness and the realization of one's talents and potentialities to fulfill them. It's a thrilling tale of a woman who quests to heal the lives of many, a journey of love and self-discovery. Though a work of fiction, it is inspired by true events which offer healing to the soul. It is narrated with prose and poetry which will engage the readers and also satisfy literary readers. The book involves 300+ ethnic origins who go through different hardships suffering heartbreaks, abandonments, compromises, and breakthroughs during their quest for a deeper meaning of life. In the course of their adventures love, consciousness, happiness, healing, Africanism, vulnerability, and maturity are discussed. Ultimately, life lessons are learned from this entire phenomenon where love and self-actualization prevail. The author Benyf, a former Morris Brown College student, a graduate of Fisk University and of Georgia State University with the purpose to heal others' hearts, a road map for the next generation. Psychological ideas such as self-actualization, identity crisis, consciousness, and change are explored. It's a reflection on feminism and evolution with important life lessons to be learned for everyone, male or female, universal or unique. Take a dive into this world of Benyf to enrich and revitalize soul.

ROMANS: A PATH TO TRANSFORMATION is an exciting, hands-on approach to studying the Bible. This study is organized into two separate courses. In each course, you will be invited to explore Paul's letter to the Christians in Rome, through which he teaches the message of the Good News of Jesus Christ, and its implications for our lives and the church today. During this first course in Romans chapters 1-8, you will explore these questions: What does it mean to be a Christian? * How widespread is sin and how does God's grace and offer of salvation? * What does it mean to have faith in God through Jesus Christ? * How does a person become free and live in God's grace? * How does the Holy Spirit help us live an abundant life in Christ? * What kind of hope does God give us? A PATH TO TRANSFORMATION (CHAPTERS 1-8), you will have the opportunity to: * Discover how God's grace can transform the darkest areas of your life. * Discern how God might be speaking to you through the truths in Paul's letter. * Devote yourself to receiving His grace by inviting Him to heal and transform you. * Disciple yourself and others to live the transformed life through the power of the Holy Spirit.

A Creative Path to Healing & Transformation

David Gere, who came of age as a dance critic at the height of the AIDS epidemic, offers the first book to examine in depth the interplay of AIDS and choreography in the United States, specifically in relation to gay men. The time he writes about is one of extremes. A life-threatening medical syndrome is spreading, its transmission linked to sex. Blame is settling on gay men. What is possible in such a highly charged moment, when art and politics coincide? Gere expands the definition of choreography to analyze not only theatrical dances but also the protests conceived by ACT-UP and the NAMES Project AIDS quilt. These exist on a continuum in which dance, protest, and wrenching emotional expression have become essentially indistinguishable. Gere offers a portrait of gay male choreographers struggling to cope with AIDS and its meanings.

Relating the rigors of dance to the travails of the alchemical opus, the author, herself a former Martha Graham dancer, allows us to experience the process that for many gives birth to an enhanced awareness of the Self. A timely reminder of the interaction between body and soul.

Using recovery and Christian faith-based themes, neurologist and author Daniel C. Potts writes poetry about gratitude and spiritual transformation.

Have you ever convinced a family member to change their vote over the Thanksgiving dinner table? Have you managed to change someone's mind on any important topic? I have not. Until I learned the secret. This book is not about how to win arguments. After ten years of talk radio, I've learned how to do that: talk louder and sound more confident. But it was only recently that I discovered how to actually change people's minds. These are very different things. If you believe that the world would be a better place if more people agreed with you, this insight will help you. I wrote this book to be read in about an hour. You can use the advice right away.

The Dance of Death

The Earth is at a crossroads. Adrian Miller, one-time ruler of the modern world, reviled by many, is presumed dead. But in truth, he is quite lost, trapped on an alien world. Now finding himself with a second chance, he takes the opportunity to try and reconcile with his past, build a new future. But it soon becomes apparent that far more than his conscience is at stake if he can't. Henry Forman, beloved hero and brilliant engineer, has his new life with the woman he loves ripped swiftly out from under him before it begins. A crisis of unprecedented scale emerges. He must rise to face this challenge, as there aren't many others who will. And yet, he doubts that he can do enough to make a difference this time. Both must race against the clock if they are to rediscover who they really are, and save all of humanity from a terrible fate. Destiny may have stitched their lives in place, but strings can sometimes unravel.

Waltzing Australia was born out of a dream-and a journey. After walking away from her corporate career, Cynthia Clampitt headed to Australia, to start over, to write, and to test the limits of what she could do. Waltzing Australia recounts that joyous adventure. It is a story about change and about making dreams come true. But more than that, it is about Australia: the history, legends and art, both European and Aboriginal; the beauty, the challenge, the people, the land. From Sydney to Perth, Tasmania to Darwin, tropics to desert, city to wilderness, Clampitt carries the reader along on an exhilarating grand tour of a fascinating country. With a writing style reminiscent of Annie Dillard, she captures the essence of the land Down Under and invites others to fall in love with Australia.

In response to a scarcity of writings on the intersections between dance and Christianity, Dancing to Transform examines the religious lives of American Christians who, despite the historically tenuous place of dance within Christianity, are also professional dancers. Emily Wright details how these dancing Christians transform what they perceive as secular professional by transforming concert dance into different kinds of religious practices in order to express individual and communal religious identities. Through a multi-site, qualitative study of four professional dance companies, Wright explores how religious and artistic commitments, everyday lived experience and varied performance contexts influence and shape the approaches of Christian professional dancers to creating, transforming and performing dance. Subsequently, this book provides readers with a greater awareness and appreciation for the complex interactions between American Christianity and dance. This study, in turn, delivers audiences a richer, more nuanced picture of the complex histories of these Christian, dancing communities and offers more fruitful readings of their choreographic productions.

Dr. Griffiths' Principals of Inclusion is both a practical, realistic blueprint and an inspiring call to action for accelerating schools/school systems in their search to optimize all students' potential (inclusion). In an information age and an increasingly interconnected Global Village, no student's potential can afford to be wasted, especially by exclusionary educational practices/traditions (either conscious or unconscious). Dr. Griffiths writes clearly, using universal metaphors/tactics applicable to all educational situations.

Since its publication in 1842, Dead Souls has been celebrated as a supremely realistic portrait of provincial Russian life and as a splendidly exaggerated tale; as a paean to the Russian spirit and as a remorseless satire of imperial Russian venality, vulgarity, and pomp. As Gogol's wily antihero, Chichikov, combs the back country wheeling and dealing for "dead souls"--deceased serfs who still represent money to anyone sharp enough to trade in them--we are introduced to a Dickensian cast of peasants, landowners, and conniving petty officials, few of whom can resist the seductive illogic of Chichikov's proposition.
