

## Dark Eros: Black Erotic Writings

In this electrifying New York Times ebook and USA Today bestseller from rising star of dark and sizzling new adult novels Marata Eros, a former ballerina struggles to hide her painful past—only to discover she’s not the only one with secrets. “We’re terrible together. . . .” Jess Mackey’s whole life is a meticulously fabricated lie. She escaped the violent tragedy of her past and is forging ahead with a clean slate far removed from her powerful political family and its dark secrets. But Jess can’t ignore her passions—not her love for ballet, nor her tumultuous desire for the unexpected lover who threatens to jeopardize her carefully constructed identity. Love does no harm. . . . Devin Castle is all sex-and-hotness wrapped up in a dangerous package. Jess worked hard to leave danger behind. But she wants Cas as much as the girl she once was longs to be free. Convinced they can keep their messy emotions at bay, Jess and Cas indulge their wildest fantasies. But soon Jess’s lies begin to crumble, and the lovers discover that freedom comes with a deadly price.

In African American fiction, Richard Wright was one of the most significant and influential authors of the twentieth century. Richard Wright in a Post-Racial Imaginary analyses Wright’s work in relation to contemporary racial and social issues, bringing voices of established and emergent Wright scholars into dialogue with each other. The essays in this volume show how Wright’s best work asks central questions about national alienation as well as about international belonging and the trans-national gaze. Race is here assumed as a superimposed category, rather than a biological reality, in keeping with recent trends in African-American studies. Wright’s fiction and almost all of his non-fiction lift beyond the mainstays of African-American culture to explore the potentialities and limits of black trans-nationalism. Wright’s trans-native status, his perpetual “outsideness” mixed with the “essential humanness” of his activist and literary efforts are at the core of the innovative approaches to his work included here.

This book draws out a number of unexpected connections between chocolate and blackness as both idea and reality. Silke Hackenesch builds her argument around four main focal points. First is the modes of production of chocolate--the economic realities of the business and the material connection between blackness and chocolate. Second is the semantics of chocolate, while its iconography is analyzed third. Finally, she addresses the use of chocolate as a racial signifier, showing that it is deployed differently by African Americans and Afro-Germans, for example.

The Journey
A Deeper Shade of Sex
DETECTIVE FICTION
Soul Work
Fever Series Book 1
The Precursors

What does it mean to be young, Black, female, intelligent, gifted with second sight, on your way to a Ph.D. and in love for the first time? The Journey presents us with exactly this young woman. The pivotal question becomes is she sane and he deceitful, or has she lost her mind? The answer is both. Not an easy, cohesive ride, the narrative thread of an African American female mystic falling deeply in love with a white psychiatrist is complicated by a gently suggested history of abuse, graduate school, and the subtle racism of still largely white academia. The Journey strokes the American psyche from within a very personal story of love and vision: she is in love; he is not, but he leads her in a merry dance, never quite revealing what emotion lies behind his warm brown eyes.

Brown Sugar brings together some of the most acclaimed voices in today’s black literary world -- Sapphire, Natasha Tarpley, Reginald Harris, and Pamela Sneed, among them. These titillating stories cover the full spectrum of black experience and identity as they reveal sexuality and sensuality in all their varied and exotic forms. From the subtle to the graphic, Brown Sugar embraces the ardor and passion of black love and lust, and will appeal to both men and women. Featuring both well-established authors and promising new writers, this one-of-a-kind collection represents the past, present, and future of black literature at its pleasurable and outrageous best. It is a must-have for every lover, as well as every lover of first-rate fiction.

Jay puts pressure on Faren for more than she’s willing to give. With the discovery of a deeper secret than she can keep to herself, Faren commits to lying no more. Though the goal of her mother’s debt has been absolved and is safe from transport, Faren struggles with concerns over her long term care. When Mick finds out the absolute truth, the dynamic of their relationship changes to include something she never expected to have: hope. On the cusp of a new reality, with more than just herself to be responsible for, Faren elicits Thorn’s help to take down the corruption that’s closing in around the light group. How long can Faren and Thom keep those at bay that wish to destroy the fragile happiness between Mick and Faren? Will blackmail be successful in ruining the one thing Faren’s decided she wants even more than her own life?

*Reflections on the black experience, the American experience, and a more global experience and worldview are all widely discussed, as well as future trends and ascensions for black literature. Students, teachers, journalists, and other writers will welcome the chance to view parts of the writing process and see inside the heads of prominent black writers.*

*The first major twenty-first century history of four hundred years of black writing. The Cambridge History of African American Literature presents a comprehensive overview of the literary traditions, oral and print, of African-descended peoples in the United States. Expert contributors, drawn from the United States and beyond, emphasise the dual nature of each text discussed as a work of art created by an individual and as a response to unfolding events in American cultural, political, and social history. Unprecedented in scope, sophistication and accessibility, the volume draws together current scholarship in the field. It also looks ahead to suggest new approaches, new areas of study, and as yet undervalued writers and works. The Cambridge History of African American Literature is a major achievement both as a work of reference and as a compelling narrative and will remain essential reading for scholars and students in years to come.*

*Contains fifty-eight articles that provide information about various forms, genres, or themes of popular culture, and includes illustrations, photo essays, a chronological survey of each topic’s history, and a comprehensive index.*

*A Deeper Shade of Sex explores erotic possibilities as imagined and reported by more than 70 authors, both well known and emerging. This collection, including poetry, fiction, and essays, covers a compelling breadth of styles and emotions in contemporary African American writing. As editor Reginald Martin notes, “The pieces collected in this volume throb with the tempo and tenor of writers who have defined the erotic verve of our urban times. Los Angeles, New York City, Miami, New Orleans — every place there is a bus line or dance club has produced African-American eroticism. . . .”*

*This handbook is the first resource for the practicing clinician that addresses the role of homework - patients' between-session activities - across major therapeutic paradigms and complex clinical problems. The book opens with a series of practice-orientated chapters on the role of homework in different psychotherapies. A wide range of psychotherapy approaches are covered, each illustrated with clinical examples. The book includes valuable coverage of complex and chronic disorders. Novice and seasoned psychotherapists from all training backgrounds will find useful ideas in this volume.*

Heart and Soul magazine 101 Ways is like talking to your sister when she’s got all the right answers. Black Issues Book Review An ambitious...guide to personal growth and fulfillment through the practice of loving one’s self. Walker touches upon topics as diverse as respecting your elders and loving your hair, devoting each chapter to a single principle. Walker often seems to be thinking out loud, as if she’s writing a journal entry or letter to a close friend...The very completion of this 101 -chapter volume is no small feat and should serve as an inspiration to aspiring writers. Midwest Book Review An impressively practical self-help guide written especially to aid black women to get in touch with their spiritual side, experience a zest for life, and achieve a personal liberation. Walker articulately and persuasively takes the position that true healing does not come overnight, but rather it gradually evolves over time, once we learn not to look outward for validation and approval, and only when we embrace the love of God. 101 Ways Black Women Can Learn To Love Themselves is definitely recommended as being an unusually powerful, emotionally charged, and uplifting personal improvement and self-help guide. Kanika A. Wade, The Rawsistaz Book Reviewers As a black woman on her own personal journey, I found this book to be powerful, very emotional, and moving to read. I felt that the author at times was speaking directly to me, providing the encouragement and strength that I need as I move forward into new horizons. Jamie Walker offers a book that with an open heart, many can and will find healing. As a young black woman, I am thankful that Ms. Walker heeded the call and wrote a book that all black women, regardless of age should read. Venus Noble Jamie Walker is insightful and wise way beyond her years. A page turner would not describe the inability to put this book down! There is wit and humor in every single passage! No Black woman’s bookshelf should be without this manual of self worth and respect. Though apparently geared toward Black women, it is useful for any woman who will open her mind to learning about herself and growing. Social Worker/Activist, Oakland, California Joy Parham, Assistant to the Librarian; UC Merced I believe this is a necessary and encouraging message Jamie is sending out to Black women, especially our young Black women. Most of us didn’t tap into our inner selves until we had experienced numerous trials and tribulations in life. We didn’t see the value in the valley. This is definitely a book I will add to my collection. Esther Cooper Jackson, co-founder of Freedomways magazine An excellent resource! Columbus Metropolitan Main Library (representing ten branches) A Must Read! BOOK SUMMARY Self-love is the one kind of love that can every truly heal and rescue us, causing us to be more open in all of our other relationships, activities, and endeavors. 101 Ways Black Women Can Learn to Love Themselves this book is about self-actualization, the power of sisterhood, the healing power of sharing our own stories, and the beauty o

*Systemic Sex Therapy*

*Black Writers on Writing*

For better or worse, pornography and sexual representation suffuse American culture. This first comprehensive guide to the literature includes the history of pornography in the United States and discusses pornography in a vast range of media. Volume one opens with a discussion of the history of American pornography. Two separate sections present information regarding bibliographies and reference tools concerning pornography and reviews of references devoted to the histories of sexuality and its representations and on theoretical works on erotica and pornography. One chapter is devoted to a discussion of major research collections. Also included are a chronology of important dates in the history of American Pornography and a discussion of child pornography. Volume two focuses on dramatic, visual and electronic media and is arranged by topic. Chapters discuss the landscape of the body, performance, erotic and pornographic art, erotic and pornographic photography, motion pictures and videotapes, and electronic media. Volume three focuses on oral, print, and journalistic media and includes folklore and oral genres, erotic literature, newspapers, magazines and advertising, and comics. The volume concludes with a section concerning research and policy regarding medical and social sciences, the law in the United States, and the economics of pornography.

This book examines how African-American writers and visual artists interweave icon and inscription in order to re-present the black female body, traditionally rendered alien and inarticulate within Western discursive and visual systems. Brown considers how the writings of Toni Morrison, Gayl Jones, Paule Marshall, Edwidge Danticat, Jamaica Kincaid, Andrea Lee, Gloria Naylor, and Martha Southgate are bound to such contemporary, postmodern visual artists as Lorna Simpson, Carrie Mae Weems, Kara Walker, Betye Saar, and Faith Ringgold. While the artists and authors rely on radically different media—photos, collage, video, and assembled objects, as opposed to words and rhythm—both sets of intellectual activists insist on the primacy of the black aesthetic. Both assert artistic agency and cultural continuity in the face of the oppression, social transformation, and cultural multiplicity of the late twentieth and early twenty-first centuries. This book examines how African-American performative practices mediate the tension between the ostensibly de-racialized body politic and the hyper-racialized black, female body, reimagining the cultural and political ground that guides various articulations of American national belonging. Brown shows how and why black women writers and artists matter as agents of change, how and why the form and content of their works must be recognized and reconsidered in the increasingly frenzied arena of cultural production and political debate.

This comprehensive textbook, intended for graduate students in couple and family therapy programs as well as for clinicians of diverse orientations, offers descriptive discussions of sex therapy based on the Intersystem Approach, as developed by Gerald Weeks. The Intersystem Approach considers the biology, psychology, couple dyad, family-of-origin, and larger contextual factors of any sexual disorder or issue. It is grounded in systems theory and represents a new understanding of human sexuality and sexual problems. Appropriate for anyone who wants to progress to a more comprehensive and integrative understanding of sexual dysfunctions, this text will teach the reader how to treat the couple, rather than the individual. Now in a second edition, Systemic Sex Therapy presents 12 updated chapters and two new chapters, bringing the material up-to-date with the DSM-5. Each chapter examines the definition and description of a disorder, its etiology, assessment, treatment, research, and future directions. Experts in the field discuss issues ranging from pharmacology, sexual compulsivity, therapy with lesbian and gay couples, to chapters on male and female lack of desire. A standard text in the field, Systemic Sex Therapy integrates couple and sex therapy to inform the treatment of sexual problems, and to give beginning and experienced clinicians the abilities and confidence they need to produce viable change in their patients' lives.

Eros and Illness

I'm one of four Willow daughters. He's the first-born son of the Scafoni family. And we have history. For generations, the Scafoni family have demanded a sacrifice of us. A virgin daughter to atone for sins so old, we don't even remember what they are anymore. But when you have as much money as they do, you don't play by the rules. You make them. And Sebastian Scafoni makes all the rules. The moment I saw him, I knew he would choose me. Even though the mark on my sheath declared me unclean. Even though my beautiful sisters stood beside me, offered to him, he still chose me. He made me his. And then he set out to break me.

The overwhelming power of the erotic imagination is brought to full flower in this masterful collection of African-American writings. With pieces from more than seventy writers, Dark Eros explores the erotic possibilities as imagined and reported by authors both well-known and emerging. Using the literary to trace the race of the erotic impulse, this collection of writers and writings-poetry, fiction, and essays-covers the length and breadth of styles and emotions in contemporary African-American writing. As editor Reginald Martin notes, "The pieces collected in this volume throb with the tempo and tenor of writers who have defined the erotic verve of our urban times. Los Angeles, New York City, Miami, New Orleans-every place there is a bus line or dance club has produced African-American eroticism..." The result is a volume that is both compelling and necessary-an exploration of the African-American through the erotic.

Dr. Niama Williams' Steven is a psychological triumph. This long overdue Song of Survival, punctuated by the cataclysmic overtures of epiphany, minimalist agreement, and happenstance, is proof that the arrival of the truth does not always come via verbal messenger. From the beginning with "Schindler's List," Dr. Williams asks the film's director to explain, "tobbing a people of their origins." She poignantly points out that Middle Passage descendants live without a traceable identity and unlike the majority, "cannot fabricate what was deliberately stamped out of existence." Dr. Williams' text provides a tracing of the indelible markings each of us makes on the other, and on the collective consciousness of American society.

101 Ways Black Women Can Learn to Love Themselves
Reading the Bones

MacKayla Lane ’s life is good. She has great friends, a decent job, and a car that breaks down only every other week or so. In other words, she ’s your perfectly ordinary twenty-first-century woman. Or so she thinks . . . until something extraordinary happens. When her sister is murdered, leaving a single clue to her death—a cryptic message on Mac ’s cell phone—Mac journeys to Ireland in search of answers. The quest to find her sister ’s killer draws her into a shadowy realm where nothing is as it seems, where good and evil wear the same treacherously seductive mask. She is soon faced with an even greater challenge: staying alive long enough to learn how to handle a power she had no idea she possessed – a gift that allows her to see beyond the world of man, into the dangerous realm of the Fae. . . . As Mac delves deeper into the mystery of her sister ’s death, her every move is shadowed by the dark, mysterious Jericho, a man with no past and only mockery for a future. As she begins to close in on the truth, the ruthless Vlane—an alpha Fae who makes sex an addiction for human women – closes in on her. And as the boundary between worlds begins to crumble, Mac ’s true mission becomes clear: find the elusive Sinsr Dubh before someone else claims the all-powerful Dark Book—because whoever gets to it first holds nothing less than complete control of the very fabric of both worlds in their hands. . . .
